On the sunny Sunday after Thanksgiving, 32 hardy Outrigger members participated in the annual Castle Swim, starting at the Old Club site in Waikiki (Outrigger Hotel) and finishing at the Club beach 1.2 miles later.

The water was clear and two-time Castle Swim winner Alex Jampel swam to victory in 39 minutes and 3 seconds, followed closely by Stefan Reinke, Jim Merchant and Bruce Sloan. Lori Foster was the first woman to finish.

Jake Gaughan was first for Junior 'Riggers, followed by Mimi Mooney and Wilder Worrall.

Chris Worrall reports that while he was swimming, a turtle swam over him, momentarily startling him. "It was a shock," he said, "but pretty cool when I figured out what it was."

The original Castle Swim, early in the Club's history, began at the Castle Estate where the Club is now located, and finished at the Club in Waikiki. When the Club moved to its present location, members of the Swim Committee revived the swim and reversed the course from Waikiki to Diamond Head.

The Worrall Family participated. Wilder and Chris swam, and Sara escorted them.

Winning their divisions were Andrew Yani, Mimi Mooney, Kathy Hedges and Lori Foster.

Age group winners were David James, Debbie Deschais, Laurie Sloan and Jim Zachary.

Tops in their divisions were Ward Saunders, Jake Gaughan, Bruce Sloan and Jim Merchant.
