Exciting MacFarlane Races Won by Outrigger

Oh, it was a big day at the Club on July 4th. People and people and people gathered for the 18th annual races in honor of the memory of Walter "Mac". And with the bow 'n bow finishes in just about every race, folks were treated to more excitement than they probably really expected.

The Outrigger placed first in five of the 11 races and second in the quarter mile for Boys 13 and under, Men's Novice half mile, Senior Men two mile and Senior Women's half mile races.

The Boys 14 and under crew, paddling 1/4 mile, won a leg on the Sam Poepoe Memorial trophy when they came home first in their race. Members of the crew were Hoagy Gamble, Jeff Fitzsimmons, Bruce Clifford, Bill Peters, Jon Haneberg and Butch Ledford. They broke Waikiki Surf Club's 1960 record by doing the course in 1:09.
