

CLUB CAPTAIN'S *Corner*

By Ron Li

Summer surf is here. We're organizing a couple of canoe surfing steering clinics at the beginning of July.

If you've wanted to sign out a canoe to surf, you need to be on the list of approved steerspersons (depending on the surf height). Now is your chance to get qualified and for the Club to update the list.

Check the Tunnel for more details. Signups for interested members are at the Front Desk.

Four new surfboards have been designed and built by the surfing chairman Mark Jackola. The 10 footer is suitable for tandem surfing, and the other three are 9'6" longboards. Kudos to Mark for his time devoted to the Junior OCC Surf Team.

* * *

Two new paddleboards are available for member use. As a policy, surfboards and paddleboards are

for use in the water immediately fronting the Club and are not to be transported elsewhere on the island or off island. We have a limited amount of equipment for member use. Any exceptions must receive approval.

* * *

The next Club paddleboard race is the 12th annual Cline Mann 5K race on Saturday, August 12th.

* * *

Junior volleyball clinics for boys and girls start at the beginning of July and run for six weeks. Sign ups are being taken at the Front Desk. Coaches are Kanoa Ostrem, Pono Ma'a and Stevie Li. Summer volleyball schedules are available at the Front Desk.
