

# Aloha Surfers

**Did you know that your entry fees for surfing HSSA and other contests could be paid for by the Club?**

Submit an OCC Surfing Committee Reimbursement Request form prior to your next contest and it will be reviewed at our next monthly meeting. There will be limits to the number of contest entries per person based on several factors.

Participants are required to be members and must show they are competing with an OCC decal displayed on their board or on surf wear during the event.

You can submit an OCC Surfing Committee Reimbursement Request form after the event with a copy of the contest entry form and proof of participation (photo of you with trophy wearing OCC surf shirt).

If you fail to show for an event paid for by OCC, the event entry fee will be billed to your next statement.

So get out there and surf! Forms are available at the Front Desk.
