

# *From the Green Room*

*By Bob Coble*

**T**he summer surf season has been great with some epic south swells. Most notable was the giant surf at Castles during Kamehameha Day with the Downings, Ricky Grigg, Karl Heyer IV and a lot of other Club members out in force. Some 15 surfboards were broken.

The other notable surf was at the entrance to Honolulu Harbor with wave faces reaching 30 feet high. Todd Payes said it was spectacular.

The amateur surf season begins in September so August is the time to join the surf team. We would like junior members to sign up for the Body Board, Surfboard and Long Board divisions, both boys and girls. You may do so at the Front Desk or call Mark Jackola at 596-7666. ☺
