1951 ANNUAL MEETING

The Annual meeting of the Club was held at 5:00 p.m. the afternoon of February 23, 1951. Meeting was called to order by President Wilford Godbold who then read his Annual Report.

Following this report other officers made their reports for the year. All of these reports are printed in this issue of the *Forecast*.

Mr. Leslie Hicks explained the necessity of increasing the Building Fund from \$150,000.00 to \$250,000.00 and following his statement a motion was duly made, seconded and unanimously carried to that effect.

The reports of the various officers showed great gains in the Club financially, as to membership and in activities. These reports also reflect fine management and direction by the Directors and Officers. Members present in a vote of thanks acknowledged the excellent work of the management for the year.

On the report of election of Directors all incumbents were re-elected and one

new member was elected. He is H. B. Danford of whom we hope to have a short biographical sketch in the April issue.

Following the meeting the members present partook of Anzai's famous punch and canapes. The meeting was very satisfactory to all attending, the only suggestion as to improvement of the Club being that more parties be given during the following year.

In this issue, page 2, are given the names of the new officers and committee appointments for the year 1951-52.

REPORT OF PRESIDENT FOR 1950

It is again my pleasure to report, in behalf of your Board of Directors, on a year of progress for our Club.

The Club membership has increased on an overall basis from 1,807 at the end of the year 1949 to 1,877 on December 31, 1950. The largest increase has been in the category of Senior members. The number of Senior members has increased from 752 in 1949 to 827 in 1950. A total increase of 75 Senior members. Junior membership has dropped from 237 to 180. A total decrease in Junior memberships of 57. The other categories of membership have, by and large, shown slight increases.

The net worth of the Club as of December 31, 1950 was \$338,897.78 compared to \$301,544.44 for the same date in 1949 or an increase in the amount of \$37,353.34. Incidentally, only \$10,000.00 remains to be paid on our note to the bank for the loan in connection with the new improvements to the Club. Our Treasurer, "Yabo" Taylor, will present a more comprehensive financial report.

(Treasurer's Report shows \$15,000.00. \$5,000.00 was paid to bank after report was made.)

The Building Fund with securities carried at cost has snow-balled to \$153,404.35 during the period covered by this report. The balance for the previous year was

\$142,373.08. Les Hicks will report to you on the various investments held in the Building Fund portfolio and on the necessity for a raised ceiling on this fund.

The recent large scale renovations to the Club have, after a year of operation, proved themselves to be more than worth the expenditures involved. A year of gracious dining in the dignity of our new dining-room has no doubt caused a number of us to forget the noise and clatter and harsh glaring lighting of the old. Our cocktail lounge has been described by many as the most attractive they have ever seen. It is indicated that the operations of the Club would have run into the red for the year 1950 except for these improvements. These new facilities have in addition to providing added comfort and pleasure to the membership and greatly needed additional revenue have

REPORT OF PRESIDENT (continued)

also been the incentive which has caused such a substantial increase in the Senior membership.

The activities of the Club throughout the past year have been multiple and varied, running the gauntlet in the athletic field from "clowning" volleyball games through challenge matches for steak dinners to highly trained and competently coached crews and teams representing the Club in inter-club competition and in the scope of social affairs from impromptu gatherings and parties to formal dinner-dances. Some of the highlights for the year included birthday dinners for the "Duke" and "Dad" Center at which crowds of friends paid their respects and had rooting-tooting good times. Buster Crabbe, former Olympic Champion and life member of the Club was welcomed back by the old-timers. Arthur Godfrey was entertained and took Club members Duke, Splash Lyons and Chick Daniels back to New York for a series of TV shows. The dances given by

the Club were happy experiences and in my opinion the activities planned for the membership in the entertainment field should be increased in number and in variety.

A number of distinguished Clubs have been added to the list of organizations with which our Club has reciprocal arrangements. It is indeed a pleasure when away from home to find a welcome-mat out and the name "Outrigger Canoe Club" known and respected.

The members who have contributed so much of their time and effort on the various Club committees are so numerous that I will not even attempt to single them out individually but extend to all of them, together with the members of the Board of Directors, Ted Magill and the Club employees my sincere appreciation.

Respectfully yours,

WILFORD D. GODBOLD
President

REPORT OF ELECTION COMMITTEE

To the President and Board of Directors, Outrigger Canoe Club
Honolulu, T. H.

Gentlemen:

Your Judges of Election Committee submits herewith its report on the results of the ballot for five Directors to the Board.

The names of eleven candidates, duly nominated, appeared on the ballot, and those elected were:

Samuel Fuller (incumbent)
William Mullahey (incumbent)
Vincent Danford

Robert Fischer (incumbent)
William Capp (incumbent)

The complete results of the ballot, which closed at 6:00 P.M. on February 22nd, is attached.

There were 496 ballots cast, eight of which were rejected, either because of improper marking or members not in good standing, leaving 488 valid ballots counted, compared with 516 in 1950 and 462 in 1949.

Respectfully yours,

J. B. STICKNEY, *Chairman*
GEORGE EMMERT, A. R. TULLOCH, GEORGE BATES,

Along the Sports Trail

With SAM FULLER

The Saturday morning practice sessions of the Oahu polo team at Kapiolani Park are attracting many of our members. The flashing hoofs—clicking mallets—expert horsemanship and Kingy Kimball's shrill whistle all make them worth watching. While Coach Arthur Perkins tries to keep a tight rein on the boys during these workouts, they sometimes go at it like they were playing a real game. Among our members working out with the team we noticed Clark Reynolds, Jimmy Glover and Freddie Rice.

And speaking of polo, Cline Mann tells me that Freddie Rice has acquired a pony named "P-40", so intelligent that if she were attending Punahou she would be a "Straight A" student. How about that, Freddie?

While on this subject, have you ever read Kipling's "The Maltese Cat"? Probably the finest story of a polo pony and the game itself that has ever been written. Worthwhile reading.

TREASURER'S REPORT

The Annual Report of our Auditors, Young, Lamberton and Pearson, which I present covers the fiscal period ended June 30, 1950. On their recommendation and principally for tax purposes we continue to keep our accounts on a fiscal year basis.

This report is quite voluminous and I will not attempt to read it here but copies are on file and available for inspection at the office of the Manager or at my office in the Bishop National Bank.

As considerable time has passed since this report was made I have prepared and submit for your information a comparative Balance Sheet as at January 31, 1951 and the same date in the previous year.

It is obvious from a perusal of these figures that the Club is in excellent financial condition and continues to forge ahead.

Our resources are stated conservatively. Fixed Assets are being written off over the period of our lease and adequate reserves have been set up for other contingencies. Securities held in the Building Fund are carried at cost although the present market value is considerably higher.

With conditions as they are at present it is difficult to look ahead with any degree of certainty but, barring unforeseen circumstances, I am confident the Club will continue to grow and prosper.

Respectfully submitted,

HERBERT M. TAYLOR, *Treasurer*

HOUSE AND GROUNDS

During the year 1950-51 no major improvements were made as it was felt that the extraordinary re-building accomplished in 1949 had cost about \$65,000.00 and until that debt was lowered we should go slowly.

The Committee called attention to your Directors of some needed improvements, several major and some minor, and were directed to make the minor ones within certain costs.

Some of these were new shower heads in men's and women's showers, improvement in the cocktail lounge bar, new outdoor shower at entrance to men's locker room, painting throughout locker rooms, repairs on ceilings, installing new urinals, raising the Ewa fence higher to protect Uluniu Club from volleyball, lights on the Terrace steps, parking attendant's shelter, and several other minor improvements.

The major improvements are: solving the problem of more room and facilities in women's locker rooms, repairs to the roof of this wing and storage space and carpenter shop erection. These problems all tie in together and estimates are now being made to solve these problems in one of several ways. We hope that soon the Committee may be able to report and make suggestions to the Directors so that these problems can be solved. The proposed plans will give the Senior women more space, more privacy and other improved facilities.

REPORT OF VOLLEYBALL COMMITTEE

Volleyball remained popular during 1950 both as a participation sport and as a spectator sport.

Daily and weekend doubles games, played from the winners' boards and spontaneous "big" games, still all without doubt, the most popular form of the game among most of the Club's players. Games of the type should continue to receive all possible encouragement in view of the great service they perform to a large number of our members.

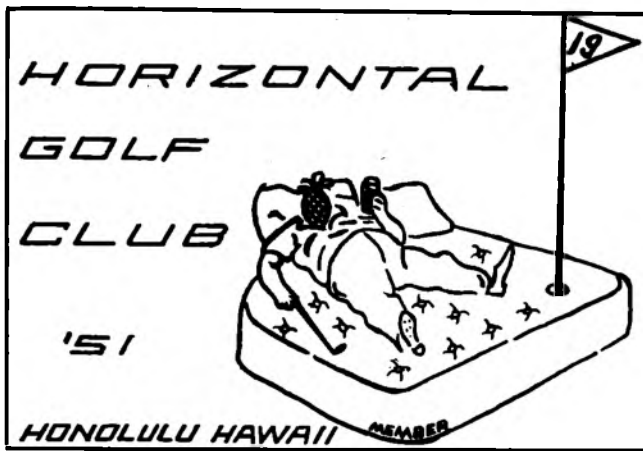

Our regular series of tournaments was held during the year. These tournaments are designed to include all types of players. The Kane-Wahine Doubles Tournament gave the girls a chance to enter tournament play; the Junior and Associate Doubles Tournament gave the students home from school something to do at the Club during the summer months and furnished an incentive for them to improve their games; the Business Men's 4-man Tournament drew a large number of entries and almost all games were played before a large and appreciative audience. The fact that these games are played during summer evenings add a great deal to their enjoyment.

The usual interest was aroused by the Open Tournament, one of the tournaments played under AAU rules each year. Another tournament of this type, the Open Six-man Tournament also drew a large number of entries and is now being played on Sunday mornings. Your Committee feels that it is very desirable to use AAU playing rules for each year in order to improve the playing habits of the Club's volleyball players. It is also considered desirable to relax the rules somewhat during such tournaments as the 4-man Business Men's Tournament and to stress *fun*, rather than *skill* during such tournaments.

Your Volleyball Committee would like to express its great appreciation for the cooperation it received during 1950 from the general Club membership, the Board of Directors and the Club Staff. Without such cooperation a successful volleyball year would not have been possible.

Sincerely,

VOLLEYBALL COMMITTEE
E. H. Thomas, *Chairman*

Membership Card

The present officers and committee men are: Jim Muirhead, president; Jim Beardmore, vice president; Bill Beers, secretary; Dick Denison, treasurer; Jack Ackerman, handicap committee (handicaps range from 1 to 24); Ed Sultan and Don Lord, entertainment; Ramsay Sandelin, greens keeper. Dues are \$1.00 payable quarterly in advance.

HORIZONTAL GOLF CLUB

The world-famous Horizontal Athletic Club now has a hardy though youthful competitor. It is known as the Horizontal Golf Club, but it is different than the HAC as its members are more vertical than horizontal.

Five of the younger set of the Outrigger Canoe Club conceived the idea of a golf group and proceeded to organize in June, 1949. As membership in golf clubs was considered too high this group formed, to play on various courses as a team or teams, changing courses each month. The original members were Jack Ackerman, Jim Beardmore, Bill Beers, Bill Bennett, Jack Cross, James Dwight, Bill Harton, Dick Muirhead, Jim Muirhead, Ed Sultan, George Tibbetts, Gordon Tilley, Alec Williams, Herbert Wilson, Robert Bennett, Spud Pearce, Barry Pritchard, Russell Greer, Don Lord, Ramsay Sandelin, Sam J. C. Todd, and Tom Abel. The membership has grown to about sixty of whom about fifty are active as the others are either in colleges on the mainland or in the Armed Services.

The club plays monthly tournaments such as Aces and Christmas and Thanksgiving Turkey Tournaments. Meetings are held annually in August to elect officers, amend by-laws and conduct other business. The club will apply for membership in the Hawaiian Golf Association in order to be eligible for other activities. Quarterly parties are held for members and guests.

HORIZONTAL ATHLETIC CLUB

This club is well known but a few words may be timely to bring its history to date. It was organized by a group of elder members who believe that there are too many clubs. So they started another.

It is unique in many ways. Horizontal athletes are not athletes. There are no by-laws, constitution or rules. There are no dues. There are no elections. The organizer, Ernie Stenberg, appointed himself Chief Prostrate and appointed a Treasurer. Officers remain in office as long as they wish and name their successors. The Chief Prostrate makes all rules and as there are no dues he may fine any member for breaking any rules he makes. Funds so collected are used only for entertainment.

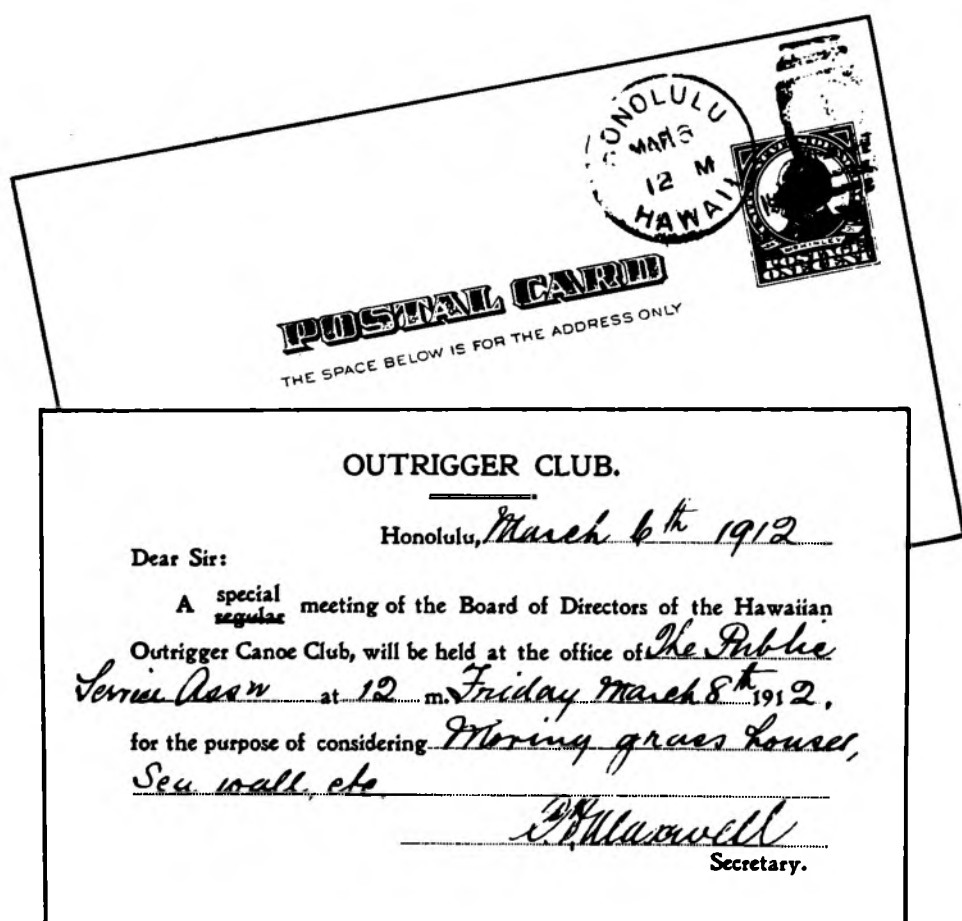

There are no objectives except to rest. Members while on the beach must be horizontal, prone or prostrate. They must not arise for anything except to leave the beach. Meetings, when held, are at the call of the Chief Prostrate and nothing of a serious nature is discussed. Membership is by selection only, not application; and such selectees must have qualified by a long series of observation by the membership. Initiation fee is the entertainment of active members with as many Planters Punches as they wish to imbibe. The activities of members are contemplative or speculative only.

Chief Prostrates have been Ernie Stenberg, Herman Rohrig, Col. George Unmacht, K. C. Leebrick, and Howry Warner.

FROM GRASS SHACK TO PRESENT CLUB →

The illustration below is a facsimile of a notice sent out to Outrigger Canoe Club members in March, 1912. We felt it was of historic value to all of our members and might bring back nostalgic memories to some of the "old boys" who remember the job of moving that little grass shack, the original clubhouse. The postal card was loaned us by our good friend, Tom Nordman, of American Factors who bought it for his stamp collection.

Just for the records we are printing a photograph of the beach at Waikiki of February, 1951 showing the transition from the grass shack to the present Outrigger Canoe Club. The picture shows the Club, many of our canoes and in the background looms the great Royal Hawaiian Hotel.

MULTNOMAH ATHLETIC CLUB

February 13, 1951

Dear Mr. Godbold:

On behalf of the members and the Trustees of the Multnomah Athletic Club, I want to express sincere appreciation, tardy though it may be, for your telegram of January 27 extending congratulations on our 60th anniversary.

It was most thoughtful of you to send us this telegram, which arrived on the eve of our President's Ball—one of the finest parties we have ever had in our Club.

This is being written on the last day of the current administration. Our annual meeting takes place tonight and I will retire as president.

For the three years I have been a Trustee of the Multnomah Athletic Club, it has been my privilege to receive each month a copy of the "Forecast." I have always read it with interest and long before this had planned to write and tell you how much I enjoyed the publication.

It has not been my privilege as yet to visit Honolulu but many of our members, of course, have done so, and always they have spoken very highly of your organization. Currently our past manager, Mr. Jimmy Richardson, is in your midst. It is my hope that it will not be too long before I also can pay a visit to Waikiki.

Again, thanks.

Most sincerely,
E. D. Smith, Jr.
President

We are glad you like the Forecast and also hope you visit us soon.—EDITOR.

Dear Mr. Magill:

This is to introduce Laurie McGinty, an old friend of mine and a colleague in my business. He is on his way round the world on my behalf and has a day to kill in Honolulu. I wonder if I would be out of court in asking for his admission just for the day to the Club? I do hope you will forgive me if I am presuming, as I am not very clear what the arrangements are. But the Duke and Mr. Mullahey both gave me such a very nice time when I was there and I have been so very kindly treated by you since that I venture to make the request.

I much appreciate the copies of the "Forecast" which I receive regularly and which really is a splendid job, isn't it? Everyone speaks with much admiration of it.

Did you see the book of Sydney which I sent to the Club via Mr. Mullahey? I thought you might be interested to see what we have here if you haven't been down here.

I have a team of people practicing volleyball here madly, in the hope of giving your people a game when they arrive. Are they still coming? I'm afraid I've been very out of touch in recent months.

Very best wishes and thanks again for sending me the "Forecast."

Sincerely yours,
T. S. Skillman.

Thanks for the puff about the Forecast and believe me we do have many VOLLEYBALL players who think they can beat any team. They'd like to take your players on.

Dear Ted and Dad:

I certainly enjoy receiving the Outrigger Canoe Club magazines, and following the activities of many of my friends in the Islands.

The arrival of the magazine on my desk today reminds me that a very close friend of mine, Howard Meighan, Vice President of Columbia Broadcasting System, and his wife, are sailing today on the Lurline for Honolulu. They will be staying at the Royal Hawaiian, adjoining your wonderful club.

If it is possible for you to place a guest card at his disposal, and anything else you do for him, will be greatly appreciated by yours truly.

Looking forward to seeing you all some time this year, and with kindest personal regards to my friends in the Islands, I remain,

Sincerely,
BØ Chr. Roos, Sr.

The Guest cards are waiting. Hope they will enjoy our Club and thanks for the nice plug for the Forecast. We like to get it out too.—EDITOR.

Dear Mr. Stenberg:

I meant long ago to write and thank you and the Board of Directors of the OCC for mailing your fine little magazine which keeps reminding me of the truly unforgettable happy time I spent on the premises of your fine club and of the numerous courtesies extended to me by the manager, by Eva and the other employees. I do hope to return there some day and in the meanwhile you could not wish a more enthusiastic "booster" of all things Hawaiian and especially of the OCC among the colleagues and thousands of students of Columbia University. I published several little pieces about the charms and blessings of Hawaii for circulation among friends. If it were not for the grave crisis, the formation of a society of friends of Hawaii on our campus would have been already a reality. As things are it is probably better to postpone the organization of such an enterprise. But I am planning to get in touch

with Arthur Godfrey and seek his advice in the
matter. Please remember me kindly to Duke, Dad
Center, Sergeant, Mr. Godbold, Mr. Mullahey
and other leaders and members who happen to
recall my frequent visits at the club. I will be
glad to send you a separate piece on my Hawaii
impressions for publication if you care . . . May
I ask you to have Forecast mailed NOT airmail
because your 6 cents postage seems to be in-
sufficient and I have to pay 6 cents every time
I get the little magazine.

Yours sincerely,
Prof. B. M. Stanfield

Professor Stanfield—Mahalo nui loa for your
nice letter. Please do send your Hawaiian Im-
pressions—maybe the Forecast can use them.
That "Friends of Hawaii Society" sounds good.
Why let the crisis deter you? We made many
friends here during the last one.

Outrigger Canoe Club
Honolulu, Hawaii

Dear Ted:

You will no doubt be interested to know that
the Old Pueblo Club of Tucson, Arizona, af-
filiated with the Outrigger Canoe Club, is most
enthusiastic about Hawaii.

During my recent visit there I learned that
they receive copies of the "Forecast" and use
many suggestions found in the book. They espe-
cially enjoyed the December 1950 issue.

Each year they give a large Hawaiian party
using all the appropriate decorations and serving
authentic food. A travel agent in Tucson in-
formed me that he sells more tickets to Hawaii
than to any other place. Most of these large
delegations from Tucson are members of the Old
Pueblo Club, who have read of the activities of
the Outrigger Canoe Club, and are anxious to
participate here as guests.

I thought you would be interested to know
the interest on the Mainland in the Outrigger
Canoe Club.

Sincerely,
Geo. B. Pottorff

George (Keoki): Everyone here in Hawaii
who knows you is going to miss your smiling
face and cheerfulness. Good luck to you. We
welcome all guests from the Old Pueblo Club
and hope some day to visit them.—EDITOR.

Dear Mr. Magill:

I certainly had a wonderful time in Honolulu
and hope very much that results will follow
from our region in stimulating passenger travel
out there. Your personal attentions were greatly
appreciated and hope to see you again in the not
too distant future.

Sincerely yours,
W. P. Flower

Please come again. We enjoyed you too.—TED.

Last month we noted that O.C.C. member, Richard Cleveland, had closely approached the world's record in the 100 yard freestyle swim. Now comes word from Columbus that Dick has set a new world's record of 49.6 seconds for this event. Mike Peppe, his coach at Ohio State, feels that before he is through, he will set marks they will be shooting at for years to come. Congratulations, Dick!
