CLUB OPERATIONS SHOW PROFIT

The following Statement of Income and Expense for five months, March through July shows a totally different picture than that presented at the last Annual meeting. It reflects excellent management, the elimination of certain expenses, careful buying and an increase in patronage. All of this has been done with no apparent decrease in services or quality to our members.

Members will also appreciate the fact that tipping to Club employees has been eliminated during this period and that the services in the bar, dining room and cocktail, if anything, seems to have improved. The Directors and the Manager are to be congratulated for their fine judgment in meeting the serious problems that confronted the Club. In spite of the excellent showing below, members are urged to remember that only eternal vigilance by management and continued support by all the members will make possible future statements in line with the following.

WHERE'S DAVID

Many beach addicts accustomed to seeing the smiling face of David Kahanamoku around the Club and on the beach have noted his absence and asked, "Where's David?" The answer is that David has been suffering with a very serious sinus condition and more than a month

ago was advised to go to Kula on Maui. is there now and doing very well according to Vic Khan who visited him recently. He misses the Club, the beach and his many friends & if any member intends to be in Maui in next month, go up to Kula and see David. He will be delighted and we will enjoy a rep on his health.

ALOHA TO TOMMY

*"Well done thou good
and faithful servant."*

It seems that every organization has several faithful, hard working members to whom nothing is too hard or too much to do. The Outrigger Canoe Club is not unique in this respect as it has such a member in Thomas G. Singlehurst who has been an active member of the Club practically since its founding.

"Tommy" as he is familiarly known to his host of friends is a Honolulu boy, born here on November 14, 1899. His school career was in Punahou where he started as a grade student, matriculating finally in the Senior Academy. There he took part in track activities and football as well as other sports.

Tommy is married and has two daughters. He is a member of the Pacific Club, Honolulu Chamber of Commerce, Kailua Racquet Club, the Keys and Whistle and several other organizations to each of which he has contributed his share of work and energy.

When asked, "When did you join the Club?" he replied, "Seems, I have always belonged but it must have been around 1908." As there seem to be no accurate records we can assume he was practically a charter member. "Tommy" the boy, took part in all of the activities of the beach; swimming, surfing, canoeing, sailing and when the Club organized a track team he was one of a relay team with "Jinky" Crozier, "Buzz" Smith and Dermott Stanley who made history by winning under the O.C.C. colors. Again, when football was organized he played end on the O.C.C. team. Then, and in later years he participated in intra-club and inter-club volleyball, giving this up only when World War II took him into home defense activities.

He volunteered at the time of World War I, enlisting in the Regular Army of the U.S.A. and in World War II, too old to fight, was a commissioned officer in the Honolulu Police Reserve, serving all during the trying war years.

In 1930 Tom was elected to the O.C.C. Board of Directors and acting as treasurer from 1930, and in 1939 as secretary-treasurer until July, 1948 when the Board regretfully accepted his

resignation. No one can evaluate the services he has rendered. His occupation being that of vice president and treasurer of the Bishop Trust Company, and a director of Waiialua Agricultural Co., Ewa Plantation, San Carlos Milling Co. and the Honolulu Rapid Transit Co. His knowledge, advice and ability to analyze finances as well as his strict honesty of purpose and unswerving determination to do the right thing for the Club have given the Club a "good and faithful servant."

The O.C.C. has not always been the progressive, successful Club it is today with a bank balance and a reserve. Many dark and dreary years have passed when taxes were due, rent not available, overdrafts in the bank, members in arrears and the future seemingly hopeless. All during these gray days it was Tommy who wanted to know "where is the money coming from?" He watched the treasury like a hawk and at one period he and his wife kept the books for three years in order to save the Club that expense. These are but a few of his services. Always on hand at meetings, always up-to-date in his records, always ready with sound advice and counsel—how can we thank him?

We can only try—we say again, "Well done thou good and faithful servant." Your reward must be in the satisfaction of a job well done; in the respect and friendship of the many associates you have had these past forty years. We say, to you, Tommy, "Mahalo nui loa." We hope, now that your arduous duties have been lifted in respect to the Club that you will find time to enjoy the sun and the sand and the water and your many, many Club friends.

OLYMPIC CHAMPION—
Hawaii's Bill Smith won the 400-meter freestyle championship of the Olympic Games when he defeated Jim McLane, in the time of 4:41.

Fitting Climax to A Great Career

By JOE ANZIVINO
Sports Editor, The Star-Bulletin

One of the greatest success tales that will come out of the 1948 Olympic Games embodies the story of our Bill Smith, Jr. and his brilliant rise which led to his winning the 400 meter freestyle swim event in record time in the London meet.

Swarthy, burly William—who pared down to 205 pounds for the international competition—outswam favorites Jimmy McLane, of Akron, Ohio, and Alex Jany, French ace, Wednesday in London's Empire pool.

His time was 4 minutes 41 seconds, eclipsing the mark of 4 minutes 44.5 seconds set by Jack Medina of Seattle in the last Olympic Games 12 years ago in Berlin, Germany.

Though a surprise, Smith's smashing triumph was received at home with great rejoicing. It was a conquest all Hawaii was hoping for but didn't think we were going to get.

Smith had been having rough going since his return to Ohio State following a hitch in the navy during the late war.

DEFEATED SMITH THRICE

The younger McLane, rapidly gaining stardom, defeated Smitty in both the 1946 and 1947 National AAU outdoor championship meet in the 400 meter specialty.

Again in the Detroit Tryouts, Bill finished behind the Akron star.

It was a generally accepted fact that Bill Smith, Jr. had passed his peak as a swimmer. At one time or another, he held all the world swim records in the freestyle swims from the 200 to the 800 meter distances.

His record time in the Olympic victory is slower than the American record Smith set August 8, 1942, at New London, Conn. He churned the stint in 4:39.6 that day six years ago. The record still stands.

Smith's sterling success came as a result of many months of intensive drills.

But the story goes deeper than that.

RETURNED TO TRAIN

At the mid-term, Bill dropped out of Ohio to return home and train under the coach he worshipped more than anyone else—Soichi Sakamoto, head swim mentor at the University of Hawaii.

Bill lived for the Olympic Games. He wanted to garner a title in the big international games. And this was no time to mull the opportunity.

After taking stock of himself in Columbus, Ohio, Bill took the gamble—dropped out of school for this semester only to prepare diligently and laboriously for the Olympics.

Apparently, he came home right in time. First, his shattering conquest came as a fitting climax in a meteoric career of competitive swimming.

SINGLEHURST RESIGNS! STENBERG APPOINTED!

By TED MAGILL

At a meeting of the Board of Directors of the Outrigger Canoe Club on August 19, Ernest W. Stenberg was appointed a Director to fill the unexpired term of Thomas Singlehurst who resigned on July 31st after long years of service.

Ernie, who has been a member of the Club since his arrival in Honolulu in 1932 from California, has served as a Director, Chairman of Committees and committeeman during those years.

His record is as follows:

- Served as Director twice before
- Chairman, House Committee or committeeman eight years
- Chairman, Entertainment Committee or committeeman three years
- Chairman, Volleyball Committee or committeeman three years
- Chairman, Social Facilities Committee during planning era before erection of new Club buildings
- Chairman, Nominating Committee or committeeman five times
- Committee member, Admissions Committee
- Club Historian, three years
- Chairman, Publicity Committee, five years
- Originator of and Editor, the "Forecast" seven years

For the benefit of any mathematician who may figure the years of service above,

NEW OFFICERS ARE APPOINTED

Due to the resignation of Mr. Singlehurst as secretary-treasurer it was necessary to appoint from the Directors officers to fill these posts. To our present vice president, Samuel M. Fuller, was given the job of secretary, giving him dual office as vice-president and secretary.

Sam, who has been a member of the Club since 1918 and a director continuously since 1932, is well qualified for these posts. Graduating from Punahou he attended University of Hawaii, later connecting with the Territorial Tax office where he is Assessor for the Territory of Hawaii. Sam has a long list of services for the Club, having served on many committees, acting as secretary, as vice president and in all athletics. He is married, has three daughters, all members of the Club, and in the World War II served as Colonel in the Territorial Guard. He has always been a conscientious worker for the Club and we are fortunate in having him accept these duties.

Herbert "Yabo" Taylor, though a new member of the Board of Directors, is a long time member of the Club. He guesses "about 22 years." A graduate of McKinley High where he played football, he soon entered the Bishop National Bank where he is presently Assistant Cashier in charge of Foreign Exchange. "Yabo" is known about the Club as a volleyball player and an indefatigable worker on Club committees and projects. His choice as treasurer by the Board is a happy one as "Yabo" brings the experience of many years to this office.

much of this was carried on working on several committees at the same time.

He is Sales Manager of the Commercial Printing Division of the Honolulu Star Bulletin, a member of Post 13, American Legion, the Honolulu Chamber of Commerce, Yerba Buena Lodge F.&A.M. of Oakland, California, Honolulu Toastmasters Club, life member of Rio Del Mar Country Club, California, Honolulu Club of Printing House Craftsmen, and is active in several other social and business clubs and organizations.

THEY LIKE THE "FORECAST"

We continue to receive letters from many friends telling us that they enjoy the "Forecast." Recently Ted Magill received a long letter from David Kahana-moku in which he ended with—"and be sure to send me some copies of the 'Forecast' ". Below are a couple of letters. May we add that the editor appreciates these kind words and that if you have any information or news of general interest to the membership, we will be happy to use it. Phone 57911 from 8 a.m. to 4 p.m. daily or 93664 evenings.

Many Friends Greet J. B. Stickneys On Their 25th Wedding Anniversary

(From Honolulu Star-Bulletin, Aug. 20, 1948)

MR. AND MRS. JOSEPH B. STICKNEY celebrated their 25th wedding anniversary on August 16 with a party at the Outrigger Canoe Club. — Star-Bulletin photo.

Congratulations and good wishes showered on Mr. and Mrs. Joseph B. Stickney of Honolulu at the Outrigger Canoe Club Monday afternoon and evening, August 16.

Three hundred friends gathered at their invitation to cocktails—and learned that it was the 25th anniversary of the popular couple.

Fittingly the party was held at the Club at which "Joe" Stickney, then a small, sunny-haired and smiling boy from the south, learned surfing lore from one of the Club's founders, the late Alexander Hume Ford.

"Joe" Stickney, in fact, grew up with the Outrigger Club.

He played on its football team, when the Outrigger eleven was one of the crack gridiron outfits of the territory. In track, he ran the quarter and half mile in O.C.C. colors.

The party which Joe and Helen Stickney gave brought together many kama-

ainas as well as those more youthful. A good many of the guests were at the wedding 25 years ago.

They were married August 16, 1923, by the Rev. W. Maitland Woods, famed rector of St. Clement's Episcopal Church then as now at Wilder Ave. and Makiki St.

The bride is the former Helen Kuhlman, daughter of Mr. and Mrs. William Kuhlman, formerly of Kauai. The parents celebrated their own 50th wedding anniversary here two years ago—they had removed from the Garden Island to Honolulu.

Present at the Stickneys' party also were many men with whom he has been associated in the Mystic Shrine. He served as potentate of Aloha Temple of the Shrine two years ago.

In business he has been associated for many years as an executive with the Schman Carriage Co. and Honolulu Motor interests.

O.C.C. VISITORS' MECCA

One of the most gratifying things that our Club does is entertaining visiting friends. It is a pleasure to have them and invariably they leave us with many thanks for the hours spent with us. To them all we send that good Hawaiian greeting, "Aloha nui loa," a hope that they will return again and again.

BILL SMITH

(Continued from Page 5)

Coach Sakamoto worked with Smith here to put the Hawaiian ace back in winning stride. He followed 23 year old Bill to Detroit and kept hammering away at him there.

Then, finally to London and the Olympics, where a community-wide campaign sponsored by the Quarterback Club raised enough money to send Sakamoto to England.

A GREAT MOMENT

It must have been one of Sakamoto's greatest moments watching his former pupil of Maui bring home to Hawaii an Olympic title. It is a fitting tribute to the Sakamoto wizardry and coaching ability.

The son of Sgt. Bill Smith of the Honolulu Police Department, young Bill started his competitive swim career as a member of the Hui Makani under veteran coach Harvey Chilton.

The elder Smith, learning of the sensational results obtained by Maui youngsters under Sakamoto, sent his son to the Valley Isle, where Sakamoto was a Puunene grammar school teacher and was instructing kids to swim in a Maui "ditch."

It was during that time that he skyrocketed to national notice. On March 22, 1941, Smith shattered the national interscholastic record for the 440-yard event in the time of 4 minutes 45.7 seconds—a record still standing.
