

## WEDNESDAY NIGHT VOLLEYBALL

2-3/70

The Wednesday evening "Grab Squeeze and Throw Volleyball games" were enjoyed by all including some of our AAU Championship Team members.

Beef Stew, rice and salad was served each Wednesday at the snack bar from 7 to 9 p.m. An average of seventy persons were served each night during the summer months.

The Wednesday sessions have evolved into a family night at the club consequently during the school year we only talk about it.
