Bill Bright Selected to Winged "O"

When Bill Bright first became active at the Outrigger Canoe Club, his only thoughts were to participate in the water sports that he loved and had missed while attending high school on the Big Island and college in Vermont.

Once back in Hawaii, he didn't lose any time. He has been an avid canoe paddler and kayaker since 1974, as well as Club Captain, coach, and member of the Canoe Racing and Kayak committees.

"Being selected as a Winged "O" is a real honor. I remember looking at the pictures in the Trophy Case in the Lobby and thinking of all the things these guys had done. It's awesome. It never occurred to me that I might be selected someday," he modestly says.

But on Saturday, September 18 at the OCC 85th anniversary Luau, Bill Bright was selected as the 32nd member of the Outrigger's prestigious athletic group, Winged "O" in recognition of his outstanding achievement as an athlete and the service he has rendered to the Club.

While Winged "O" members Walter Guild and Mark Buck were extolling his virtues before the full house at the Luau, modest Bill was standing in the food line and heard not a word. When he was escorted to the stage he was stunned but wasted no time donning his Winged "O" jacket and thanking his masters paddling crew for coming to the Luau to witness the event.

"I didn't want to go to the Luau," he says. "We had the Skippy race the next day and I wanted to get to bed early. But my crew insisted that we all come and enjoy the luau. Being selected to the Winged "O" was really a happy surprise."

Paddler Since 1974

Bill may be modest, but his accomplishments as an athlete at the OCC aren't.

Elected to membership in the Outrigger in 1963, he started paddling for the Club in 1974 and paddled his first Molokai race that year. He was a member of the winning OCC Molokai crews in 1979, 1980, 1983, 1984, and 1986, and was on the winning masters crews in 1990, 1992 and 1993. He also paddled on

Open crews in the Molokai in 1975, 1976, 1978, 1981, 1985 and 1989, and was on the second place Masters crews in 1988 and 1991.

If you're counting, that's 17 Molokai's in 21 years.

"As long as I feel that I can contribute to a team, I'll continue to paddle," he says. "I love the sport and the guys I paddle with."

During regatta season, Bill has paddled on novice, upper division and masters crews. He's won 12 Oahu championships since OHCR started in 1979.

His Winged "O" plaque, designating his Hawaiian Canoe Racing Association State championships is also full, including the Masters title this past August. Just for the record, he's been state champ on the Sophomore crews in 1976, 1978 and 1979; the Junior Men in 1981 and 1987; the Senior Men in 1983, 1984, 1985 and 1989; the Open 4, 1986; and the Masters, 1990, 1991 and 1993.

Again, if you're counting--13 state championship gold medals.

Kayak Committee Chair

Bill is a founding member of the Kayak Committee, which is one of OCC's most active sports. He served as chairman in 1985, 1986 and 1987, and has been a member each year since.

He is a regular competitor in kayak races, placing regularly in the open and masters divisions. He's competed in the Molokai kayak race twice.

Canoe Racing Committee

He's also been a member of the Canoe Racing Committee several times during the past 20 years.

'An Honor to Belong to OCC'

Bill likes the OCC because it's a family club and he likes its emphasis on ocean sports.

"Outrigger is a great place. We should all consider it an honor to belong and to be part of its great traditions," he said.

"I hear complaints from time to time about different aspects of the athletic program. It's true, the program may not be perfect, but you have to remember that all of us in the athletic program are volunteers. We take time from our jobs and our families so that we can support the athletic program at the Outrigger."

"Most of the people who volunteer to serve on athletic committees at OCC go relatively unnoticed by other Club members. Most people take for granted that we'll have canoes at a regatta, or awards at an event, or traditional events like the Castle Swim or Cline Mann Paddleboard Race or golf tournaments. The amount of effort it takes to plan competitions, get coaches, order awards, handle travel, etc. is mind boggling."

"Parents who just drop off their kids to paddle or play volleyball, or members who just sign up to participate in an event, have no idea how much effort and time have gone into making our Club programs a success."

"Sometimes, things don't go as well as we'd like, but again, you have to remember that nobody is getting paid to run the canoe racing program or put on the kayak race. People who think they can do better, should volunteer to serve on committees.

"We always welcome new blood and ideas," Bright added.

Club Captain

When Bill served as Club Captain in 1990 and 1991, he took over where previous Club Captain Ron Li had started in defining the role of the Club Captain, streamlining procedures and simplifying the athletic budget. He won high praise from the Board and Club management for his professionalism and accomplishments.

The Club Captain is to OCC what an athletic director is to a university. He or she is responsible for every detail of formulating and administering the Club's budget, selecting the chairs of the athletic subcommittees, making sure that athletic equipment is available and making sure that the athletic program runs smoothly.

"I'm very proud of what we accomplished while I was Club Captain," he said. OCC produced national volleyball champions and state and Molokai canoe championships during his reign, as well as revitalizing the junior volleyball program.

"We also reactivated the Surfing and Canoe Surfing Committees, and got new competitive paddleboards and surfboards," he added. "We started holding our OCC surfing contests again."

"I enjoyed being Club Captain but it took a lot of time. It's equivalent to a full time job."

Bill has been a coach on many canoe racing teams, and looks forward to coaching kids crews in the future. This past year, he coached the Boys 16s.

Family Man

Bill has been married to his wife, Faith, since 1979. His son, Nick, paddled and played volleyball on the Boys 12s teams. His younger son, Scott, hopes to be a new member of the Club soon, and looks forward to participating next year.

For the past two years, Bill has been serving on the Admissions & Membership Committee and he

looks forward to serving the Club in new capacities in the future.

"I've had a lot of fun at the Outrigger and I look forward to participating in the future. I thank the Winged "O" for this honor."

The Winged "O" was founded in 1967 to pay tribute to the Club's finest sportsmen. With being named a Winged "O" comes a lifelong obligation to actively preserve the athletic purpose of the Club.

To be selected, you must have been a regular member of the Club for at least 10 years, and have demonstrated unflagging loyalty to the Club and its athletic program over a long period of time.

Contributions to athletic programs and excellence in sports outside of the Club are not considered. Service must be contributed directly to the Club and participation must be on Club teams and in Club events.

Congratulations to our newest Winged "O" Bill Bright. ☺

Bill with sons, Nick and Scott.

An avid kayaker, Bill competes regularly.

Winged "O"

Members of the Outrigger Canoe Club through the years have given unselfishly of their prowess, time and loyalty in the effort to expand the Club's illustrious athletic image and to continue its reputation for victory. These honorees have made outstanding contributions both on the field of competition and in the equally important role of team and athletic program support.

OCC Finishes Second in Na Wahine O Ke Kai

By Steve Scott

Forty-three crews lines up on the starting line for the 1993 Na Wahine O Ke Kai Molokai to Oahu canoe race on September 26. With hundreds of hours of training behind them, the Outrigger was one of three crews having a legitimate chance of being the first to finish.

The day prior to the race was spent preparing the canoe and mentally getting ready. Everyone knew the race would be tough, especially with the weather being so uncooperative.

Our favored trade winds had disappeared and had been replaced with the dreaded variables, which meant mostly southerly winds.

Our canoe, Iwalani, was chosen with the idea there would be trades and an ocean to work during the race. The conditions would not be that, but the women were ready for anything.

In our meeting the night prior to the race, I told the women that if the conditions stayed calm and the ocean flat, it would take a record crossing to win the race. This proved to not be too far off the mark.

Race morning started as usual: up at 4:30 if you slept at all, a few bites to eat, and then off to Hale O Lono. The best part of this is the ride to Lono, with the sun coming up over Molokai Ranch turning the sky red and orange.

After the opening ceremony, the starting crew of Traci Phillips, Donna Kahakui, Katy Bourne, Sara Ackerman, Malia Kamisugi and Kisi Haine, paddled to the starting line, positioned about in the middle with our competition closer to shore.

At the gun, the Outrigger canoe jumped to an early lead, but this would not last. After five minutes, Surfers Paradise had pulled even and Offshore started to pull ahead.

At Laau Point, Offshore was in the lead by about five boats, with Outrigger and Surfers Paradise side by side.

The next three hours were uneventful with the ocean so calm. The balance of the crew, Nicole Wilcox, Kaili Chun, Cathy Ho, Diana Clifford, Mary Smolenski and Lisa Livingston, came in with excellent

changes and paddled as well as the starters to keep us in the race.

Offshore was in the lead to the south of the Outrigger, about a minute plus ahead, and Surfers was directly behind us by one and a half minutes.

Then, the southerly winds came up, just to make the race interesting. This means the swell comes from the ama side, and the canoe becomes very tippy.

Just to prove this, the Outrigger canoe flipped over and Surfers Paradise came up on our tail fast. By the time the canoe was righted and we started paddling, we were only 15 seconds ahead of Surfers and our four seat was still bailing.

One minute and thirty seconds of our lead was gone, and we were now in a battle for second place.

Fortunately, the Outrigger women responded to the challenge and took the lead back up to 45 seconds, only to almost flip again. The best thing to do at that point was to stop the canoe and add a weight to the ama, which Kala Judd was able to do very quickly.

Now, the canoe was stable and the women could concentrate on paddling, a job they would have to do since Surfers had closed on us again.

Just prior to flipping, Outrigger had been closing on Offshore in the

sloppy conditions, but now the battle for second place was one that we did not want to lose.

Our race was for the inside line as we passed Koko Head, trying to catch the incoming tide headed for Diamond Head. We stayed ahead of the Australians and were able to cover their line to the finish.

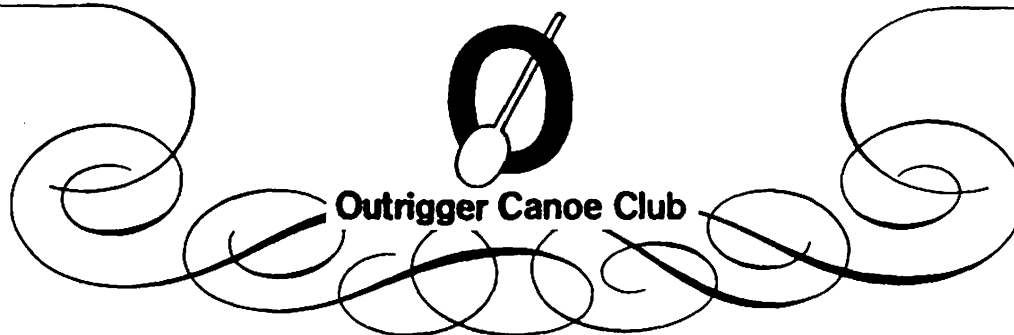

The only excitement was squeaking over a wave at Diamond Head, Kisi's preferred line, and then we were at the finish line.

This Molokai to Oahu canoe race was not won by Outrigger, but it was certainly not for the lack of training and preparation. If you haven't been a part of it, it's hard to appreciate the effort that goes into racing at this level.

Unlike Offshore and Surfers Paradise Australia, who can select all star crews from around the world, the Outrigger competes with the best using the members that we have.

The Outrigger women paddlers should be congratulated for what they have accomplished this year, and it wouldn't hurt to tell them so.

Editor's Note: Offshore won the race in 5:47:53. Outrigger finished second in 5:54:17 and Surfers Paradise was third in 5:55:34. OCC was second in fiberglass and was the first Hawaii canoe to finish. ☺

AROUND THE CLUB

By Raymond Ludwig, General Manager

By the time you read this, both our kitchen renovation and the trash room, downramp and receiving dock area renovation projects will be completed.

As has been reported earlier, the kitchen project provided new enlarged walk-in freezer and chill box units, improvements to our employee's lounge and the installation of two new salamanders (top side broilers).

The completion of this phase completes the total renovation of the Club's main kitchen.

The second capital improvement project, our trash room, down ramp and receiving dock area was completed in mid-October and provided a general overall improvement to this long neglected but vital area.

The scope of work associated with this project included replacing a badly worn asphalt downramp with a new six-inch reinforced concrete driveway slab, installation of new side-wall skid rails, new utility sink, removal of the wooden utility storeroom and replacing it with a larger hollow tile structure, providing a new safer floor for the interior of the rubbish room, and replacing the inoperable sliding door to the rubbish room with a manually operated light-weight roll down aluminum door.

I am pleased to report that both of these capital projects were completed on time and within budget.

Thanksgiving

Thanksgiving will be here before we know it. We will again this year feature a Thanksgiving buffet with all the traditional goodies and some offerings which are uniquely Outrigger. The price for the buffet will be \$19.95 per person. Children under 12 years are \$12.95.

The Dining Room will be open from 5 to 9 p.m. I would strongly recommend that you make your reservations as soon as possible. The Club's cancellation policy will be in effect.

Keiki Christmas Party

It's not too early to make your Christmas and New Year's Reservations.

Our annual Keiki Christmas Party is scheduled for Monday, December 20 at 5 p.m. All members, their children and grandchildren are welcome. When making your reservations for this function, please give us ages and sex of children.

Monday Night Football

Our Monday Night football parties have been very well attended and a generally good time is had by all. Now that we're getting close to the playoffs, if you haven't been able to get down to the Club yet this season, it's an especially exciting time to do so.

Guest Parking

I would like to remind you that when you have guests that are meeting you here at the Club, and they are going to be utilizing our parking facilities, that you have the responsibility to notify our parking attendant prior to your guests' arrival.

This will insure that they will be allowed entry into our parking structure. It would also be appropriate for you to notify our Front Desk of your guests pending arrival so that they may be properly greeted and taken care of.

Handicapped Parking Stalls

I would like to remind members that we have reserved two parking stalls on the B level (one level down from the main entry) for those who are physically impaired. We have on a number of occasions noticed able bodied members using these stalls. I would ask that unless you are qualified to park in these stalls, that you be considerate of those who are truly in need of them.

Bingo, Bingo, Bingo

That's right. The Club is featuring another night of Bingo. Mark your calendar for Wednesday, November 10. On that evening, a special Sunset Buffet will be available in both the Dining Room and Hau Terrace. The buffet starts at 6 with Bingo at 7:30 p.m.

There will be lots of great prizes and a surprise celebrity caller. Please note that our regular Dining Room menu will not be available due to the Bingo special. However, the Hau Terrace dinner menu and pupu selections will be served as usual. Get your Bingo group together and make your reservations with the Dining Room. See you at Bingo!!

Planning a Party?

Many of our members are unaware of the excellent facilities we are able to provide for weddings, graduations, private family gatherings, birthdays, baby luaus, etc.

Our Banquet and Catering Department can provide you with all the details and provide you with whatever assistance you may require in planning the event. Whether it be a buffet brunch, lunch or dinner, or an elegant formal soiree with fine china, and silver candelabras, we can provide it all.

We also offer private rooms for that all important breakfast meeting or business conference (complete with an excellent breakfast buffet or ala carte menu).

League Champs Beat OCC, 3-2

We all knew "The Game" would be exciting, but the much anticipated offensive explosion turned into a silent defensive gem.

The Champs had averaged nearly 15 runs per game during the season, and according to their coach, hadn't been kept under 10 runs in a game in years.

OCC scored 17 runs the week before and was averaging 14 hits a game. Three to two after one inning sounded logical. A 3-2 final sounded like a joke.

A combination of outstanding defense and great pitching by both teams was the key. Nolan Ramirez, Jim Cavanah and Bill Kilcoyne smothered every ball hit to the infield.

Kawika Fairbanks, Clayton Chee, Jim McAluney and Paki Vaughan tracked down every ball that sailed into the outfield. Jim Gaddis pitched a five-hitter. He kept the

Snack Shop Offers Breakfast, Lunch and In-betweens

By Sue Tetmeyer, House Committee

The newly renovated Snack Shop enjoyed great success during the busy summer season. Members and Snack Shop employees continue to be as enthusiastic as they were last spring when all the "high tech" equipment was installed.

Snack Shop Supervisor Lisa Yoshimura reports that the staff enjoys working with the larger and more modern equipment and members like the new menu items and improved service.

A big favorite, especially with the young set, is the pizza-pepperoni supreme or vegetarian. Teri-chicken in a sandwich or as a side dish is popular as are other new items such as Portuguese link sausage for breakfast.

Lisa, who is a 10-year Snack Shop veteran, has seen many changes over the years, but nothing quite like the recent renovations. The rest of the crew includes Enden McNierney and Shomyong Daenpiea, who transferred from the pantry, Darlene Miyasato, a student who juggles her studies and works in the Snack Shop, and Amy Sunahara, a part-timer who covers peak-time hours, vacations and whenever she's needed.

Lisa says the relaxed family atmosphere and the open-air beach side environment make working in the Snack Shop a pleasant experience.

Members who are not regulars should check out the Snack Shop. You don't necessarily have to be going to the beach. Stop in on the way to work or for a break during the busy day.

The menu offers a wide variety, service is fast and friendly, and you can't beat the price and location for a quick breakfast, lunch or snack.

Snack Shop hours are 7 a.m. to 5 p.m. daily.

Lisa Yoshimura and Enden McNierney serve members at the Snack Shop.

Pilgrims Sail East By Mistake

By Michael Paulin

What if the Pilgrims got it right and came to America from the West? Wouldn't Plymouth Rock be just makai of the Hau Terrace Lanai?

Surely then, the first Thanksgiving would have been in our Dining Room. Your Food and Beverage Committee thought about this long and hard and concluded that Don Figueira would have had an excellent "Bill of Faire" awaiting the Pilgrims on that sunny November afternoon in 1620.

Just think of the great honor it would have been to feed Pilgrims and locals alike, a great banquet of eternal thanks for having made the journey to the New World--the right way.

Instead of slinging muskets to fell turkeys for their table, they merely would have had to drop a hook or cast a net off Outrigger

Rock. Rather than having to show new friends how to pluck little round balls from turkey flesh, they could have merely sunk teeth into succulent OCC sashimi (nature's food, served without benefit of gas, electricity or even a bonfire).

Well, as you might have guessed, Don has given up waiting on the Pilgrims. He's pulling out the OCC menu from way back when and recreating it this year. Wow!

Don's menu is not exactly what the Pilgrims gobbled up in Plymouth those many centuries past. For example, his Thanksgiving buffet dinner which 395 OCC Pilgrims enjoyed last Thanksgiving is a mere \$19.95 this year.

Aside from the usual Massachusetts treat, Don has added local favorites, including sashimi, wasabi-shoyu, sliced tako with miso sauce, assorted sushi, and Thai

meat salad.

Entrees, in addition to the obligatory roast young turkey (musket balls removed), include Alaskan king crab legs and claws, filet of mahimahi saute, and stir-fried island vegetables.

Desserts include a dozen items plus season fruits and an assortment of cheeses and that ol' Pilgrim favorite, mincemeat pie.

If you're thinking of leaving your musket at home and having a reasonably priced Thanksgiving dinner, join fellow pilgrims at Outrigger Rock. Book reservations early for seatings at 5, 6:30, 7, 8 and 8:30 p.m.

Dinner at Outrigger is a great way to celebrate our holidays while the wrong way pilgrims ice skate on Walden Pond. ☺

Backward Glances

By Cobey Black, Historical Committee

70 Years Ago

1920s--OCC paddlers rode the Waikiki waves on 10-foot boards, weighing 90 to over 100 pounds. Made of solid wood, they were at least two inches thick in the middle and tapered at the ends, with the front end rounded and the smaller rear squared off. For the few intrepid women who enjoyed the sport, there were smaller boards, weighing only 75 pounds.

40 Years Ago

1953--Term memberships expiring in 1953 could be renewed at \$350 dues for 10 years, plus \$70 federal tax, for a total of \$420. Term memberships were created during the wartime crunch of the 40s.

Also advertised in OCC's Forecast of November 1953, "Dinner for Children 1 to 100 Years of Age." For those under 12, the tab was \$1. Anyone over 12 had to pay \$1.50.

20 Years Ago

1973--Champions: Joan and Lloyd Osborne, swimming in the 55-59 age bracket, swam off with five national records, both garnering All-America Masters honors at the Santa Monica meet and becoming

America's first husband-and-wife record holders.

Cup-to-Lip Champion winetaster, George Brangier, is photographed enjoying his favorite sport.

10 Years Ago

1983--Auntie Eva Pomroy celebrated her 79th birthday.

Celebrating Big Band memories on the Club Terrace were gray-haired dancers jitterbugging to Phil Engles Swing Orchestra. ☺

OCC Anniversaries

Celebrating November anniversaries with Outrigger are Thomas Downey, 3 years; and Patti Higuchi, 11 years.

20th Anniversary Castle Swim Set for Sunday, November 28

By Gerry DeBenedetti

This is the 20th anniversary of the revived and reversed Castle Swim, and the Swim Committee is planning to put on a special event. All previously entered swimmers received a letter informing them of the 20th anniversary, and encouraging them to make a special effort to swim this year.

If you are not able to swim, we'd like to encourage you to show your support and sign up at the Front Desk to join us for the brunch by escorting a fellow member, just for old times sake.

Swimmers are encouraged to provide their own escorts on paddleboard, kayak or canoe.

The date is Sunday, November 28th. Registration is at 8 a.m. at the Hau Terrace. Transportation will be provided by Club vehicles to the beach start--although with all the returnee swimmers, we will probably need some volunteer drivers.

For your information, the course is U shaped, approximately 1 1/4 miles from the Old Club site in Waikiki to the OCC entrance wall at the beach.

Twenty years ago, Fred Hemmings Jr. and others proposed that we revive the Castle Swim, make it an OCC members only event, and race from the former finish to the former start. There were seven people entered in 1973, and they all sat at the Hau Terrace for refreshments and decided how to each get a trophy out of the deal.

From the original seven, the Castle Swim has grown with as many as 40 members entered at one time. This year we hope for a big turn out with many returnees showing up for the festivities.

The Swim Committee plans T-shirts, trivia contest, free food (if you swim or escort) and mileage trophies.

Sign up at the front desk, indicate if you are a swimmer, escort, driver, how many to plan for brunch--provided without charge for you and your escort.

Awards will be given to male and female Junior members, and every five years for adults for as old as we need to go.

Sign up now at the Front Desk. Make a commitment to join the 20th anniversary Castle swim. De-

tails are on the tunnel bulletin board.

Mileage awards for those swimmers who log their miles will also be given at this event. Turn out to see if anybody is receiving the 2,200 mile Transpac Award.

Golf Chips From the 19th Hole

By Joie Gopez

In the June 23rd Stroke Play Tournament at Leilehua Golf Course, Bill Cross came in with low gross honors with an 81, while the wahines had Diane Plotts with a 92 as winner.

First and second low net honors went to Jon Haig with a 66 and

Don Cutting with a 72. Cyrena Bryan's 77 was low net for the wahines.

Closest to the pins were Diane Plotts, Bill and Baby Cross and Don Cutting and Jim Hammons.

Bill Cross was again the low gross in the August 18 tournament

at Kalakaua Golf Course. Donnie Mailer took low net honors with a 67 edging out Stan Brown's 69.

Terri Lui took low gross honors for the wahines with an 85 and Diane Plotts took low net honors with a 73. These two ladies also went away with Closest to the Pin prizes as well as Bill Cross and Donnie Mailer.

Match Play

The Kanes side of the match play has Strat Whiting with a 5 and 3 win over Bruce Christensen advancing to the semi-finals while Ted Damron with a win over Peter Dillingham advanced to meet Adney Smith who defeated Larry Langley in their match.

Meanwhile, Jim Hammons beat Jim Gaddis to get to the quarter-finals, played against Bruce Bolton, who had won against Vic Hawthorne. Their match ended with Hammons over Bolton 6 and 5.

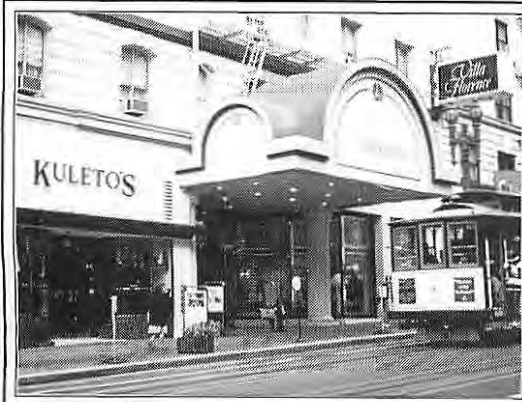

On the women's side, a lot tougher matches were taking place. Terri Lui took 20 holes to finally beat Stephanie Dullum in their match, while Joie Gopez had to go to the first play off hole against Cyrena Bryan before emerging the victor.

Joie will now meet Diane Plotts who had won over Dicey Brinck in the first round. Terri and Baby Cross will play in the other half of the draw.

The final stroke play tournament in December will be at Hickam Air Force Base. The date has yet to be announced, so please keep in touch with the Golf Committee.
