

Aloha OCC Surfers

By Mark Jackola

OCC members are invited to join the OCC Surf Team. The team will compete in the upcoming HASA and the NSSA surfing competitions.

You will receive many benefits for your participation on the team. It is a great chance to surf at great surf spots and to make new friends from all over the island. You'll also get the coaching and guidance of our OCC team to develop your surfing and water skills.

It's easy to join the team, just sign up at the Front Desk or online at occsurf@gmail.com
