Only OCC Crews Show in Canoe Races at Waikiki

(Star-Bulletin, July 5, 1950)

The annual Walter J. Macfarlane memorial canoe races held Tuesday off Waikiki beach proved to be an intracub affair.

With Hui Nalu and Waikiki Surf clubs failing to enter the races, the competition was limited to crews from the Outrigger Canoe Club.

Hui Nalu and Waikiki Surf clubs objected to OCC's move to enter two crews and as a result withdrew their paddlers.

OCC officials conceded that points won by their No. 1 crew only would count toward the team championship but that the second crew could qualify for medals. The rival clubs objected to this.

SPINNING THE DISCS

with Pat Mulholland

The Gilbert and Sullivan operetta *The Mikado* is now available on two long playing discs which is welcome news for those who like the music but don't quite like the idea of the large 10 or 11 record set on the shellac pressing. The recording is by London. Another GS operetta is *The Gondoliers*, also on LP by London.

Ezio Pinza sings *Just a Kiss Apart* and *Te Amo* on Columbia 1-573. Also Bali Ha'i and *Give Me Your Hand*, Columbia 1-574.

Crosby Classics: Columbia CL-6105 contains eight songs.

If you like *Canasta* the two following should appeal to you:

The Canasta Song, A Good Time Was Had by All (Columbia 38767).

If you don't like *Canasta* you might wonder how "*A Good Time could be had by all.*"

Lonesome people should find the two following songs (on Columbia 38766) interesting even though it might be only in their imagination:

Me and My Teddy Bear; I Found My Mamma.

Girls careful of their clothes should enjoy *Twisted Stockings* (Nat "King" Cole, Capitol 915). Others might just find it disturbing.

Them There Eyes and Crazy He Calls Me are two good light numbers by Peggy Lee, Capitol 898.

Two songs by Herb Jeffries, Columbia 38769: *There Goes My Heart; Swamp Girl*. If she's worth while it might be okay.

No Figs; Double Date, on Columbia 1-557. Sounds good. Who would have time for figs on a double date?
