

# FORECAST GOES TO V.B. PARTY

Pictured from left to right with Anzai's Special Punch grins are "Dad" Center, Bill Mullahey, Duke Kahanamoku, Ray Leighton of the Manly Surf Club of Sydney, Australia, Les Hicks, Sam Fuller, Bob Fischer, Vic Kahn (who won a medal in the over 40 year bracket by default), Neil Iversen, "Yabo" Night Out Taylor, Bill Barnhart, Chairman of V.B. Committee, "Cap" Bill Capp, "Doc" Toothache Beardmore and Tommy Thomas. A fine looking body of men.

"Yabo" and "Whiskey" listen while Doc Blum and Vic Kahn tell how no one came to play them in the "men over 40" Tournament. Les Hicks thinks it funny too.

Sam Fuller, left, has just tasted some famous Anzai Punch. He is not quite sure whether to have another but Toothache Beardmore urges him on. Sally Hale is waiting another filler while Ted Magill pours.

Dad Center and Duke are delighted with the invitation from Ray Leighton "to bring your Surfers to Australia in '50.
