OCC's Hollywood Night

Chef Initiates Menu Changes in Dining Facilities

Outrigger's new chef Manfred Pirscher, along with Food and Beverage Manager Don Figueira and Dining Room Manager Liz Ventura announce a number of changes to the menus in the Dining Room, Hau Terrace and Snack Shop.

A new Hau Terrace Dinner and Pupu menu went into effect in December, featuring 12 entrees, including pasta dishes, that are sure to please the vegetarian and health conscious.

New to the menu are Spaghetti with Meatballs, Linguine Prima Vera, Cheese Ravioli

Neptune, Garlic Sauteed Shrimp, Honey Stung Fried Chicken, Ground Sirloin Steak Madagascar and Broiled Breast of Chicken.

OCC favorites that were retained on the menu include Sauteed Mahimahi, OCC Style; Roast Prime Rib of Beef, Au Jus; OCC Surf and Turf (Mahimahi and Petit Filet), the Catch of the Day and OCC Club Steak.

Entrees range in price from \$7.95 to \$17.50. There are eight entree choices for children starting at \$5.25.

In early January, the new Dining Room dinner menu went into effect. The new menu features eight entrees:

four combination dinners, the fresh catch of the day and several daily specials. New items include Broiled Lamb Chops with Mint Jelly, Garlic Sauteed Jumbo Shrimp and Broiled Breast of Chicken to name a few. The prices are mostly under \$20.

The new lunch menu for the Hau Terrace and Dining Room are tentatively set to start in mid-February.

Surf Cart

Beginning in February, the Monday Night Surf Cart was replaced with the Hau Terrace Dinner/Pupu menu.

"The idea is to offer the members additional menu choices," Figueira said. "The popular Beef Stew and Rice will still be available and will be served to you by your waithelp."

Sunday Breakfast Buffet

The Sunday Breakfast Buffet now offers Belgian Waffles and Pancakes made to order in addition to the existing Omelettes, Fresh Fruits, Danish and Pastries, Fruit Juices and hot selections.

Sunday Night

The full dinner/pupu menu is now available on Sunday night on the Hau Terrace. The Sunday Prime Rib Buffet is also available on the Hau Terrace.

Snack Shop

The Snack Shop now offers the natural energy drink Carbo Force; the fat burning formula Cutting Force; a high protein Chocolate Shake; the high energy Edge Bar; the high protein Steel Bar; the athletic energy Power Bar; and the protein rich Tiger Milk Bar.

If you haven't dined at the Club recently, plan to do so soon. Not only does our Dining Room look great, but the food tastes great. Make your reservation soon. ☺

As the Terrace Turns

Outrigger members **Levi Stanley** and **Aileen Riggins Soule** have been named to Halls of Fame for their athletic achievements. Levi was inducted into the University of Hawaii Sports Circle of Honor and Aileen into the Senior Athletes Hall of Fame.

Levi was honored for helping the Rainbow football team pull off one of college football's biggest upsets of the 1973 season—a 10-7 victory over Washington in Seattle.

The Bows were 50 point underdogs in the game and Levi led an inspired defense that completely shut down the powerful Huskies. He still holds the career record for tackles (366), a remarkable feat for a defensive tackle. He went on to play pro football in the World Football League.

Aileen joins five other women and two men in the 1996 class that was inducted to the Hall of Fame in Bradenton, Florida. At age 14, Aileen won the gold medal for springboard diving at the 1920 Olympics. Four years later, she became the only woman in history to win medals in both diving (silver) and swimming (100 backstroke, bronze).

Soule set AAU records in swimming and diving and starred in Billy Rose's 1937 Aquacade. As a masters swimmer, she holds world 85-89 age group records in the 50, 100 and 200-meter freestyle and backstroke.

Congrats to both.

Guido Salmaggi writes from his winter home in Florida that he will sing the "Star Spangled Banner" for former vice-president Dan Quale on March 11 and the former

Governor of New York, Mario Cuomo on March 23. In December, he was honored to sing for former General Colin Powell. He misses Hawaii and looks forward to returning.

Jan Newhart, winner of the OCC Photo Contest, reports that she got a second place in the black and white abstracts in the Sierra photo contest. It was published in the November-December Sierra magazine.

Members who just happened by the Club on December 14 were treated to an exceptional performance by Joy Enriquez, a 10-time winner on the national television show, Star Search. Joined by her sister, Tiffany on a number of songs, Joy put us in the festive Christmas mood and shared many old and new popular favorites. She even dedicated two

Mary E. Sterling hosted a brunch in late January for two friends who are mural artists. George James and John Dinsmore, both formerly of the Big Island, now reside in Honolulu. . . **John Beaumont** hosted a large party of 34 for the Air National Guard. It was their gold banquet, and among the guests were two visiting Guardsmen from Louisiana. They awarded trophies, held a program, and according to John, DID NOT tell gold jokes.

Ed Sultan entertained his wholesales reps from both the mainland and Hawaii at the Club. They were 20 strong in the A & B rooms for the Sunday Buffet and thought the whole evening, including the view, was gorgeous.

Laurel & Charlie Schuster had a humongous BMW car club of Hawaii dinner meeting in the main dining room on Jan 21. Forty-eight were in attendance for a general

Enjoying the Christmas Party for Members were Ron Sorrell, Fred Lowery and Bill Cook Sr.

Bryce Word and Cutter Rolles ruled the slopes in Aspen for a month this winter; their specialty being tight tree skiing. Unsuspecting souls who tried to follow, soon found themselves picking bark out of their teeth.

meeting, nominations for officer and elections, and the usual. **Linda Laine**, new OCC member and mother to Laurel is the newly elected President.

Cathy Cooper reports the Descendants of the Mayflower Association had a great time at their annual meeting. Special guests were Dr. & Mrs. Dr. Stanford from Sacramento who spoke to them about colonial medicine.

Linda and Daryl Kan, proud parents of one year old Carli Kan, had a special visit from two great grandparents and one grandmother who came from the mainland to help celebrate the important event.

More praise for Our Liz from **Richard Goh** who says his guests received a tremendous first impression of Hawaii. He and his hardworking search committee from St Andrew's Cathedral had a lovely dinner at the water's edge with the sunset and good vibes.

Dede and Barron Guss held a happy/sad family observance to observe the traditional Jewish one year unveiling of the headstone of Bill Guss. Dorie Guss, his widow was among the large party of 27 family members who came to be together. Dede says Bill would have been pleased for them all to be together. It was a special time of remembrance for them and they were happy to be at OCC.

This is the nicest of all, OCC treats for those from Waialae Country Club. Item #1-**May Ray Kahanamoku** held a luncheon for 20 members of her Women's Golf Division Board from Waialae. Besides that, it was a "special birthday" for May Ray, and instead of receiving gifts, she had a gift for all of her board. What a treat.

More Waialae's come to OCC item #2- **Greg Nichols** had a dinner for 21 of the staff from the Golf Shop at the Country Club. It was also an aloha dinner and OCC members Speicher, Vivas, Urquhart, among others, came to bid adieu to Scott Head, moving to Princeville. Greg described the evening as beautiful, clean air after the rain, and a "Great Job LIZ". Well, now you know where people from Waialae come for a good time.

Dachshund anyone? **Ken Brown** is the President of the Dachshund Club and he and 25 other dog lovers united to meet and eat and talk long dog talk in the A & B private dining rooms. It was their annual meeting. Ken's purebred is named Lisee Brown and she is a champion miniwire (hope we have all that spelled correctly).

Dr. Ron Thoman and fellow dentists held an Excel Study Club meeting at dinner for 25. They enjoyed their educational lecture and of course, the lovely dinner.

Patty Gesser came together with a "gathering" of friends, 12 in her party, just to order off of the new menu and enjoy a visit. She said the next day so many of the group called to compliment her, it was a most successful party and it was "for no reason at all", so anytime is a good time at OCC.

Diane Stowell, secretary of the Outrigger Duke Kahanamoku Foundation, hosted a large cocktail/pupu party for the Royal Hawaiian Rowing Challenge in early January, during the five day event held on the Ala Wai. It was the second year

for the Challenge, with 13 crews participating. At the party, Senator Les Ihara, Councilman Duke Bainum and the members of the Japanese Consulate were present because Kyoto, Japan sent a rowing crew. **James Baker**, son of **Frank Damon** and **Kainoa Li**, son of **Ron Li** were both local participants in the event, putting together a local team to compete. Kainoa rowed while in college at Santa Clara, and Jamie is on the team at Cambridge. Jamie was home for the holidays and was the first OCC finisher in the Honolulu Marathon.

Happy 13th Birthday to **Ryan Markham**, Punahou student and Jr. Rigger who wrestles, plays softball, surfs and plays soccer. Now that he's a teenager we may see more of him on our OCC teams.

Hot off the press is **Arthur Goodfriend's** new book, *What Everyone Needs to Know About Alzheimer's*. For a copy, leave your name and address at the Front Desk. A tax deductible contribution to the Alzheimer's Association covers the cost. ☺

Contributions to this column are always welcome. Leave items for the Editor at the Front Desk, fax to 833-1591 or send e-mail to OCCMag@aol.com.

Former presidents of the OCC gathered for the Past Presidents Lunch on December 15. Attending were, seated, Ron Sorrell, Bob Moore, Ward Russell, Cline Mann and Thad Ekstrand. Standing, Dan Williamson, Chuck Swanson, Roy Kesner, Bob Arnett, Mark Buck, John Goss, Rab Guild, Wendell Brooks, Peter Balding, Ben Cassiday, Walter Guild, Jim Peterson and Bob Anderson.

Ron Li Named Club Captain

By Gerry DeBenedetti

OCC has a new Club Captain, and Ron Li is the Volunteer of the hour. Ron was formerly our Captain in 1988 and 1989, he later served on the Board and was Coordinating Director for Athletics and the Historical Committee. He is surely welcomed. Not only does he follow in his own footsteps, but has the highest praise for his successor/predecessors Bill Bright, Liz Perry and Greg Moss.

We all know it is a big job, but Ron's goal for this year is to make it easier so parts can be delegated. He has seen a significant growth in both size and excellence in OCC sports since 1990. This year he wants to focus on improving programs.

At the subcommittee levels, we have more than 100 dedicated members working on the 1996 agenda for their respective sports

and Ron needs them all to have a winning 1996. He also wants to encourage those active in one sport to try another.

"We have great facilities and great inspiration in role model athletes. We need to overcome our shyness and try. Everybody was once and can be a beginner again," he said.

Ron joined the Club in 1979, but remembers the "old days" of 85 pound redwood boards that weighed more than he did, and he remembers Duke surfing in a one-man canoe.

A graduate of Punahou and Santa Clara University (surfing Santa Cruz on a balsa board), he spent some time in the Army before marrying his college sweetheart Patti. They lived in California next to the beach volleyball courts while he worked on his MBA at USC.

They came back to Hawaii nei to join Castle and Cooke. He works now in residential mortgage financing, working with home builders on their

new projects and counseling first time home buyers.

Ron and Patti, who is a former Punahou art teacher and now a DOE educational evaluator, have three grown children who are all OCC members. Son Kainoa's activities have included the 1990 U.S. Karate team, captain of the Santa Clara University Crew team, and in January he worked with the Royal Hawaiian Rowing Challenge event on the Ala Wai.

Son Stevie is the OCC Volleyball Committee chair. He has been to U.S. National competitions and played volleyball at USC. Now a law student at UH, he continues to coach young people.

Daughter Katrina graduated from both Santa Clara and UH Law School. She now lives in Santa Clara and is married.

With all that water and volleyball in this family's veins, OCC is truly lucky to have someone of Ron's expe-

rience and ability and dedication come back to Club Captain.

He wants to give credit to all of our quiet, dedicated OCC members who make things happen. Ron recognizes this as the OCC tradition that makes this a great family athletic club. He thinks the inter-generational activity and competition we all share at Club events is important. Things like father and son competing in the same swim race, volleyball partners of different age groups, and a young paddling coach for a master's team are OCC strengths that Ron wants to build on for 1996.

Captain Ron, we're with you in 1996. Imua! ☐

Party Perfect at the Outrigger

By Valerie Davis

When you think about planning your next dinner party, why not think about having it at OCC. The beautiful Dining Room, which can still be considered "new" really lends itself to special events, both large and small.

The innovative cuisine of Chef Manfred Pirscher, combined with the talents of Don Figueira, Food and Beverage Manager, and Liz Ventura, Dining Room Manager, take all the stress out of it for you. These people are professionals, trained to handle every detail for you whether it be a small luncheon, large pupu party, buffet, sit down dinner, or even a wedding reception. This can make the difference between enjoyment of your next party, or being exhausted by it.

Select Your Room

If you wish to reserve one, or all, of the smaller rooms on the Diamond Head side, you may do so. It takes a minimum of 10 to do this, with a maximum of 80 for a sit down function and 125 for a stand up.

Any combinations within these numbers can be handled. These rooms can be reserved for lunch on Tuesday through Saturday and for Brunch on Sunday.

If a large party is your plan, then please keep in mind that you can reserve the entire Dining Room for Monday lunch or dinner, and on Saturday

for lunch only. Using this plan, you can have 200 for a sit down meal, and 300 for cocktails.

A possible plus in utilizing the entire Dining Room is that different rules apply—such as allowing your guests to smoke if you wish.

Continental Breakfast

Another option is a continental breakfast meeting. This can be handled any day of the week, except Sunday. The Club can also provide audio visual equipment for you and build the charges right into the total bill.

Select Your Menu

When it comes to dining and beverage choices, Liz and Don can come up with anything you desire. You may designate what you wish your guests to have—or give them several options from the menu—or even the entire menu if you wish.

This is true anytime you bring guests to the Club for dinner. You may pre-order anything on the menu for your guests—or have special menus made up for your table, deleting certain items you may want to delete.

Wines and drinks can be chosen, even those not on the wine list. Don will be happy to check availability and pricing for you.

Under no circumstances shall any minor be permitted to stand or be seated at the Bar.

PRIVATE PARTY FACILITIES

Exclusive use of the Main Dining Room (Mondays and Saturday afternoons only) and adjacent private rooms may be available to a Club member or members of a group sponsored by a Club member with prior approval of the General Manager. ☺

Party Perfect

Continued from page 6

Many times, especially in a business function, members are concerned about beverages. Please keep in mind this problem can be handled by use of a cash bar—as long as one of the attendees will be in charge of the script. You can be assured that the servers will only offer what you have ordered—from a full open bar to just wine and soft drinks.

Select Theme, Color Scheme

You can organize a particular color scheme or theme—possibly enhancing it with a specific ice carving. If the Dining Room linens, dishes and stemware are not to your liking for your particular event, then discuss it with Liz. She will be happy to price in anything else you may need.

In other words, the Club can handle anything that most major hotels in town can do. Naturally, the Club has similar rules to hotels. Anytime you pre-order, a guarantee must be turned in to Liz at least 48 hours in advance and you will be charged for that guarantee.

Just let Liz, Don and Chef Manfred know what you really want and what price parameters you have and let them do the rest. The more information you give them, the easier it is for them to help you. These three energetic people make up our Catering Department and will do everything in their power to make your next event a perfect plan.

Happy Hosting! ☺

Mark Sandvold and Mark Rigg Win Winter Race

By Bill Bright

On Saturday, January 24, the Outrigger Canoe Club sponsored the annual eight-mile Hawaii Kai to Outrigger Kayak and One Person Canoe Race. Race conditions were good, despite a falling tide, with following seas and surfable ocean swells.

One hundred and fifty-nine competitors completed the race.

In the Kayak Division, OCC member Mark Sandvold who hadn't competed for the last few years, overtook fellow member Marshall Rosa, who had come out of retirement for this event.

In the Canoe Division, Mark Rigg narrowly edged out Courtney Seto to lead a sweep of the top five places by OCC canoeists.

Fashion Show

By Gloria Keller

The annual Princess Kaiulani Holiday Fashion Show was a total sellout as predicted. There was such a demand for reservations that tables were set up on the Terrace so Club members and their guests would not be disappointed and could be a part of this traditional event.

The 12 models made a special effort to stroll all areas of the Club so everyone could see up close the Princess Kaiulani fashions spanning the casual look to formal wear.

On behalf of the Entertainment Committee, a big mahalo to Joan Andersen, Princess Kaiulani Fashions, and the decorating committee for the decor which created the magnificent backdrop for this successful show. What a perfect way to kick off the holiday season.

If you are one who likes to plan ahead, here's the date for this year's PK Holiday Fashion Show—December 6. Mark your calendar for I promise you it will sell out early. ☐

Sisters Gloria Keller and Grace Mary Lawson enjoy the show with their sister Patricia Callander visiting from Menlo Park, California.

Jill Andersen Cullinan modeled along with her twin daughters Jean and Leigh, and niece Hama Harrison.

From March 1 to May 31, 1950, there was a special membership offer: the initiation fee for regular members was cut from \$300 plus tax to \$150 plus tax. Also old-time members who had dropped out could apply for membership at \$100 plus tax.

More than 10 teams signed up for the six-man open volleyball tournament played Sunday mornings in February and March, 1950. The champions (5-0) were Billy Cook's (Capt.) team: Clarence Philpotts, George Bates, Bill Baird, "Dad" Center, Lloyd Chriswick, Bob MacDonald, Richard Patterson and Neal Iversen. Bob Dolan's (Capt) team was second (4-2): Tommy Thomas, Hank Auerbach, Bill Beers, Clyde French, Tommy Kiakona, Pat O'Conner and Dick Watkins.

Stretching Part One

By Sherry Gannaway
Body By You!®

Aloha. You've had a couple of months to really get going on your strength training program. In fact, you should be a little stiff by now and ready to start your flexibility training.

Before we start, let me explain why stretching is important, the different types of stretching and how to use joint isolations anywhere, anytime of day, to stay loose.

Flexibility by definition is a joint's ability to move freely within its normal range of motion (ROM). Many factors limit your joint's normal range of motion, such as, tight unbalanced muscle groups, poor posture and lack of movement.

Stretching is one of the best methods to ensure full ROM and keep joints healthy. The benefits range from enhanced athletic performance, to decreased lower back pain and stiffness. These are great reasons to start and continue a sound stretching program.

There are three types of stretches—static stretching, ballistic and Proprioceptive Neuromuscular Facilitation (PNF). I will explain each type further in Stretching Part Two. For now, our program is based on static stretching.

The Joint Isolations, i.e., shoulder rolls, pelvic tilts and slow neck movements are truly priceless moves. They are the foundation for all types of stretching and ensure good quality ROM. Practice joint isolations anywhere, anytime—all day to stay loose.

Let's Stretch: Total running time 45 minutes.

Warm-Up Time: 10 minutes

Start on a cardiovascular machine if you are in the gym, or walk in place and step together if you are training at home. Move your arms out together, reach and pull. Raise arms above your head and drop back down. Breathe. After 7 to 8 minutes, return to Neutral Strong Stance. Repeat hip, shoulder and neck isolations. Finish with a full body contraction, i.e., reach your hands above your head, breathe. Slowly, with a bent knee, touch toes. Exhale slowly and return to neutral.

The Program Time: 25 minutes

Stretch #1 Cat Curls

Position: With your towel on the floor, go to your hands and knees. Stay square, keeping your elbows slightly bent and abdomen in. On the exhale, slowly tilt your pelvis forward and back. This move resembles a cat curling and stretching. Go slowly and hold the move four counts in each tilt. Repeat eight times.

Stretch #2 Lunge Stretch

Position: Place one foot back with the heel lifted and one foot forward. The knee should not go past your toes. Make sure feet are parallel and hip width apart. From this position, tilt your hips forward, keep chest up and abs in. You should feel the stretch throughout the front of the hip. Breathe and squeeze your abdomen. Press back and forth four to eight times. On the last count, hold forward 30 to 45 seconds. Repeat these moves with the other leg. Return to neutral and circle the pelvis three times one way, then three times the other.

Stretch #3 Quadriceps Stretch

Position: Stand in Neutral

Strong Stance. Lift one foot up and grab your leg just above your ankle. Bend the supporting leg, keeping the chest up and abdomen in. Breathe and direct your knee toward the floor.

Note: Don't bring your foot toward your butt. Leave a little open angle in the knee and press toward the floor. Hold for 30 to 45 seconds. Release, then repeat same leg. After the second hold, return to neutral. Switch legs and repeat in same order.

Stretch #4 Hamstring Stretch

Position: Stand facing a low bench or chair. Place one leg on the bench. Bend the supporting leg and make sure it is squared (not pointing out). Flex your foot back toward your knee cap. Push your hips out to anchor the hamstring insertion. With the chest lifted and the back flat, slowly on the exhale of the breath, bring your body forward, without rounding your back. Hold 30 to 45 seconds. Return to neutral, then repeat with the same leg. Repeat with other leg in same order.

Cool-Down Time 10 Minutes

Position: Return to Neutral Strong Stance. Review all of the Joint Isolations. Start at the feet with heel and toe lifts. Slowly go to knees, hips, spine, shoulder and neck. Finish with two to four full body contractions. Breathe and return to neutral.

In closing, stretching may cause slight micro tears as you elongate the muscle fiber. Remember to ice for three to five minutes when initial soreness sets in. When you stretch, always go slowly and take deep full breaths. As you exhale, tighten the abdomen to protect your back. Happy Stretching. ☺

OCC Locker Room Procedures

One of the best reasons to be a Club member is the locker room and shower facilities that are available after swimming, running, paddling, volleyball, lifting or whatever athletic endeavors you enjoy.

Lockers are available in the Senior Men, Senior Women, Junior Boys and Junior Girls locker rooms for permanent assignment or day use.

Getting a Locker

Club management maintains a waiting list of eligible members who want lockers. Lockers are offered in turn to the top name on the list, regardless of their permanent membership classification.

Locker Preference

When available, a locker will be offered to the first name on the list. If the person does not choose that particular locker, their name will be returned to first on the list, and the locker will be offered, in turn, to the next waiting person until someone selects the available locker.

If you wish to take the locker temporarily, but prefer another locker size, you may have the available locker and your name will be maintained first on the waiting list for a locker of your preference.

When changing from Junior (under 18) to Senior status (over 18), you may temporarily retain your junior locker until a senior locker is available.

However, you must put your name on the senior locker waiting list. If the senior locker that becomes available is not your preference, you must take it in order to leave the junior locker room. Your name will be retained on top of the senior waiting list for a locker of your preference.

Change in Membership Status

Once you have obtained a locker, it is yours to use, regardless of your change in membership status from Associate to Regular or Senior as long as you use it and respond to non-usage correspondence described under the section on retention of lockers.

If you were a resident and become a Nonresident A, you must give up your locker when you change your status.

If your membership is terminated for delinquency or other reasons, your locker may be retained in your name for 90 days (three months) giving you the opportunity for reinstatement.

If you are reinstated within 90 days, you will have your locker. After 90 days, your locker will be emptied and released to another on the waiting list.

If you are later reinstated, you will have to place your name on the bottom of the waiting list. You will not have a preferred waiting status.

Retention of Lockers

Use of a locker is a privilege. Non-use of a locker can be grounds for revocation of that privilege.

On January 1 of each year, a letter is placed in each locker inquiring if the rental occupant still wants to retain that locker, and if so, to return the letter of intent to the locker attendant.

On April 30 (after four months), all lockers are opened and those rental occupants with the intent letter still inside, will receive a letter from the manager requesting release of the locker due to non-usage, or a statement in writing of the occupant's wish to retain the locker.

Those who have not responded to the Manager's letter by June 30 (after two months), will have the contents of their locker removed and disposed of and locker fees will be deleted from their Club bill.

Locker Name/Occupant

The occupant of the locker is indicated on the locker list and is the person billed for the locker. You may have only one locker.

A spouse holding a "Special Guest Card" may have a locker. It is billed to the permanent sponsoring member's account.

The names of other Club members using your locker on a shared basis must be supplied in writing to the attendant or the key to the locker will not be released to those members. The person assigned to the locker is billed for the locker.

Sharing is encouraged but by personal arrangement. If there are problems with the other member sharing your locker, you are responsible for your locker and must handle those problems.

Day Lockers

Day lockers are available from the attendants for one day use for any classification of membership and guests. A signed Club charge slip will be made for the applicable fee. This locker must be cleared by the end of the day.

Care of Lockers

You are responsible for the interior care of your locker. Do not store food, perishables or wet items in your locker.

Laundry Services

If you wish towels or athletic clothing laundered, sew or write your locker number on the item. It will be washed and returned to your locker by the attendant.

Both an alphabet letter indicating which locker room, and your locker number, must be used.

Example, M201, W111, G16, B2.

Use of locker laundry service is at your own risk. The Club is not responsible for lost or damaged personal items.

Liability

The Club assumes no responsibility or liability for personal valuables or other belongings stored in lockers or left in the locker rooms.

Violations

Members abusing their locker, storing offensive material, delinquent in paying bills or not responding to locker usage notices could lose the privilege of having a locker. ☺

Board Briefs is taken from the minutes of the Board of Directors meeting of December 28, 1995.

Secretary's Report—Seven members were suspended for 15 days due to failure to pay their accounts on time. One member was terminated for being four times delinquent.

Manager's Report—Food and Beverage had a profit during November due to a large Monday night party and the successful Fashion Show.

Athletic Report—Tay Perry was approved as chair of the Canoe Racing Committee for 1996 and Stevie Li was approved as chair of the Volleyball Committee. Ron Li was approved as Club Captain. The Board agreed to simplify the athletic internal procedures on procurement. All PO's

will be submitted directly to the Controller, except for those exceeding \$300, which will still require the Coordinating Director's signature.

House Report—The American Club in Hong Kong was approved as a reciprocal club.

Public Relations Report—The committee recommended that its name be changed to Club Relations. Action was deferred because it would require a Bylaw change and no changes are currently planned.

Admissions & Membership Report—The membership count as of November 30 was 4,284.

Athlete of the Year—The subject will be sent to the Club Captain for review.

Smoking at the Club—The Board discussed at length the suggestion to again permit smoking in the uncovered section of the Hau Terrace. This has been a marketing problem since the Club banned smoking. In absence of further information, it was moved, seconded and carried, that the smoking issue be tabled until the House Committee has been informed, and that Management has the opportunity to review the subject and submit a written resolution on smoking to the January Board meeting. Three Directors opposed the deferral.

Christmas Open

House—The Open House Party on Christmas Day was superb. The food, arrangement and service by all of the staff was "exquisite." ☺

OCC Invitational Swim to be Held on May 11

By Arnold Lum

This year's Outrigger Invitational Swim will be held on Saturday, May 11, the day before Mother's Day. It's a two-mile swim which begins at Kaimana Beach and finishes at the Club. An optional one-mile short course leg is open to swimmers 50 and older.

This event, which is open to all Club members and members of the Waikiki Swim Club, features a post-race brunch (guests may also attend for a small additional charge), T-shirts for all finishers, and age group awards for first place in each category.

Entry blanks are available at the Front Desk. ☺

Employee of the Month

Lately our Employees of the Month have been the quiet, background type people that we all take for granted. That is one of the reasons we like to feature our employees. They are the "nuts & bolts" of our Club, and in the case of employee Virgilio Yasay, that is literally true. Actually a lot of you know him, he's Billy!

We all holler for maintenance when we need a ladder, a light bulb, or something breaks. Billy is one of four of our hardworking crew, supervised by Domie, managed by David Kuh. Domie says Billy worked extra hard putting up and taking down the Christmas decorations, and everybody did notice those (Billy on the ladder).

Billy proudly states he is the oldest from a family of nine siblings, so no wonder he had to learn to do everything. Here at OCC, he works at plumbing, electrical, carpentry, etc. He was a mechanic in the Philippines, where he learned English and came to Hawaii in 1983 and to OCC in 1984.

He lives in Ewa Beach with his wife and youngest child who is 12. He has a 23 year old at UH, an 18 year old at USE, and a married 20 year old. He loves working at OCC and we love having him fix up after us. ☺
