

Geoff Graf Wins OCC Kayak Race

Photos by Marilyn Kali

Geoff Graf won the 5th annual Outrigger Canoe Club Kayak Race on January 27. The race began in Hawaii Kai and ended at the Natatorium.

Graf was only ten seconds off the record for the eight-mile course, with a time of 1:00:52. The record is held by OCC's Marshall Rosa at 1:00:42, set in 1987.

Rosa finished third overall in 1:01:55.

Junior 'Rigger David Buck won the junior men's division.

Other Club members to place were Bill Bright, second in the expert division; Dale Adams, third in masters; Paul Manaut, third in

Novice A; and Lesline Conner, second in expert women.

This year, a one-man outrigger class was added. It was an all-OCC finish, with Walter Guild, finishing first; Kevin Olds, second; and Todd Bradley, third. Noelle D'Enbeau won the women's outrigger.

A total of 83 people entered the event. Following the race, all participants came back to the Club for refreshments and awards. The clock broke after the first six finishers were in, so there are no times for many of the participants.

Kayak Committee chairman Tom McTigue preents awards to top finishers in the OCC Kayak Race — Marshall Rosa, third, and Geoff Graf, first.

The fastest juniors in the race were Ralen Ching, third; David Buck, first; and Chris Ball, second.
