OUTRIGGER TO HOLD MEMBERS DAY SATURDAY

The annual "members day" of the Outrigger Canoe club will be held on the club premises at Waikiki next Saturday, from noon until midnight.

The program will include the annual volleyball championships, the horseshoe pitching championship and canoe races. A special match canoe race between members of the Women's Auxiliary and directors of the club will be one of the features.

In the evening a beach dinner will be served, and after an entertainment program, there will be dancing in the club pavilion.

One of the features of the day's program will be surf riding, a sport which some of the members find little time to indulge in during the year, but which always forms a large part of the reunion day program.

The Outrigger club was originally formed to perpetuate the sport of surfboard riding, until that time largely the pastime of Hawaiians, who have surfed as far back as can be remembered.

Bath houses will also be open during the evening for those who may enjoy moonlight swimming or surfing.
