

Improved Masters aiming high

The USVBA Region 15 Volleyball Championships held on April 29, 1978 at Klum Gym saw our greatly improved Masters Volleyball team place 5th out of a total of 18 teams. They compiled a 6-win 2-loss record in the pool, qualifying them to advance to the finals. They went on to defeat the Sweet Okoles before falling to the eventual second place finishers, Chuck's Steak House.

The aggressive and spirited team play that Coach Don Stanley has been striving for has been jelling with each passing tournament. The intensity the team needs for the AAU and USVBA National Championships, to be held in Texas this month, should jell, enabling the Masters to place high in the finals.
