Eliashof, Kissner and Foti Win 4th Annual Tri Ocean Races

By Greg Moss

Seven new records were established when 91 participants turned out to race on either paddleboards, surfskis or one person canoes, for this year's 15th annual Winter Paddleboard Race and 4th annual Tri Ocean Races.

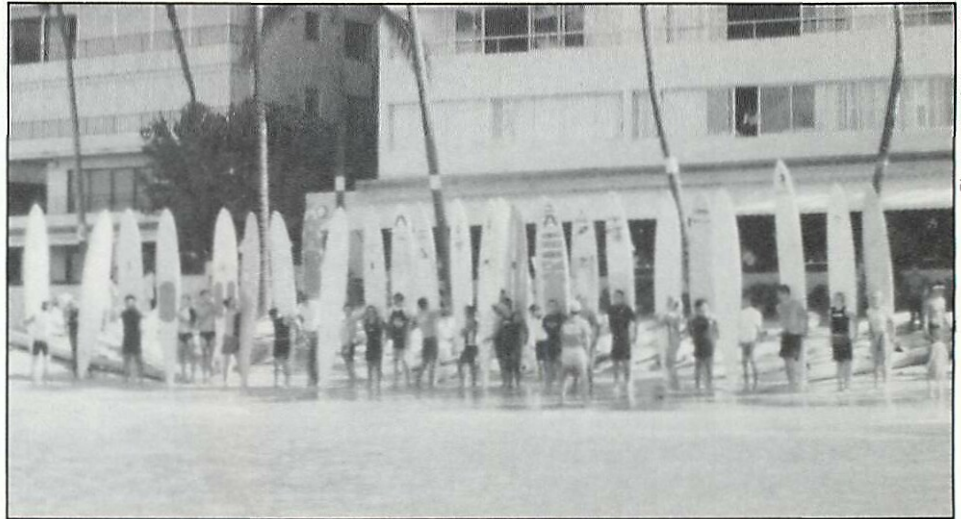

After having been delayed due to bad weather, it was held on January 2 under windy but sunny skies.

Outrigger member Bruce Eliashof won top honors by finishing first overall in the 10K paddleboard race with a time of 1:07:38. Eliashof, a seasoned waterman and accomplished canoe paddler, raced often as a teenager, but has not competed in many years. His name will be added to the perpetual trophy on display in the OCC Lobby.

Rounding off the Men's Division were Edmund Pestana and Greg Moss, finishing second and fourth overall. Jack Lincke finished third overall, winning the Masters Division with Mike Gaughan and Dennis Pang taking second and third.

OCC members Victor Hemmy III won the Boy's Division in 1:19:36 and Katie McCrary captured the Women's Division in 1:26:54.

Nine minutes after the paddleboards started, all surfskis left the beach to complete their own 12K course, with Georg Kissner finishing first overall in :54:13, establishing a new course record. Geoff

Graf and Chuck Watanabe finished second and fourth overall, placing in the Men's Open Division.

Finishing first in the Masters Men Division, and third overall, was Bill Bright in :54:31. This was also a new course record. Also setting new records were Brian Rocheleau in the Men's Novice Division, Denise Darval-Chang in the Women's Open Division and Luana Froiseth in the Women's Novice Division.

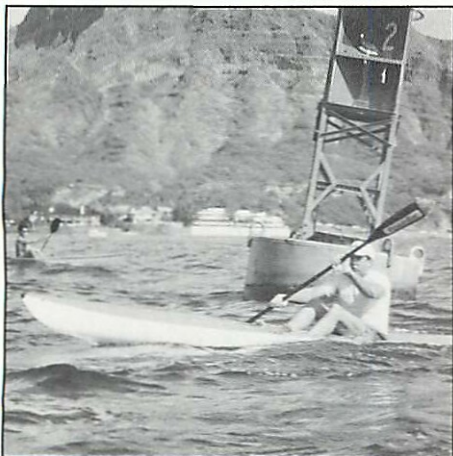

The third and final phase of the Tri-Ocean Race started 13 minutes later when the one-person canoes set off to complete an 8K course. In the end, with a strong Westerly

wind blowing directly in the channel, James Foti and Walter Guild surfed side by side to the finish line with Foti edging out Guild at the last second to finish first overall in :41:34.

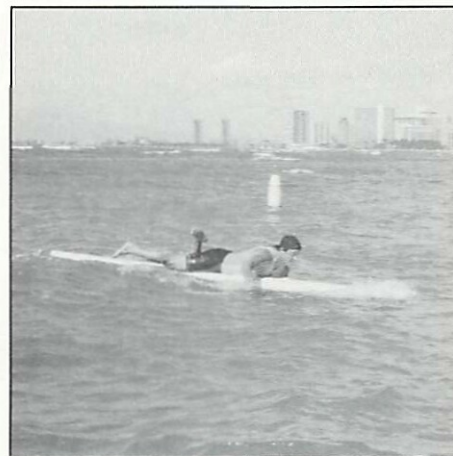

Todd Bradley finished third overall to round out the Men's Open Division. Jeff Metzger (setting a record of :43:25), Jay Ford and Tom Conner placed in that order in the Masters Men Division, with Tiare Finney setting a new record in the Women's Division in :58:25.

Many thanks to all who helped on race day. Helpers included Don Isaacs, Kalani Schrader, Bill Danford, Nalu Kukea, Tay Perry, Dale Hope, Marjorie Moore, Kehau Kali, Peggy Danford, Joe Teipel, Cline Mann, Richard Ferguson and Kawika Grant.

With the 1992 season now officially complete, the Paddleboard Committee would like to send our warmest thanks to all of you who participated in our events, or helped in any way to make this year the success it was. Special thanks again to Liz Perry-Dugan, our Club Captain, and the Board of Directors for supporting the purchase of new Club paddleboards so we may perpetuate this sport for years to come. ☺
