

A Word from the President

By Bob Moore

The Outrigger Foundation, established in late 1981, is off to an encouraging start. To date the Foundation has raised some \$35,000 in cash and pledges. This is an especially gratifying response in that it has resulted solely from an initial mailout brochure and word-of-mouth.

Given such a supportive environment, I am pleased to say we are going to now mount a concerted campaign to reach our 1982 year-end goal of \$100,000. I hope that you all will consider a contribution to the Outrigger Foundation, however modest. Pledges are every bit as welcome as an outright donation. If you desire, our accounting office can automatically bill your account monthly. All contributions are, of course, tax deductible.

Further monies are coming to the Foundation from the sale of Outrigger Canoe Club paddling shirts in the

Beach Shop—\$4 of the \$12 cost goes to the Foundation and is again tax deductible. And on September 17 there will be an auction at the Club, all proceeds of which will go to the Foundation. We heartily welcome anything that can be auctioned—from antiques to restaurant meals, from plane tickets to services. The Outrigger will furnish

you with documentation as to the value of the gift so you may write it off on your taxes.

Again, I wish to thank the more than 209 supporters of the Foundation to date. It is through such generosity the Outrigger can ensure the continued excellence of its athletic programs.

Volleyball Winners

The Outrigger Canoe Club Junior Volleyball Team won the Junior Nationals held at Santa Barbara, Ca., last July 8 to 10. This team is 17 years and under.

The Club also won the Senior Division National Championship (35 and over) in Hilo, May 15. At the same

time, the OCC Golden Masters (45 and over) won their National Championship.

For one club to win three out of the four National awards available must say something for the Club volleyball program—it speaks for itself.
