

Swim Clinics Start

by Gerry Senner

8/76

Weekly swim clinics are being held in August to encourage distance swimming. Sign up at the front desk if you're interested in participating. All ages are welcome and all swimmers of any ability. Goggles, snorkels and masks are permitted but no swim fins. The Boston Whaler will be anchored off the Club and swimmers may swim to and from the boat or one way in either direction. Canoe and paddle escorts will be provided.

These clinics are designed to help you develop your long distance open ocean swimming ability and give you a place to swim to. For more information call Gerry Senner, Swim Committee Chairperson at 548-6407 or 734-1189 or leave a message at the desk. Time is 12:00 Noon. Dates are Sundays August 1, 8, 15, 22, and 29.
