David Harris and Vicki de Ville spent a fabulous month in South America, Chile, Argentina and Uruguay. "We were in the desert at 15,600 feet, the wine country, the coast, the Andes, the cities and the jungle," she said.

Ramsay hosted the National Society of Arts and Letters 65th anniversary at the Pen Arts Building in Washington D.C. on May 12.

Billy Balding, Craig and Scott Gamble, Marc Haine and Rob Harrison gave Bob Harrison a 70th birthday present by hauling him to a second place finish in the Kawaiiani nine-mile canoe race.

Enjoying Cinco de Mayo at the Club were Roger and Felice Brault, Bill and Karolyn Pearl, Beverly De Silva, Ariana Miyaki, Kumudini De Silva and Tammy Miyaki. Photo by Nora Mejjide Gentry.

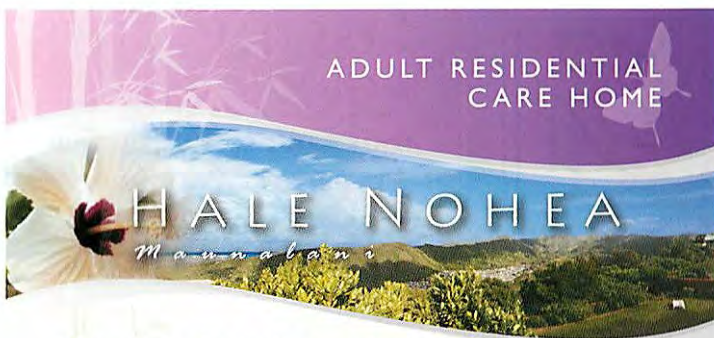

The Arcadia Retirement Residence Board of Directors held a dinner meeting at the Club on April 30. Among those attending were: Art and Rosemary Eberhart, Barbara and Ted Robinson, Nick and Koren Dreher, Jim Richards, Emmet and Betty White, Kit and Margie Smith, Norman and Laura Chong, Sarah Nordwall, Greg and Faith Sato.

Just for the fun of it and the thrill of the open road, Tiare Finney rented the mini coupe and took Stefanie Smart for a coastal lunch tour. The sight of the two of them buzzing along, caused both shock and laughter, they report.

Big Island Mayor Billy Kenoi and Keahi Farden Robins, now living on the Big Island, hosted the eighth Surf Day at Kahaluu Bay for children and adults with a variety of physical and neurological disabilities. "This event was a stimulus package Big Island style," Keahi said. "No bail outs, only wipe outs."

Stew-Rice Night July 20 Features Anna Derby Blackwell

By Mazeppa King Costa

Quite probably—even if you're *keiki o ka aina*, and almost certainly if you're not—it's likely that your knowledge and appreciation of Moanalua Valley can use an infusion of knowledgeable enthusiasm concerning this richly, historically significant Oahu *ahupua'a*.

Anna Derby Blackwell amply qualifies to present stories and facts about this verdant valley: she was the first executive director of Moanalua Valley Foundation, holding that position for 10 years.

The OCC Historical Committee is delighted to announce that Anna will turn her thoughts back to Moanalua this July 20 when she takes the spotlight at our mid-summer Stew-Rice Night to present a slide show/lecture on the natural and cultural histories of Moanalua, a site that resonates with beauty, productivity, and tradition. Not to mention drama.

This is sure to be a very special evening. To Anna's breadth and depth of the subject matter, add her own unique personality; then take a deep breath when you hear and think about happenings that transpired in Moanalua over centuries. . . .

Lore of the Valley encompasses everything from mythology, mystery, romance, and marketing salt to Kamchatka (Russia) to lines of succession; stories of ancient chiefly concerns, both brutal and benign; myriad travel stories; monarchs and princesses making merry; the Damon story; and not so long ago 20th century issues, controversial and conciliatory. Come. Find out about Prince Lot—then and now. Make reservations early. We think you'll not want to miss event.

Backward Glances

By Barbara Del Piano, Historical Committee

66 Years Ago - 1949

Walter J. Macfarlane, President

Not long before the first annual Walter Macfarlane Regatta on July 4, 1943, a group of surfers noticed the Club's flag flying at half mast. Curious, but not overly concerned, they continued to surf. When they returned to shore in the late afternoon, they learned that Club president, Walter J. Macfarlane, at the age of 36, had died the day before in an Oakland, California hospital. His untimely death was caused by typhoid fever complicated by pneumonia, contracted during an earlier visit to Mexico.

Walter Mac's ashes were returned to Honolulu and an Outrigger memorial service was led by the Reverend Henry P. Judd. Elmer Lee and his musicians played Hawaiian music. It was a sad day at the Club where Walter Mac had dedicated many years of unselfish service, creating a vision for the future that saw it through uncertain times.

Leslie Hicks, who succeeded Walter Mac as President, asked directors to think of an appropriate, lasting memorial to be made in his memory. Many suggestions were offered but none seemed worthy enough to commemorate a man of his stature until Club Manager, Henry de Gorog, suggested the upcoming Fourth of July regatta be dedicated to Macfarlane and a perpetual trophy presented in his honor to the winner of the day's major event. The idea appealed to the Board and Harold Mountain, Board member and vice president of Matson Navigation Co., announced his company's Hotel Division would be honored to purchase the trophy.

In less than a month, an ambitious program of 16 races developed. It included sailboat racing, surfing contests, relays, and canoe paddling competitions for men, women, children and members of the armed forces. The six-man canoe race, the day's major event was four miles long. The last event was a tug-of-war. Outrigger crews won most of the races and took home the magnificent Matson Trophy.

Employee of the Month

Helen Jones

By Stephen Riede

Helen Jones started at the Club in 1996 as a server in the *Hau Terrace*. She then moved to the Front Desk in 1998. After two years at the Front Desk, Helen became a clerk in the Business Office. In 2005 she moved over to the Executive Office as an Administrative Assistant, and in 2006 became the Payroll & Personnel Coordinator.

Helen is known for her willingness to help others in a demanding and stressful position and always tries to help out when needed. Recently she was crucial in assisting the Admissions & Membership Committee when the membership secretary was out for an extended period due to illness.

Helen has two children, ages 11 and 17, who keep her busy. She likes to design and make jewelry in her spare time and enjoys being with family and friends. Congratulations to Helen Jones, the April Employee of the Month.

BOARD BRIEFS

Board Briefs is taken from the minutes of the Board of Directors meeting on May 28, 2009.

Membership Count: The Membership Count was 4,773 as of April 30, 2009.

Teves Trio: The Board has already given management the authority to schedule performance dates with the Teves Trio as long as the cost is in line with budget constraints. At this time, management is finalizing details for "Hot Hawaiian Nights" in which musical groups and halau will perform "kani ka pila" style during the summer. The Teves Trio is one of the groups that will perform.

Standing Committees: The Board approved chairs and committee members to the Club's standing committees.

Manila Polo Club: The Board approved the committee's recommendation to establish a reciprocity agreement with the Manila Polo Club (Manila, Philippines).

Finance: The Board approved the committee's recommendation that the Club reduce the Building Fund exposure in the domestic large cap area to 35% and the domestic mid cap area to 10%.

Beach & Water Safety: A request for a sand bag to be placed at the bottom of the beach stairs was made by this committee. It should help with the height transition during periods of high erosion activity. It is understood that a permit is not necessary if the sand bag is biodegradable and placement is temporary. In addition, this committee requests funds to hire a bobcat to capture and return the sand to even out the beach front. Discussion followed and the Board agreed that an amount not to exceed \$1,400 be secured from the Club's operational budget for these projects.

Junior OC-1: This program for Junior paddlers completed its first year in May. The program received canoe donations. At this time, certain canoes are in need of repair. An estimated cost of \$150/canoe for five canoes is needed (\$750). The Board felt that the \$750 request could be found somewhere in the Athletic budget.

Financial Statement: April was a very good month. There was net income of \$62,821 which is \$59,721 better than budget.

Food and Beverage Summary: For April, there was combined Food and Beverage income (with the mini-charge) of \$22,633 which is \$28,433 better than budget.

Unrelated Business Income: Year to date, nonmember income is at 13.3% which is down from 14.6% this time last year.

Admissions: The Board approved the addition of candidate photos to the *Notice to Members* (Posting List) form that is mailed to Voting members each month. They requested that the name of the candidate's spouse also be included.

Buildings and Grounds: The committee is evaluating the impact the plumbing retro fit project will have to Club operations. It is scheduled to take place during the slowest time of the year (September & October).

Kalaniana'ole Property: Efforts continue to try and secure a long term lease for this property.

On the Cover: Summer is in full swing at the OCC and Junior 'Riggers are enjoying every minute. Front: Nicole Fong, Kiele Schwinn and Ellen Ashford. Middle: Teana Bryan and Kaya McTigue. Top: Emma Bradley. Photo by Nora Mejide Gentry.
