**INITIATION FEE REDUCED
TEMPORARILY TO
FORMER MEMBERS**

The Board of Directors earlier this year made a special reduction of the initiation fee to former members of \$100.00 plus tax. Many old timers took advantage of this offer, which closed as of June 30, 1948. However, the Admissions Committee have had many requests from former members who were not advised of this special rate, and several applications are on file.

The Board, after careful consideration, has again opened the Club to applications from former members who may, if they were in good standing at the time of their resignation from the Club, apply for Senior membership on the regular application form accompanied by a check of \$120.00 for initiation fee and tax. Such applications **MUST** be presented before December 31st, 1948, after which date this offer will be withdrawn.

If you know any old timers eligible to this offer, let them know of it.

**TO INFORM YOU ON INITIATION
FEES AND DUES**

Constant questions are asked the management, directors and members. "What is the Initiation Fee?" "What are the dues?" Below is a complete list showing initiation fees and dues of all classes of membership. Keep this copy of the Forecast handy for the future.

MEMBERSHIP TRANSFER RULINGS CLARIFIED

The Admissions Committee feeling that there were several inequities and some confusing rulings on transfer of members from one class to another and other rules on Admissions made a number of recommendations for changes. After careful study, the Board of Directors have passed the following rules.

1. Junior, Associate and Service members who have been continuously members for two or more years, may, upon becoming eligible, be advanced to their next appropriate classification without the payment of an additional initiation fee.

2. Associate memberships be now limited to students only, over eighteen and under twenty-one years of age, and to the spouse of Regular, Term or Life members. The provision regarding amount of income be abolished.

3. All Non-Resident and Island members who have been continuously members for two or more years may become Regular members upon payment of a transfer fee of \$100.00 plus tax.

4. All applications for Non-Resident memberships be interviewed and processed by the General Manager subject to final approval of the Committee on Admissions and the Board of Directors and cards issued to them shall plainly so indicate.

5. Junior memberships be increased to 300 and applications considered whether or not the parents are members of the Club.

6. Junior members be not allowed the privilege of having Guests on Saturdays, Sundays, Holidays and during the summer months except, when in the judgment of the General Manager, exceptions are warranted.

WHY NOT BREAK INTO PRINT?

It is said that everyone has at least one story untold and unwritten. There are many members, both young and old, male or female, who must have a story that is worth telling regarding the old or recent times of the Club. If you have a story why not either write it and send into the editor or give him a summary of your tale and it will be re-written and printed, if of general interest to our members. The Club has had many interesting persons as visitors and as members and many happenings either humorous, historical or hysterical. Many members have expressed their interest in previous issues dealing with things of the past and have asked for more.

ALOHA WEEK TO BE BE OBSERVED

O.C.C. WILL PARTICIPATE

The Outrigger Canoe Club has again been asked to cooperate with the Aloha Week Committee in carrying out the aquatic phases of the Hawaiian Pageantry to be presented during Aloha Week. Our participation will consist of furnishing canoes to transport the King and his Court from the beach of Waikiki to the beach at Ala Moana Park as the opening phase of Aloha Week.

Upon arrival of the King and his Court at Ala Moana Park, the ancient Hawaiian Pageantry will commence and continue for a week's period climaxed by an Hawaiian Aquatic exhibition consisting of canoe, surf-board and barge racing plus other aquatic events being worked on by the committee at this time.

Mr. Harold Yap, as Canoe Chairman, has been designated as official representative of the Outrigger Canoe Club for this program, and he and Bob Fischer (Athletic Coordinating Committee Chairman for O.C.C.) have been appointed co-chairmen of the Aloha Week Aquatic Committee with Bob acting as liaison officer. Both of them will appreciate any suggestions you may have to offer concerning that phase of the Aloha Week Program for which they are responsible.

GAY HARRIS OPERATES TOURS

Many members have asked, "Where is Gay Harris?" The answer is, "Gay is right here and is a frequent visitor at the club." On his resignation as manager of the Club, Gay assumed the management of Hawaii-Aloha Tours, Ltd., with offices at 434 Damon Building and has been busily engaged there in building a nice personalized tour and service business.

Probably no one is better fitted to take care of the visiting tourist as Gay is thoroughly acquainted with all of the Islands and their Lure and Lore. The service is unique as Gay arranges for many personal services as surfing, canoeing, photography, swimming, luaus, fishing, golfing or any other sport or entertainment. It also embraces personally conducted tours on all islands by air, steamer or chartered yacht. Details as to meals, accommodations, tickets and entertainment are cared for, so that the tourist is free to see and do anything.

In addition to all of the above, Gay also arranges itineraries for Mainland or Foreign trips, furnishes tickets and arranges all details. He also offers transportation to and from the wharf or airport. As all of his services are personalized he has met much success and his friends are legion. Good luck and aloha to you, Gay, and to your Hawaii-Aloha Tours.

BEACH PARTY AND STEAK BAKE BIG SUCCESS!

(Members Ask For More)

We mean they ask for more such parties, not more food. Everyone present had as much delicious food as they wanted—and drinks too. That the party was loads of fun is testified to by the many requests to the management "for another one."

The party held on Friday night, October 15th, was attended by several hundred members and guests. Steaks broiled over a charcoal fire by our Club Chef and assistants were served by the members whose pictures appear on the cover of the Forecast. Beside the steaks there were many other good things and all were satisfied.

Following the beach dinner, entertainment and dancing was enjoyed on the Sun Deck until a late hour. Due to the overcast moon no canoe rides were held as it was not considered safe.

Watch the Bulletin Board and the Forecast for next party.

LUNCHEON AT THE CLUB

Many of our members do not realize, or forget the delightful experience of luncheon at the Club. Restful surroundings, a lovely view and excellent cuisine all combine to make your luncheon a real treat.

If you have time to lounge and have a cocktail before or after lunch, if you'd like a swim or a shower first or if you must just eat and dash off again, try it. No parking worries, no delay in the dining room, good service, fine food and you are ready for an afternoon's work.

Many of the women members have found Club luncheons the way to entertain. The management is prepared to furnish place cards, flowers, special dishes and any other requirements for either small or large parties. Call Ted Magill for arrangements.

("Plan for Thanksgiving Dinner at the Club.")

GOOD NEWS FOR JUNIORS

As more locker room accommodations have been added, the Board of Directors have opened up the Junior membership to a total of 300. Further, the ruling allowing only Juniors who are the children of members to apply for admission has been lifted and the Club is open to any Junior who qualifies under that classification. This will be good news to many youngsters who could not join the Club previously due to limited facilities. Applications must be made to the Admissions Committee on regular application blank, properly signed with sponsors and recommendations and accompanied by the initiation fee. Blanks and further information may be had by interviewing the Club manager.

("Plan for Thanksgiving Dinner at the Club.")

DON'T THROW BALLS

There is a rule of the Club that the throwing of baseballs, footballs, basketballs, volleyballs or other objects is not permitted on the Club grounds, except that volleyball and badminton is permitted upon the courts set aside for these games. Members and guests are asked to observe this rule, the breaking of which may lead to injury to members and severe penalty to those guilty.

HICKS AND SINGLEHURST HONORED AT DINNER PARTY

In recognition of their long service to the O.C.C., a Dinner Party was held in honor of Leslie Hicks and Thomas G. Singlehurst on Thursday evening September the 30th.

Canapes and punch were served to the guests from 6:30 to 7:30 p.m. followed by a sumptuous and perfectly served dinner.

Those present were:

Mr. and Mrs. Leslie Hicks
Mr. and Mrs. Thomas G. Singlehurst
Mr. and Mrs. Wilford Godbold
Mr. and Mrs. Neal Iversen
Mr. and Mrs. Duke Kabanamoku
Mr. and Mrs. Samuel Fuller
Dr. and Mrs. K. C. Leebrick
Mr. and Mrs. Herbert M. Taylor
Mr. and Mrs. William Mullahey
Mr. and Mrs. Ernest Stenberg
Mr. and Mrs. Ted Magill

Following the dinner short talks were made by K. C. Leebrick, William Mullahey and Wilford Godbold, president of the O.C.C., who presented a set of binoculars to Mr. Hicks and a silver serving tray to Mr. Singlehurst, both properly engraved. Godbold stressed the inestimable time and services these members have given to the Club. He stated that much of the present success of the Club is due to the thought and work they have given so freely. He further stated that the presents were not given for their intrinsic value, but as a token of appreciation to them and their work and for the aloha all the members have for them both.

SIR FRANK LIKES FORECAST

18th October, 1948

Mr. Ted Magill,
Outrigger Canoe Club,
Honolulu, Hawaii.
Dear Ted:

I have received two copies of the Outrigger Canoe Club's monthly journal called "Forecast," and I want to thank you very much for putting me on the mailing list. You will know I have been in and out of Honolulu for very many years now, and it is good to read about one of the greatest clubs I think in existence.

I have loved very much the article in the September issue about Bill Smith. Of course I was one of the first to congratulate Bill on the 400 metre Olympic Championship as I was present at the race and believe me I was very much afraid Bill's judgment had gone as he went right out and swam fast from the crack of the gun. However, apparently Bill knew his stuff and just lasted out enough to win what I would say was the greatest swim of his career, for actually Bill had passed his peak as a swimmer.

I do hope we can have Bill and a small team down here next year. I shall do whatever I can, if he is available and does come, to make him comfortable.

Kind regards to all my friends.

Yours sincerely,

Frank Beaufaire

Thanks, Frank, or should we say, "Sir Frank." We enjoyed meeting you here on your last of many visits. "Dad" Center and all of us send you our "Aloha nui loa."

George Bustard, now visiting in Seattle, writes a long letter daring us to lie on the shores of Lake Washington where the water is 45% cold. George, we have spent many days on the shores of other waters up there a darn sight colder than that—but we'll take Waikiki. Aloha to you.

(*"Plan for Thanksgiving Dinner at the Club."*)

NOTICE ON "PARKING"

If you are a member of the Club who has at times not been able to park in the Club parking lot, remember that this service is supported by a monthly fee by a number of members. On Saturdays, Sundays and holidays it is virtually impossible to accommodate any other parkers there except the regular fee paying members.

Please do not argue with the attendants who are only carrying out their instructions. Both men are accommodating and polite attendants who would like to take care of all members but cannot because of the limited space.
