

Get in the Swim for

by Gerry Senner, Swim Chairperson

The swimming charts are available in the men's and women's locker rooms. The men have a running log book at the locker attendant's desk to post their miles and the swimming committee will post their chart on the wall. Junior boys may also use this log. The women's chart is on the wall and women and junior girls should post their miles themselves. Junior girls may enter the Women's locker room for this purpose.

The organized swimming program will begin in August with August swim clinics for open ocean distance swimming. Swimmers interested in the September Roughwater Swim (2¼ miles) and Maui Channel Swim (9 miles) are welcome to train and let the swimming committee know of their interest. Don Emberson will be the Captain of the Outrigger Maui Channel Team and Jimmy Dean will be the Chairman of the overall event this year. We will all be calling upon the generosity of Club members for escort services for our swimmers.

The program concludes the last Sunday in November with the Club's own Castle Swim, 1½ miles to the club with a swimmer-escort brunch following.
