WILDER PARKER'S Palama squad, studded with the best available talent in local prep cinder circles, romped off with the Rainbow Relays held yesterday at Moiliili Field. The Winged P's amassed a total of 95 points to wrench first honors from the powerful squad from the Army who garnered 85. The University of Hawaii finished third with 40, Maui fourth with 12 and the Y. M. C. A., fifth with 2.

Ace records were smashed by nine performers during the course of the afternoon, while two others were tied. These brilliant individual performances featured the carnival which was witnessed by fairly large and enthusiastic crowd.

CHRISTY STEALS SHOW

Teddy Christoffersen, the Buffanblu whistler, performing under the colors of Palama, virtually stole the show. The Big Blonde of Manoa broke two records, tied one and almost participated in five winning events for a grand total of 20 points. He started off by equalling Shorty Wai Ching's record for the broad jump, leaping 21 feet 4½ inches, or 1½ inch further than the old mark, he then moved to the front with a clear 5 feet 11½ inches thus better by Hartmann's record of 5 feet 9 inches.

The hurdles was next on his schedule and he tied "Buster" McGuire's mark of 29.3. To top off a brilliant day, he won laps in both the ½-mile and half-mile relays which went to Palama.

FIVE RELAYS TO PAL

All told, Palama won five of the six relays, losing the quarter-mile to the University by five yards. Coach Bat lap by Chad Penhallow who beat Palama by ten yards.

Winner Parker sent Durant, Umoto, Yoeue, Harrison and Charley Ornellas to the pole for the 2-mile and they won handily from the Army with the University third.

Nelson Ahuna, Menino, Kuftarkin and Don Wong represented the Buffs in the 440 and Danny Wise, running another lonesome leg, managed to be a yards. C. V. Wright ran a beautiful leg for the Army, Kuftarkin also turned in a stellar leg.

FOUR-MILE MARK BROKEN

In the four mile, Lindsay Gorsuch running No. 3 and Todd another, Palama again broke the tape and thus lowered the record. Ching running the final leg established a new mark which Leak of the Army overcame running Gorsuch close. However, Gorsuch's time was 20.4 seconds faster than the old record. Ching of Palama and Tho Pate were clocked in 19 minutes 31 5-6 seconds which bettered the old record of 19:46.4, held by the Army.

In the Scuttle or Hurdles relay which is something new in local circuits, Christoffersen, A. Lum, Jimmy Wright and A. Lum ran for victorious Palama. On the third lap, Jimmy Wright knocked over two hurdles. On the final lap, with these obstacles down, D. Lum had an advantage which the Army men which gave him the winning margin.

Going into the final event of the day, the half-mile relay, Palama had 84 points to 81 for the Army. The first place for the Army would have given them a tie at the top. Durant, Christoffersen, Payne, Yamaguchi and Kuchana, however took first with the University second and the meet was over. In winning, Palama broke the record of 1:31.2 held by the Outrigger.

DISCUS MARK FALLS

In the discus events, Al Gorsuch of the Army heaved the plate 143 feet 11½ inches for a new record. The old mark was held by Ernie Van Drust.

The other mark to fall into oblivion was the pole vault which went to Furtado, a Punahou prep student, lug under the colors of Maui, his handsome figures showing the vaulter at 11 feet 8 inches, one inch higher than Carreira's old mark.

While attempting to set a higher, the Pun lad twisted an ankle and was carried from the field.

Both the 100 novice and open were slow, Payne won the novice in 10.3 while W. Jones of the Army showed a neat pair of heels to Yat and Ah Pen in the open. However, his time was only 10.3.

INDIE FAGGED

That brilliant local runner George Indie and Christoffersen in the 220 hurdles failed to transpire and Coach Gill of the University of Hawaii track club in charge of the meet are at fault. Indie in the 440 and had but little to gain in sending Indie into the event. As for the officials, after winning one heat, Indie and the rest of his boys were compelled to run a re-run. Five minutes later he took his mark for the hurdles and barely finished.

The meet was run off on a time slow which called for the National relay at 3.59. At 4 o'clock it was on. Next week it is A. A. U. and then the track season will be over.

THREE-WAY TIE EXISTS IN JUNIOR HIGH LOOP

By defeating Lilioukalani 7-5 yesterday afternoon in a 14-inning pitchers' battle at the Kamehameha baseball field, Kalakaua threw the Junior High league into a triple tie. The game was a hot one throughout, both teams playing practically errorless ball. Shimabuku and Yamaguchi each pitched superbly but the latter weakened in the 14th frame, allowing a couple of hits which the alert Kings converted into runs.

At Moiliili Field, Roosevelt defeated Wilcox-Aukon 5-4 in another close but little difficulty in disposing of Kawanakoa 16-4 at Makiki.

Thus as a result of yesterday's games, Lilioukalani, Kalakaua and Central are all tied for first place with two games each. The two latter teams will meet
