Summer Volleyball ... a Record Number of Tournaments

By Dennis Berg

A total of 15 sand tournaments were held this past summer. During May and June there were two "B" and two Handicap tourneys. In July the Kane-Wahine and Jr. Club Championships, and two men's opens were held. August was highlighted by the men's and women's Club and State Championships.

The high school boys dominated the "B" level play and performed very well in the open competition. Jay Anderson and Mark Rigg won the first "B" while Kainoa Downing and Alan Rosehill ran away with the second tourney. The Outrigger "AA" team will definitely benefit from the talents of these young players.

Standouts in men's competition were Chris Crabb, Randy Shaw, Jon Haneberg, Bill Johnson and Tom Madison. The team of Tom Haine and Jon Stanley won the Club title and Dodge Parker and Charlie Jenkins took State Championship honors.

The open 4-man handicap was again a success as Jon Stanley, Bill Heilbron, Marty Wilson and Kevin Cross beat several strong teams including those led by Rudy Suwara, Mike Norman and Rich Riffero, all members of Wilt's Big Dippers.

The experienced team of Miki McFadden and Marilyn Haine defeated Virginia Vandling and Linda Fernandez in the Women's State Championships. Lindy Vivas won two Club titles, the women's doubles with

Kelly Morgan and the Kane-Wahine with Dennis Berg. The junior standouts in these tournaments were Kisi Haine, Tracy Phillips, Keri Baird, Susie Ewing and Tyler Dacey.

The July Volleyball Clinic directed by Dave Shoji and Randy Shaw, is largely responsible for the improvement of the junior members' performance this summer. Marc Haine proved that by carrying "Daddy" to the finals of the Junior-Senior Club Championships. Others benefiting from the clinic were Danny Sutton, Matt Cross, Billy Berger, Fred Noa, Jr. and the team of Pete Balding, Jr. and Kevin Cross who were Baby Court Champs.

The Volleyball Committee thanks all for their participation and is now looking forward to a successful indoor season. Indoor doubles will begin in October.
