THE PRESIDENT COMMENTS

There apparently exists among the members of the club wide spread misunderstanding as to tipping. Section 44 of the club by-laws provides: "No tips shall be offered to any employee or accepted by the same." Throughout the period of the war this provision in the by-laws was almost universally violated. At that time the prevailing patronage of the club dining room and bar was by service members and their guests. The enforcement of the rule was almost impossible, and I believe very little attempt was made to curtail tipping. However, at the annual meeting of the club last past a majority of the members present spoke vehemently in favor of the enforcement of the "no tipping" provision.

The Board of Directors has now directed the manager to enforce this rule strictly. In order to do this it was necessary to provide some other type of incentive to the waiters. This has been done in allowing the waiters 6% on the gross sales of each waiter in the dining room and bar. It is contemplated that this percentage may be increased in the near future provided that the revenues of the club justify increase.

The attention of the membership is called to the fact that by offering a tip to a waiter they are jeopardizing such waiter's employment. Further, members violating the by-laws will, of course, be subject to disciplinary action.

WILFORD D. GODBOLD,
Club President

HOLOKU-ALOHA SHIRT BALL Kamehameha Day, June 11

On the evening of June 11 after the beach festivities, a Dinner-Dance will be held. Dinner from 6:30 to 8:30 and dancing from 9:00 until 12:00.

The dress for ladies will be holokus or sports wear and for men aloha or sports-shirts. Admissions will be \$4.00 per plate, by reservation only. Under no circumstances will there be any complimentary invitations given. Music will be by "Kalima Brothers," better known as "one thousand pounds of melody." Special features have been arranged in the way of entertainment and if you have ever attended an Outrigger KAM Day party you will make your reservations now. Members will be allowed reservations only for escort and one additional couple.

KAMEHAMEHA DAY, JUNE 11

Kamehameha Day this year will be celebrated as a community affair, in the form of a full week of pageants, parties and other events. There will be a torchlight parade, June 9, and a committee headed by Ted Magill, Club Manager, and Sally Hale will prepare an appropriate float for the procession. The Club will hold a Ho'-o-ku-pu Pageant on the beach immediately in front of the Outrigger Canoe Club followed by canoe races and other sports on June 11.

Those who participated in or witnessed the Ho'-o-ku-pu held on Kamehameha Day, 1947, will appreciate the beauty and pageantry of this event. Experience gained there will only add to the event. Harold "Dope" Yap, Chairman of the Canoe Committee, is calling for volunteers for both the races and other events.

ISLANDER MAKES GOOD

The many friends of Henry De Gorog, who formerly managed the Outrigger Canoe Club, will be interested in knowing that he has joined his father in the management of Solari's, one of San Francisco's oldest and best known cafes. Visitors to San Francisco we know will be glad to be introduced by Henry to whom we all send our aloha.

THE WALTER MACFARLANE MEMORIAL RACES

As usual the Walter MacFarlane Memorial Races will be held on Sunday, July 4. These races are the blue ribbon event of the Islands and those wishing to enter should get in touch with the committee to arrange for training and coaching.

V. B. DINNER DANCE

On the evening of May 21 a dinner-dance was given by the Volley Ball Committee for the purpose of raising funds to have a home and home series of volley ball games between the Jonathan Club of L. A. and the OCC. The party was a huge success with music by "Bill Smith and his boys," "Stardusters Navy Band" and "Sol Hoopii with his steel guitar." Several more events are proposed for the same purpose and it is hoped that all club members will lend their assistance.

VOLLEYBALL WINNERS RECEIVE AWARDS

Earlier in May a special dinner was held in honor of the winners of the Doubles Tournament. Medals were given Sarge Kahanamoku and Tommy Arnott, winners; Jack Ackerman and Bill Cooke, runners up and to Lloyd Chiswick and Bobby Dolan, third place. The awards were made by President Wilford D. Godbold.

VOLLEY BALL NOTES

On July 11 the Annual Six man team Tournament will start. Games will be played at 10:00 and 11:00 A.M. each Sunday morning in the nature of a round robin. The prize will be the perpetual silver Volley Ball trophy and the entries will close on June 30. Watch the Bulletin Board.

JUNIOR—TOURNAMENTS—SENIOR

The V.B. committee proposes to hold a tournament for juniors and another tournament will be held on Wednesday evenings for senior four man teams. Complete details on these tournaments will be presented on the Club Bulletin Boards, or contact Bill Barnhart.

WOMEN'S COMMITTEE ACTIVE

The Women's Activity Committee will announce shortly the date of a Pre-View of the great Technicolor movie entitled "Two Girls at Play." The film, which takes about 35 minutes to show is of high fashion interest to both men and women. It is released in Hawaii through the courtesy of Coca-Cola Bottling Co., M. McInerney and the United Air Lines. Part of the picture was shot in Hawaii, and it is to be released all over the world—and in four languages. The committee assures you a real treat when it is shown at the Club.

ALOHA TO COACH SAKAMOTO

Soichi Sakamoto, coach of the University of Hawaii swimming team, who has done so much to develop champion swimmers in Hawaii, and who has been classed as one of three outstanding swim coaches in the world, has been invited to act as Co-Coach for the U. S. Olympic games swim team. The Outrigger Canoe Club recognizes his outstanding service to Hawaii and its swimmers and has presented him a sum of \$100.00 to help defray his expenses. The presentation was made by Duke P. Kahanamoku and with it went the best aloha and Godspeed from the Club.

OCC CELEBRATES MARITIME DAY

On May 22, the Outrigger Canoe Club joined in the celebration of Maritime Day. The club furnished a double outrigger canoe with a chanter and a Hawaiian chief together with a regatta of ten outriggers manned by Club members. This fleet made rendezvous with the U. S. S. Iroquois and a flotilla off the reef opposite the OCC. A ceremony was held with the Rev. Harry Judd officiating, in commemoration of those who have died in the maritime service. Upon the return of the canoes to the club another program was held on the OCC grounds which was broadcast over the radio program "Hawaii Calls."

BUILDING PROGRESS

Further building expansion as authorized at the annual meeting is shown by the new locker rooms nearing completion, the new ornate extension of the dining roof and the covering for the sun terrace. It is hoped that these will be completed at an early date and to many old timers who miss an old landmark, we whisper—that steps have been taken to fix the Club clock and erect it again on the beach.

NEW SAILING CANOE

A Polynesian sailing canoe has been purchased from Dick Black. It will add greatly to the color and interest of Waikiki. If you would like to learn to sail or just to ride get in touch Yap.

Applicants for Membership

Following is the list of applicants for admission to the Club. If you have objections to any of the applicants gaining membership in the Club be sure to write a note to the Admissions Committee or phone 58884, Dr. Irving Blom, before June 10, giving your reasons for objecting. Any information will be kept strictly confidential.

ALOHA "GUNNAR"

Sometime ago Gunnar Lundgren of Stockholm, Sweden, visited our Club. On his return he wrote the article appearing in the *Goteborgs Handels Och Sjöfarts-Tidning* Fredag, 2 Januari 1948:

PROGRAM FOR JUNIORS

Harold "Dope" Yap, chairman of the **Canoe** committee, is working with Ted Magill on entertainment and a special program for the Juniors. This program will be carried through June, July and August to promote activities for the pleasure and health of both the boys and girls.

The following have been appointed as members of the Junior Activities Committee: William F. Heilbron, chairman; William Cross, Robert Muirhead, Tita Marks, Pat Honl and Margie Church.

OCC WILL HELP

Ted Magill, our genial manager, has been authorized to represent the Club in a meeting with the Honolulu Chamber of Commerce and the Waikiki Improvement Association, the object being a survey, and to find ways and means of widening and generally improving all of Waikiki Beach.

EMPLOYEES' PICNIC

Each year the club holds an annual picnic for its employees. This year it will be held at Kalama Beach Club on Monday, June 7. The dining room and soda fountain will be closed all day. The locker rooms will be open for swimmers, however. Don't forget the date.

THAT LITTLE GRASS SHACK

—on Kalakaua Avenue at the entrance to the club will be erected by the Hawaii Visitors Bureau as an Information Booth for mahinis. It is being erected with the consent of the Board of Directors. We predict that next to Diamond Head it will be the most photographed place in Hawaii.

This picture shows a view of the club pavilion taken in 1912 from the Lagoon. The building was completely destroyed by fire at a later date. "Your humble servant" is in front. The center figure is that of the late Harry G. Winkley and the stern seat is occupied by William Young of Chicago.

KAMAAINA KOMMENTS by George Bustard

I was pleasantly interested in reading the enlarged edition of "The Outrigger Canoe Club's May Forecast," and the Editor, "Ernie" Stenberg, is to be congratulated by his efforts since 1941 in disseminating information to the members regarding the club's activities.

In looking over the list of members of the club when it was organized in May 1908, I notice that there are 15 still taking an active interest in life in our midst, which is a good record for a club established 40 years ago.

I was invited to become a member one month after the club's organization in June 1908, and it has been an honor and a pleasure to have been associated with such a group during the past four decades.

In those days \$10.00 were the annual dues (some difference to what they are now) and I don't recall paying any initiation fee (now \$300.00 plus 20%). There was very little formality about joining in 1908. Alex Hume Ford would approach a likely prospect and ask: "Want to join the Outrigger Club?" and getting the affirmative he would scribble the name

on the back of an old envelope and that was that.

In 1908 the girls wore full-dress to go in swimming and I recall the comments on the beach when a young lady dared to go in the water at Waikiki without her stockings. She was talked about for weeks.

You see therefore, how the world is improving with the passing years. Two or three years later, Judge "Billy" Rawlins discovered Duke Kahanamoku at the beach, and easily recognized championship talent when he saw his swimming. He was not wrong in his surmise, as later events transpired.

As "Dad" Center mentioned in his splendid article in the May issue, notables from all over the world have visited the club. One of these visitors was Jack London, the famous writer. In his care-free natural manner, he would make daily pilgrimages to the club grounds and make himself comfortable under one of the hau trees thoroughly enjoying the

KAMEHAMEHA DAY JUNE 11

Kamehameha Day will be celebrated at the OCC with a full day and evening of activities. The program will begin at 1:00 with a Hawaiian Ho'-o-kupu* on the beach directly in front of the Club followed by the canoe races.

1:30 P.M. Outrigger Canoe races

6:30 P.M. to 12:00 Dinner and Dance (Holoku and Aloha shirts) with Entertainment

All races listed are six paddle events. Races start at 1:30 p.m. and will be run off at approximately 15 minute intervals.

Courses parallel the beach front.

* In ancient Hawaii the chiefs travelled and were given gifts of food, feathers, kapa, and the like. Then athletic events were held and the alii gave the winners awards of these gifts, followed by a great luau and merrymaking.

DO YOU KNOW . . .

That the umbrella and chair service is available to members at 50% discount?

That there is a 33 1/3% discount to members and accompanying guests in the Service's outrigger canoes which are skippered by the best steersmen in the Territory?

That the motor canoe is available to members for picture taking at only 1/3 of the cost to the general public? (The only charge made for this service is for the upkeep and amortization of the motor.)

You amateur photographers, gather your camera fan friends and have a go at taking some really wonderful pictures.

You folks who don't care for the exercise of paddling and want the fun of a boat ride and surfing without work, or perhaps would like to do some sightseeing off Waikiki and vicinity, why not take a party out in the motor canoe? It is available for such excursions at a very reasonable rate, well worth the price.

relaxation and chattering for hours with people from all stations of life.

Those were the day when few people had cars and the trip to the club was taken by the old street cars across the duck ponds. My nostrils quiver at the thought of it.

In closing we should pay tribute to the founders of our new Club premises, who by their courage and foresight made it possible for the present members to enjoy the many facilities that it offers for enjoyment, relaxation and physical well-being.

ANOTHER REMINDER

In former issues of the *Forecast* it was announced that "Any former member, including regular, associate, student and junior member who has resigned in good standing may be allowed to rejoin the Club as a **REGULAR MEMBER** if they make application in regular form for membership prior to June 30, 1948, and by accompanying such application with \$100.00 initiation fee, plus the Federal Tax," which is at present 20%.

If you know of any former member whom you believe is eligible and desires to re-join our Club you will do him a favor by reminding him of the date. Such an offer may never be given again.

YOUR CLUB'S SERVICES

In a Club such as the Outrigger Canoe Club, many of its members may not know or may have overlooked the many services and conveniences offered its members. In addition to dining, dancing, canoeing, swimming and surfing there are many things for you to avail yourself of. A few of these are enumerated below:

AMUSEMENTS

Playing cards, dominoes, chess, checkers, badminton, volleyball and other equipment are available for your use.

Parties for bridge may be arranged for and cards, score cards, flowers and all other services can be supplied.

COCKTAIL LOUNGE

The Club maintains a cocktail lounge on the Sun Deck and you are invited to drop in and use it at any of its open hours.

BATHING

Little need be said about the bathing at Waikiki, but the Club has locker rooms for men, for women and juniors

with hot and cold showers and attendants on hand to service towels, bathing suits and the like.

BEACH SERVICES

The beach services are for your use and pleasure. Beach chairs, umbrellas and towels will be furnished members at special rates. You may arrange for canoe rides, surfboard rental, surfboard lessons, swimming lessons, photographic trips in canoes and many other services. Sally Hale is in charge of this department and will gladly aid and advise you in entertaining the visiting malihini.

CHARGE ACCOUNTS

The courtesy of a charge account is given to responsible members and spouse members. Arrangements for such accounts must be made with the manager, Ted Magill.

DINING

Luncheon and dinner are served every day except Mondays at the Club and breakfast on Sunday mornings. The Club also maintains a soda fountain where soft drinks, sandwiches and light meals are served daily.

ENTERTAINING

Entertaining is easy at your Club. Every facility is offered for a small party or a large one. Special music, decorations, flowers, entertainment, food and in fact anything desired will be provided on time and at your pleasure—providing arrangements are made in advance. Your Club wishes to serve you at all times. Make it a habit to entertain at the Outrigger Canoe Club.

MAIL

Many members use the Club as an address to receive their mail. While this service is available to you we urge you to pick up your mail often as the Club assumes no responsibility for such mail.

PARKING

The lot on the Waikiki side of the Club is operated by the Club for its members. You are requested to co-operate at all times with the attendants there in order that as many members as possible may be accommodated.

UNMACHTS RETURN

Colonel George F. Unmacht (retired) and Mrs. Irene Unmacht have returned to Honolulu after an absence of more than a year. During their trip, part of which the Colonel spent in the hospital in Washington, D.C., they toured the United States, visiting Washington, D.C., New York, Ohio, Montana, Florida, and South and Central America.

The Colonel is a past president of the famous Horizontal Athletic Club and is welcomed back by a host of friends.

THEY LIKE IT

The editor has had many favorable comments on the new *Forecast*. Several members have commented on the new size and content. The first real effect however was the contribution by George Bustard of an article on the early days of the Club.

All old timers are requested to forward any material of this nature to the editor, Ernie Stenberg, c/o Honolulu Star-Bulletin or to Ted Magill, O.C.C. Manager. We hope that as time goes on to have a very good picture of the Club in this way.

The Club in days gone by has had football and other athletic teams, but the records are inadequate. We welcome any data you may have and particularly wish old pictures with identification of those photographed.

COMMITTEES PLEASE!

Please contact the editor on or before the twentieth of each month with information as to the doings and activities of your committees.

It is the desire of the management to make the *Forecast* current and timely with all the news of things to come. It is quite a task to write up an issue and also to dig it up through committeemen. Your kokua will lighten the burden, give the news on time and brighten up our little journal.
