

# Greg Moss Is New Club Captain

By Ken Brown

The Board of Directors at their regular monthly meeting on November 18, appointed Gregory Moss as the Club Captain for the year 1994.

As Club Captain, Greg has a tremendous challenge and job of overseeing all of the athletic activities of our very active, athletic oriented club.

Greg is responsible to the Board of Directors and the membership for all of the Outrigger Canoe Club's athletic activities. He will be required to communicate and maintain all of the athletic policies as established by the Board of Directors.

The Club Captain is directly responsible for the coordination and scheduling of all athletic events for the Club. He handles the athletic budget, procurement of athletic equipment and the requesting of athletic funds from the Board.

Greg will organize and establish the various sport programs for the Outrigger.

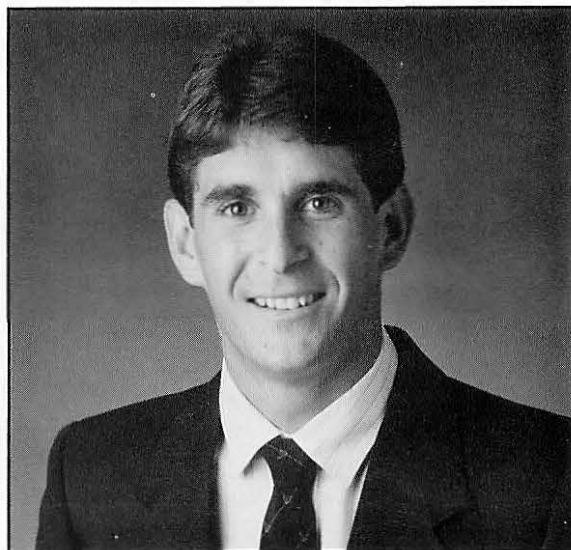

For those of you who may not know Greg, he joined the OCC as

a junior member in 1977. He was born in Hawaii in 1960 and graduated from Mid Pacific Institute. Greg received his B.A. in industrial education and technology in 1984 from Western State College in Colorado.

He has been actively paddling for the Outrigger since 1985. He coached the men's Novice A team, served two years on the Canoe Surfing Committee and three years on the Paddleboard Committee which he chaired the last two years.

Greg is single. His hobbies include fishing, surfing, scuba diving, paddleboarding, water skiing and mountain biking.

Greg looks forward to the challenge and excitement of being the Club Captain. He invites all members to become involved in the Club's many athletic programs
