# Hui Nalu Beats OCC in HCRA Championships

Hui Nalu climaxed a perfect season by winning the State Hawaiian Canoe Racing Association Championship, August 7 at Hanakaoo Beach, Maui.

Hui Nalu held on to its early lead to defeat Outrigger, 137-127, in the AAA Division. Hawaiian of Maui was third with 84 points, followed by Kailua 82, Kai Opua 77, Hanalei 66, Lanikai 62, Lokahi 59, and Na Kai Ewalu 15.

Hui Nalu lead throughout the day after capturing the Girls 16 and 18 events, the Novice A and B Women and Novice B Men within the space of six races.

Outrigger failed to qualify the Boys, Girls and Mixed 12s, Boys 13 and 16, Novice B men and women, and Novice A women.

Outrigger's first victory of the day came from the Novice A Men's crew which finished ahead of Hawaiian Canoe Club of Maui and Hui Nalu.

Midway through the day, with lots of points from its kids crews, Hui Nalu led Outrigger 90-45. But Outrigger closed the gap to 114-100

after victories by the Sophomore and Senior Masters Women.

The close race between Outrigger (lane 4) and Hui Nalu (lane 1) found the two senior masters boats dead even and side-by-side about 10 yards from the finish line. HN discovered they were in the wrong lane, stopped paddling and tried to cross two lanes to finish in their assigned lane. They didn't make it and were later disqualified.

Interestingly enough, the Outrigger Senior Masters had won the state title for eight straight years until Hui Nalu outpaddled them in 1992.

The Masters Men wound up the day with a victory but it wasn't enough to close the gap.

"This was a 'different' season than we've had the last few years," said Head Coach Di Guild. "We had won the states every year since 1984.

"We did some switching of crews this year from open to masters and masters to senior masters in the men's events. We didn't win as many races as we would have liked

but it opened up places on crews for our younger paddlers and I'm sure this decision will pay off in experience next year and the years to come," she added.

"I'd like to thank all the coaches, paddlers and their families who supported us this year. We're already talking about next season so take a short rest and then start getting in shape for next year. The coaches will be happy to give you exercise routines that will help increase your strength and endurance for next year.

"All of the other clubs have been trying to beat Outrigger for the past 10 years and that has really motivated them. Now we have a real goal to shoot for next year--beat Hui Nalu," Guild said.

Outrigger finished the regatta season with second place finishes in the Kamehameha, Paia, Macfarlane and Kaupiko regattas, third place finishes in the Waimanalo and Leeward Kai regattas, and second places in both the OH-CRA and HCRA championships. ☺

Outrigger's first win of the day came from the Men's Novice A's--Kawika Fairbanks, Todd Harrison, Gunner Schull, Brad Pearson, Steve Zak and Kalani Schrader.

The Winning Masters Men are Bill Bright, Karl Heyer IV, Chris Kincaid, Mike Batungbacal, and Brant Ackerman.

The State Champion Sophomore Women are Kisi Haine, Sara Ackerman, Cathy Ho, Donna Kahakui, Malia Kamisugi and Nicole Wilcox.

Winning their ninth state title in 10 years were the Senior Masters Women--Gerri Pedesky, Keanuvenue Rochlen, Patty Mowat, Peggy Danford, Diane Stowell and Bee Cromwell.

# OCC Masters Three-peat at U.S. Volleyball Association Championship

By Kimo Brown

The Outrigger Canoe Club's men's 35 and 40 masters' volleyball teams achieved their goal of retaining their national championship titles and in the process achieved what no other team in USVBA history had done--win three consecutive division championships.

The volleyball teams traveled to Memphis, Tennessee to compete in the 1993 USVBA's national championships held from May 29-June 5, 1993. The Tournament consisted of a record 286 teams from all over the country.

OCC sent three teams, the Men's 35s and 40s, as well as the Open team, to this year's event.

The Men's Masters teams consisted of a nucleus of seven players--Jon Stanley, Randy Shaw, Chris Crabb, Tom Madison, Charlie Jenkins, Ilmar Tarikas and Mike Cote.

In the 40s division, the core team added Jim Bukes and Wayne Kekina. Veterans Ralph Smith, Jay Anderson and Jon Andersen, and rookies John Zabriskie and Scott Rigg completed the team in the 35s division.

Twenty-two teams competed in the 40s division which ran in the first half of the week. For the third straight year, the OCC team went through pool play in the Gold Division double elimination bracket undefeated.

They defeated Jump Serve from Villa Hills, Kentucky in two games, 15-5 and 15-10 to capture their third consecutive Masters championship.

The players receiving national recognition were Jon Stanley as 2nd Team All-American; Mike Cote, Randy Shaw and Charlie Jenkins as 1st Team All-American. Charlie Jenkins was recognized as the MVP.

Not to be outdone, OCC's Men's 35s repeated their 1991 and 1992 performance by capturing the team's third straight division championship. They beat Sun Sport

from Portsmouth, N.H. in two games, 15-8 and 15-11.

Jon Stanley and Scott Rigg were recognized as 2nd team All-Americans. Jon Andersen, Jay Anderson and Charlie Jenkins were selected as 1st team All-American members. Charlie Jenkins received the MVP for the second time in a week.

Kimo Brown coached both teams for the third consecutive year.

OCC's players once again dominated the highly competitive USVBA tournament. The opposing teams just couldn't pose a serious challenge to the OCC men at any time.

Out of the three years, 1993 proved to be the easiest of all victories.

Coach Brown found the key to the teams' success and was in the team meetings held prior to each match to analyze their opponents strengths and weaknesses. This strategy allowed the teams to use their conditioning, depth, skill, talent, team cohesiveness and experience to physically overwhelm and mentally demoralize their opponents. The OCC Masters teams were just unstoppable.

The OCC Open team also participated in the Open Silver Division where they made a strong 5th place showing. Members of the team were Tony McInerney, John McDermott, Todd Harrison, Jim Kalaukoa, Darryn Holt, Sean Scott, Tim Walston and Mike Mulahey. The team was coached by Mike Normand.

In addition to the three OCC teams, other OCC members competed in the national championships.

The Golden Masters Division included a group of OCC members playing for Riggers Hawaii. They finished third. Team members were Tom Haine, Bill Baird, Bob Kashare, Fred Hiapo, Mark Lawson and David Porteus.

In the Men's 50s division, the first place team, Chuck's Steak House of Fort Lauderdale, included

OCC members Dennis Berg, Tom Haine and Fred Hiapo. Dennis was selected 1st team All-American.

Dennis Berg and Tom Madison played for Silverado of San Diego in the Masters 45s division and captured first place. Madison was selected 1st team All-American.

1993 proved to be a successful and rewarding year for the OCC volleyball teams on both the local and national levels. The masters teams (aka the Quad Squad) now look forward to the challenging task of four-peating at the 1994 USVBA national championships in Tulsa, Oklahoma.

The Volleyball Committee and teams would like to extend a special thanks to the OCC Board of Directors for their continued support and contributions leading to six national championships in three years. Mahalo. @

# AS THE TERRACE TURNS

By Helen Sheehan

Where can you find a more beautiful setting for a wedding and reception, or a birthday celebration, than our Dining Room and Terrace.

The Outrigger means so much to Kathy Byrne, a member since she was 10 years old, that she came back to be married here. Both Kathy and the groom, Drummond Stone, were born and raised in Hawaii, and now live in San Francisco where they are in the film business.

Matron of Honor Lisa Jonsson helped plan the wedding and dinner reception for 50 family members and friends. The best man was Claude Porteus, the groom's brother. Family members of the bride included parents Ann and Frank Byrne who now live in Canada, sisters Stephanie and Josette and brother Frank Jr. The groom's mother, Ann Porteus, and grandparents, Mr. and Mrs. Hebden Porteus live here. The couple honeymooned on Kauai. . .

Even though they were married in Dublin, Ireland, Jay Frankenger and his bride Valerie O'Brien, had their wedding reception at the Outrigger, complete with the wedding cake they brought back with them. The reception was hosted by the groom's grandmother, Mabelle Lasley. The family flew to Dublin for the wedding--parents Sandy and Jim Frankenger, sister Jaemi, who flew from Hong Kong; sister Jenee and her husband, and Mabelle Lasley. Sister Jo Dee couldn't make it as she's getting married in October. The couple met at the International University in London and will live in Hampton, England. . .

Dorothea Woodrum couldn't have been happier with the manner in which the bridal shower she gave for Katrina Li was handled by Liz and the Outrigger staff, from the table settings to the luncheon. Katrina will be married to Steven Wilson, Dorothea's godson, in September. Katrina is the daughter of Ron and Pat Li and granddaughter of Helena Li.

Dorothy McCarthy recently hosted the rehearsal dinner for her granddaughter Victoria Williams to Major Robert Kenneally. The bride to be is the daughter of Sherrill and Rianna Williams. After their honeymoon in French Polynesia, the couple will return to their home in Virginia where Bob is with the Army Deputy Chief of Staff. . .

Surrounded by his children and grandchildren, Thomas Oliver celebrated his 80th birthday at the Club. Family members came from Seattle and San Francisco to join local family members for the big occasion.

Good to see Linc Scafe and family here from Seattle for the Macfarlane Regatta. A former Club Captain and canoe paddler, Linc returns to Hawaii every other year for the 4th of July. . .

If you're heading for Molokai, look up Mike and Maria Holmes. They have opened a new athletic activities store at Kaluakoi.

For those of you who remember the Good Old Days, there is a cassette available at the Logo Shop of the Original Beach Boys. The tapes were donated by Waltah Clarke for the benefit of the Junior Volleyball Program. . .

For the second year, Dione Wilbur is working for Rep. Joe

Kennedy as a Legislative assistant, and is staying with Ethel Kennedy at Hickory Hill. She is a senior at Berkeley.

Bonnie and Dean Eyre Jr. are off to Tahiti for a month. . .

Ruby and Neal Ifversen celebrated their 29th wedding anniversary with a champagne dinner.

Paka Worthington graduated in May with a master's degree in international finance from American University in Washington, D.C. During the summer he's been working for Kamehameha Schools/Bishop Estate, and plans on moving to Rarotonga in the Cook Islands this month to work in the Prime Minister's Special Projects Division. . .

Christina Smith writes that she and husband, Darin, had a daughter, Danica Maria Smith, on December 12, 1992. The baby weighed in at 7 pounds, 10 ounces. Proud grandparents are Mike and Elaine Michaelidis, along with auntie Eleni and uncle Dean. The Smith family visited the Club in June from their home in Seattle.

Contributions to this column are always welcome. Leave items for the Editor at the Front Desk. Be sure to include your name and phone number in case additional information is needed. ☺

# AROUND THE CLUB

By Raymond Ludwig, General Manager

It's hard to believe it's September. The summer season is over and the holiday season is just around the corner. Thinking ahead to Thanksgiving and Christmas, it's not too early to begin planning that annual office Christmas party.

We have private party rooms available and our experienced banquet staff is eager to offer any assistance you may need, from creating a special holiday menu to differing and unique decorations, special floral arrangements coordinated with various color linen appointments, unique entertainment choices from harpists to jugglers to trios, combos, orchestras, rock and roll, and everything in between.

So if you're thinking of giving a holiday party, give our Catering Department a call and let them go to work for you. You will be amazed at what they can do.

## Summer Review

Looking back at the summer, there's only word that comes to mind--exciting. The many activities offered, something for everyone, from our Saturday night Steak Fry, the paddler's Memorial Day party which kicked off the summer regatta season, our luncheon fashion shows, our surf contest, our summer paddleboard races, the traditional July 4th celebration, the volleyball tournaments and all of those out of the world sunsets.

## September Happenings

Monday, September 6, Labor Day we will have our traditional Steak Fry on the Hau Terrace from 6 to 9 p.m. You can also watch the initial Monday night football game in the Bar.

On Monday, September 13, we officially kick off our Monday Night Football Parties. We will continue to feature our Surf Cart with hot carved sandwiches, beef stew and rice and your choice of salads. Everything gets underway at 6 and goes until 9 p.m.

If you've never experienced an Outrigger Monday Night Football Party, it's wild. A good time is had by all regardless of the game's outcome. Remember that the TV telecast is on a two-hour delay so in

respect for those in attendance, the game results should be kept secret.

## Please Sign In

I have been asked to remind you of our Bylaw that pertains to entry and registry. All members are required to sign in once a day when they first enter the Club. This is necessary to preserve our private club status. The number of invited guests is also to be recorded on the sign-in register located inside the lobby entrance or lower floor beach passageway.

## Guests

Any member in good standing may bring guests to the Club provided that such guests are not persona non grata. No guests shall visit the Club more than two days in any one month. This limitation does not apply to spouses of members or ladies and gentlemen accompanying single men or women members, respectively.

Members are responsible for determining their guests eligibility. Guests are required to remain in the company of the host member as long as the guest remains on Club premises.

## Birds

**DON'T FEED THE BIRDS.** We are making every effort to control the bird problem on both the Hau Terrace and the Snack Shop. We would ask that the membership assist us by not feeding the birds.

We know they're cute but they can be very much a nuisance and their presence can be unpleasant and messy. I have instructed our wait help to be observant of the problem and to politely remind members to refrain from feeding the birds. Your cooperation is expected and appreciated.

## Luau

Make your reservations for our 85th annual Anniversary Luau, Saturday, September 18. We will be featuring the Cyril Pahinui Band. It is sure to be a blast.

## Na Wahine O Ke Kai

This year's race will take place on Sunday, Sept. 26. We'd like you all to come down to the Club and cheer on our defending champion women's Molokai crew.

## Employee of the Month

Young, friendly, eager to serve the members are descriptions of Hau Terrace waiter Brandon Olson. He is 20, and has been in Hawaii two years, serving OCC for the past year. His family is in Oregon, but he is here in Hawaii to surf and mountain bike. He will enter Kapiolani Community College as a freshman in September.

Brandon reads, listens to music, attends concerts and enjoys his work. He feels the members are "nice" customers, and he enjoys seeing the same regulars on the Terrace. He recommends the fresh mahi and the crab cakes.

Club president Chuck Swanson presents Employee of Month check to Brandon Olsen, with General Manager Ray Ludwig.

He loves to serve the Sunset Burets because he finds the members relaxed and happy to conclude the end of the day at OCC. The Club management describes Brandon as a team player, and that's what our Club is all about.

# Motorcycle Team Races For Fun & Prizes

By Matt Kresser

This has been quite a stellar year for OCC's men on motorcycles. From every angle, it is obvious that the program has reached new levels of excellence.

New recruits such as Tommy Damon, Gunner Schull and Mark Johnson have survived the initiation gruel and joined the ranks while the old guard solidified with Walter Guild, Brant Ackerman, Al Serafin, Mark Kennedy and John Beaumont holding their ground by exhibiting decades of accumulated skills. Also on the team were Alan Pflueger, Derek Wood, Brian Deer, Keola Sheehan, Brenton Block and Matt Kresser.

This assorted cast of rookies, veterans and hellions has trained, competed and road tripped extensively from day one and, to date, has compiled a ground breaking string of performances. In addition to showing force at local events such as the Cobra Hare-n-Hound, and other enduro type races held on the north shore of Oahu.

OCC's crew ascended upon two neighbor island venues with grand style and horsepower. The first of these meets was the President's Day race on Kauai. This three-day race-fest sported a tag team Hare-Scramble, a hurricane ravaged cross-country Enduro and a fun for all Poker Run over our three day sojourn.

By the guiding light of our committee chief Alan Pflueger, our team landed in Princeville armed and ready and proceeded to duke it out in the dirt against the Sandwich Isle's best.

Despite all attempts by the OCC youngins' the first day's spoils landed fat in the lap of team Geritol's combo of Guild/Ackerman who conquered their division. The following day's endurance challenge

would further test our haggard troops as they were plunged mercilessly into more than a hundred miles of lot-littered trails and the remnants of the power and fury of a much too recent Iniki.

Remarkable, though madly frustrating, the race course managed to provide its riders with some of the most choice and splendid panoramas imaginable. Mother Nature hath no mercy, however, and half of our valiant warriors fell victim to mechanical overloads and subsequent DNF's (did not finishes).

Despite all the trauma, the team succeeded in taking home overall honors as well as having an epic road trip to the Garden Island. Our palatial accommodations Casa de Pflueger, combined with the renowned managerial and pit-crewing expertise of Greg Moss and Tiare Finney, made for quantum catered cookouts and horseplay.

In May, we participated in what is now considered one of the world's most demanding off-road events, the Mauna Kea 200. The cornerstone of the OCC riding program, this year's race proved to be the most gruelling ever with the entry of pro level riders from around the world.

Outrigger riders gather before the President's Day Enduro on Kauai.

Keola Sheehan, Alan Pflueger and Walter Guild rest bikes and bodies during lunch break during Mauna Kea 200.

The promoters have upped the ante for bike and body, and revamped the MK200 into even more of a torture than it was before. Seized bikes, blistered and battered bodies, and broken wills punctuated many a rider's experience.

Undaunted, however, were OCC's Keola Sheehan, who blitzed to a fifth place finish, and sole survivors Derek Wood and Alan Pflueger.

After all was said and done, the troops journeyed home hungrier than ever and have already begun their plans for next year's mayhem.

# OCC Competes in Hamilton Cup

By Bill Danford

Two days before departing to Australia, rumors circulated around the Club that there was a bad weather front around the Whitsunday Islands. The forecast for Hamilton Island was cold, overcast days with heavy winds and rain.

Now that's a real dogs day for 21 men and women traveling Down Under expecting clear blue skies with tropical temperatures and moderate to light winds.

So how do you pack for such a trip? Do you pull out foul weather gear and heavy winter wear because it is the beginning of winter in Australia? No, you pack a couple of beefy, heavy duty long sleeve tees and shorts. You have to be positive.

When we arrived in Sydney, the weather was gorgeous. By the time we landed on Hamilton Island, the sky was clear and the sun was doing its thing. So much for weather forecasts.

Upon arrival, the management and staff of the resort and the Cup organizers were again there to meet us and transport all of us to the hotel and our great accommodations overlooking Cats Eye Bay.

The organizers of the four day event had made available two brand new Hawaii Class racers and covers for the masters men and OCC women.

All we had to do was slap on seat pads and rig the canoes. We were ready for competition. All our escort boats and equipment had been pre-assigned and would be ready upon our request. Now, all we had to do was relax and enjoy the island. With this group, that wasn't a hard assignment.

## Friday, June 18

First day of competition with a Kayak Marathon around Hamilton--9 miles for men. The results:

### Open

1. Dean Gardner (winner of the 1993 Molokai Kanaka Ikaika)
2. Grant Kenny
3. Gary Leach
4. Geoff Graf (OCC)

### Masters

1. Kala Judd (OCC)
2. Bob Rocheleau

Women do not compete on Friday so another day of leisure and light training session.

For the Crabb family, it was their normal vacation--kids zoo, kangaroos, watch the porpoises in the pool, etc. I think Chris Crabb enjoyed the zoo more than the kids.

Friday night is the Karaoke Cruise for all the crews, organizers, sponsors and business people living on the island. After the cruise, for those who like to dance, there's Dirty Nelley's till the wee hours.

## Saturday, June 19

All competition is held at Cat's Eye Bay fronting the hotel. The 2,000-meter course was bone dry but in a matter of a few hours the tide would rise 30 to 40-feet and competition would begin.

The Hawaii masters had been defeated by the Australians for two consecutive years but came back to walk away with the event and a new record.

The crew was Bill Bright, Kala Judd, Bill Danford of OCC, plus Bob Rocheleau, Steve Cole and Kamoa Kalama.

The OCC women were not so fortunate with teams one and two making it to the finals only to come in third and sixth out of eight finalists.

OCC's crew included Nicole Wilcox, Donna Kahakui, Sara Ackerman, Cathy Ho, Malia Kamisugi, Team 1; and Diana Clifford, Mary Smolenski, Kaili Chun, Jackie Muller, Paula Crabb and Katie McCrory, Team 2.

Later in the day, the Hawaii Masters worked hard to cover the 9-mile 6-man Marathon Course around Hamilton Island. Setting a new record and continuing a five-year winning streak were Bill Bright, Kala Judd, Tom Conner, Bob Rocheleau, Steve Cole and Kamoa Kalama.

Tom and Kala would later sit down with Kisi Haine and Paula Crabb and review the currents and conditions which they found around the course. The girls would

race later the next day after the men's 2000-meter sprint finals.

The OCC women regained a bit of respect in the beauty department competition with Sara Ackerman walking away with the title, Miss Hamilton Cup 1993, with the approval of the entire audience.

## Sunday, June 20

Forty 6-women's teams competed in the around the island marathon, with Surfers Paradise again finishing first. OCC took second place honors with Sydney right behind.

The Hawaii Masters had this day off.

## Monday, June 21

Thirty men's teams, and for the first time, four women's teams, lined up across the channel in front of Hamilton Harbor for a 26.2 mile marathon in ideal conditions.

Maloolooba of Australia, of which Geoff Graf was a member, sprinted out at the beginning and never looked back. New Zealand followed closely for second place, with Outrigger of Australia third.

The Hawaii Masters finally settled down and worked up from ninth spot to finish a close sixth place almost catching another young Australian crew.

Both Maloolooba and the Hawaii Masters set new records by cutting off more than 20 minutes. The OCC women put it all together by staying positive and combining their 12 women to walk away from Surfers Paradise and Sydney. They ended up breaking the four-hour

mark and beating several of the men's crews.

All these records will likely stand for a while due to the moderate to light winds and neutral effects of the currents.

The Hawaii Masters team, with the addition of Jim Kincaid and Chris Kincaid, were the recipients of the Toots Minvielle Memorial Trophy which will be placed in the Barefoot Bar where all the paddlers end up after a day's competition.

All of us, along with Steve Scott the women's coach, would like to thank the individuals and businesses that made it possible for the two teams to compete in Australia.

To Scott Cogar and the people of Hamilton Island, thank you for organizing the finest canoeing event in existence. We all look forward to returning to Hamilton in 1994.

A final footnote: This year's Bankoh Molokai women's and men's races will probably have the finest teams from Australia and New Zealand.

We also know that Tahiti will be sending a team to Hamilton next year because they sent a film crew to video tape the entire event. ☺

# JUNIOR 'RIGGERS

Outrigger's Boys 18's won the silver division of the Junior Olympics in Kansas City, Missouri. Instead of being greeted with Aloha, they arrived to lots of rain and thunderstorms.

The team included Ryan Avery, Daniel Brandt, Stewart Chong, Ivan Gale, Marc Hee, Jesse Hunt, Kekoa Kilcoyne, J. J. Riley, Rick Tune and Alika Williams.

In the 18's division, there were 72 teams, including OCC and Kamalii from Hawaii. OCC was

seeded number eight.

In the first day's competition, OCC was undefeated in pool play. On day two, they were second out of their pool. On day three, they came out third, which put them in the silver bracket.

On day four they played three games in the silver division and were undefeated, making them first in the silver and ninth overall.

They're looking forward to next year's competition in Austin, Texas.

Congratulations! ☺

## Softball Team Asks Why

The OCC Softball team doesn't want to hear about being the overwhelming pre-season favorite anymore. They don't want to hear opposing teams say, "Take it easy on us today," or "Please keep it close."

They don't even want to hear how sharp they look. All they want to do is start a long-awaited win streak.

It seems every team plays to a higher level when they meet OCC. The opposition keeps making impossible catches and improbable plays to snuff out big OCC innings.

OCC may lead the league in hitting, but when you lead the league in LOB's (left on base), chances are you aren't scoring all the runs you need to win.

And it doesn't help when you make all your errors in one inning. If you take away just one bad inning from every game OCC has played, they'd be 4-0 instead of 0-4.

OCC lost to SSD 8-7 even though OCC shut them out six out of seven innings. That's right. SSD scored all eight runs at one time.

Season highlights include two unbelievable sprawling catches by outfielder Kawika Fairbanks. Paki Vaughan has hit two homeruns. Jim Cavanah has hit one. Clayton

Chee was called out for stepping on home plate after he hit a home run. Henry Ayau's hobbled tape measure triple would have been the longest homer of the year if not for his bad knees.

A fantastic relay throw from Paki to Jim Gaddis to Jim McAluney nailed a runner trying to stretch a double into a triple in game three.

Fortunately it's a long season and OCC can still win the second round. Incredibly enough, team morale is high and everyone is having a great time.

If you want to see one of the best teams OCC has ever put on a ball field, come out on Tuesdays across the street at Kapiolani Park at 5 p.m. The team BBQ begins, as always, right after the game.

### OCC's Top Hitters:

Bill Kilcoyne	.750
Paki Vaughan	.730
Henry Ayau	.600
Nolan Ramirez	.570
Jim McAluney	.500
Kawika Fairbanks	.450
Jim Cavanah	.380

Jim Gaddis	.333

# Pahinui Band at OCC Luau

By Mike Buck

Wow laulau, the date for the OCC's 85th annual Luau has been set for Saturday, September 18 at 6 p.m. and what a celebration it will be!

In addition to all that you have come to expect from your Club's yearly Hawaiian-style party, you are really in for a special treat at show-time.

Because of the great success earlier this year with our "Concert by the Sea," the Board of Directors has allowed the Entertainment Committee to book another super group for the Luau.

Get set to be rocketed back to the past with the Cyril Pahinui

Band. Cyril is the son of the late, great Gabby "Pops" Pahinui, certainly no stranger to all of the Club old-timers who can remember when the Hau Terrace swayed to the slack-key sounds of Pahinui.

Cyril is a winner of the coveted Na Hoku Hanohano award, and his band has the sound of yesterday and today, plus he will be bringing a special surprise guest as well as his beautiful hula dancer.

And, because our Luau is family style, you can also expect some impromptu songs and dances from some of our Club's talented members and their guests.

Now, haupia lovers, the menu:

No OCC Luau would be complete without Chef "Ono" Teruya's own blend of local delights, so here are a few to whet your appetite: Lauau, Lomi Salmon, Chicken Long Rice, Poke Aku, Opihi, Kalua Pig, Rice & Poi, Teriyaki Steak, Mahimahi Filets, fresh fruits, desserts, and of course, Haupia. Need we say more?

Once again, the date is September 18th at 6 p.m., so make your reservations now. We're sure this event will be a sellout and we don't want anybody left out.

Oh, did I mention the ticket price is a low, low \$21.50? Do it, see you there.🍻

## Backward Glances

By Barbara Del Piano

### 55 Years Ago

1938--Matson Navigation Company again came to the rescue of the Outrigger when its lease with the Queen Emma Estate expired, precipitating one of the many major crises that jeopardized the survival of the Club.

Matson leased the property adjoining the Moana Hotel and sub-leased 46,000 square feet of beach front property to the Club and the remaining 14,000 square feet fronting Kalakaua to business interests for development into commercial space. The lease rent for the Club was set at \$300 per year for the first five years.

### 25 Years Ago

1968--Keone Downing and Rusty Starr represented OCC at the Huntington Beach surfing contest.

*This photo was taken in 1943 at the Old Club in Waikiki. From left, are James Campbell, Guido Salmaggi, Jack Goldman, Peggy Campbell and Nadine Kahanamoku. Jack and Guido were in the Army Entertainment Section and they toured throughout the Pacific area entertaining the troops. They were guests of Peggy Campbell at the Club.*

Keone made it to the finals of the junior event.

### 15 Years Ago

1978--The Club held a "Burn the Mortgage" party which featured no-host cocktails, dinner and music to celebrate the happy event.🍻

**T**his beautiful bromeliad has been in full bloom at the entrance to the Clubhouse this summer prompting Helen Sheehan to write the following poem:

### Ode to a Bromeliad

To see a Bromeliad 12 feet tall  
Is an amazing sight to us all  
It blooms every 50 years we're told

But how can we prove it--we'll  
be too old

# BOARD BRIEFS

**Board Briefs** is taken from the minutes of the Board of Directors meeting on June 24, 1993 and the Executive Committee meeting on July 15, 1993.

**Secretary's Report:** Eight members were suspended for 15 days due to failure to pay their accounts on time. Three members were terminated for being four times delinquent. . .

**Manager's Report:** It was estimated that between \$6,000 and \$7,000 was lost in revenue in May due to the no smoking policy, but the manager felt that this figure will decrease and by the end of six months will not have an impact on sales volume. . . Manager reported that of the 1,196 Nonresident members, 699 were at one time voting members; therefore their children are eligible for the Nonresident-Junior membership category.

**Athletic Report:** Funds were released for the Men's and Women's

Molokai races. . . \$720 was allocated from the Athletic budget for the Surf Committee. . . The Board reiterated its policy that only Club members may use Club surfboards.

**Budget Committee:** Wendell Brooks was named chair of the 1994 Budget Committee. Other members are Ken Brown, Tom Haine, Jaren Hancock, Scrappy Lipton, Jim Peterson, Chuck Swanson, Ray Ludwig and Gordon Smith.

**ODKF:** Manager will formalize athletic requests that will be forwarded to the Foundation for budgeting purposes. Ron Sorrell is handling the Barry Pritchard Fund.

**Mini-Charge:** The Board reaffirmed its policy of purchases in only the Dining Room and Hau Terrace be credited towards the mini charge.

**OCC Milk Caps:** Half of the net proceeds generated from the sale of Outrigger milkcaps will be allocated to the Volleyball Committee.🌀

## Feel Good, Stay in Shape

*By Emery Lucas*

**F**all always proves to be a very busy time of year for the active OCC member. Physical activities such as kayaking, running, swimming, tennis and volleyball are sports that call for a great amount of physical strength, coordination or muscle flexibility and stamina.

To be successful, of course, one must be in good physical shape in order to go the distance, no matter what the activity.

There is no better way to feel confident about your individual wellness or fitness program than to visit with OCC Fitness Center instructors Curtis Cachero or Jesse Wilson, and discuss your needs or desires no matter what your age or ability might be.

The first step is an important step and that is to develop an exercise routine with the help and professional advice of either Jesse or Curtis.

Use the Fitness Center throughout the year. Visit with Curtis or Jesse for any additional exercise instruction or to review your progress.

Members seeking to enhance their overall physical fitness can always make an appointment with an instructor for individualized or customized programs. The fitness instructors are available for your use and advice. Take advantage of their knowledge to help you gain the edge you seek.

All new or novice members wishing to be introduced to a workout protocol, proper equipment usage, and the importance of a consistent, overall wellness program (including stretching), are always encouraged to meet and discuss their fitness needs with Curtis or Jesse.

Remember, the Fitness Center is created to serve and improve the overall strength, fitness and wellness for all Club members of the various age groups.

Make use of the free weights, weight stations, ergometer, stairmaster or the stationary bike. Feel great by staying in shape all year around.🌀
