

VOLLEYBALL SPOTLITE

10/55

In May, 1956, the National Volleyball Tournament will be held in Seattle, Washington. Many years ago, the writer competed on teams aiming to play in the Nationals. It is our judgment that Hawaii and particularly the Outrigger Canoe Club has the talented and experienced players, whom, if properly coached and trained, could make an excellent showing in National play.

Some of our players are thinking seriously of trying to raise funds to compete. If so, now is the time to plan. We hope that the Club will give them every assistance and support. Such a team would carry much good will and be a great advertisement for Hawaii. The Chamber of Commerce, Visitors Bureau, the AAU and many other organizations should get behind the movement.
