

# Castle Swim Sunday, November 29

By Ray Robinson

Swimmers! You have about four weeks to get in shape for the OCC's annual, historic, members-only Castle Swim which will be held the Sunday after Thanksgiving, November 29.

The swim is popular because it is small (usually 35-40 swimmers compete), it is a members-only event, it is low-key and there is a welcome measure of Aloha drifting about. Also there is no entry fee.

The course is from the spot on the beach in Waikiki where the old Clubhouse stood (fronting the Outrigger Hotel) to our own Outrigger Beach, a distance of 1.2 miles. Much attention is paid to safety. There will be course monitors on surfboards and a crew in our own whaler will be patrolling. Swimmers are urged to have an escort on a surfboard, paddleboard, or one man not only for safety, but because the turn buoys are difficult for a swimmer to see when the eyeball is at the water level.

Prizes are awarded for each five-year age group, and participants are invited to the famous OCC Sunday Brunch afterwards.

Come on out, get wet, and have some fun.
