

27 Finish Castle Swim

by Gerry Senner

For the third consecutive year, Jimmy Dean stroked to the finish line first in the Club's Annual Castle Swim Sunday, November 27. Hotly pursued by Ian Emberson in friendly rivalry, Jimmy swam the old Club to new Club course in 31:28, with Ian placing second in 33:28.

The surprise entry was Donna Kahakui, 13, Junior member. Donna was third overall with a time of 35:37. Spectators, entrants, and the Swim Committee all took note of this fine swimmer. Donna has promised to be with the Club for the 1978 Roughwater and Castle Swims. She's a welcome addition to our Junior swimming ranks.

Most entrants turned in better times than in previous years. Cline Mann took 12 minutes off his old record. All swimmers were in after an hour — a situation attributed to the "no current" conditions. Thanks to Jim Jones of the UH faculty who picked a perfect start time.

Canoe, paddleboard and logistical support was outstanding. Space does not permit acknowledgment of the 24 helpers, but the 27 swimmers know it takes as many supporting as it does entrants to make a successful event. Our heartfelt thanks to all.

One special acknowledgment must be made to John Beaumont, Club Captain, who not only helps plan and execute (and approve the budget for) our events but who truly supports the swimming program.

Brunch was enjoyed by all after the swim. At that time Roughwater Swim awards were given to the 20 swimmers who competed in that event during the past two years.

Castle Swim awards will be given out at the Athletic Awards Banquet in February.
