# Canoe Racing Season Gets Underway

By Marilyn Kali

When regatta season begins this month, many of us will take for granted that when it's our turn to race, the Kaoloa and Leilani will be on the beach and ready for us to jump in and paddle to the starting line.

For those hard-working members of the Canoe Racing Committee and the coaches, regatta day has begun before dawn when they gathered at the Club to load up the canoes, tent and equipment to bring to the regatta site.

And for those who haven't been at the beach when the canoes arrive, or at the beach at the end of the day when the canoes are loaded on the trailers to head for home, you may be surprised to find out that the canoes don't come ready to race.

The canoes are expertly rigged for each race by a handful of Outrigger members who have mastered the art from years of practice.

The purpose of rigging is to tie together the three main parts of the canoe--the hull (the main part of the canoe), the iako (the two wooden booms that connect the hull and the ama) and the ama (the wooden float that lies parallel to the hull and floats in the water).

"We use cotton cord string to tie everything together," says Walter Guild, Board member, paddler, former Head Coach and longtime member of the Canoe Racing Committee who spent many years in charge of the racing equipment.

"We use cotton because when it gets wet, it shrinks and binds everything together tightly."

All cord used for rigging is pre-stretched around a fixed object before it's used to rig a canoe.

It takes about 50-feet of cord to tie each ama to the iako, and about 60-feet of cord to tie each iako to the hull.

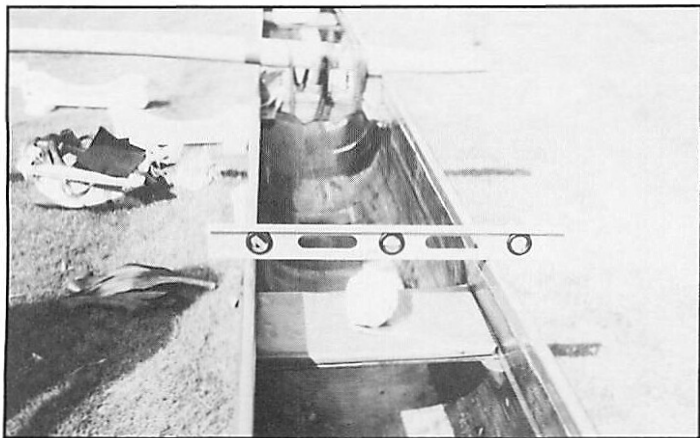

Rigging a canoe takes at least two people.

## Leveling the Hull

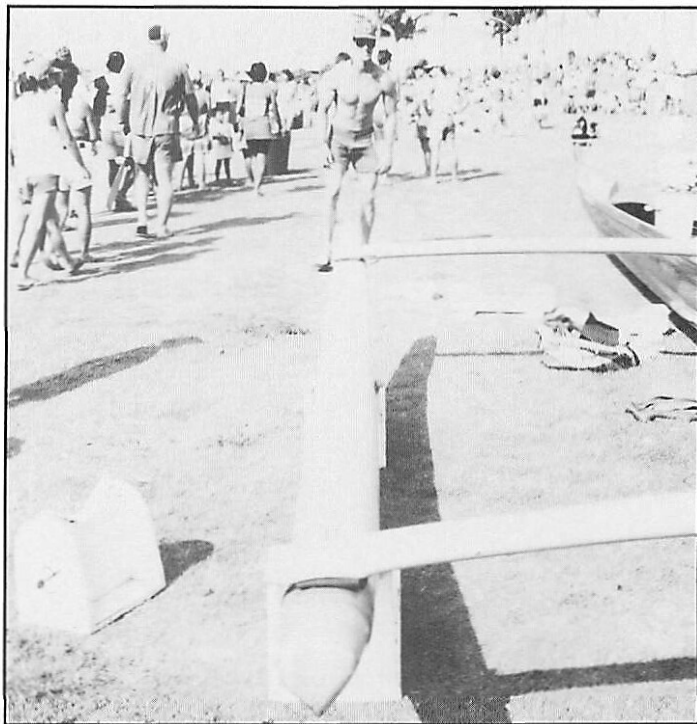

The first step in rigging a canoe is to level the hull. The crew places a carpenter's level across the hull to make sure it's level.

This is necessary so that the canoe will float properly when it's in the water.

The next step is to tie the iakos to the boat with rubber strips to hold them in place.

*The hull is leveled.*

*The ama is sited for alignment.*

Then, the ama is placed in the cradles and given a visual check to make sure it is properly aligned.

## First the Ama

One person holds the ama, while the other begins the tying process. The cord is wrapped around the peg on the iako in a figure eight. It crosses either in front of the peg or in back of it.

Everytime it crosses, it locks the cord under it in place. Should a string break, it can't unravel because it's locked in by the cord on top.

The cord is pulled as tightly as possible.

The cord is then wrapped around the previous lashing between the iako and ama to cinch it in place and then is tied off.

A string is tied from one iako to the other to keep them from moving. The newer ama have holes in them so that a string isn't necessary.

The ama is always tied the same way.

## Ama Placement

Once the ama is tied, the distance between the hull and ama is adjusted depending on the water conditions and the size of the crew using the boat.

The distance between the hull and the ama varies from 66 to 70 inches from the outside gunnel of the canoe to the center of the ama.

"The farther out the ama is, the more stable the canoe is," Guild said. "It has a catamaran effect. The closer in the ama is, it acts as a single hull sort of boat. It's less stable, but gives a higher performance."

"The rigging really depends on the water and wind conditions. We usually make allowances for the crew in how we wedge the hull. We usually rig the Leilani light for the kids, and the Kaoloa heavier for the open crews."

## Iako to the Hull

It takes two people to tie the iako to the hull.

The process starts by finding the mid point in the cord and looping it around the wae (the wooden block inside the hull which spreads the gunnels apart and on which the iako sits).

There are different sets of holes in the gunnel so that the wae can be moved forward or back depending on the ama that is used.

"Once we find the best place for the iako, we usually leave it there," Guild said.

Each person then takes one piece of the cord and begins lashing the iako to the hull, always pulling the

cord as tightly as possible. (See photos on page 4.)

The cord is wrapped through the gunnels and around the iako and wae, in a figure eight pattern. The wrap is finished by again securing the cord to the wae, and then all of the cords are cinched together and tied off.

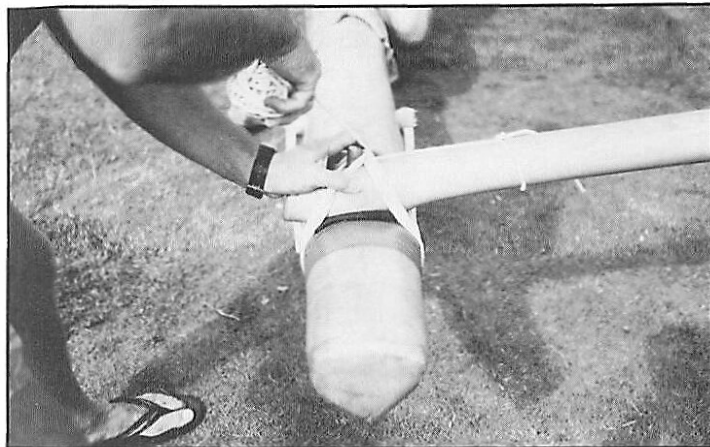

Once the rigging is complete, water is poured on the cord so that the tightening process can begin.

It takes 30-45 minutes to rig each canoe on race day.

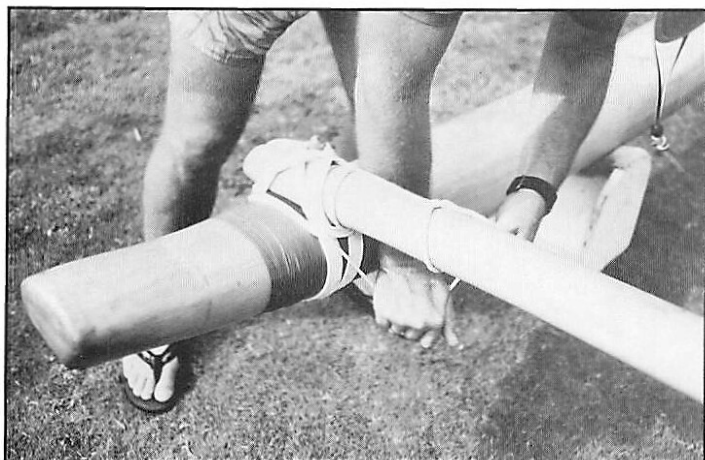

Instruction in rigging is offered by the Canoe Racing Committee at various times during the racing season, so check the bulletin board in the tunnel if you'd like to learn. 🍷

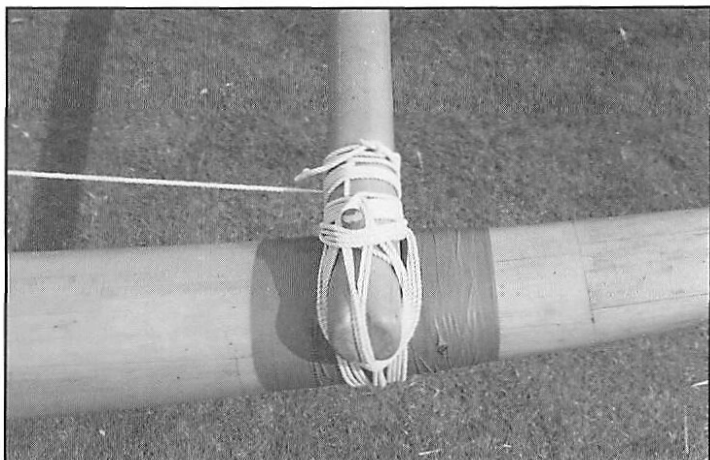

*Lashing of the iako to the ama begins.*

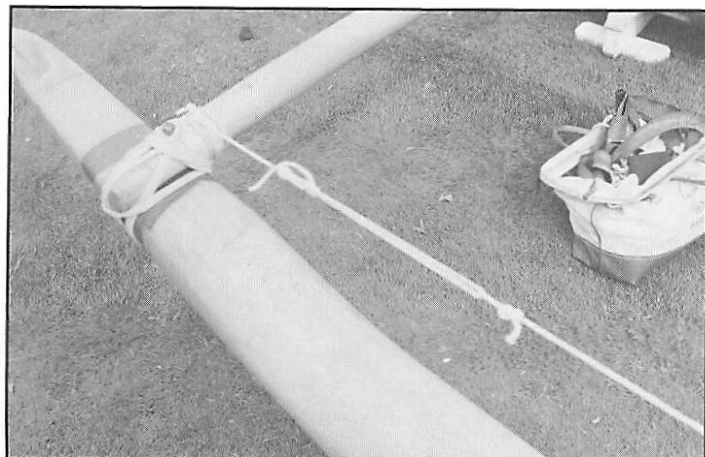

*A figure eight pattern is followed.*

*The lashing is cinched.*

*Top view of the final rigging.*

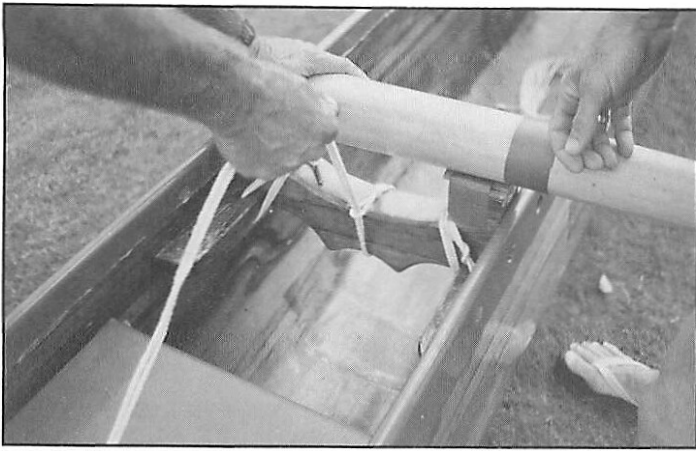

*A cord ties the iakus together.*

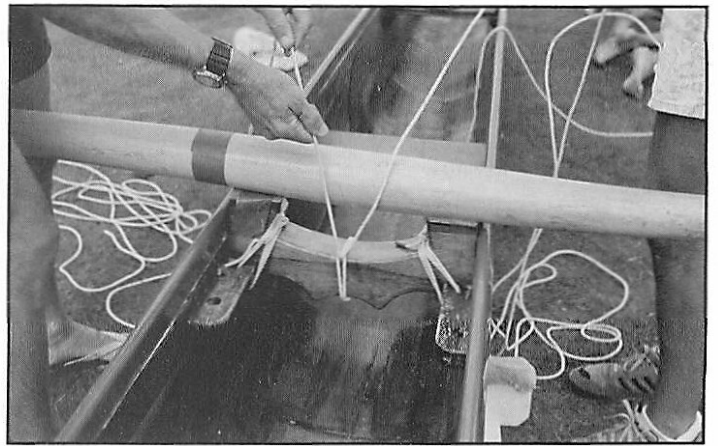

*The distance between the hull and ama is measured.*

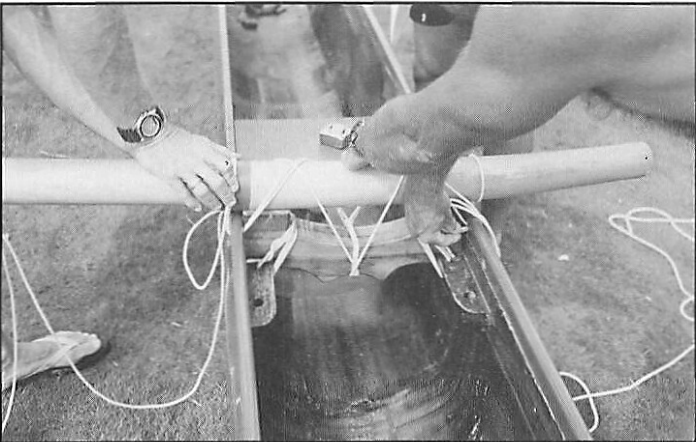

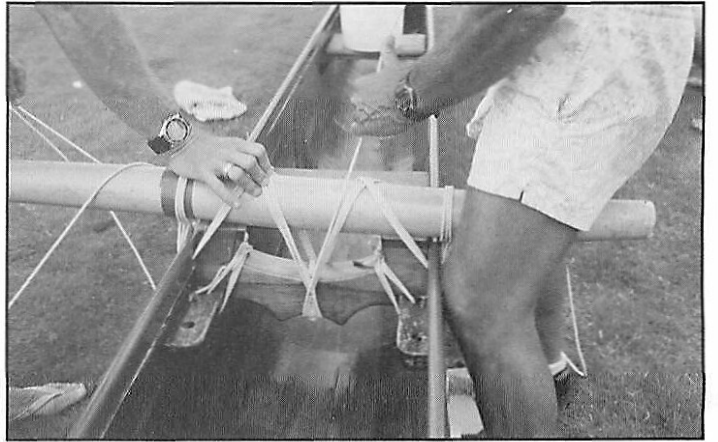

*The cord is looped around the wae.*

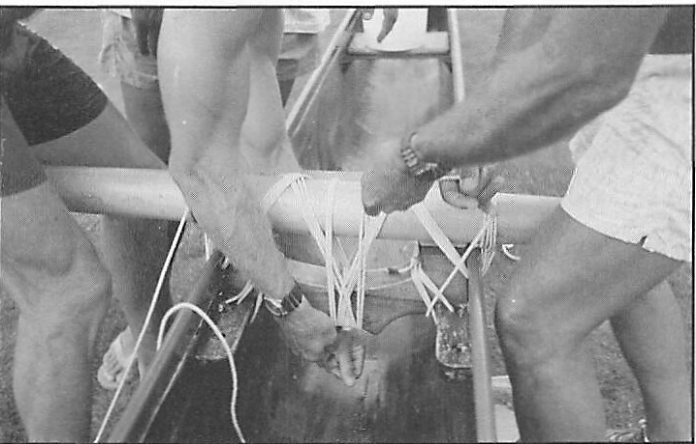

*Riggers begin tying iaku to hull.*

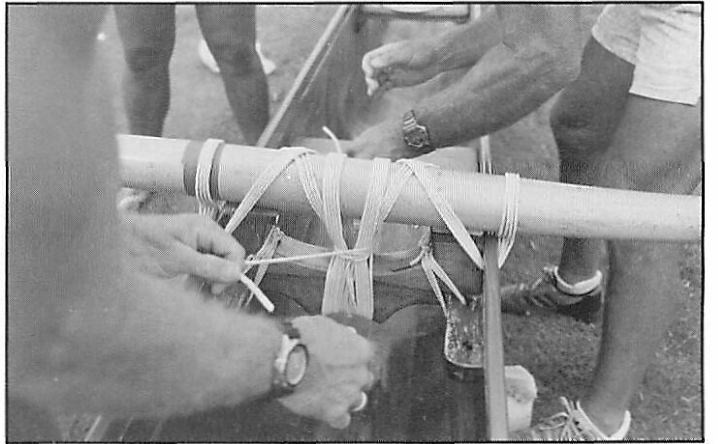

*A figure eight pattern is used.*

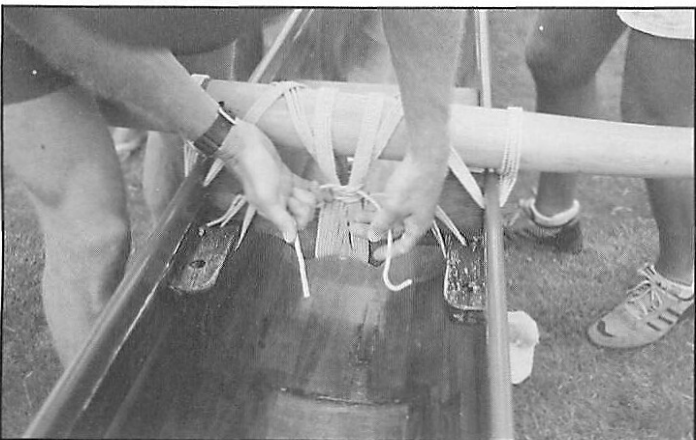

*Cord is pulled tight.*

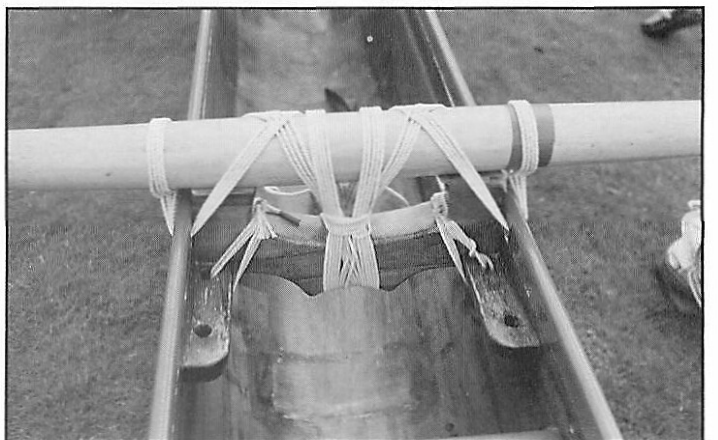

*Final wrap around the wae.*

*Cinching all ties together.*

*Tieing off the cord.*

# Regattas Scheduled Every Sunday in June

The 1993 Oahu Hawaiian Canoe Racing Association Regatta season gets under way this month, with races scheduled every Sunday beginning at 8:30 a.m.

The season opener is June 6 at Waimanalo Beach Park.

Head Coach Di Guild expects to field crews in all 30 events, and hopes that Outrigger crews will successfully defend their Oahu and State championships.

"We usually start slowly at the beginning of the season because kids are finishing school and there are a whole lot of activities and not all the college kids are back yet," she said. "But by the 4th of July I expect us to be at full force and ready to bring home the Macfarlane trophies, as well as the Oahu and State titles."

Crews have been practicing twice a week since the end of April for regattas.

Other races this month are:

June 13--King Kamehameha Regatta at Kailua Beach Park

Sharon Smith and Paula Crabb register OCC paddlers.

Diane Lee takes photos of paddlers for OHCRA registration cards.

June 20--Leeward Kai Regatta at Keehi Lagoon

June 27--Clement Paaina Regatta at Keehi Lagoon

July 4--Walter J. Macfarlane Regatta, Waikiki Beach

All Outrigger families are encouraged to attend the races and cheer on the various crews. Bring your lunch (sandwiches will not be provided this year) and snacks and enjoy a fun day of competition, sun and fun. ☺

# AROUND THE CLUB

By Raymond Ludwig, General Manager

It seems like only yesterday that we were celebrating the New Year and lo and behold summer is upon us.

And with summer come many club activities--the summer canoe regattas every Sunday at various locations around the island and our ever popular summer steak fries on the Hau Terrace every Saturday night from 6 to 9 p.m.

## Summer Entertainment

We will again this summer feature special entertainment together with the Steak Fry on Saturday nights. For June we have arranged for Jay Larrin on the 5th, Azure McCall on the 19th, and Kevin Mau on the 26th.

Throughout the summer we'll post each week's featured entertainment on the Lobby Bulletin Board.

## Father's Day Fashion Show

Our Father's Day Fashion Show luncheon will take place on Friday, June 4 in the Main Dining Room. Fashions by Reyns.

## Kamehameha Day

Friday, June 11 is the state holiday for Kamehameha Day and we will offer a very special Hawaiian luncheon for you who are Hawaiian and Hawaiian at heart, and also for those of you who just like ono Hawaiian food.

Our regular luncheon menu will also be served on this day.

## Fiesta

It has been a few years since our last Mexican fiesta so the Entertainment Committee has scheduled Saturday, June 12 as Fiesta Day. The doors open at 6 p.m. We'll provide an authentic Mexican buffet with all the tamales, tacos, enchiladas, ceviche and frijoles you can eat.

We have arranged for a really great mariachi band to put you in the right frame of mind and of course, we'll have mucho margaritas.

Reservations should be made at the Front Desk pronto as it's sure

to be an early sell out. The price is \$19.95 with no-host cocktails and our 48-hour cancellation policy is in effect.

## Employee Picnic

A big mahalo to the Board of Directors for approving our annual employee's picnic held at Magic Island on Monday, May 24. Everyone had a great time with volleyball, baseball and swimming, all kinds of games for the kids, and all types of wonderful food. A great time was had by all and despite the sore aching and sunburnt bodies everyone managed to show up for work the next day.

Activities such as these do wonders to promote good fellowship and a real sense of camaraderie among our employees.

## Friday Night Sunset Buffet

Our Wednesday night Sunset Buffets have been so popular that we have decided to offer them on Friday evenings as well. The buffet priced at \$13.50 will be available on Friday evenings from 6 to 9 p.m. with the exception of the first Friday of each month due to our Seafood Buffet taking place on that night.

The buffet will be available in both the Dining Room and the Hau Terrace.

## Drinking Policy

A reminder. Summer brings the return of our students from Mainland schools and colleges. Section 45 of the Club Bylaws state, "No person under the age of 21 years shall bring, consume or be served any liquor on Club premises."

Violations of this Bylaw could result in the loss of Club privileges. Our staff has been instructed to enforce and report any violations of Bylaw Section 45.

## Father's Day

On Father's Day, Sunday, June 20, there is no better way to show Dad how much he's appreciated than by bringing him to the Club

for a special Father's Day Prime Rib Buffet Dinner.

## Whiffen Poofs

Yale University's premiere senior men's singing group, Whiffen Poofs, will again this year make a special appearance at the Outrigger. A tradition of musical excellence sets Whiffen Poofs apart.

Whiffen Poofs bring professional music, humor and a distinctive elegant presence to every performance. The date is Thursday, June 3, time 6:30 to 8:30 p.m.

They will be performing on the Hau Terrace and in the Main Dining Room. If you missed them last year, be sure to make an effort to see them this year. You won't be disappointed. We suggest you make your dinner reservations early for the Dining Room. The Hau Terrace is of course open seating.

## 4th of July

As a reminder, all events at the Club on July 4 are for Club members and their invited guests only. However, due to the limited space everyone attending the Club party must have a ticket for admission.

Tickets are available at the Front Desk for \$1 each. Tickets should be purchased in advance. Because of our Club size, tickets will be limited to members as follows: Junior and Associate, limit two per member; Regular, Intermediate, Senior and Life, four per member.

For everyone's enjoyment, persons below the legal drinking age of 21 are discouraged from attending the Club after 8 p.m. Club membership cards for identification and verification of age will be required.

Parking will be for Club members with decals only.

We look forward to seeing you at the Club on the 4th and hope you all have a great time.

## Good Luck to Paddlers

We wish the 1993 canoe paddling team good luck in the upcoming regatta season.

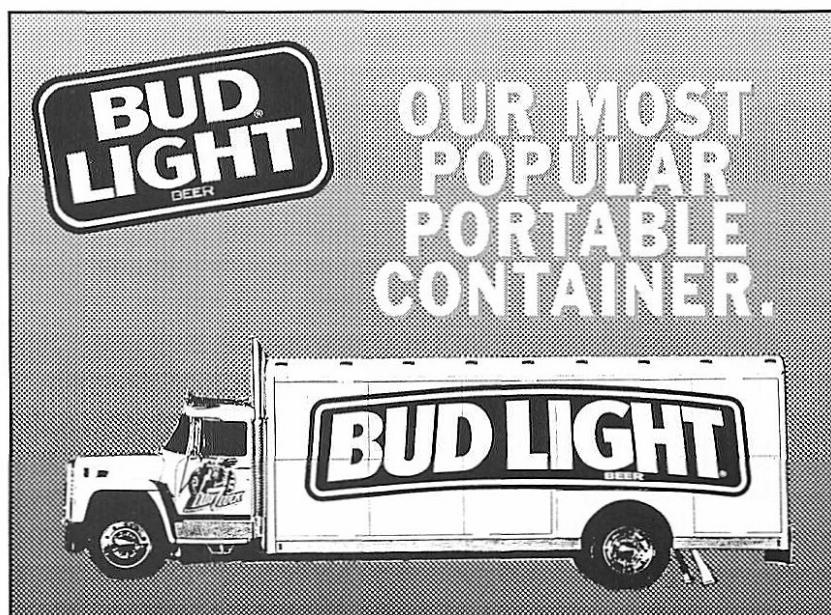

## Snack Shop Hours Extended

Remember the Snack Shop Hours have been extended until 6 p.m. through Labor Day.

Please Kokua

To accommodate the most members and guests during the busy summer months, we will be enforcing the house rule which restricts the use of tables on the Hau Terrace and Bar Lanai for food and beverage service only from 11:30 a.m. to 2 p.m. daily.

Game tables and reading facilities are available in other areas of the Club. There may be times when we have an abundance of available tables and during such times this policy may not be enforced. However, when the demand dictates, we hope we'll have your cooperation. ☺

## What a Rack-et

By Carolyn Skinner

A few long-standing myths are that weekends were made for Michelob, sleeping in, and that the Outrigger's forum to compete and prevail is the ocean.

But now, the Club no longer has to rest solely on its much deserved paddling laurels. Thanks to several talented, tenacious, tennis types, the OCC women set paddles aside, picked up racquet and hut ho, had a winning Honolulu Tennis League season.

History was made. We were legends in our own minds. While victory is sweet, the road to tennis team stardom was arduous.

An overnight success we are not. For the last several years, the team's reputation in the HTL was, yawn, oh the Outrigger, an easy win.

Our happiness, our joy, was derived from the smiles of elation we brought to our opponents faces when they consistently beat us soundly. We were too happy for them.

We never tired of the question, "Where do you ladies practice?"

Our opponents thought us ingenious by taking full advantage of the Club's facilities, rallying day and night on the volleyball courts or in the parking garage. We were not idiots.

Months ago, when team captain Diana Snyder called our pre-season meeting, collectively we sensed the 1992-93 season was going to be unique. Maybe it was something in Diana's delivery; she seemed hesitant, almost reluctant to hand out our schedule of play.

Reason: it was a schedule from Satan, a decree from the tennis governing body, which in effect is not a body that needs sleep.

Instead of balls, Diana passed out flashlights, alarm clocks, sweat-shirts, all weather gear, Army rations and topographical maps of the most remote areas of Oahu. We were going into battle.

We were scared, but the club's tennis reputation hung in the balance. You are embarking on mission, "Desert Stark Mad", barked coach Tracey Wiltgen.

For the next 11 weekends, our lives and sleeping patterns, were dictated by the HTL and the Satan schedule. We were sighted driving in circles around Wahiawa and Waianae, not Waialae or Diamond Head.

Every Saturday at 4:45 a.m. wake up calls and expletives could be heard ringing through the homes of Ann Martin, Mary Alexander, Cindy Mahoney, Leilani Maguire, Lucy Alexander, Evie Black,

*Members of the OCC Tennis Team are, top, Diana Snyder, Carolyn Skinner and Cindy Mahoney; middle, Robin Martin, Mary Alexander; and front, Carole Wilbur, Ann Martin and Lucy Alexander.*

Shannon Lowrey, Carole Wilbur, Diana Snyder, Robin Martin, Pam Rigg, Tanya Watumull and Carolyn Skinner.

We had to ask ourselves, was tennis really worth this? Laughing by candlelight, we decided it was. We were winning, we loved the absurdity of it all, and developed the kind of friendships that come from living through disaster. A great group who deserved their day in the sun. ☺

# Junior Boy's Volleyball Programs

By Robby Ostrem

## Boy's 12 & 13

Coach: Buster Chapman

Assistant Coach: Paul Johnstone

Assistant Coach: Jim Huemann

It has been a building year for the Boy's 12 and under team. All of our players are either 10 or 11 years old. Joining us for our workouts have been boys who are 13 years old and either new to volleyball or not quite ready to play with the boy's 14 team.

We have participated in three round robin tournaments and we have made a good showing in all. We played in the Junior Regional tournament on May 22.

The experience the boys gained this year will better prepare them for a strong showing next year. Our goal is to take this team to play on the Mainland next year in national competition.

Team members are Jason Schnack, Kai Young, Lindsey Breeden, Nick Bright, Koa Avery, Mike Kerr, Matthew Carr, Nick Fowler, Doug Johnstone, Zachary Payne, Keola Keahiolalo, Andrew Estes, Jimmy Austin and Wakey Mist.

## Boys 14 and 16

Coach: Tony Crabb

Assistant Coach: Doug Ostrem

The Boy's 14 and 16 teams are composed of players who have accomplished quite a lot for their ages in volleyball competition. They have won the 12 and under Junior Nationals twice and came in second in the 14 and under Junior Nationals, all in the past three years.

Their coach has high expectations for his junior players in the coming years. They have been training hard on Saturday mornings to obtain some of their goals in the future.

This summer, they may play in the Junior Nationals and possibly in Canada in an international tournament.

Team members of the 14s are: Brad Pyles, Dylan Fern, Chris Johnstone, Dominic Griffin, Kevin Crabb, Scott Wong, Naia Blankenfeld, Tui McBraun, Craig Gamble and Kaione Crabb.

Team members of the 16s are: Ryan Haneberg, Scott Gamble, Sam Chillingworth, Nate Jim, Koa Ostrem, Blake Cherry, Ikaika Ander-

son, Kaione Crabb, Scott Wong and Naia Blankenfeld.

## Boys 18

Coach: Bob Riley

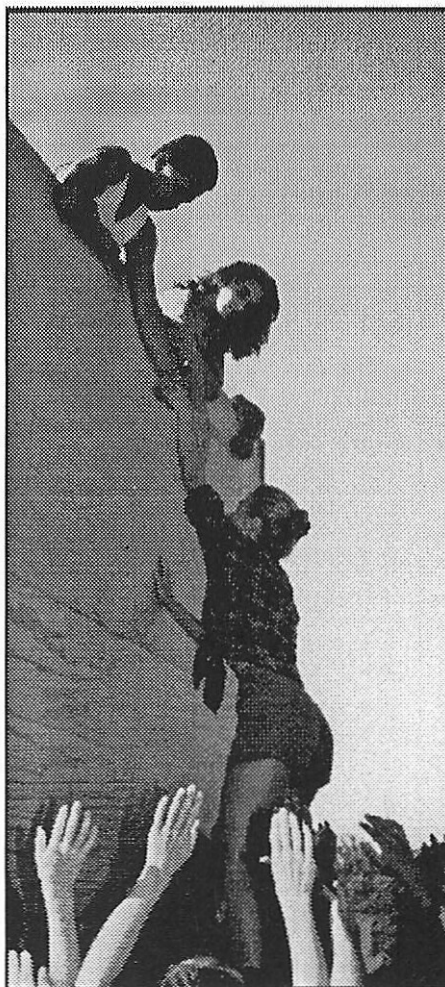

The Boy's 18 team is composed of athletes who played for schools in the ILH. Several of them have played on the same team since they were 12 year olds.

They will be traveling to Kansas City later this month to represent the Outrigger in the Junior Olym-

pics which is composed of the top teams in the nation.

Our players are Alike Williams, J. J. Riley, Ivan Gale, Jesse Hunt, Ryan Avery, Rick Tune, Daniel Brandt, Kekoa Kilcoyne, S. Wong and Marc Hee.

All of our teams thank you for your support this year and you can continue your support by buying our volleyball T-shirts at the Logo Shop. ☺

## Attention All Paddleboarders

By Greg Moss

It's time to dust off your paddleboards and start training because the summer paddleboard racing season is right around the corner.

Our first Outrigger sponsored event is the 13th annual Summer Surf Paddleboard Race on Saturday, June 19. It's open to paddleboards (12-foot maximum length), surfboards (under 12 feet), and life-guard rescue boards.

The course is three laps between the OCC beach and Old Man's Bowl, and if the surf is big, anyone could win. It's a fun event to enter, and great race to watch, so we hope to see you there.

Registration is at 9 a.m. with the race starting at 10 a.m.

Divisions include boys and girls (under 18), Men and Women, and Masters Men and Women (40 and over).

Boys and men will make three trips through the surf, while girls and women will make two trips.

Entry fee is \$10 and includes a T-shirt, food and drink, and awards.

Outrigger's second event is the 9th Annual Cline Mann 5K Paddleboard Race, on Saturday, August 14 in front of the Club, so mark your calendar and hit the water.

In conjunction with this race, the 1st annual Junior Paddleboard Sprints will be offered to paddlers between the ages of 10 and 17. They will be short sprints along the shoreline at the Club, providing excellent viewing and participation for our youngest members.

If you're interested in racing, or learning to paddleboard but don't own one, the Club has six new boards ready and waiting for you at the Beach Desk. See you in the water. ☺

### 45 Years Ago

1948--For the first time, wives of members were given "special guest privileges" at no charge, in the hopes of encouraging spouses to entertain and increase their usage of the Club. Many wives who had heretofore been Associate Members thus resigned to take advantage of this new dues-free status, creating a sticky situation that took almost 20 years to sort out.

### 20 Years Ago

1973--The annual Club Luau was held on June 16, 1973, with Gabby Pahinui, along with the Hui Ohana providing the entertainment.

### 15 Years Ago

1978--Club Member Judi Andersen was named Miss USA. Her parents, Mr. and Mrs. John P. Andersen, are also Club members. . . The Annual Luau was held on June 24, 1978. The food and entertainment were provided for the princely sum of \$11 per person.

### 10 Years Ago

1983--Outrigger men again swept the 25th annual Haili Easter Volleyball Tournament in Hilo. Our three teams placed first, second and third, plus our Club has won this tournament 24 out of 25 years. Tom Selleck played on the masters team, and most outstanding player was Jon Andersen. ☺

# Golf Chips From the 19th Hole

By Frank E. Walton

The date, April 1, was ideal for Don Cutting and Terri Lui, who fooled the rest of the players and annexed the Low Gross honors for Kanes and Wahines at Hawaii Kai on that date. Don shot a neat 80, while Terri led the women with a 93.

Jim Gaddis and Dicey Brinck took the Low Net trophies with respective 67 and 72.

Closest to the Pin awards went to Terri Lui, Diane Plotts, Richard Goh and Meade Wildrick.

A full card of Outrigger Golfers enjoyed the perfect day at Hawaii Kai for this second outing of the year.

## Leilehua Next Tourney

Signup sheets for the third stroke play tournament are in the Golf folder at the Front Desk. The date is Wednesday, June 23 at Leilehua.

## Match Play Signups

Signups for the 1993 Club Match-Play Tournament (Kane and Wahine separate) are complete. Play commenced on April 15.

## OCCG Go Electric

Everything is high tech these days and the OCCG have joined the modern rush. We are now into the alphabet soup as a user of USGA GHIN EO. The EO represents "Electronic Option."

In essence, it means that members may now record their scores on the new Electronic Score Posting Sheet (ESPS) in the Golf Folder at the Front Desk or mail them to the

handicap chairman Jim Hammons by letter/post card.

He transmits scores to GHIN each weekend and it is possible that your latest score will precede each handicap revision by less than a week if you report your score promptly to Jim.

This means no more paper reports to GHIN, no more dependence on key punch operators to re-

cord the proper scores, and no more waiting 13 times a year for one-time mail delivery of Revised Handicap Index (RHI).

Jim Hammons spent \$2000 for the computer system and for a computer guru to help him get it operational. OCCG can best express their appreciation for Jim's action by reporting their scores to him on a timely basis. ♣

## MY WIFE REFUSES TO IRON.

So I started shopping at Reyn's 15 years ago, when we got married. We discovered that the Spooner Kloth shirts look great when you hang them on a hanger to dry, right out of the washer, no ironing required. Then I noticed the quality, and the comfortable fit. Pretty soon I started buying my slacks and all my other clothing at Reyn's. The level of quality is consistent in everything they sell. I hate wasting time and money. I know I'm getting the best value at Reyn's."

# JUNIOR 'RIGGERS

Congratulations to Aulii Ellis and Stewart Chong on being selected to the Nissan Hawaii High School Hall of Honor. Both are seniors at Kamehameha and will receive \$1,500 college scholarships.

Stewart was the Player of the Year on the All-State Volleyball team this year.

Aulii was a first-team all-state player in volleyball and softball, and on the Warrior's 1992 and 1993 state championship basketball team.

## OCC Masters Win at Haili

By Robby Ostrem

The Outrigger Canoe Club was well represented at the Haili Volleyball Tournament in late March in Hilo. OCC had three men's teams and several women members who played on other club teams as OCC could not field a women's team this year.

Team members on the Open team were John McDermott, Jimmy Kalaukoa, Arne Lamberg, Tom Harer, Tony McInerney, Daryn Holt and Coach Mike Normand. Holt and Kalaukoa were named to the AA All-Tournament team.

Members of the Men's 30's were Jon Andersen, Ralph Smith, Jay Anderson, Scott Rigg, John Zabriskie, Jon Stanley and Kimo Brown.

In the Masters Division, the OCC Men's Masters took home the

championship. Team members were: Randy Shaw, Charlie Jenkins, Ilmar Tarikas, Jim Bukes, Mike Cote, Buster Chapman, Tom Madison and Tom "Daddy" Haine. # Outrigger Duke Kahanamoku Foundation Announces Five Athletic Grants

By Gerry DeBenedetti

At a recent Board meeting, the Outrigger Duke Kahanamoku Foundation awarded five athletic grants to teams and individuals training for and competing in national competition this summer.

Recipients are:

## Unbeatables Soccer Team

The Unbeatables Soccer Team received \$1,000 for their team trip to the Far West Regional Tournament in New Mexico in June 1993.

The Unbeatables play in the Hawaii Youth Soccer Association (HYSA) in the Boys 12 and under division. They play soccer year round with bi-weekly practices at Waialae Iki field.

They were the victors in the State Playoffs in February, defeating 10 teams from Oahu and 4 teams from Maui. The group of 18 boys has set their goal of raising \$1000 per player to meet their ex-

penses and has been busy with cookie sales, car wash, garage sale, you name it.

They are coached by John Semenza, Tom Reppuhn and Mark Robinson.

## Michael Lambert

Michael Lambert received \$1,000 for Volleyball. This is Mike's second grant from the Foundation. He is on the Stanford volleyball team, currently playing his freshman season.

A former Punahou and Outrigger Canoe Club volleyball team member, he has an impressive list of state and All-American awards to his credit. In 1991 he was named to the Junior National team.

## Kalani Robb

Kalani Robb has been awarded \$500 for surfing competitions. Kalani is 16 year old surfing hot

shot with great aspirations. He currently holds a national and international title in his age group. He entered the Australian Junior Pro event in January 1993, and has been competing in California.

In addition to surf sessions, he cross trains by paddling, biking, jogging and strength training. A Kahuku High School student with over a 3.00 grade point, he participates in home study and tutoring in order to continue his education while away at competitions.

In 1992 he was the Channel 2 Athlete of the Week on two separate occasions.

## David Buck

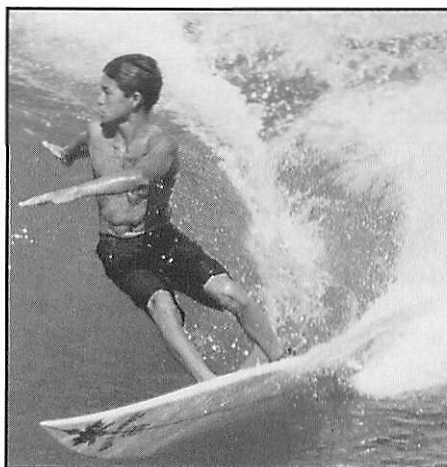

David Buck received \$1,000 for kayaking. An OCC member, David has been a member of the Hawaii Canoe/Kayak Team since 1987. He has been named to several US Junior National Teams, traveled many

times to Lake Placid to the Olympic Training Center, and was a consistent top kayaker while a student at Punahou.

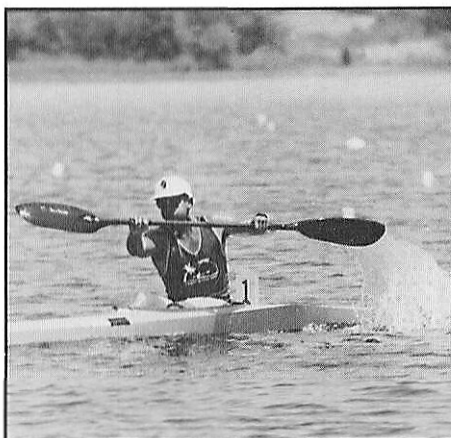

Having grown up in an outrigger canoe, his knowledge of the ocean has helped him become one of the top junior surf ski paddlers in Hawaii.

The sport of Olympic Flatwater Kayaking is highly competitive but competing athletes get very little funding to support their training. Hawaii athletes always have to travel to the Mainland for competition. With a goal of the 1996 Olympics, the ODKF is happy to give David assistance and watch his progress from junior to senior ranks in kayaking.

#### **Ralen Chang**

Ralen Chang received \$500 for kayaking. Over the past three years, Ralen has received both athletic and scholarship grants from the ODKF, and this year he has received both at the same time.

His family is quite proud of him, even though they believe he is ma-

joring in Kayaking and minoring in Civil Engineering at UC Irvine. He works part time at Newport Aquatics teaching and inspiring other young athletes.

During the summers of '89, '90 and '91 he participated in the National Flatwater Kayaking Championships in Indianapolis Indiana. In a Sacramento California competition last summer, he received two gold, five silver and three bronze medals in the junior and senior divisions of several races.

ODKF is proud to sponsor a top athlete and a top student. We consider him a great investment in Hawaiian athletic achievement.

For more information about the ODKF, or about applying for an athletic grant, please contact the Foundation at the Outrigger Canoe Club, 923-1585. Informational brochures are available. Athletic grants are awarded throughout the year to meet specific athletic goals as those described above.

## **Employee of the Month**

*Club President Chuck Swanson, left, and General Manager Ray Ludwig, right, present Employee of Month award to Marie Felton.*

The March Employee of the Month is Marie Felton, Main Dining room Hostess. Marie has been with the Outrigger Canoe Club for six years and is very friendly and a capable individual who enjoys her job very much.

She particularly enjoys being of service to the many members who frequent the Club, many of whom she knows by name.

When Marie is not working, she is kept busy raising her 4-year-old daughter. Marie enjoys reading and going to the beach.

Congratulations to the Employee of the Month for March.

## **Smoking Prohibited**

The Board of Directors has established a policy that prohibits smoking in all areas at the Outrigger Canoe Club. This policy was effective on May 1, 1993.

The ban prohibits smoking in all areas including the driveway, parking garage, entrances, locker rooms, bar and lounge, dining rooms, Hau Terrace, Snack Shop and sand areas adjacent to the Hau Terrace.

The Board has also approved four exceptions to the above policy. These exceptions are:

- Members and guests who have a desire to smoke may do so on the top level of the parking garage area at any time.
- Members and guests may also smoke in the immediate area of the Snack Shop when it is not open for business or used for special events.
- The host member of a private party utilizing the entire Dining Room may elect to permit smoking in the Main Dining Room for that function only. This election must be approved

in advance by the General Manager.

- Employees may smoke outside at the loading ramp only.

Receptacles for the cigarettes will be provided in the designated areas only.

Members are requested to advise their guests of the no smoking policy at the Outrigger Canoe Club prior to their visit. The cooperation by all will be greatly appreciated. A smoke-free Club will make a more healthy environment for all.
