

Graf and Phillips Top OCC Surfskiers

Outrigger Canoe Club hosted its annual January Surfski Race this year with a record turnout of 121 participants.

Near perfect racing conditions greeted the paddlers the morning of the race with steady trade winds and ocean swells of 3-5 feet. These conditions plus a slightly rising tide created "good fun" and surprisingly fast times for the paddlers.

The first overall men's surfski crossed the finish line with Outrigger's Geoff Graf finishing ahead of Stuart Gaesner and Georg Kissner, respectively. Wyatt Jones rounded out the top five overall men's surfski paddlers.

Traci Phillips kept the first overall surfski awards in the Club with her strong finish over Kelly Fey and Denise Darval-Chang. Malia Kamisugi surfed into fourth place overall and first in the 18-29 division.

In the canoe division, Walter Guild continued the first overall awards for the Club by crossing the finish line just over a minute ahead of second place finisher John Foti. Chris Kincaid, Todd Bradley and Todd Hart completed the top five overall canoe paddlers for the men.

Patti Wyne took the first overall award for the women's canoe division with Mary Brewer and Betty June Yap, second and third.

This race was the second race of the Kanaka Ikaika nine race Poai Puni Point Series held between January and May each year.
