The Historical Committee is very excited to offer an outstanding special event celebrating stand up paddling on Monday, June 8 in the Koa Lanai.

Members Kai Lenny from Maui and Noa Ginella from Oahu's North Shore will host their recently completed movie, *The SUP Movie*, for member's viewing pleasure. These two young men hosted an event at the Microsoft Headquarters in Paris this last December to rave reviews.

They will talk about their ocean lifestyle, what it is to be ocean minded sportsmen, as well as being good ambassadors for Hawaii, both in and out of the water.

The evening will feature these two Outrigger members who have reached world status in numerous water sports. They have both mastered SUP paddling, SUP surfing, kiteboarding, windsurfing, foiling, canoe paddling and big wave tow in riding.

Kai has raced Larry Ellison's American Cup winner, *Oracle*, soared in San Francisco Bay on his kiteboard, and ridden "Jaws" on a motorized surfboard!

Witness the most progressive stand up paddling and SUP surfing, the world has ever seen on June 8. Kai, 22, is a six-time world champion in stand up paddling. Noa, 21, is a fellow Naish Team Rider. Their sponsors include Nike, Naish, Red Bull, Hurley, Kaenon, Oakley, XCEL and Go Pro.

These two friends traveled around the world to exotic spots and found outstanding waves to create this movie you are sure to enjoy.

Members will have the opportunity to purchase a copy of the film for a special price of \$15 or 2 for \$25 at the end of the evening. Kai is donating 100% of the proceeds from the DVD sales to the ODKF.

Join us in celebrating the energy that they exude, it will draw you in and give you the feeling that if you can keep up, you are in for an adventure!
