Outrigger "AA" Fifth in Nationals; Masters Team Second

by Dave Pierson

The Nationals were held this year in Reno, Nevada, where over 1000 of the nation's best players and 500 fans gathered to play and watch exciting "power" volleyball.

The Chart House Team, which in reality is the U.S "A" team, took top honors. The Outrigger team, coached by Dennis Berg, coming off a sensational AAU 1st place win the previous week, stopped Gene Selznick's Hatch Covers and Malibu Palisades but lost to the National All stars (who finished second) and Chuck's Steak House. Chuck's was led by OCC member Randy Shaw. Competition among the top four or five teams is of such high quality that no one would be surprised if the order of finish were reversed.

Members of the team are: Jay Anderson, Tom Madison, Charlie Jenkins, Dave Shoji, Chris Crabb, Tony Crabb, Dick Templeton, Jon Haneberg, Tommy Arnott, and Tom Davidson.

The Masters team came out like a ball of fire, rolling through the winners bracket undefeated. They chose to relax on Saturday and wait until a challenger would emerge from the losers bracket. Captain Jacks of Long

Beach, captained by Dick Hammer, who was playing with a broken nose, was ready for the 5:30 P.M. game. Defense was the key as the younger Captain Jacks caught us without the zip of the previous day and "dug" out nearly every hard "spike," winning two straight and then the big one for the championship. This is the fifth straight year that we have finished second in the Masters Division. Coached by Fred Noa, the team of Mike McMahon, Bill Baird, Peter Balding, Colin Chock, Mark Lawson, Tom Haine, Bill Heilbron, and Dave Hendrickson certainly produced in the usual Outrigger championship manner.
