FOSTERING HAWAIIAN SPORTS

Probably no other organization in Honolulu has done as much as the Outrigger Canoe club to promote surfriding, which gives Waikiki an activity unique throughout the world.

The celebration by the club tomorrow of "Membership Day" will be appropriately marked by the water sports which have been fostered by the organization for a period of 25 years.

It should attract the attendance of the complete membership of the club as it is upon their support that the club must depend to continue the splendid work which it has been carrying on for so many years.

The club is not only valuable to its members, but valuable also to Waikiki, to Honolulu and to all of Hawaii. In promoting a wider interest in its activities, the members are contributing to the community as well as themselves.
