Boys12 Sweep Junior National Beach VB

By Diana McKibbin

Five OCC boys travelled to Hermosa Beach this summer to compete in the Under 12 division of the Junior National Beach Volleyball Tournament. For most boys, this was their first beach competition on the mainland.

Each team played several games over two days culminating in an all Hawaii final match and taking first, second and third place. The boys wore their OCC shirts proudly. Way to go boys.

Jake Chouljian and Jameson McKibbin also played in the Vancouver BC Open volleyball tournament at Kits Beach this summer. The boys played several other Canadian teams while enduring the rain and cold and finished up second in the Under14 division.
