# Surf Board Polo Finals Scheduled

At 3:30 this afternoon at Waikiki Beach the champion Hui Nalu team will defend their title against an all star selected team from all the Beach clubs. A fast, snappy game is assured.

To show the tourists how safe they are at Waikiki, even in an outrigger canoe that has overturned, a demonstration of life saving will be given, using surf boards for rescue work.

Another feature to be staged between the game is a wahine outrigger canoe race. A spirit of strong comeback is being shown by the girls who were beaten two weeks ago.

The public is invited to these games, which have proven so popular this winter season with tourists and local people. Reserved seats can be secured at the sports desk at the Royal Hawaiian or any of the beach hotels.
