

Dad Center Race Scheduled August 25

The 19th Annual Dad Center Long Distance Canoe Race for women will be held on Sunday, August 25. The race starts at Kailua Beach Park and finishes at the Outrigger beach around noon.

Outrigger sponsors the 22-mile race each year for women's crews. Competition is held in both open and masters divisions.

The race honors long-time OCC coach and Winged "O" Dad Center.

The first five years of the race, the course was eight miles from Hawaii Kai to Outrigger. Since then, the course has been 22 miles from Kailua Beach Park to Outrigger.

Outrigger has dominated the race, winning all but three years. Hui Nalu is the only other club to win, with victories in 1979, 1982 and 1989. Results from 1981 and 1983 are unrecorded. If anyone knows who won either of these races, please contact the Editor or leave a note at the Front Desk.

Previous winners of the race:
