

Castle Swim 1986

By Gerry DeBenedetti

The 13th annual Castle Swim got off to an early start on a rainy cloudy day, November 30, 1986. Thirty-six swimmers participated and some went on to compete in a triathlon event.

Castle Swim awards and mileage awards were given at the traditional beach brunch following the swim.

Ian Emberson was first to finish for the third year in a row in 31 minutes and 36 seconds. The course record is :29:17 set in 1979 by Jimmy Dean.

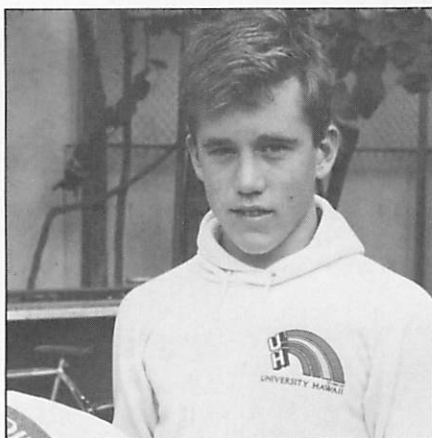

First female in was Missy Mowat in :33:58 and she was third overall. Second place overall was Todd Duplanty. Missy and Todd are both Junior members so watch these two put OCC swim in the news.

Escort services were provided by an assorted bunch of nuts and good friends who were willing to get chills and hungries for their swimmer. You were too numerous to mention, but thank you because we can't do it without you.

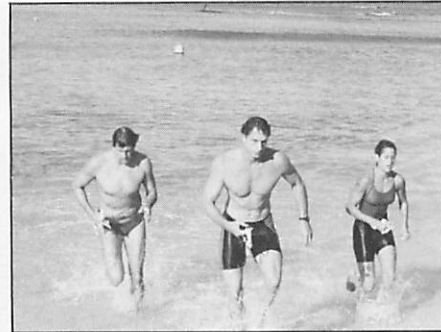

Course marshalls were Cline Mann and Wayne Faulkner. Starter was Frank Walton. Timers and scorers were Clair Folsome and Steve Zak. Breakfast was courtesy of the Club. The Castle Swim was brought to you by the Swimming Committee. 🍷

Age group winners — Jake Updegrove, Aileen Soule and Lloyd Osborne.

Racing to the finish line in front of the Club were Richard Sylva, Roger Cundall and Missy Mowat. Missy outran Roger and Richard to finish third overall.

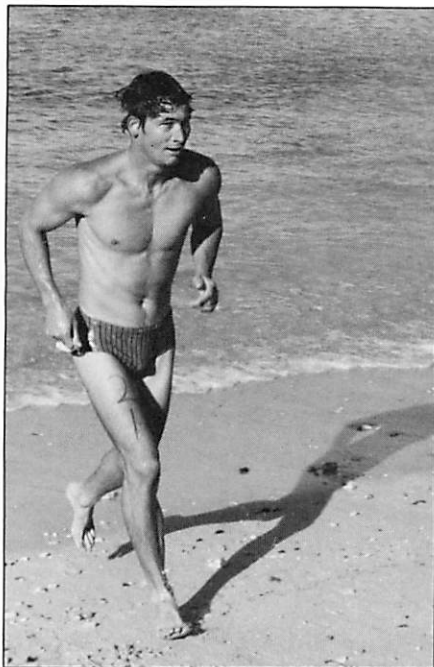

The men's 55-59 division was won by Fred Rohlffing. Here he receives prize from Gerry DeBenedetti.
