Honoring our past... Building our future. by Jon Bryan

OCC2C - WHAT'S HAPPENED SO FAR

Last summer the OCC2C Committee presented its plan to the membership for study and consideration. Many members were pleased with the design and eager to go forward. Many others raised concerns and made thoughtful suggestions.

Over the last few months the OCC2C Committee and the architects have been reviewing member suggestions and are trying to incorporate as many as possible into the plan members will vote on in the referendum.

MEMBERS COMMENTS AND CONCERNS

The two issues that prompted the most discussion are:

- · timing of the project and,
- · location of the proposed fitness center.

Timing is not an issue on the referendum. The location of the fitness center is.

The design the committee presented this summer (SK-6) features the fitness center over the bar. The committee and the architects chose this site because it is the most feasible above ground location where a adequately sized fitness center can be built in compliance with zoning and other construction codes and in a style the committee believes is consistent with the original design of the Club.

The committee recognized the fact that demolishing and rebuilding the bar in order to build the fitness center above would be more expensive, however, they believed it was worth the investment in order to preserve the design and provide the much needed fitness facility.

Most members who object to the fitness center over the bar, including the Club's Architectural Review Committee (ARC), object to it from a design standpoint. They believe the bar is the architectural and social focal point of the Club and that the plans to recreate it will not succeed.

A Club member and architect who worked closely with the original architect, Val Ossipoff, suggested constructing the fitness center underground on the Kalakaua Avenue side of the property.

Although the OCC2C Committee had earlier considered and rejected a plan to put the fitness center where the Board Room is now and extending out into the existing garden area, it never considered going so deep or so far out. Recognizing that there is strong member support for an underground fitness center, including support from the Architectural Review Committee (ARC), the

OCC2C Committee decided to develop an alternate plan and give members another choice on the referendum.

THE ALTERNATE PLAN (SK-7)

Drawings of the alternate plan will be displayed in the lobby and discussed at a member forum on Tuesday, January 13 at 7:00 PM in the Koa Lanai. This plan is essentially the same as the original plan except:

- The bar will remain exactly as it is today.
- The fitness center will be underground and accessible from the locker rooms through the lower level of the parking garage.
- lower level of the parking garage.

 The fitness center will be larger providing more space for cardio, stretching, floor exercise and free weights (3200 square feet versus 2800 square feet in the original plan).
- The current board room window will be replaced with a coral rock wall treated to match the existing wall with a glass block skylight above.
- There will be glass blocks imbedded near the drop-off trellis at the entry cul de sac to provide natural light to the fitness center.

LOBBY CHANGES

Based on suggestions from members, the lobby design has been slightly modified on both plans so that the reception desk will face the front entrance.

LANDSCAPING

Landscape designs for both plans have been developed by Walters, Kimura and Motoda. The key elements of the existing landscaping such as the kamani tree, the trellis at the entry, and the plumerias leading to the lobby will remain with the original and the alternate plan. Plant material that is already used at the Club such as red ginger, bromeliads and ti will be reintroduced. A raised garden adjacent to the lobby and above the new administrative offices will be part of both plans. At the suggestion of a member, tree wells will be used in lieu of the recessed space that was originally planned to allow trees to rise from the basement.

CONSTRUCTION TIME

- The original plan (SK-6) will take approximately 9 months to construct.
- The alternate plan (SK-7) will take 8 months to construct.

DISRUPTION

- In the original plan (SK-6), the Ka Mo'i Lounge will be closed throughout construction. Access to the Koa Lanai, Hau Terrace and Snack Shop will be via "detoured" routes.
- During construction of the alternate plan (SK-7), cars will enter and exit the parking garage via a single lane. There will be some "detours" around the front entry and the lobby. However, there will be no construction beyond the lobby, so the operation of the Ka Mo'i Lounge, Koa Lanai, Hau Terrace and Snack Shop will not be affected in any way.

COST

- The biggest cost of the original plan (SK-6) is demolition of the bar and rebuilding it with all the details and finishes needed to recreate the Ossipoff design.
- The major expense in the alternate plan (SK-7) is de-watering the area where the fitness center will be built and preparing the foundation for construction.
- A comparison of the cost estimates of both plans will be explained at the member forum on Tuesday, January 13.
- It is estimated that the cost of the alternate plan (SK-7) will be approximately \$714,000 less than the original plan (SK-6).
- It is expected there will be much less impact on operating revenue with SK-7 because of the minimal impact on food and beverage operations.

REFERENDUM VOTE

The referendum ballot will be included in the same packet as the Notice of the Annual Meeting and the ballot for the election of candidates for the Board of Directors. Deadline for voting on the referendum is the same as voting for the Board of Directors, 6:00 PM on Sunday, February 22, 2004.

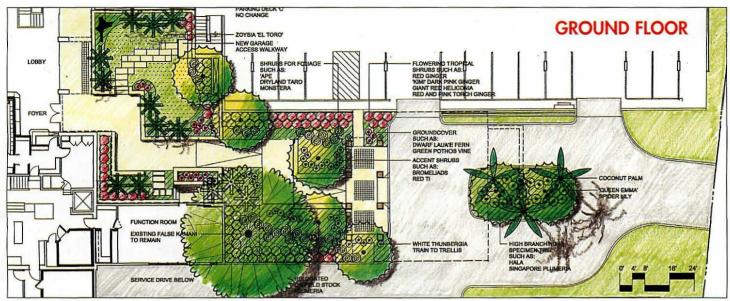

There has been a widespread misunderstanding that a vote in favor of OCC2C means that the construction project will begin immediately. That is not the case. A vote for OCC2C means you approve of the design and wish to see it constructed when the Board of Directors has determined it is most prudent.

As stated on the referendum, the Board will take into consideration the timing, cost and impact of the construction on the Club; the impact of the construction on the Elks lease rental negotiation; and any and all other matters that may arise in the course of construction.

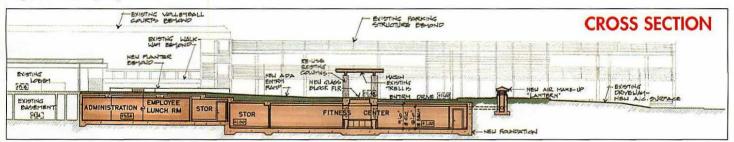

Please look at the display of the alternate plan in the lobby and be sure to vote on the referendum.

Aloha and Mahalo.

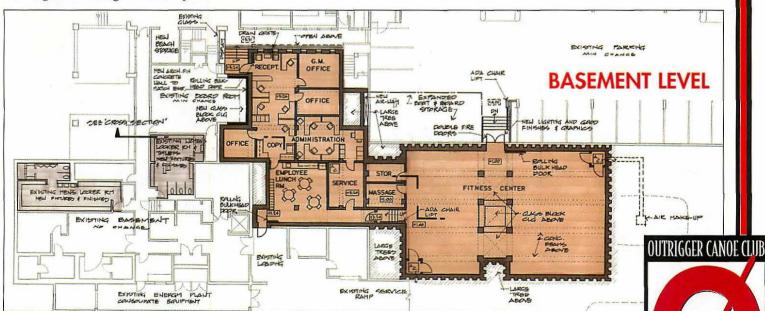

ALTERNATE PLAN

The bar will remain as it is. There will be no construction beyond the lobby. The lobby area design will be the same as originally planned except the reception desk will face front.

The diagram is looking at the Club from the Elks Club side. The shaded area is all in the basement.

The administrative offices and employee dining room will be moved to a new section of the basement as originally planned. The new fitness center will extend the basement further out, be larger than the original plan, and easily accessible from the garage and locker rooms.

These details that have been extracted from the architects plans are for the purpose of illustration only. They are not to actual scale. For complete plans of all floors drawn to proper scale please see the OCC2C lobby display.

GREAT FUN HAD AT

BEATLE Mania, Magical Mystery Tour By Patty Mo

On November 22 the lucky hundred or so members and guests who rocked the Club to the sounds of Hawaii's very own all Beatles band, Rubber Soul, found their groove.

Approximately 100 hardcore Beatle fans came from near and far to indulge in the fabulous heavy pupu and to move and grove to the fast paced exciting Beatle sounds of the talented foursome. It was fantastic to see young and old enjoying themselves on the dance floor.

The common denominator: having a great time together. It was amazing how our memories were turned back to the 60s era without missing a beat, everyone singing and dancing to the words of their favorite Beatle's songs. It doesn't get any better then that!

ClubCaptain's Report

By George Wessberg

Long Range Plan

Club Captain George Wessberg and Coordinating Director Tom McTique met with members of the LRP Committee to discuss a new "metric system" for measuring the specific parameters of the athletic programs. Athletic subcommittee chairs met on November 4 to discuss appropriate "metrics" for the Athletic Committee. The intent of this process is to improve the quality of the athletic programs and assess the allocation of subcommittee budgets.

Canoe Racing

Two open women's crews were entered in the Na Wahine O Ke Kai and finished very competitively in second and eighth places in fiberglass canoes. This is the first year in a three-year program proposed by head coach John Puakea. Two open men's crews were entered in the Molokai Hoe and finished competitively in fourth and 38th places. This is the second year of a three to five year program for head coach Kala Judd.

Surfing

Surfing Committee and Entertainment Committee Chairs, Terri Needels and Missy Mowat, with assistance from Coordinating Director Vik Watumull, hosted a Family BBQ and screening of the Rell Sunn documentary on October 4. This was a unique event and was greatly appreciated by the members in attendance.

Softball

The Softball Committee will not field a team during next season due to the inability to find new volunteers to organize and perpetuate the program. Bill Kilcoyne and Jim Gaddis resigned after many years of serving as co-chairs of the softball program.

Beach & Water Safety

Chair Rick Hobson and Director of Beach Services Don Isaacs continue to support the popular Sunday canoe rides for members and guests. They are planning to repeat the Summer Canoe Steering Clinics by Aka Hemmings and add a Junior Water Safety program and possibly canoe sailing clinics next summer.

This subcommittee has updated the Beach Rules originally developed by Kawika Grant and Norm Dunmire and also provides support to Canoe Racing, Surfing, Swimming, and Paddleboard subcommittees when OCC hosts water sport events.

Off-Season Paddling Practice

Kisi Haine will supervise offseason outrigger paddling practices for Open and Masters Women from the Ala Wai Canal site. Members who are interested may contact Kisi at 227-5474 for additional information.

2003 Athletic Committee

Kisi Haine and George Wessberg thank the following subcommittee chairs for their time and dedication. Their efforts enabled several hundred members to share many wonderful and rewarding athletic experiences during this season.

January 2004 - Outrigger

By Terri Needels

It may be hard to believe, but it is absolutely true! Snow is showing up at the top of every local long board amateur and pro-am surfing meet in Hawaii—Ned Snow, to be precise.

You may be wondering why you haven't noticed Snow at the Outrigger Canoe Club in the past. There is a good reason—Ned and his family recently moved to Oahu from the Big Island. They previously lived in Puako, north of Kona, until they moved to the Diamond Head area about two years ago.

Ned is 18 years old and is a senior at the Academy of the Pacific. His favorite south shore (Oahu) surfing spot—and home break—is Cliffs. On the north shore, his favorite spot is Gas Chambers. Back on the Big Island, his favorite spot is Waipio Valley.

Ned was about nine years old when he taught himself to surf. His skills have evolved exponentially to the point he has become the guy to beat in all the long board competitions.

His recent wins include earning first place in the Open Men's Long board and Men's Long board division of the HASA meet at Sandy Beach, and second place in the Open Men's Long board division of the NSSA event on the Big Island in October. He recently won second place in the Macy/Hurley E-Series pro-am contest, against all of the big name professional long boarders.

Ned plans to continue to surf competitively in the amateur divisions of HASA, NSSA, and the Hawai pro-am contests this year and to graduate from high school. His future goals involve competing in the long board professional circuit in Hawaii and on the mainland and attending college in Hawaii.

While various surfboard and sports gear companies sponsor him, Ned made it clear that his best sponsor is his mother. That really demonstrates that he isn't caught up in the glamour and hype of commercialized surfing but is instead a person of solid character. He is just the kind of surfer we are thrilled to welcome to the OCC surfing team.

Keep looking for Snow—you won't be disappointed.

CASTLE SWIM HAS FIRST WOMAN WINNER

The top three finishers were Jimmy Austin, 3rd; Kristi Torkildson, 1st, and Bob Monsen, 2nd.

By Ray Robinson

Thirteen year-old Kristi Torkildson, a Punahou student, became the first woman to win the Club's traditional Castle Swim on the Sunday after Thanksgiving, November 30. She and Bob Monsen were in an exciting head-to-head race most of the 1.2 mile course, and Kristi finished only seconds before Bob in 36 minutes and 51 seconds. Bob's time was :37:02.

Jimmy Austin was third in :39:08.

As OCC swimmers arrived on the Hau
Terrace for check-in, "How's the water?" was
the most frequently heard question. It was followed by, "And we don't mean is the water cold
or warm, or is it smooth or choppy, we mean
WHAT WAY IS THE CURRENT RUNNING?"

That's the determining factor, of course, in whether the swim will be hard or easy.

The normal interest is heightened by the memories of the very recent Roughwater Swim in which the current running from Waikiki to Diamond Head was so strong that dozens of swimmers wound up hanging on to the marker buoys for dear life. Hundreds had to be rescued and only a third of the swimmers finished.

The Castle Swim, which is for members only, began in the 1920s. It was originally open to the public and the course was from the site of the old OCC, where the Outrigger Waikiki Hotel now stands, to the steps of the new Club at Diamond Head. It bears the name of Harold Castle whose home was on the site of the Elks Club.

Dennis Blake, Swim Committee chair, who has conducted a thousand swim meets in the last 20 years, avows the parallel current runs Ewa to Diamond Head 85 percent of the time. However, another very well known and highly respected waterman (a fisherman) states his conviction that when the tide is rising, the flow is from Diamond Head to Waikiki, and when the tide is falling, the flow is from Waikiki to Diamond Head.

'Rigger awards. Middle: Ernie Leskovitz and

Aukina Hunt was waiting for grandfather
Kimo Austin at end of race.

It's not hard to get an argument on the subject.

Fortunately, this race day morning, dawned cloudy, misty, cool and windless with the ocean flat and only a mild counter current. At the beginning, 34 swimmers hit the water shortly after 8 a.m. Kristi Torkildson was first to come up out of the water and cross the finish line.

Towards the end of the race, the wind picked up, the water got choppy (one swimmer said he drank a lot of it), and times slowed.

Father and son participants were Kimo and Jimmy Austin, and guess who finished first? Siblings Mikey and Rachel Cote won the Junior 'Rigger awards.

Taizo Braden came from behind and passed Karl Heyer IV after they were on the beach (the race finishes at the Club steps).

Thanks to all the escorts, helpers and to Beach Captain Don Isaacs for setting the course, and Swim Committee members Dennis Blake, Gerry DeBenedetti, Ginger Thornburg, Blake Johnson, Diane Stowell and Arnold Lum for making it happen.

OCC surfer Carissa Moore blew away the age barriers in the surfing world when she competed in the Roxy Pro, held at Haleiwa Alii Beach in November 2003. She is the youngest surfer, male or female, to ever compete in a Triple Crown contest. Carissa was granted a sponsor's exemption into the professional contest, which featured professional women surfers from around the globe.

The event was held in stormy conditions, with 6-foot sets, many of which were closing out and coming from the side. Carissa advanced through her preliminary heat to the quarterfinals, eliminating two Australian professionals in the process (Dara Penfold and Serena Brooke).

She had exceptionally tough competition in the quarterfinal heat where she surfed against three pros ranked in the top 10 in the world. She definitely held her own and many commented that she really surfed like one of the touring pros (except she is 4' 10", 80 pounds and in the 6th grade at Punahou School!).

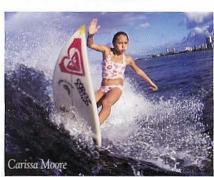

Although Carissa was eliminated in the quarterfinals, she demonstrated she is capable of competing with the professionals under

much-less-than-ideal conditions. Carissa tied for 13th place and won \$700 in prize money. Carissa donated her prize money to help fellow amateur competitor Bethany Hamilton who lost her arm to a shark attack on Kauai.

Proud father, OCC member Chris Moore said "all I wanted her to do was make it back to the beach safely...whatever happens from here is gravy." Numerous people have noted the similarities between golf prodigy Michelle Wie and Carissa Moore, as both have unmistakable, incredible talent; they have broken age barriers; attend Punahou School; and competed against the pros.

The similarities end there, though, as "the worst thing that can happen if you have a bad day golfing is your ball goes in the water" noted Carissa's dad. Well, Carissa not only made it back to shore safe and sound, she demonstrated she is in the same league as the professionals.

Keep an eye on this youngster, as she is bound to totally revolutionize women's surfing and move it to a new level. We are so proud of you, Carissa! CONGRATULATIONS!

THE RIDE Showing at the OCC February 28

Outrigger members are invited to view the movie, The Ride, during the Club BBQ on Saturday, February 28.

The film premiered at the Hawaii International Film Festival. The movie was written by Nathan Kurosawa and is about a cocky modern day pro surfer from California who comes to Hawaii to surf the XCEL Pro Contest at Sunset Beach. During the contest he nearly drowns, but gets rescued by Duke Kahanamoku and goes back in time to 1911. Spending time in the past, he experiences the true meaning of aloha.

The cast and crew are all from Hawaii. The cast includes the late Henry Ayau, OCC employee Karen Tatum, and former employee Wil Kahele.

OCC member Casey Teixeira compiled the music for the movie, and his band, Kava Music, plays the theme song. Casey and his band members will attend and sell and autograph copies of the CD for \$12. Proceeds will go to the Outrigger Duke Kahanamoku Foundation.

ODK F 2003

OUTRIGGER DUKE KAHANAMOKU FOUNDATION

President's Message

Serving this past year as ODKF President was made easy and enjoyable by the volunteers and enthusiastic board members who contributed so much to our programs. The momentum of the last several years made the 2002-2003 year an exceptional one in terms of financial achievements and events honoring the legacy of Duke Paoa Kahanamoku. The rest of the Board joins me in thanking all of you who

Nicole Okuna started her first collegiate swim season by breaking her school's 100-yard butterfly record (56.4 seconds) and never looked back. Pepperdine University's Coach Rodionoff says, "She has an easygoing style that makes her a team favorite. This along with a strong work ethic is a wonderful combination."

generously donated your time, money, and expertise; we appreciate your support.

The purpose of ODKF is "to financially support the development of individuals and organizations that perpetuate the spirit and legacy of Duke Paoa Kahanamoku." We do this by awarding grants to individuals and groups, enabling them to continue to pursue athletic excellence. Our scholarship program supports the higher education goals of Hawai'i's young athletes. Duke Kahanamoku offers a fine example for us all, not only in athletic achievement but also in leadership and living life as an example of aloha.

This year our grants and scholarship committee continued the upward trend of ODKF's awards. The Foundation approved 21 athletic grants and 39 scholarship grants for a total of \$55,130.00. We are pleased to have received applications from all over

the state from applicants of widely varying backgrounds. As awareness of ODKF and its mission grows, we hope to support a growing family of deserving athletes and scholars.

Generous contributions make our awards program possible. We reached a major milestone this year with financial and in-kind gifts bringing our assets over the \$1 million mark!

ODKF continued to reach into the

community with events like Duke's Sports and Fitness Day held in conjunction with the Boys & Girls Club. This second annual event was the most successful to date, with nearly 450 children participating. Board members, Outrigger Canoe Club volunteers and past grant winners worked with the youngsters, introducing them to the fun and variety of water sports.

The year ended on a high note with the second annual Duke Ho'olaulea coordinated in tandem with the City and County of Honolulu's Brunch on the Beach program. The three-day event featured a lei draping ceremony at Duke's statue and various ocean sports competitions throughout the weekend. Inspired last year by the unveiling of the Duke commemorative U.S. postage stamp, this year the event garnered even more enthusiasm among athletes and the general public. Waikiki's Brunch on the Beach proved an excellent forum for presenting ODKF's mission to a wider audience.

ODKF continues to build productive partnerships to reach our goals and fulfill our mission. Working with Duke's Restaurant, the City and County of Honolulu, Pictures Plus, Waikiki Community Association and many other groups plus hundreds of volunteers has been a gratifying experience that benefits all of us. With your continued support, we hope to achieve even more as ODKF moves forward.

Mahalo.

Gulab Watumull (left), Sharon Brown and Lex Alexander, leading Honolulu business executives and stellar supporters of ODKF's mission.

Desmond Kapano, a paddler with Marimed Foundation's fledging canoe club, speaks from his heart and wins the hearts of many in the audience.

Emcee Tim Guard (left), ODKF director Liz Perry and OCC director Tom McTigue are all smiles as they arrive for the day's festivities.

Gloria Garvey (right) presents a mahalo lei to fellow board member Mary Philpotts.

ach year the Outrigger Duke Kahanamoku Foundation hosts a luncheon to honor its donors, grantees and volunteers. Seventy-eight guests attended this year's luncheon on July 21 at the Outrigger Canoe Club.

Special guests included Mary Philpotts McGrath, and Marilyn,

Kisi & Marc Haine. They represented families who have established Board Designated Funds within the Foundation. (See article on page 6)

Athletic grantee speakers were Connie Sizemore and Desmond Kapano for the Marimed Foundation and scholarship grantees Matt Elm, Jane-na DeMello and Rhonee Rojas.

There was also an Olympics presentation from "Sonny" Tanabe and Mike Rothwell.

Volunteers honored at this luncheon serve the Foundation in a variety of ways. They participate on the board, work on Duke special events, review over 150 grant applications and attack a myriad of Foundation issues and tasks with cheerful enthusiasm.

This year's major donors (Gold Medalists) were also honored at the luncheon. (See donor list on page 7.)

ODKF COMMUNITY OUTREACH

Duke Ocean Sports and Fitness Day

Over 450 of Hawai'i's children from the Boys and Girls Club were treated to a unique outdoor experience on April 12 at a Ko Olina lagoon. Children were introduced in rotating groups to a variety of Duke's favorite sports: canoe paddling, surfing, fishing and volleyball. Teachers and mentors were comprised of past grant winners and the wonderful volunteers from the Outrigger Canoe Club.

We received happy thanks from one young participant with this note: "Thank you for letting us come to the Sports Day party. I liked playing and learning and thank you for the free donated food. Can we come see you guys again?"

- Boys & Girls Club members try their hand at canoe paddling and learn about teamwork.
- (2) Outrigger Canoe Club volunteers (in yellow) help the kids hone their volley ball setting skills.

Second Annual Duke Ho'olaulea

ODKF board member Jim Fulton spearheaded the second annual Duke Ho`olaulea in Waikiki. Partnering with the City & County of Honolulu, Duke's Restaurants, Pictures Plus and other groups, events included a lei draping ceremony at the Duke statue, the City & County's Brunch on the Beach, and a variety of water sports competitions throughout the weekend.

- Gretchen Duplanty and Pamai Tenn get ready for the lei draping ceremony.
- (2) Surfers use their long boards to present leis for the draping of Duke's statue.
- (3) Happy Birthday Duke! August 24, 2003.
- (4) Mayor Jeremy Harris and the Outrigger Canoe Club's winning entry in the 2003 Waterman Challenge.

Samantha Moran trains for her first collegiate swim season. She writes, "Colorado is beautiful. I did make the swim team, my first meet is coming up, this is going to be INTENSE.

Kristin Simmovich made several person-Dartmouth College swim team. She also garnered academic All American recognition with a 3.44 gpa majoring in anthropology. In her spare time she founded the Dartmouth "Teach College Students racial issues & was a keynote speaker for National Women In Sports Day:

Hawaiian Island Twisters host Gymnastics Regional Championships in Honolulu. The girls welcomed fellow gymnasts from Alaska, Idaho, Washington and Oregon with the aloha spirit.

Garrett McNulty served as his HS swim team captain & was voted "most valuable" four years in a row. All this while maintaining a 4.054 gpa in an advanced placement course curriculum. He says of his future, "I plan on becoming a swim coach. . . I wish to take a few swimmers to the top.

Jasmine Spencer, swim team captain in her senior year at Campbell HS, will pursue a career in neonatal nursing and physical therapy.

Rhonee Rojas, a walk-on to the highly touted Penn State's volleyball program, saw considerable action his first two years. Coach Pavlik says, "Rhonee is a true utility player - outside hitter, defensive specialist, libero, one of those guys if you need something, he is there. Rhonee is pursuing a career in the health field. He serves as a student-athlete mentor to 25 fifth graders at a local school in Pennsylvania and teaches swimming to children at a Honolulu YMCA in the summer.

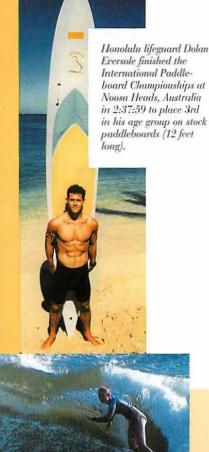

Christel Simms runs for the finish in the Surf & Sea Cup 1 mile swim.

Tom Sanford garnered 23 victories in individual erents, contributed to 7 relay victories & broke the Dartmouth's record in the 200breast stroke (2:03:09).

Kori Ann Haymore of Olin Engineering College in Massachusetts was one of two winners in a national Student Visions essay contest sponsored by the Federation of American Scientists. Her essay, "Math Animations", describes a curriculum in which animated characters teach math concepts allowing teachers more time to spend on personal student attention.

Deron Verbeck now ranks 3rd in the world of competitive free diving after his successful showing in Limassol, Cyprus. Additionally, he achieved a new US record in the Static Apnea event by holding his breath for 5 minutes and 51 seconds.

THE PURPOSE of the Outrigger Duke Kahanamoku Foundation is to financially support the development of individuals and organizations that perpetuate the spirit and legacy of Duke Kahanamoku. • ODKF accomplishes this by encouraging athletes and scholars whose endeavors will contribute to the growth and development of athletics in Hawai'i; supporting athletic events and participation by teams and individuals in local, national and international competition; supporting individuals in furthering their education; and assisting in preserving, perpetuating and developing sports which have a special cultural or historical significance to Hawai'i.

BOARD DESIGNATED FUNDS

There are seven ODKF Board Designated Funds.

Muriel Macfarlane Flanders Fund: established by Muriel Flanders to support water sports in Hawai`i, to perpetuate the Macfarlane Fourth of July Regatta, and to honor the accomplishments of Duke Paoa Kahanamoku. Earlier this year ODKF mourned the loss of this most gracious lady. Through this Fund her legacy will surely endure.

Terrence McCarthy Fund: established by Terrence McCarthy in memory of her husband Edmond McCarthy, who firmly believed in the combination of athletics and education. Mrs. McCarthy honors her husband by supporting Hawaii's top scholar athletes.

Tom "Daddy" Haine Fund: established in 1994, funds support the sport of volleyball in Hawai'i. Haine was the captain of the 1968

U.S. Olympic men's volleyball team. He was an 18-time USVBA All-American and in 1991 was inducted into the US Volleyball Hall of Fame. He was a member of the original Outrigger Foundation that later merged with the Duke Kahanamoku Foundation to form ODKF.

Kala Kukea Fund: established in 1996 and named for one of Hawaii's top overall water sports man. Kukea touched the lives of many young athletes in his short 52 years on earth. He was an outstanding competitor, coach and role model. In 1996 he posthumously received the Hawaiian Canoe Racing Association John DeRego Perpetual trophy for service to the Association and to the Molokai-Oahu canoe race.

Cline Mann Fund: named for John Cline Mann, a superb water sportsman who died in 1996. He was captain of his Dartmouth College swimming team, an avid small boat sailor, and a strong promoter of paddleboard racing. Grants from this fund help to support the annual Cline Mann Paddleboard Race. Cline Mann was also a member of the original Board of Directors of the Duke Kahanamoku Foundation (DKF) that was founded in 1963. He played an instrumental role in the merger of DKF and the Outrigger Foundation to create the present Outrigger Duke Kahanamoku Foundation (ODKF).

Thomas Arnott Fund: established by Marian Arnott in loving memory of her husband who was a great supporter of both OCC and ODKF. Tommy Arnott, a masterful surfer, was also recognized for competing in canoe races with Duke Kahanamoku. As teammates they beat all their competition in the early 1940's. Consequently this fund supports interscholastic canoe paddling in Hawai'i.

Henry Ayau Fund: established in memory of this renowned athlete and his legacy. A "Moloka'i Boy," Henry excelled in life as a businessman, sportsman and community servant. An exceptional athlete, Henry was a noted baseball player, surfer, canoe paddler, and worldclass free diver. Many viewed him as a modern day "Ambassador of Aloha." Henry's untimely death last year left us with heavy hearts. Our lives were so enriched by his smile, good nature and enduring Hawaiian spirit.

ODKF awards grants to athletes, teams, scholar-athletes and sporting events in the name of the above listed funds. We thank the families who have made these grants possible.

GOLD MEDALISTS

The Gold Medalist program began in 1990 as a way to acknowledge those who have contributed \$1,000 or more to ODKF in a given year. We are pleased to announce there were twenty-three Gold Medalists for the 2002-2003 year. (See list on page 7.)

Gold Medalists receive a gold medal replica of Duke Kahanamoku as a token of the Foundation's appreciation. They are also honored at the Annual Mahalo Luncheon.

FINANCIAL REPORT

The financial statements for the ODKF as of and for the year ended September 30, 2002, were reviewed by Pricewaterhouse-Coopers. These financial statements are available to our members by request.

A report has been developed on the foundation's un-audited financial results for the fiscal year ending September 30, 2003. These financial statements are now being reviewed by PricewaterhouseCoopers. When that review is completed in January 2003, they will be available to members by request.

Foundation income came from donors who specify an amount be charged to their OCC account, as well as those who make cash contributions. Additional funds were raised through activities connected to the Duke Ho'olaule'a and royalty payments from TS Enterprises (Duke's Restaurant) and Malama

Scholarship grants for the year totaled \$27,000; athletic grants for the year totaled \$27,680.

If you would like additional financial information please contact any member of the Board of Directors.

BRAVE WOMEN MEMBERS TO VISIT DARKEST AFRICA. A safari organized to visit Africa is virtually an OCC venture. Among the brave women are: Mrs. Louis Baron, Mrs. Oscar J. Burnett, Mrs. Tony Guerrero, Mrs. Nat Norfleet, and Mrs. Albert K.B. Lyman. Kenya, Mombasa, Zanzibar, Nairobi, the Congo, the Nile - it all sounds thrilling and we hope one of the wahine writes us a long story about it. How about it, Peaches, or Aimee, Claire or any or all of you? Our members would like it.

Below are but a few of our welcome guests from reciprocal clubs: Colonel Charles K. Lindbergh, New York; Mr. Rocky Marciano, World's Heavyweight Champion, Brocton, Mass., and Miss Jane Russell, R.K.O., Hollywood.

45 Years Ago 1959 Ronald Q. Smith, President

Liberace's famous violin playing brother George paid the Outrigger Canoe Club a visit in between a tour of island performances that included a Christmas show at the Hansen's disease center at Kalaupapa on Molokai.

Dale Hope Wins Paddleboard Race-off. To determine the best OCC paddler, a race off was held December 2 with Dale Hope coming out top man. His time was 29:40. The prize for the race was the privilege of using the new OCC paddleboard in the Waikiki Ocean Race on December 30. The board was shaped by Joe Quigg (fiberglass by Boscoe Burns) and conforms to the new class rules set up by OCC which call for an overall length not to exceed 12 feet, with weight not less than 20 pounds. Others who competed in the race-off were Donny Mailer, Paul Manaut, and Jay West.

10 Years Ago 1994 Chuck Swanson, President

Six Outrigger paddlers are members of the first Hawaii women's team entered in the Thailand International Swan Boat Races, Asia's famous boat-racing competition. Nicole Wilcox, Lisa Livingston, Tia Payes, Cathy Ho, Kristen Spengler and Missy Mowat have been practicing on the Ala Wai with the Hawaii team learning to paddle on one side only. The Swan Boats are similar to Chinese Dragon Boats and entirely different from our outrigger canoes. Good luck girls.

ReciprocalClubReview

By Valerie Davis

A recent addition to our list of Reciprocal Clubs, the Hilo Yacht Club is a favorite of many Outrigger members. The club was organized in 1913 by a group of Hilo gentlemen as a social club to "promote aquatic and other athletic sports and pastimes".

Through the early years it had several locations, finally ending up in 1939 on 2.84 acres of beautiful ocean front land in Keaukaha. Unfortunately the 1946 tsunami washed it all away and many members departed Hilo after that also. But 49 hard core members personally guaranteed the mortgage and rebuilt the current clubhouse in the same location.

Today the club offers year-round social and recreational opportunities with some of the Island's finest dining, all in a relaxed elegant atmosphere. The focal point of activity revolves around the spacious oceanfront pool; there are also three tennis courts, a black sand volleyball court, and beautifully manicured grounds. Interestingly enough there are no boats or mooring facilities.

The beautiful dining room serves lunch Monday-Friday and dinner Tuesday-Saturday. In addition there's a grill window open daily from 11:30 a.m.-5:30 p.m. and the Bar which is open every day from 11:30 a.m. to closing.

Banquet rooms are available for meetings, parties and special events. Bathing suits and tank tops are not permitted in the dining room at any time. Shirts with collars are required and shorts may be worn at lunch but not for dinner.

Gratuity of 15% and Hawaii Excise Tax is added to all checks but additional tipping is permitted. The club will accept cash or credit cards in payment, and if necessary will bill back to OCC. A letter of introduction is requested.

Several OCC members, including Wendell Brooks and Lisa Livingston, have spoken very highly of this club and would recommend it to all of our members traveling to the Big Island for business or pleasure.

"Winners' Camp is one of the best investments we made in our son, Koa. The parent day seminar was worth the tuition in itself! Every family can use the tools taught at Winners' Camp to get through the challenging teen years".

"One of the most significant lessons I learned at Winners' Camp is that 'We cannot escape the results of our actions, we get what we give'. I have been given so much and I want to give back to my Island community by becoming a Psychologist and work with teens and their families".

YOUR OUT OF TOWN VISITORS - OUR WELCOME GUESTS

Employee of the Month

Our Employee of the Month is a newcomer to OCC, but one who has made a quick, positive impression. Described as very talented, helpful, and hardworking, Zaldy (Rizaldy) Alconcel can be seen at the Sunday Brunch omelet station, cooking to order. Besides brunch he works at dinner, although you can't see him then.

His title is kitchen fry prep cook, but he does the broiler, sauté and pantry. He's a very versatile guy. Sometimes he cuts the sashimi and the tako. He came to us one year ago, having formerly worked at the Sheraton and at Keo's.

Zaldy left the Philippines 10 years ago, and is now an American citizen. He lives in Kapalama and has family members in Hawaii.

We like to give you little known facts, and here is a good one: Zaldy is the Captain of a basketball team composed of OCC staff, and they practice every Monday night. They play on public courts, sometimes on the Paki courts, so if you go by there on Monday night, stop and watch your waiters, bus staff, and cooks, working out.

Board Briefs

Board Briefs is taken from the minutes of the November 20, 2003 meeting of the Board of Directors. The November Executive Committee meeting was canceled.

General Manager Search: Thirty-six resumes were received for the General Manager position. Personal interviews were completed on four candidates with two candidates selected for the final interview for the General Manager's position. The final two interviews will be on December 8, 2003 with the recommended candidate's name submitted for Board approval at the December 18, 2003 Board of Directors Meeting.

Treasurer's Report: The 2004 Annual Budget was adopted. The Board approved the following dues & locker fee increases effective January 1, 2004: Senior, \$56.50; Regular, \$113.00; Intermediate, \$78.25; Associate (parent member) \$12.00; Associate (parent non-member), \$17.50; Junior (parent member), \$12.00; Junior (parent non-member), \$17.50; Service, \$78.25; Student Inactive, \$6.25. The new Annual Nonresident dues will be as follows: Under age 18, \$52.50; Age 19 through 29, \$234.75; Age 30+, \$339.00. The Board also increased fees for the Men's & Women's Locker Rooms as follows: Extra Large \$20.35; Large, \$15.35; 2-Tier, \$13.70; 3-Tier, \$11.25; Rental Lockers, \$4.15. Junior Locker Room rates will be: Regular, \$13.30 and 2-Tier, \$7.15. Surfboard Lockers will cost: Single, \$8.95 and Double, \$12.90. Boat Lockers will be \$16.90.

Judges of Election: The Board approved the following to serve on the Judges of Election Committee: George Norcross, chairperson; Norman Ho, Mark Johnson, Mary Smolenski, Dennis M. Torres, Laurie Callies, Peter Balding, Carolyn Corrigan, Pat O,Connor, Libbie Kamisugi, John A. Lacy, Tay Perry, Dean A. Eyre Jr., James K. Anderson.

Annual Meeting: The Annual Meeting will be held on Monday, February 23, 2004 at 5:30 p.m.

Boy's & Girl's Club Water Sports Day: The Boy's & Girl's Club Water Sports Day will be on April 10, 2004. There will also be hub events including surfing, volleyball and paddling, which will be sponsored by the Winged "O" members and scheduled throughout the year.

Secretary's Report: The Board voted to suspend two members for 15 days and to terminate their memberships if their accounts are not paid in full by the end of the 15-day period. One member was automatically terminated, due to his account being delinquent four times during a 12-month period

General Manager's Report: October was a good month for the Club coming in at \$54,020 better than budget. However this good result is primarily the result of unusual items and timing differences. . . Beef prices on the better cuts of beef have risen 50% within the past month and are expected to remain at a high level for some time. Management is making changes in the back of the house to offset a portion of this increase and are making moderate price changes to the breakfast buffet and Sunday dinner buffet, and increasing the price of coffee to \$1.50. The price of coffee in the Snack Shop will remain \$1 and there will not be a price change in the Family Buffet. Even with these price increases, the Club will still be facing high food costs over the next few months. To help offset this increase in food cost we will be tightening up on payroll and other expenses both in Food and Beverage and other areas of the Club.

Admissions & Membership Report: The membership count was 4,676 as of October 31, 2003.

Building & Grounds Report: Richard Andrzejewski, the Maintenance Director, resigned.

Long Range Planning Report: The Board requested that the Long Range Planning Committee study the initiation fee structure and make a recommendation of any increases to the Board of Directors by the January 2004 Meeting.
