ANNUAL MEETING SUMMARY

President Fred Steere called the meeting to order at 5:10 p.m. on the afternoon of Feb. 28. The secretary certified that there was present over 100 regular members in good standing.

Joseph Stickney, chairman of the Judges of Election, reported on the results of balloting for election of Directors. As four new Directors were elected, Pres. Steere introduced them as follow: A. A. Carswell, Ward Russell, Jas. C. Stopford and Dr. Stanley J. Beardmore. Incumbent Directors elected were: Ronald Q. Smith, Wilford D. Godbold, Fred Steere and Herbert M. Taylor.

Mr. Steere then stated his regrets on announcing that Leslie A. Hicks who has served as a Director for 28 years and as President and on many Committees had refused re-nomination, but would accept the chairmanship of the Building Fund Committee. Mr. Hicks was then presented a Life Membership, a lei and fishing tackle as a small token for his continuous efforts for the Club. Mr. Hicks then gave his thanks to the membership and officers and stated that while he would no longer serve as an officer, he would continue his active interest and support.

Mr. Steere then announced an offer from Los Angeles capitalists and asked Mr. Godbold to clarify the terms. This was followed by an analysis of the offer by Hr. Hicks, together with a brief run down on the Club's finances. Mr. Hicks stated that he was in favor of the Club's membership accepting the offer.

Mr. R. Q. Smith then pointed to an architect's sketch of a possible Club building and facilities, stating, however, that this was a preliminary suggestion and in no way to be considered a final proposal. He asked for a motion from the floor to authorize the Board of Directors to be given full power to accept or reject the offer. Such a motion was offered by Ernest Thomas and seconded by Sam Fuller.

Pres. Steere then asked for a discussion. A lengthy discussion was held with many questions, all duly answered. There were a number of talks by members opposed to any move at this time, however, when the question was called and standing vote

taken, the motion carried with a vote of 161 for and 31 against.

As the hour was getting late, the chair asked for a motion to adjourn with the promise that various reports from officers and committeemen would be printed in the Forecast.

Motion was made and carried and some two hundred members present enjoyed cocktails, Anzai's punch and a fine buffet dinner presented by the Club management.

Full reports will be found in this issue of the Forecast and in succeeding issues.

FORECAST DEADLINE CHANGE

As the Board of Directors meet on the last Thursday of each month, your editor and the OCC office staff find it impossible to issue the Forecast immediately following the first of each month.

This is particularly true regarding the March issue. The Annual Meeting was held February 28, a Friday and as Saturday and Sunday are non working days, reports of officers, directors, committees and the like were received very late.

With this problem in mind, we will attempt to place the Forecast in the mail about the tenth of each month—following the March issue. This means that ads and other copies and photos must reach the editor no later than the last day of the preceding month.

OCC Board of Directors at Annual Meeting, February 28. Seated, L to R, are: Ward Russell, Herbert "Yabo" Taylor, James Mann, Leslie A. Hicks, Wilford D. Godbold. Standing, L to R: Ronald Q. Smith, James C. Stopford, Vincent Danford, Dr. Stanley J. Beardmore, Duke P. Kahanamoku, James Pflueger, and President Fred Steere.

ANNUAL MEETING • FEBRUARY 28, 1958

PRESENT: Messrs. Steere, Smith, Taylor, Danford, Anderson, Kahanamoku, Mann, Pflueger, Hicks, Dr. Blom, Judge Godbold.
ABSENT: Mr. Carswell.

Mr. Steere, in getting started to be sure that we are legal I am to read Sec. 56 of the By-Laws regarding a quorum. Sec. 56—25 members entitled to vote present in person or by proxy shall constitute a quorum at any Annual or special meeting of the Club, provided that less than a quorum may adjourn from time to time until a quorum shall be secured. Dr. Blom, the Secretary of the Club, is to certify as to whether there is a quorum in attendance.

Dr. Blom: As of three minutes ago we had over 100 members signed.

Mr. Steere: Next item is a report from the Chairman of Judges of Election—Mr. Stickney, as to the new directors.

REPORT OF JUDGES OF ELECTION

Mr. Stickney: President, Directors and members of Outrigger Canoe Club, Waikiki Beach Hawaii. Ladies and gentlemen, your Judges of Election Committee is free to submit herewith its report on the results of the balloting for eight directors to be elected from the list of 11 nominees.

The ballot box was declared closed at 6 p.m. February 27, and the results of the tally showed the following were elected, and listed herewith in the order of the number of votes each received. No. 1, Ward Russell; No. 2, Wilford Godbold; No. 3, R. Q. Smith; No. 4, Fred Steere; No. 5, Archie Carswell; No. 6, Herbert "Yabo" Taylor; No. 7, Stanley J. Beardmore; No. 8, James C. Stopford. A total of 671 ballots were cast, of which 52 were not counted, 47 because of delinquent Club as

counts, and five because of other irregularities; having a total of 619 valid ballots. This compares with 690 last year, and the all-time high of 747 in 1956. Complete results of the ballot are being shown, showing the number of votes cast for each of the 16 candidates is attached hereto, respectfully submitted, Judges of Election Committee, B. Stickney, Chairman.

In conclusion, may I on behalf of the committee, thank you for the opportunity of permitting us to render this service, and for the very delicious dinner which we enjoyed at your hospitality.

Mr. Steere: Thank you and all of your committee for doing a conscientious job. I think you people realize we did well to get this type of people to run for our Board. We now would like the new Directors to sit with us. Ward Russell, Dr. James Beardmore, and Jim Stopford.

★ ★ ★

PRESIDENT'S REPORT

Before going into the body of my report, I would like to point out the following facts regarding the size and complexity of our operation here:

1. We have 54 employees on our payroll.
2. The total gross amount of money turned over in the calendar year 1957 was approximately \$425,000.
3. Approximately 15 committees are necessary to carry on the normal functions of our Club, and approximately 75 people are involved in the necessary committee work during the year's time.

The intent of the above is to demonstrate to the membership that this is a fairly complex business operation which required not only a competent paid staff, but a loyal, efficient corps of volunteers to carry on the work of all the committees. I am glad to say that in the past year we have had both groups operating efficiently and loyally as well as, in my opinion, a very competent Board of Directors.

The Treasurer's Report which will follow, shows a gain in net worth of \$5,534.69 for the period 1-1-57 to 12-31-57. It is the opinion of the outgoing Board of Directors that a dues increase of approximately \$2.50 per month should go into effect as of April 1, 1958. The reason for this increase is obviously due to constantly increasing costs of operation of the Club.

Here in Hawaii Nei folks like to know with whom they are doing business. Other things being equal, they would prefer to do business with their friends—including fellow Club members of the O.C.C.

So you know just who offers the products or services you need, the "FORECAST" publishes this directory.

Rates are nominal and will be quoted if you call E. P. "Ted" Magill at the Club — Honolulu 93-676.

The maintenance of the plant has been kept up to date and is a year round concern of the Manager and the Building and Grounds Committee.

A Steward's Committee was appointed in late 1957 to survey the dining room and bar operation, and Mr. Ernest Thomas will report to the membership on this item later today.

The Club has received an offer to purchase its lease for the 4 years beginning October 30, 1959. Full details of this offer will be explained to the membership by Director Wilford Godbold later in this meeting.

The Club has added 4 new fibreglass canoes to its fleet in the past year. Two of these canoes are engaged in the beach service operation, while the smaller two canoes will be used by the membership for surfing and sailing purposes. These canoes were constructed by George Downing, who is a full-time employee of the Club. He also assists in the beach service operation, and handles the coaching of our canoe racing crews during the summer.

The Club has an obligation to the Matson Hotels to handle their beach service operations, but, due to our uncertain tenure at this site, this question has not been resolved at the present time.

The athletic activities of the Club have been satisfactorily conducted in the past year, due to a fine volleyball program conducted by our Volleyball Committee, and equally and fine handling of our canoe crews by George Downing.

A Junior boys Board of Directors was formed during the year under the guidance of Robert Anderson, Club Captain; Ron Sorrell, Neal Ifversen, George Downing and the Club President, with the intent being that the junior boys in the age group under 18 should have some authority in affairs affecting their particular age group. Progress has been made in this area, and I strongly recommend that future Boards of Directors encourage this type of activity.

In conclusion, I wish to thank all of the chairmen and members of the Club Committees and the Board of Directors for their cooperation in Club activities during the past year—without such cooperation it is obvious that the Club could not continue. I also feel it should be put in the record that we have a loyal and efficient group of employees on the paid staff of this Club.

FRED STEERE, *President*

★ ★ ★

LIFE MEMBERSHIP TO L. A. HICKS

The next item of business is very much of military secret and Judge Godbold will handle this item for us on the agenda.

Judge Godbold: Amidst the pleasure in welcoming the new members it is with sincere re-

gret that we must announce at this time that Leslie Hicks could not see his way to accept renomination for the Board. There is a saying that no man is indispensable, but in my opinion Les proves the exception rather than the rule. There is some light on this picture. However, as Les has agreed to continue serving as Building Fund Chairman, and has also agreed to help us when we need his help, Les, I think there is some good-looking girl looking for you somewhere. (Presentation of lei by Mrs. W. Heilbron.)

Les, the membership of the Club, through the Board, has asked me to present to you a life membership to the Club. It is a very small token for all of the precious hours that you have spent in our behalf. Les has been a Director for 28 years continually. (Steere then presented fishing tackle.)

Leslie A. Hicks says of his 28 years of service, "I felt I had a job to do."

Les Hicks: Well, I am overwhelmed. I was given a copy of the agenda but it is not the copy I see here. He tells me this is fishing tackle and is very appropriate as I am going to spend some time up in the Northwest where the fishing is very good, I can use this to good advantage.

I really am very much surprised. This was absolutely unexpected as far as I'm concerned and didn't give it a second thought. Just to the boys I'd served long enough and ought to quit and get out and let somebody else get in and do some good, so I was just going to sort of sneak out. I appreciate this very much, thank all of you very much for this consideration. I don't feel it is due me at all because I just went along with the rest of the boys feeling I had a job to do and wanted to do the best I could as long as we were able. Anyway, I appreciate this and am very happy about it.

Mr. Steere: I would like to add my little contribution. I've only been on the Board of the Outrigger for four years, but if there are better Club members than our friend Leslie Hicks I haven't seen them yet. I think that we have been very fortunate to have him with us these many years, and any success this Club has had he certainly has been very much responsible for more than his share.

AVENT OFFER

We'll go on into the main item of business for the day. We figured we'd better get into the material you've been reading about in the paper as it will take some time. Then we will go into the routine business of the reports later at the meeting. We've been working on this offer by Mr. Avent for some time and when the matter got into the area of legal complexities we called on Wilford Godbold, as we usually do, to explain our position and do most of the day-to-day work on it. We'd like him to start now and do some of the explaining of what this is all about. After he has finished we will ask Leslie Hicks to give us some comments on his feeling in the matter, and Mr. R. Q. Smith is on schedule to say a few words on the subject. After that we will get into the question and answering area.

Wilford D. Godbold explains the land ownership of our present location and that of the new site.

Judge Godbold: I hope that each of you who have read the newspaper reports on this offer. Actually they are surprisingly accurate. There are only two inaccuracies I noticed. One, the article stated that a majority of the Board was voted as in favor of the offer. There has never been an attempt to take the vote of the Board on this proposition, so I don't think it is possible to ascertain whether or not a majority of the Board is in favor of the offer.

The other was a technical mistake; it said that Murchison and Truesdale owned the property. Actually they have a long-term lease with about 50 years to go on the property; Queen's Hospital actually owns the property which we are on. Some of you know the state of the title on this property. It is owned by Queen's Hospital, it is leased to Matson Navigation Co., and sub-leased by Matson Navigation Co. to us. Our lease expires on October 30, 1963. This present offer is for the last four years of our term, more or less. I'll explain that more or less in a minute, but the last four years of our term would run from October 30, 1959 to October 30, 1963.

The more or less is this—in the proposal there is a clause which says in the event all of the improvements were completed as indicated by the owner's notice of completion on the new

site then we would relinquish this earlier. In both events there is a 60-day grace period. In other words, if we accepted the offer as now worded we would have to leave this property at the latest by December 30, 1959. That is October 30, 1959 plus a 60-day grace period. At the earliest is impossible to ascertain, assuming that the improvements on the Elk's Club site could be completed say prior to October 30th, then it would be the date the site is completed plus 60 days grace if we needed it. So it has a formula to it which is an indeterminate date.

Now as to compensation. The amount offered by Mr. Avent, who is from California, is \$200,000.00 cash, that is for the last four years, or explained, occupancy being ready on the other site, which would amount to, if you analyzed it in one way, \$50,000.00 a year. That cash would be paid as soon as the property, that is the assignment of lease but not the possession, duly approved by Matson and by Queen's Hospital is required. As soon as that document is actually delivered over to Avent, that \$200,000.00 would be paid. There is some little technicality that I think unless you want it I won't discuss. In other words the documents will be put in Escrow and the money put in escrow and when everything is completed the money will be paid to us.

In addition to the \$200,000.00 cash, Mr. Avent has offered to secure for us a loan of \$200,000.00 if we need it. The option would be with us as to how much that loan would be, except that it cannot exceed \$200,000.00. That loan of course would be dependent upon the lender finding that we had the ability to pay, and the loan would be at the prevailing rate of interest for a similar type loan. That is the sum and substance of the offer. Actually that offer has been in the process of negotiation for some time, the final papers were just received today. Mr. Avent in today's final transmittal of the offer over his signature provided a dead-line for our acting on the offer, and that deadline is specified by him, was 10 p.m. on the coming Thursday night. I don't believe it would be too helpful to have a question and answer period now, although we will have it in a few minutes after Mr. Hicks makes some analysis of the offer, and I think Mr. Smith has something to say about it.

MR. HICKS IN FAVOR

Mr. Hicks: There has been considerable discussion of this sort of a proposition even before we had the offer. Suppose somebody offered us something for the remainder of our lease, what would we consider a fair offer, how much do we need to build a new clubhouse? You have a building committee which has given considerable thought to this and they prepared a questionnaire which was given to

(Over)

all of you to find out what type of facilities you would like at the new site. Naturally in an open forum like this why everything was put in that anyone could think of. In the final building and facilities I doubt you would get every item that was mentioned, but summing up those that were conspicuously mentioned by the majority or by a large number, it boils down to certain fundamental facilities.

We do not have an accurate estimate of what these facilities would cost, but in order to do a little figuring myself I suggested to the Board the other night a sum of \$800,000.00 arrived at in this manner. We need to fix up the beach frontage as there is some coral to be dredged out and maybe some sand hauled in. I guessed that maybe \$50,000.00 would be a tidy sum to do a little beach work. We need to furnish a new clubhouse with furniture and fixtures, and I guessed that might be \$50,000.00. We need to pay an architect for his services at the rate of 8%, which I estimate to be another \$50,000.00 leaving \$650,000.00 for a building and swimming pool. That may be an accurate figure or it may be somewhat off, but in the final analysis the kind of facility we are going to have will be tailored to the money we have, so taking \$800,000.00 it is worth looking at to see how we would achieve that result.

The present value of our Building Fund, as I will report to you here later, is now about \$360,000.00 at the present market value. If we remain at the present site until the expiration of our lease at the end of October in 1963, and if we pay in some extra dues (now I would like to say parenthetically that whether we remain here or not for the balance of this term, I think that we will have to have an increase in dues).

I think that this transition period of new building and moving and the uncertainties of the new site, what we run into there, will require an increase in dues so I guessed again and I said, 50% on \$5.00 is \$2.50 and figuring on the senior members only, at a 1,000 which is just a round figure, I proceeded. If we contribute an additional \$2.50 per month of dues from each senior member the fund would be increased by \$30,000 per year plus accrued dividends. Calculated roughly from April 1, 1958 to October 31, 1962, and allowing an overall dividend rate of about 5% I arrived at a final figure of \$605,000.00. If we assume a 10% inflation in building costs we would need \$880,000 in four years from now rather than \$800,000 now. This would leave \$275,000.00 to raise from outside borrowing, so that if we stayed here for the balance of our lease, and started to build a new plant within a year of the termination of our lease, we would still have to borrow approximately \$275,000 more or less depending upon how the market value

of our securities was at that time. If we sell our lease on the terms offered by Mr. Aver and also increase dues by \$2.50 per month, at the end of April of this year, the results would be about as follows:

The present value of our Building Fund \$360,000.00, deposits from dues $1\frac{1}{2}$ years \$45,000.00 dividend accumulations two years \$30,000.00, sale of the lease \$200,000.00, giving a total of \$635,000.00. The cost of the building and other improvements \$800,000.00, so the difference is \$165,000.00. The offer includes a loan of up to \$200,000.00 so that would be adequately covered.

Under this program, that is, this one we are talking about now of surrendering our lease, we would save four years' rent and taxes. \$17,000.00 a year, which we are now paying in rental and taxes, or \$68,000.00 in four years. The accumulation of additional dues at \$2.50 per regular member for four years would amount to \$120,000.00. The sum of these two items is \$188,000.00, so we could assume that bank borrowings of \$180,000.00 could be paid off in less than four years. This offer in my opinion is a very fair one, which would take the gamble out of our present situation if we accept it.

We are not asking you today to accept or reject this offer, the resolution that we put before you is to give the Board of Directors authority to act in this matter. In the final analysis they could accept it at this figure, but nothing less than this figure, if you approve the resolution. If they were able to improve the figure, they would. I, myself, am in favor of accepting it, subject to satisfying our Building Committee on the building plans. I think the procedure would be, after this meeting, if you approved this resolution, to ask the Building Committee to continue to explore this matter with the offerer and to see if they can line up a building plan with them. I admit the time is short for continuous negotiations; however, most of the groundwork has been laid. I think between the Board of Directors and the Building Committee it would be possible to arrive at some sort of a conclusion with the offerer. I think that the minimum conditions that have been given to us at this point are very worthy of acceptance. I think if we accepted it on the basis of the present offer that it is a good offer, and I would certainly move approval of the resolution to allow the Board of Directors to proceed.

Mr. Steere: Thank you, Leslie, for your comments, just as a matter of information, Mr. Aver sat with our Board the other night at the last Tuesday meeting. We also have Jack Egan sitting with us as a member, and he has been associated with Mr. Cox and very closely connected with this activity. We now ask Mr.

Smith to give us some comments from the standpoint of the Building Committee, and also any other comments he may feel helpful.

Q. Smith pointed to the tentative plans for our new Club.

R. Q. SMITH ON BUILDING PLANS

Mr. Smith: I can't add very much to this, but I hope I don't muddy the water any. First of all reference has been made to Mr. Eagle. I might explain something about the pictures (plans if you will). Mr. Avent believed that it was necessary for him to have some preliminary drawing to use in case we accepted some of his offers—not the one we are talking about, but some collateral offer that he gave to us, and particularly in respect to obtaining a loan

so he had an architect draw some preliminary plans—I believe he obtained benefit of the answers to the questionnaires which you people submitted, and came up with some plans and he showed them to the Board a few days ago and we thought it might be valuable to have them hung here with the understanding that they are not those prepared by your Building Committee they are not anything prepared by the Club, but they were prepared by the offeror for his use in this case. It does give you an opportunity to see something of what one architect feels might be done on that property—therefore we ask Mr. Eagle to expose the plans at this time.

So far as the Building Committee is concerned we have not of course at this time come to any definite decision with respect to procedures and adequacies. Jim Stopford is the chairman of this building committee and he is prepared and has done a lot of work on it, but that a matter of doing this in a timely fashion seems to be a realizable thing—I believe that could be done.

As Mr. Hicks has said—I might go back, you will remember our special meeting of last year, latter part, one point on the agenda that was proposed, or went out in the call of the meeting stated an intention to ask you to permit the Building Fund to be turned over to

the Directors and permit the Directors to enter into a contract to build the building. However, that was not done, we didn't propose to put it up before you at that time, and neither is it proposed at this time; however, you will observe that the lease which we hold has a considerable value, and the value is of such character that in order to do anything about it the membership must give the Board of Directors authority to proceed. As Mr. Hicks pointed out, and as the Resolution will point out, it is authority to proceed to handle that lease—to sell the lease if you please—and put it right up to the Board to do all the negotiation. Of course you've expressed confidence in the Board before and I expect you might again with respect to handling the value which you have in the lease in the proper fashion. I believe, Mr. President, that's all I have to report on.

Mr. Steere: Thank you, R.Q. The plan now is that we would like to have a motion from the membership authorizing this Board to negotiate further in connection with the assignment of the sub-lease, and if that type of a motion is made and seconded then we go into discussion and explanation.

THE RESOLUTION

Mr. Thomas: I'd like to propose that the following resolution be adopted. "Be it resolved that the Board of Directors of the Outrigger Canoe Club be and it is hereby authorized and empowered to assign a certain sub-lease from Matson Navigation Co. at this time

Ernie Thomas offered the motion to give Board full power.

and under such terms and conditions as the said Board of Directors may deem advisable.

(Seconded by Mr. Fuller.)

Mr. Steere opened question period by raising of hand.

THE VOTE

(Following an extensive period of questions and answers a standing vote was taken. The resolution was carried by a vote of 161 for 31 against.)

(Note: We will carry the questions and answers in April FORECAST.)

REPORT ON BUILDING FUND

The Building Fund, as of February 21, 1957 had a total value \$361,682.00 as compared \$350,687.00 at the time of the last Annual Meeting held February 19, 1957.

The Fund is composed at this time of \$69,036.00 cash, and the balance in common and preferred stocks and bonds. The indicated income in dividends and interest is \$15,941.00 per annum.

TREASURER'S REPORT

As in the past and on the recommendation of our auditors, we continue to keep our books on a fiscal year basis. The June 30th, 1957 report by the auditors, Peat, Marwick, Mitchell & Co., on file and copies are available to members who are interested.

Since last June, we have changed the date of our fiscal closing to October 30th. This change was made in order to lessen the pressure on our office staff in the months of July and August, which are our busiest months.

In order to bring you up to date, I will now give you comparable figures for the years 1956 and 1957.

REPORT

Reserves are stated conservatively, fixed assets are being written off over the period of our lease and adequate reserves are being set up for other contingencies. The building fund carried at cost \$311,019.32 the present market value is \$345,000.00.

Although we continue to progress, I wish to bring to your attention that our expenses, taxes, wages, food etc., continue to increase where as our income has not increased in proportion.

As an example in 1956, our total income was \$23,762.82 and in that year we show a loss on operations of \$2,355.50. In 1957 our income

from operations was \$425,041.54, resulting in a loss of \$20,977.61 for the year. From this you can see that it will be necessary to increase our income. Your board of directors at a recent meeting recommended some increases in guest cards, surfboard lockers and lockroom fees. However, these increases which will be effective April 1st, will not amount to very much in dollars and cents, so we come to the point where we believe that it is now necessary to increase the monthly dues for our regular members. The board has not taken action in this regard, but I leave with you the thought that an increase in dues is necessary and that it is our feeling that the increase should be \$2.50 per month in regular membership dues, which would bring the total dues to \$7.50 plus tax. It is evident that it will be necessary to have a special meeting of the membership in the very near future and I hope that at that time we can take definite action in this regard.

Respectfully submitted,

HERBERT M. TAYLOR, *Treasurer*

ALONG THE AVENUE

(formerly *Hotel-Club Notes*)

Two British steamship companies have combined to enlarge service in the Pacific. The Orient and Pacific Lines is a combo of Orient Line and Peninsular and Oriental SS Navigation Co. New ship will be built and Honolulu will be a port of call, increasing service to Orient and down under.

Matson Navigation has announced intention of opening offices in Vancouver, British Columbia and in London, England. These icebox countries are sending ever larger contingents of visitors to Hawaii to enjoy our spring-like winters.

Spence Weaver reports that the French Government in Tahiti is becoming more en rapport with his plans for a hotel, Ile Tahiti, which contemplate a ½ million six 18-room cottage-type development.

Itinerant beach peddlers are again under the gun by the Hotel Association. Visitors have complained, as have merchants who pay rent and taxes.

On May 1, the Convention Hall of the Princess Kaiulani Hotel will be opened with appropriate Hawaiian ceremony. It will accommodate 1,000 in its 10,000 square foot area.

The Pacific Club, which has had building pains like the OCC, will present new plans to its members on April 9, with a vote to be taken on April 11 by the membership.

It looks as though there will be a hotel at Makaha. This rapidly growing area of fine surfing and beaches has been eyed by several groups of local and mainland capitalists.

Matson announces a two-way service. One way via Matson Line, the other via air by Canadian Pacific Air Lines on the Australian run all at the round trip rate.

On February 2, the City of Honolulu took legal possession of the much debated Waikiki beach property of the Steiner and Cleghorn Estates totaling 119,000 square feet. This will extend Kuhio Beach to the SurfRider Hotel.

On February 11, Mrs. Arthur L. Andrews was honored by the members of the Uluniu Women's Swimming Club at her re-election as president and in recognition of her service as president for the past 25 years. This club has been a marvel to all who know it. Its low dues, exceptional cleanliness and order, and location have been matters of admiration these many years of inflation. To her also our congratulations on a job well done.

Ciro's Merry Monarch is the name of the new Frank and Al Viviano restaurant now under construction on Beachwalk. Upper stories will contain apartment named Beachwalk Plaza.

Kalakaua re-alignment plans are not dead. A new proposal has been offered by the City plan staff which will reduce the 6 million dollars estimated cost to 4½ million dollars.

Did you see the February 8 issue of Parade magazine? All about our hotel tycoon, Henry Kaiser, with picture in full color of Hank, himself. Many myths and fables about him are dissipated. Better read it.

Bob Allen has added to his many other tour services a shoreline cruise. Gray Lines has taken over the cruise Miss Honolulu, which will continue Pearl Harbor sightseeing cruises with Jerry Collins as skipper.

Best of success to Lyle Guslander on his new venture in his travel office in the McInerney Building on the Avenue. Island Holidays Hotel chain, together with Island Holidays Travel Service, will offer Island visitors complete Island service.

Matson has definitely decided to develop its Makena resort properties on Maui. \$100,000 has been set aside for study and planning. The property, south of Kihei, comprises some 1,500 acres with 1½ miles of ocean frontage. Its main problem is fresh water, which seems, however, possible of solution with the aid of the County of Maui.

That giant cat of Henry K. is still under checkup. Trial runs developed prop trouble and other changes required. The big pink boat has been hauled out and re-launched but it seems as though the kahuna is about licked.

The off-shore "Magic Isle," off Ala Moana Park, is reaching a point on the planning board where definite action will soon be requested. This project would reclaim tide and reef lands and build an island devoted to hotels, apartments, parks and play area second to none in Hawaii totaling 220 acres.

Inter-Island Resorts has announced plans to add a 250 thousand dollar addition to Kona Inn. This includes new buildings, expanded kitchen and other improvements.

A 1¼ million dollar plush co-op apartment is planned to be known as the Tropic Sands Apartments, to be erected at the Diamond Head end of Kalakaua Avenue.

APPLICANTS TO MEMBERSHIP

Below are listed applicants who desire membership in your Club. It is the duty of every member to notify the Admission Committee of any objections you may have. Any information given will be treated as strictly confidential.

Committee members names are listed in this Forecast, the chairman being Don Waggoner—Phone 59-595.

OUR NEW MEMBERS

During February, the following were admitted as members to the OCC. All members are urged to extend the hand of fellowship to them and make them feel welcome.

To them, our congratulations. In this issue is listed names of officers, directors and committeemen. If you wish to participate in committee work, many of our chairman will be happy to accept your request. Members, personnel and officers will gladly explain our procedure, your privileges and your duty, Aloha!

REGULAR: Owen O. Hubbell, D. N. McKinley, Gerald M. Ober.

ASSOCIATE: Valerie Erwin.

JUNIOR: George G. King, Barbara Lowrey.

NON-RESIDENT: Helen Bowler, Ralph W. Kiewit, Jr.

SERVICE: Cdr. Earle S. Spangler.

ARMED SERVICES INVITATIONAL VOLLEYBALL TOURNAMENT

The Armed Services invitational volleyball tournament has issued invitations to all civilian and military teams interested and will be held under the auspices of the Armed Services.

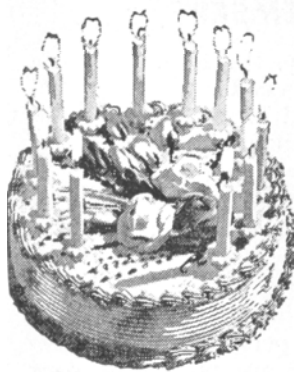

Lt. Col. Edward De Groot, PAF., former v.p. of the U.S. Volleyball Association and Chief Gerald Copp, 14th Naval District athletic director, are co-ordinators of the League.

The Outrigger Canoe Club is entering a six man volleyball team. The team members are:

Coach: Dr. James Beardmore, Ron Sorrell, Bill Cross, Randy Worthington, Mark Auerbach, Tom Haines, Bob Daniels, Pat Wyman, Bill Baird, Bill Danford, Gilly Halpurn, Ron Durant, Bill Heilbron.

The first game is to be played against H.C.&D. at the Hickam Gym on Thursday, March 6th, at 8:00.

Henry J. Kaiser is preparing to go into a National Ad campaign to sell "Hawaii" to the world in general. This plan, of course, will include selling the ever-growing facilities of Hawaiian Village, which is the marvel of the hotel world. Good luck, Henry!

"It's the Water that makes the difference*

VON HAMM-YOUNG CO., Territorial Distributors

The MAIL BOX

314-E BUFFALO ST.
ITHACA, N. Y.

Mr. Ernest Stenberg
Honolulu, Hawaii

Dear Ernie:

I'm not going to attempt a description of the bilau weather that has taken over this part of the U.S.

Last Sunday I showed the kids on East Buffalo street how to ride a sled down the hill with no hands. The old wahines on each side of the street are still talking about the damned fool that came down the sidewalk at 60 mph, endangering the lives and property of the poor Ithacans. The temperature was 40° F. So you can imagine how many people were out milling around. After a couple of solo rides I took my daughter, "Susan," for a few but had to keep breaking the speed just in case some poor soul got in the way. It is approximately three blocks from the top of the hill down to the first cross street so you can imagine what a good place it is to ride a sled. The hill is so steep that automobiles can not negotiate it even with chains when it is covered with snow and ice.

Joined the YMCA, which is only about 100 yards from the house and have been playing volleyball with the so-called Business Men's Group on Monday, Wednesday and Friday evenings at 1715 EST.

Bill Capp, digging out at Ithaca, New York. Susan is making one to sock Pop.

They play outrigga rules and the first evening I played real clean (AAU) and they were all apologizing for their sticky ball handling. Please tell Brother Chase that I soon took care of that by shooting them a few of his specials plus a few spinners as Toots M calls them.

Came down to McGuire AFB Tuesday night, Feb. 18th, to put in some time to keep current on my reserve status. Incidentally I have 28 years today with the Air Force.

Enough hoomalimali for now. Hope that you and all of the members of the Horizontal AC are in good shape for the shape you're in.

Aloha Nui

BILL CAPP

DEPUTY CHIEF OF STAFF PLANS AND OPERATIONS
COMMANDER IN CHIEF PACIFIC

Outrigger Canoe Club

My dear Mr. Magill:

I wish to thank you for the courtesies that you and the staff of the Outrigger Canoe Club extended to the conferees of our first Pacific Command Commanders Conference which was held recently at this headquarters.

It is not known just how many officers were able to avail themselves of your club's facilities due to the very full agenda and scheduled social events. However, please be assured that the opportunity to use the club was nonetheless appreciated.

I am certain that our visitors returned to their stations fully aware of the gracious Hawaiian hospitality.

Sincerely yours,

HUNTER HARRIS, JR.

Major General, USAF

We are always happy to extend courtesy to our Armed Forces.

COMMANDER IN CHIEF
UNITED STATES PACIFIC FLEET

Mr. E. P. Magill
Waikiki Beach

Dear Mr. Magill:

Please express my appreciation to the President and the Board of Directors of the Outrigger Canoe Club for their kind courtesy in making me an Honorary Member during my tour in Honolulu.

I can assure you this membership is most welcome and it is my intention to use and enjoy the facilities of your grand Club during my stay here.

With kind regards, I am

Cordially,

HERBERT G. HOPWOOD
Admiral, U. S. Navy

CHIEF OF STAFF
COMMANDER IN CHIEF PACIFIC

Outrigger Canoe Club

It was a real pleasure to receive your letter of 21 February together with my honorary membership card for the Outrigger Canoe Club.

(over)

My predecessor, Vice Admiral Anderson, told me that you had extended the same courtesy to him and that he had made good use of his honorary membership. In his view, the Outrigger Canoe Club was the nicest spot for association and recreational purposes he found during his tour in the islands.

I fully intend to make good use of the privilege which you have extended to me and I am very grateful for your courtesy.

Sincerely,
H. D. RILEY
Vice Admiral, U. S. Navy

Outrigger Canoe Club

Gentlemen:

On this occasion of my departure day after tomorrow from the Hawaiian Islands for duty at Washington, D. C., I wish to express my deep and sincere appreciation for your gracious extension to me of the privileges of honorary membership in your club.

I shall forever hold pleasant and warm memories of the Islands, none warmer than my recollection with gratitude, of the courtesy and honor extended to me by your club.

Very sincerely yours,
E. T. LAYTON
Rear Admiral, U. S. Navy

The OCC members always hold pleasant and warm memories of all the personnel of the Services. To all an Aloha nui loa!

Mr. Ernest Stenberg
Outrigger Canoe Club

Dear Mr. Stenberg:

Mr. Paul C. Hartnal, Reno, Nevada, walked into the waiting room of Dr. C. D. Lake's outrigger Arcade office, to wait for his wife who was a patient of the Doctor, and from all witnesses including Dr. Lake who was summoned from the inner office death had set in, but upon proper manipulation and nerve stimulation the patient revived and 2 hours later proceeded to Hawaiian Village Hotel.

Mr. Hartnal had received a penicillin shot at 10 a.m. this same day in an M.D.'s OFFICE DOWNTOWN which had caused the poison which resulted in stoppage of body function, although he had received penicillin shots over a period of time in the past.

Mr. Hartnal was resident of Honolulu in 1925 to 1930.

Date of occurrence—2/4/58 at 2:30 p.m.

Auto-intoxication-poisoning by some uneliminated toxin generated within the body.

Sincerely,
DR. C. D. LAKE, D.O.
By S. U.

As the newspaper story regarding the above were somewhat wrong, we are publishing the following letter in order to make the record straight.

Hi Nell—Ernie—Ted:

I just read the February FORECAST. It is good as usual, Ernie. So you "retire." What are your plans? I hope you will be as happy, busy as we as we have been here on Maui. Come over and visit and see how we do it.

Do you have use for a file of FORECASTS? I have just kept them.

I may see you this weekend. We will be at the Brainards. Aloha—

BERYL and K. C. LEEBRICK

Thanks, K.C. No, I have the full file of FORECASTS.

ALMADEN VINEYARDS
SAN FRANCISCO 11, CALIFORNIA

Dear Ted:

Our sincere Mahalo to you for sending the December issue of the FORECAST. It was very much enjoyed by us all.

We were very much impressed with the plan for the new Club setup at the new location.

I am looking forward to seeing you sometime later this year.

Our best Aloha to you all for the forthcoming New Year.

Cordially,
H. PETER JURGENS

It will be a pleasure to see you, too, Pete.

2291 NORTH CHAMBLISS ST.
ALEXANDRIA, VIRGINIA

Dear Pat,

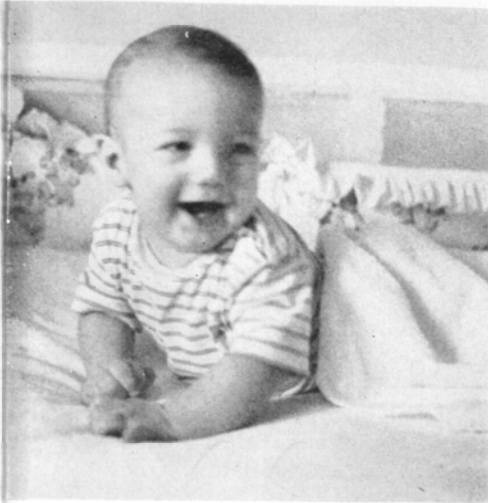

Don't know where the time goes—yes, I do tell you—I just don't have the time I used to. Enclose a snap of the reason. And a mighty cute reason we think. Robby is a real joy at this point. I darn much fun and very very good. All my friends tell me to enjoy him *now* for when I begins to get around the troubles really begin. He is just starting to crawl. Now that I have a good colored maid—things are looking up. I share her with another couple and she is a terrific worker as well as a marvelous babysitter. We've been able to get away for several weekends—one whingding in New York. Started with "My Fair Lady" and ended with Joe E. Lewis and the Copa. Came home when the money ran out and it surely does go in a hurry in that town. Hope to go up again in March or April.

Had a letter from Fran several weeks ago. Said Fifi was Japan bound. Maybe you'll see her en route. Also had a card from Lulu from Japan. Is she cruising alone?

The Kellermans visited us in August and thought they might be moving up this way, but now it doesn't look that way. Phil seemed good well but has to take it easy. For him, that's a real problem.

Glad to hear your Mike is in the school of your choice. Even here schooling is a crowd problem. We are toying with putting him (Ski) in St. Stephen's (Epis) next year.

The Spanglers spent one evening with us en route to Texas—much fun. Wonder if you ever met the Keatings. Believe they wrote some of our neighbors they had rented on the beach

Robby Patterson, just 6 months old.

Kailua. That tunnel must really make a difference in the drive.

We talk of you all and the islands constantly, especially when we get the FORECAST each month.

Love to get your report on the local gossip! One of these days. Until then

Fondly
M. J.

Lt. Col. Patterson is stationed at U. S. Marine Corps, Quantico, Virginia.

Dear Ernie:

Greetings from the "Deep Freeze Area." Came down here three days ago to check up on my status with the Air Force and got stuck here with a very heavy snowfall and freeze. According to the Weather Bureau forecast I'll be lucky

Chic and Susan Capp, deep-freeze operation, 4° below. No wonder they are all homesick for Waikiki.

if I get back to Ithaca, N. Y., before Monday or Tuesday.

Last week I went up to Utica, N. Y., in the morning and didn't get back home for three days due to freezing rain. Couldn't fly airplanes and Greyhound couldn't get to Ithaca. I had planned on going to New York City to see Vic Kahn but due to freezing rain was unable to get down before he departed for the West Coast. Talked to Vic on the telephone and asked him to please give all you lucky buggas and particularly the Horizontal Athletic Club gang my best. My grapevine is that Brother Chase has been reporting to your groups regularly and has grossly neglected the VB gang.

We really got clobbered by weather in Ithaca on the night of January 14th. Enclosed are a couple of snapshots taken the next morning while I was trying to dig the car out the snow. The reason Susan is in the picture on a school day was due to the fact that you could not get up the hill to her school. Bill (Burrhead) goes to Junior High downgrade so he got to school. I shoveled snow for almost five hours that morning, clearing the sidewalk, the driveway and the solid bank of ice the snowplow pushed up in front of the house. Since the temperature went down to 11° F. we now think it is normal anytime it is up around freezing. Keep everything under control. But always.

"Ain't sqwakin'."

Aloha Nui
BILL CAPP

A letter from homesick Bill Capp now in deep freeze.

FORECAST ADVERTISING

Your ad in the *Forecast* is an ad in a monthly magazine that reaches a class circulation of about 2,300 members. The *Forecast* is READ thoroughly as many letters to the editor prove. Rates are exceptionally low as the Club does not endeavor to pay its cost by advertising, but subsidizes the publication. We suggest that you examine your advertising budget and place the *Forecast* on it for a regular monthly spot.

EDWIN N. MCCLELLAN

WAIKIKI in the GAY NINETIES

by EDWIN NORTH MCCLELLAN

(PART TWO—Concluded from August 1956)

There was no Outrigger Canoe Club to add charm and value to the Coast Beach of Waikiki in this Delirious Decade; but its ancient foundations were being strengthened by Hawaiian and Haole surfers with their boards and outriggers. And over them all was the Blessed Spirit of Waikiki. Waikiki had not yet "lost face" as the OCC peeked around the Rainbow's end.

"I can close my eyes and think and dream of those olden days before the Western haoles brought Our Islands to the attention of America and Europe," wrote Dul Paoa Kahanamoku. "I can visualize those early Polynesians running their outrigger canoes up on the coral-sand beach at Waikiki . . . Primeval Waikiki is something for my mind to enjoy even though it seems gone forever."

EXQUISITE MUSIC OF SURF

"I was resting in my hammock, swung in the shade of a mammoth tree at Waikiki," wrote Anne M. Prescott in early 1893. "There is no undertow, nor anything to mar a joyous sea-plunge by day or by night." "I hear the exquisite music of the surf as it slaps the shore so easily and gently with its white foam."

Mary H. Krout at Waikiki in the Early Nineties, wrote of a "dip in the warm lagoon;" of the "King's Singing Boys;" and of a "succession of fine private villas" on Waikiki's shore.

CURVED SHORELINE WITH LOVELY VILLAS

"The favorite drive and bathing resort for the leisure class, white and tinted, is along the Road to Waikiki," explained Lieut. Lucien Young of the U.S.S. *Boston* in 1893. "It is a curved shoreline occupied by lovely villas."

The "average fellow hasn't an idea of what Waikiki means," declared the *Independent* of May 25, 1895. "Long Branch, The Villa, Ilaniwai and other beautiful resorts . . . Sans Souci is the Haven of Rest."

On July 1, 1896, the *Advertiser* advertised the Seaside Resort of Wright's Villa as being a "short distance from the Bridge Waikiki."

The Beach or Sheltering Palms Hotel, on site of the Niumalu Hotel, center of present domain of Henry J. Kaiser, adorned the curve of Waikiki.

SANS SOUCI—GEORGE LYCURGUS

"The bathing facilities of Sans Souci are superior to those of any place on the Beach," reads an advertisement in the *Advertiser*, July 1, 1896. The lease of George Lycurgus having expired in December of 1899, San Souci reverted to its owner, Hon. F. M. Hatch, reported the *Advertiser*, November 20, 1899.

LONG BRANCH, BRIGHTON, TROUVILLE

"The most popular resort . . . is the famous Waikiki," wrote John R. Music on September 1, 1897. "It is the Long Branch of Honolulu, its Brighton or Trouville. There are a number of private residences . . . close to the murmuring sea . . . Boarding one of the plain, airy cars drawn by a span of mules . . . I made the journey at an easy gait."

SEASIDE HOTEL SITE

George W. Macfarlane leased in 1895 the site on which later the Seaside Hotel was constructed. It had been the summer home of Kamehameha V, later passed to Princess Ruth; was inherited by Prince Bernice Bishop and next was the home of W. W. Dimond.

SEDUCTIVE WAIKIKI

"The ideal is reached by a sojourn among its seductive groves where the sound of the restless surf dashing on the guarded reef or wavelets rippling on the sandy shore, sings a sweet lullaby, and the pleasure of ocean bathing in a temperature that, like its skies, its seas and

atmosphere, is surpassed by no other spot in all the world," proclaimed the *Hawaiian Annual*, 1899.

This same *Annual* explained that the most notable building improvement during 1898 were the "Hawaiian Hotel Annex cottages at Waikiki."

THE MOANA HOTEL

A design for a *de luxe* hotel at Waikiki was published in the *Advertiser* of August 8, 1896. The plan lagged but was revived in 1899, when a contract was signed by Lucas Brothers for moving the house of Walter C. Peacock to make room for the Moana.

PRINCESS KAIULANI—AINAHAU

Princess Victoria Kawekiu Kaiulani, daughter of Kalaninuiʻahilapalapa, daughter

of Princess Likelike (Liliuokalani's sister and wife of Governor Archibald Scott Cleghorn), died in 1899. Her home, Ainalohau, was a beautiful part of Waikiki.

OUTRIGGER, SURFBOARD, SEABATHING

Long Branch Baths (Jim Sherwood, prop.), located on the general site of the present OCC, was popular during the Gay Nineties.

"Most popular and delightful was surfing," wrote Lieut. Lucien Young in 1893. "They used a board generally six or ten feet long and rather more than a foot wide."

"Surfboating is one of the many pleasures afforded by the sea," wrote Charles Taylor, Jr., of Philadelphia at Waikiki in the summer of 1896. He was the guest of Col. Macfarlane. "The canoes used are very long and narrow, being kept in place upon the water by two heavy timbers. Our party . . . row out to the reef," and when an "unusually large and strong" wave appears, "we begin to juggle" and the wave carries the canoe foreward "at the rate of fully a mile a minute."

AMERICAN LEGATION MOANA

Isabel Anderson arrived in Honolulu about 1897 on the *Gaelic*. She wrote of staying on "the lanai of the American Legation Moana, home of Minister Harlow M. Sewell at Waikiki and watched the surfing." She took an outrigger canoe. This Legation Moana was site of the Moana Hotel and Old Moana Pier.

FAMOUS VISITORS OF NINETIES

John L. Sullivan (pugilist), Peter Jackson (pugilist), Robert Louis Stevenson, Mark Twain (cholera prevented landing), John Watson Foster, Isabel Anderson, Professor Alexander Agassiz, Henry Adams, Charles Warren Stoddart, Burton Holmes (1898 when he took first movies of Waikiki).

MONARCHY ENDS—AMERICAN HAWAII

In January of 1893, Queen Liliuokalani was deposed and a provisional Government set up with Sanford Ballard Dole as President. Republic of Hawaii (Dole as President) inaugurated July 4, 1894. Nowlin-Wilcox Revolt in 1895. Annexation Treaty signed June 10, 1897. Spanish-American War started April 28, 1898. President William McKinley signed Joint Resolution annexing Hawaii (Treaty had failed), July 7, 1898. President Dole, at his Waikiki residence *Aquamarine*, heard of annexation. Flag raised over Hawaii, August 12, 1898.

SERENE WAIKIKI IN TURBULENT HAWAII

Throughout the ten Gay Ninety years, filled with turbulency, international hazards, changes of government, small wars and uneasy peace, Waikiki was generally happy and carefree—a spot for relaxation and the enjoyment of Nature's blessings—including surfboarding, outriggering, seabathing, fishing and suntanning. As, May 1, 1908, the Birthday of the OCC, neared, no one dreamed that on May 1, 1958 thousands would commemorate its Golden Anniversary. The Spirit of Waikiki, The OCC's Guardian Angel, knew all but was as silent and sober as a Waikiki Sphinx.

OLYMPIC VB

The International Olympic Games Committee has added as another competitive sport, Volley Ball. It is not outside the realms of the possible that a team from Hawaii and the OCC in particular might be the U.S. entry. The games to be held in Italy in 1960 are not too far off to start training a real team for the U.S.A. Championships. How about a try for it?

REPORT OF THE FOOD AND BAR SERVICE COMMITTEE

February 10, 1958

Board of Directors
Outrigger Canoe Club
Gentlemen:

The report of the special committee appointed to study the Club's food and bar service operations is forwarded herewith.

Since we have limited the scope of our study strictly to food and bar services, our recommendations cover only the action necessary to improve these operations. The next step, taking this action, we believe is a problem which must be handled by the Board, with all of the Club's activities taken into consideration.

FOOD & BAR SERVICE COMMITTEE
E. H. THOMAS, *Chairman*

INTRODUCTION

A special committee was appointed by the Board of Directors in December, 1957, to study the Club's food and bar service operations and to recommend action to be taken to correct any deficiencies or inadequacies found.

As the first steps in carrying out our assignment, individual members of the Committee elicited comments from interested Club members. We also discussed food operations with the Club's operating personnel.

The Committee concluded, after making this preliminary study, that the entire Club membership should be given an opportunity to express their views on the subject. A questionnaire was prepared which incorporated many of the ideas gleaned from our earlier discussions with Club members and a copy was mailed to each regular member on the active list.

The response to the questionnaire exceeded the Committee's fondest expectations. We received a total of 360 replies, almost all of which were thoughtfully and carefully prepared. Sound, constructive suggestions and comments reflecting sincere interest in the Club's welfare were included by over one-half of the members with their replies.

The Committee decided that the best immediate use for the many excellent comments received was for them to be used by the Committee in interpreting the numerical results. The remarks shown under the heading "Committee's comments" on the attached tabulation incorporate these comments and this column constitutes the body of our report.

CONCLUSIONS

Taking into consideration comments as well as answers to questionnaire.

The dissatisfaction of a large segment of our membership is centered primarily in the quality of the food served, variety, and food service. There also exists some concern over the general housekeeping of the Club and the maintenance of order. While a few relatively inexpensive improvements in the physical setup of the Club are desired by a majority, the lack of these improvements is not considered by the Committee to be a particularly important factor in the present situation.

DISCUSSION AND RECOMMENDATIONS

The maintenance of a high standard of food quality, the provision of an acceptable variety of items on the menu, and insuring that the membership is provided satisfactory food service, are all management functions. It is the Committee's major recommendation that immediate steps be taken by the Board of Directors to provide the food service facilities of the Club with the management that is now lacking. Effective management guidance must be provided the food purchasing department and to personnel involved in food preparation. Also professional attention must be given not only to the preparation of menus, but constant attention must also be given to the serving of food and to providing a pleasant atmosphere for the dining patrons. Management must also see that good housekeeping is maintained at all times.

Some of our waiters and waitresses do an excellent job, as attested to by the numerous commendations the Committee received. A few individuals in particular were repeatedly praised. However, others on our waiter staff need training and management supervision. Besides giving individual supervision, the manager must give more attention to the assignment of waiters during rush periods. It should be the manager's goal to see that patrons receive adequate service at all times.

The Committee also recommends that the following action be taken by the appropriate committees, as indicated:

1. *The House and Grounds Committee*

A. Through study and consultation with lighting and interior decorating experts, modify the lighting in the dining room to provide a "more intimate" atmosphere. Individual table lamps are desired by many members and should be provided. It has been suggested that the desired effect may be obtained by merely changing the color of the fluorescent tubes in the dining room to a "warmer" color instead of dimming the lights.

B. Make the entrance to the dining room more inviting at night by installing gas-fired Hawaiian torches at appropriate locations.

2. *The Entertainment Committee*, working in cooperation with the Manager, should provide evening entertainment to the extent that it is economically practicable. While a number of members have expressed a preference for Hawaiian entertainment, others have suggested other types of entertainment as desirable. The entertainment provided should be of a varied nature. Entertainment in which the membership participates, such as Bingo games, dances, etc., should be scheduled as often as possible.

3. *The Manager*, working with the *Editor of the FORECAST* should continue to advertise the dining and bar facilities extensively in each issue. Public relations is essential within the Club itself.

Respectfully submitted,

E. H. Thomas, J. W. Russell,
R. W. Patrick, Harriett J. Thomas

BODY OF REPORT
FOOD AND BAR SERVICE QUESTIONNAIRE

Main Dining Room and Sun Deck		Committee's Comments
FURNITURE AND FIXTURES		Rated fair to adequate. No changes necessary.
LIGHTING		Rated fair to adequate. Based on comments received, changes recommended in lighting to provide a warmer, more intimate atmosphere.
GENERAL DECOR		Rated fair to adequate. House and Grounds Committee should consider increasing the use of foliage in decoration.
QUALITY OF FOOD		Rated fair. Must be improved. See CONCLUSIONS .
VARIETY OF MENU		Rated fair. Corrective action needed. See CONCLUSIONS .
HOURS OF SERVICE		Fair to adequate. Many members would prefer longer evening dining room hours. The setting of hours should be determined by management after a study of the economics involved.
QUALITY OF SERVICE—FOOD		Rated fair. Definite action must be taken to improve this operation. See CONCLUSIONS .
QUALITY OF SERVICE—BAR		Rated adequate to excellent. This speaks highly of our bar staff.
Hau Terrace		
FURNITURE AND FIXTURES		Rated adequate. No changes recommended.
LIGHTING		Rated adequate. No changes recommended.
GENERAL DECOR		Rated adequate.
QUALITY OF FOOD		Rated fair to adequate. Action must be taken to improve. See CONCLUSIONS .
VARIETY OF MENU		Rated fair. Attention required. See CONCLUSIONS .
HOURS OF SERVICE		Rated fair to adequate. No change recommended.
QUALITY OF SERVICE		Poor to fair. Dissatisfaction with the Hau Terrace centers principally on this operation. Steps should be taken to provide more waiters during busy periods and to exercise some ingenuity in reducing the time required for orders to be filled. A buffet or service center which may be set up during lunch hours has been suggested. Some waiters need training and close supervision by management.
Snack Bar		
FURNITURE AND FIXTURES		Rated adequate.
GENERAL DECOR		Fair to adequate. Attention should be given to general cleanliness of the area at all times.
QUALITY AND VARIETY OF FOOD		Rated fair to adequate. A number of members suggested installing "char-broiling" equipment for preparation of hamburgers, etc., as well as improving food quality. This should be given consideration.
QUALITY OF SERVICE		Rated fair to adequate. Day-to-day management supervision is recommended.
HOURS OF SERVICE		Adequate.
Main Dining Room and Sun Deck (Physical layout)		
MAKE THE OVERALL DECOR MORE FORMAL		No. The status quo seems to be desired.
REMOVE REQUIREMENT FOR COATS FOR MEN IN MAIN DINING ROOM		No.
DIM CEILING LIGHTS AND PROVIDE TABLE LAMPS		Yes. Several comments stressed that it should not be necessary to make the dining room "too dark." One of our photographer members suggested placing "warm" colored fluorescent bulbs in the dining room. The Committee believes that this is a matter to be handled by the House and Grounds Committee.
PROVIDE MORE HAWAIIAN ENTERTAINMENT		Yes. More variety was also suggested, as well as more non-Hawaiian entertainment.
DISCONTINUE HAWAIIAN ENTERTAINMENT		No. It is interesting to note that while a majority voted not to continue Hawaiian entertainment, practically the same percentage, 46%, either indicated that such a move would make no difference or did not answer the question.
DISCONTINUE MUZAK		No.

INSTALL HAWAIIAN TORCHES AT DINING ROOM ENTRANCE	Yes. The provision of adequate lighting in the inner court of the Club will provide a more inviting atmosphere during the dinner period. Torches particularly should provide an air of "life" and activity which is now lacking in the evening.
PROVIDE A LA CARTE DISHES ON THE MENU	A resounding Yes. Many members indicated in their comments that there are times when they do not desire a full meal. This fact alone is now keeping them from spending an evening at the Club.
PROVIDE SALAD CART (SALADS DISPOSED AT THE TABLE)	The comment covering this question and the following one are combined. The committee feels that the overwhelming vote for Yes in both cases shows that something must be done to improve the salads being served. Whether both a salad cart and salad bar are provided, or if one or the other is provided, is something the Committee feels should be determined by the Manager charged with the dining room operation, after thorough study.
PROVIDE SALAD BAR	
OFFER A COMPLETE SANDWICH MENU AT ANY HOUR THE CLUB IS OPEN	Yes. The hours during which the sandwich menu is provided should also be determined by management.
EXTEND PRESENT HOURS OF SERVICE (NOW 5:45-8:30) 9:00 P.M. 9:30 P.M. 10:00 P.M.	A majority feels that the present hours of service should be extended. The extent to which they can be extended is an economic matter which must be determined by the Manager in charge of food service.
KEEP THE CLUB OPEN ON MONDAYS	No.
HAVE A SEPARATE BAR WAITER OR WAITRESS SERVE DRINKS	This, too, is a matter for the Manager in charge of food service to decide. The goal of this Manager should be, of course, to provide adequate service to the membership at all times.
Hau Terrace — Evenings	
HAVE ASSORTED PUPUS AT NO EXTRA CHARGE FOR THE COCKTAIL HOUR	Yes. This is a matter which should be watched very closely by the person charged with the management of the food service operations; however, with ingenuity it should be possible to accede to the wishes of the majority and still maintain economic control.
SERVE PUPUS AT ANY HOUR AT A NOMINAL CHARGE	Yes.
PROVIDE A SANDWICH MENU FOR BAR PATRONS FOR SERVICE AT ANY HOUR	Yes. The hours of service is another factor which must be determined by the person charged with managing the food service operation.
Hau Terrace — Lunch	
DURING RUSH HOURS HAVE SEPARATE BAR AND FOOD WAITERS	Yes. This is another indication that better service is required. Management must recognize periods when the waiter staff needs augmentation and provide such augmentation at that time.
HAVE A SPECIAL PRINTED MENU FOR FOOD SERVICES	Yes. A separate "Hau Terrace" menu should be provided and should be changed periodically. Pupus and drinks should be included.
Back Bar	
CHANGE HOURS OF SERVICE	No.
IMPROVE QUALITY OF FOOD	Yes. See CONCLUSIONS.
CHANGE GENERAL APPEARANCE OR LOCATION	Furniture and fixtures are considered satisfactory.
WILL YOU BE WILLING TO PAY HIGHER DUES AND CHARGES FOR SERVICE, FOOD, ETC., IF SUBSTANTIAL IMPROVEMENTS ARE MADE?	An overwhelming Yes. Obviously the dissatisfaction now apparent with the Club's food service is not due to high charges.

NOTICE!

COCKTAIL LOUNGE

bar hours for MONDAY ONLY

YOUR AD

REACHES 2300
members and their families
if it is in the
"FORECAST"

For the first time in months we saw Bob Crockett at the Club. He and Barbara were at the Annual meet and we are happy to report Bob is apparently in perfect health, though a mite slimmer. Glad you are well, Bob!

On Feb. 8, Mark Auerbach left the eligible young bachelor ranks when he married Sally Reynolds Sloggett at St. Catherine's Church on Kauai. Will you have time for VB, Mark? Congratulations!

Poor Duke, first, he fights for years for a new jail. Now the proposed City Charter calls for eliminating the office of Sheriff. There is, however, hope that the Commission may change its mind, if enough opposition develops.

On Jan. 29, (too late for Feb. Forecast) Carlos Rivas and Donna Reiner exchange wedding vows at Hilo. Carlos, who has been connected with Radio KIPA, has taken a position with HSPA and is now their commentator in Honolulu. Happy days, folks!

Now it can be told. Ward Hibe, Ass't. Collector of Customs, burned over \$75,000,000.00 in US currency Feb. 1971. Those who remember our special Feb. WAII currency after the attack of Dec. '41 realize why.

Mr. and Mrs. Paul Johnson, recently returned from a mainland visit, are enjoying the visit of Mr. and Mrs. Woods Woods III and their three children. Mr. and Mrs. Woods are Mrs. Johnson's son and daughter-in-law.

Congratulations to the Bank of Hawaii on realizing that John V. Ewing will make a mighty good vice-president, supervising installment financing and consumer lending.

Mrs. Arthur Spitzer, who will leave April for a trip to Virginia and other points, entertained a group of about 10 for cocktails on Feb. 8.

Dr. Charles Lake, Osteopathic physician, was credited with bringing a dead man back to life by our local newspaper. Chuck is sort of burnt up about it. He says they were all wet—and in the Mail Box section of Forecast you'll read a letter from him giving the proper version of what happened. Read it!

Counting votes for Directors election are clockwise: Mervin Eells, Thad Ekstrand, George Bustard, Joseph Stickney (chairman), Neal Ifversen, and the "Admiral" Alec Tulloch. These hard-working members enjoy a juicy steak dinner "on the Club."

Ernie Stenberg, your editor, is now one of the army of unemployed. After 18 years as sales manager of the Star-Bulletin Printing Division, is now able to devote his undivided time to his fox hole on the beach supervising the inactivities of the Horizontal Athletic Club.

OCC Director A. A. Carswell, v.p. of C&D, was installed as the prexy of General Contractors Association. Good choice of a good man by OCC and the GCA.

Dr. Edmund Madden just returned to the Islands after assisting in presentation of a clinic on Operative Dentistry at Northwestern University, Chi. Also attending a two day session of the American Academy of Restorative Dentistry at Chi and did a week of skiing at Squaw Valley.

HERE'S AN IDEA

PERSONAL CHECKS. Ever feel concerned about the possibility of figures being raised on checks you write? One banker offers this as a way of protecting yourself: Roll the flint sparking wheel of your cigarette lighter over the writing with just enough pressure to make indentations in the check paper.

Polo again this year—and it's for free. Every Saturday, the Polo clubs playing each Saturday at Kapiolani Polo field and you are invited. Lottsa room and no collection is made. Be seein' you there.

Water skiers attention! March 23, a water ski show will be held at Keehi Lagoon by the Hawaiian Island Water Ski Club. It will be an invitational open competition meet and all water skiers are invited to attend or/and compete.

Allan Ledford, Edsel dealer, has added Lincoln-Mercury and the German sports car Taunus to his line at the old Lincoln-Mercury location on Kalakaua Avenue.

The Milton Holsts with son Lance are planning an extended tour of Europe this summer, returning in September. Bon voyage and aloha!

Mr. and Mrs. Walter E. Flanders were recipients of a family group dinner and party, celebrating their 25th wedding anniversary at the home of Mrs. Kamokila Campbell at Ewa on Feb. 2. Hope you'll celebrate with gold and diamonds, Walter!

Leaving on Feb. 26 on a trip to Tennessee, Washington, D. C., St. Louis and other points were the Glen McTaggarts. Both pleasure and business will keep them busy until their return April 8.

In May, Rodney Francis Delpach will take as his bride Miss Mary Lou Schwamm, previously of Long Beach, Calif., now of Honolulu. Rod is Alan's brother.

On Feb. 20 the Gerald Fishers entertained at cocktails, honoring Sue Resoner and Charles M. Cooke III, who plan an April wedding. Mr. Cooke is the nephew of Mrs. Fisher.

Walter H. Dillingham, son of Harold and nephew of Walter H., Sr., on Feb. 14 took marriage vows with Elizabeth K. Carr at Santa Monica, Calif. They are at home in Honolulu. Happy and long life to both!

Mrs. Charles E. Morris left on Feb. 17 for a visit to her son and daughter-in-law, Mr. and Mrs. Frank Chambers, and sons, Scott and David Adams at San Diego.

Dr. and Mrs. Robert C. Sample left on Feb. 14 to attend a meet of the Pacific Coast Orthodontists after which they visited Palms Springs, then on to another meet of Alumni of KCU. A new car and a jaunt to Oklahoma City, Las Vegas, Carmel, S.F. and then home March 22.

On March 13, Mr. and Mrs. Leroy Bush are off to Europe. Portugal, Spain, France, Austria, England, then New York and a new car and a trip across the USA and home in June.

Enroute home from skiing at Sun Valley, the Robert Andersons spent Feb. 14-17, at Pebble Beach with aunt and uncle Col. Paul S. Winslow.

More Surf, Sun 'n Sand . . .

When the announcement was made of the resignation from the Board of Directors of Les Hicks, a lei was presented, Hawaiian style by pretty Lynne Heilbron. In order to get a good picture for posterity the scene was taken three times—each with a sweet smack by Lynne. Les seemed to not mind at all.

✧ ✧ ✧

The engagement of Miss Sally Ann Sheik to William O'Brien Hinckley has been announced by her mother. The ceremony will take place shortly after Sally's graduation from U. of SC in June, at Los Angeles.

✧ ✧ ✧

Miss Maureen McDiarmid became Mrs. Lawrence Jerome Whipple on Feb. 23 at Sacred Heart Church. Congratulations to the bride and groom.

✧ ✧ ✧

The M. B. "Kelly" Henshaws have returned from the mainland, Jan. 22, where they visited their children in Beverly Hills and Palo Alto. "Kelly" is back in his foxhole at the beach again enjoying Waikiki weather.

✧ ✧ ✧

To the Herbert C. Cornuelle's a baby daughter on Feb. 25. Name Ann Elizabeth, weight 8 pounds, nine ounces. That makes it three boys and one girl.

✧ ✧ ✧

Consul for the Netherlands and Mrs. Arthur Spitzer entertained on Feb. 25 at a reception and buffet supper, honoring the Ambassador of the Netherlands, Mr. Jan Herman von Rogjen and his wife.

✧ ✧ ✧

Charles Davis, the boy with the golden voice, was given an audition at the Metropolitan Opera over the air. Chuck has made a great name in the music world since he left Honolulu, ten years ago.

✧ ✧ ✧

Mr. and Mrs. William J. Lambert have announced the engagement of their daughter Nancy Jean to Francis Crawford, Jr., Lt., USN. The ceremony will take place March 29 at 5:30 p.m. at Central Union Church.
