BUSINESSMEN (and Women too) CLUB LUNCH

Where to go for luncheon daily is easily solved by eating at your Club.

A few minutes' ride from down town, plenty of parking facilities in the Club parking lot, and excellent food at popular prices in your own, exclusive Club.

To you who like dominoes, chess, checkers or gin rummy with your meals—all the paraphernalia is provided by the Club.

Make lunching at the Club a habit! Perhaps you'd like an invigorating dip and a shower and then an appetizer before lunch. It's all there for you today and every day.

SPECIAL LUNCHEON DAILY \$1.00

or you may order a la carte

Guest Cards Bargain

Members may now have guest cards issued at the new rate of \$1.00 for a two-week period instead of \$1.00 for one week as formerly. Application for cards must be made at the Club office as usual.

That Spouse Special Card

A notice was mailed to all members notifying them that the spouse of regular members may have Special Cards issued to them. These cards entitle them to Club privileges without dues. To those interested in obtaining these cards, please call at the Club office or phone the manager for full details. Spouse members are requested to sign both their name and name of spouse; i.e., Mr. T. Smith, Mrs. T. Smith.

Volley Ball Notes

Shortly after the first of January an Open Doubles Tournament will be held. Players will sign up as doubles teams, choosing their own partners. This should be a real competition for the Club has many outstanding players, particularly in the Senior Doubles Class. This will be good practice for the Open Citywide Championship games which will be held later in the year. Sign up in the lobby NOW for OCC Doubles!

Shortly following this tournament, teams will be chosen for Six-Man Senior Club Championship. Further notice will be posted and will appear in the FORECAST.

There is very little activity on night volley ball at present due to the past holidays and inclement weather. However, these night games will resume soon with the same spirit and interest manifested in the past.

On the Beach

Among our members we have many approved canoe steersmen. How about more membership activity on the beach? Any one of these boys will be glad to take you out—afternoons, Saturdays, Sundays and holidays. Remember the Outrigger is your Club and the facilities are at your disposal . . . for entertaining . . . or for leisure hours.

The Squibbles of a Squid

Panama Dave has been admiring a certain jade ring on the finger of a certain blond. Quote, "Is that stone your birthmark?"

Kalakaua (the trembling baritone) last *Matsonia* got up early and went out on a tug to meet the big liner. Greeted by a slight rain, he remarked, "This sure is a mystery morning."

More Holiday Snooping

Tommy Arnott (the Carnation Kid) can certainly handle the Indian canoe. • Say, Toots, when is it going to be? • Mr. and Mrs. Van Nostrand entertained a small group at the Club recently in honor of the President of Prentice-Hall Publishers. • Our three bachelors of the year—Andy Anderson, Al Lundberg and George Emmert. • Doyle Alexander was recently married (two to sign chits now). • Our hat's off to Willie Whittle who is in the big time now. Willie was chosen in preference to many outstanding mainland men to ref the Ortiz fight in Manila. • An orchid lei to Charley Amalu for his fine work in getting the ball rolling for the BIG BENEFIT football game December 17. • Mr. and Mrs. Robert Shaw are back and around very much of late. • DID YOU KNOW that Charley Weaver has just about the finest little DUDE RANCH in these parts? (We call him "Cowboy Charlie.") • The Duke sold papers all up and down Fort Street on December 13. • Carl (Mahat) Lyman is known as the Aloha Boy of Waikiki. (Carl is also treasurer of the Waikiki Sand Bank.) • Panama Dave is in San Francisco on special guest privileges. • The Ackerman boys are tough to beat on the Volley Ball courts. • Mr. Rama Watumull is back after many months in India. • Perhaps one of these days the Outrigger will have entries in the Olympics. • A group of youngsters from Honolulu (most of them Junior members) attending school in the East, hitch-hiked to New York where they had a reunion; young Gage all the way from Tufts in Boston and Akana from Dartmouth (Hanover, New Hampshire), and to top it all, the Lexington put them up "on the house" and they were invited back on the same deal. Pretty swell, we say. • "Toots" Mineville is planning a canoe race from Molokai to Waikiki. • Sargent Kahanamoku is a thespian. • Ernie Stenberg started the FORECAST in October 1941 and still keeps it going. • We welcome all new members who joined last year—come around, let's get acquainted, introduce yourselves to the girls at the desk, and others . . . know what your Club has to offer you. • "The Snooper."

Sand Bank Notes

Did you attend or were you one of the unlucky ones who missed the Big Hekka Party on December 6? Yes, the Kamaaina Hui was out in force. The Bill Mullaly and Yabo Taylor party seemed to enjoy themselves. Bothman who, we understand, is leaving fair Hawaii for California on a trip, entertained a large group of friends. Charley Wannenberg was there too. Charley and M. Wannenberg just returned from an extensive tour of the mainland. It's good to see them back. Some 250 members and their guests attended this novel party. The planning and arrangements were handled by Manager Gay Harlow, Howard Ruggles and Traylor Mercer.

Elected to our "Service of the Month Club" are Fred and Elsie in the dining room. Say, have you tried the latest "Mint Julep"? Try one; it is not only good looking but ! ! ! A sight to remember—Bob Hogan and George Weiller giving their opus a workout on the volleyball courts. It is rumored that impromptu nights may be held again. BUT, IF SO, YOU MEMBERS must support

Outrigger Members Enjoy Visit

A recent visitor to the Club was Mrs. Eleanor (Constance) Dilweg. In 1924 Miss Coleman was a member of the 1924 U. S. swimming team who participated in the Olympic Games at Paris. She also swam in exhibitions in Brussels and London, and competed with Mariessa Wehslau, Agnes Geraghty, Helen Wainwright and others.

Flying to S. F. from the Philippines with her husband Lavern R. Dilweg, who was a former football star of the 1932 Green Bay Packers, she renewed friendships among many of the members of the 1924 U. S. swim team who live in Hawaii. Among them were Warren Kealoha, Kealoha, Chas. Pung, Henry Luning, Bobo Conklin, Dick Kahanamoku, Sam Kahanamoku, Mrs. Fullard-Leo, Mrs. M. Wehslau and Gay Harris. A number of their friends were contacted and met for luncheon where nostalgic reminiscences were brought back.
