# Matt Kresser Leads OCC Marathoners

By Andrea Lehman

On December 15, 1991, the 19th annual Honolulu Marathon was held, fielding over 13,000 local and international long distance runners and walkers.

Twenty-two OCC runners entered, most of whom opted for the 430 a.m. van ride from the Club to the Aloha Tower start, provided by marathon retiree Russell Allen.

Emotions amongst runners are mixed at the start of the race. For OCC runners Jeff Kissel and Jill Cheever, this was a first. For experienced Ed Moore and Don Eovino, maybe a personal best time could be set.

Confident OCC marathoners Matt Kresser, Tommy Holmes, Billy Balding and Geoff Piper would try to better their seven-minute race pace time.

Old timers like Bruce Ames and Norm Dunmire, completing 15 and 11 marathons each, would look forward to yet another "Finisher" T-shirt, a proud reward given only to those runners who complete the 26.2 mile course.

Wahine OCC runners Katy Bourne and Paula Jenkins, would cover the en-

tire course side-by-side, striving for a second and third marathon finish respectively.

Lady Ruth Munro would run competitively, seeking first place in her age group, 65-70. And would Fred Hemmings survive?

Unknown first time marathoner Benson Masya of Kenya took first place in a respectable time of 2 hours, 18 minutes. Ritva Lemettinen of Finland finished first for the women in a time of 2 hours, 40 minutes.

Although there were no course records, probably due to the high humidity, the first place winners clocked in at a 5:16 and 6:06 minute per mile running pace, respectively.

Matt Kresser was Outrigger's first finisher for the second year in a row, completing the course in 3:15. Katy Bourne and Paula Jenkins finished in 3:54.

Runners gathered at the Club at 4:30 a.m. for a ride to the starting line. Front, Andrea Lehman, Ray Sukanuma, Carol Wilbur and Ruth Munro. Standing, Don Eovino, Ed Moore, Peter Dudgeon, Fred Hemmings Jr., Emery Lucas, Jeff Kissel, Norm Dunmire, Steve Dunn, Arnold Lum and Jim Stahl.

# We Sponged, Watered, G'aded and Cheered at 17th--and Final--Marathon Aid Station

By Marilyn Kali

More than 150 Outrigger members and their friends volunteered at the Outrigger Canoe Club Aid Station for the Honolulu Marathon on December 15, 1991, offering cold sponges, ice water, Gatorade and encouragement to the more than 13,000 runners and walkers.

And, while it was the best turnout of volunteers we've had, it was also the last time the OCC will sponsor the Aid Station.

"We've been very loyal for the past 17 years," said OCC Aid Station director Cline Mann. "We are the last of the original Aid Station sponsors and have worked very hard to make our station the best on the course."

"As the number of runners in the Marathon has increased, it has become increasingly difficult to staff and operate the Aid Station adequately," he added.

"Marathon officials are considering several changes to the 1992 race, including limiting the field and changing the route. It seemed like the right time to bow out and let someone else have a turn."

"We've enjoyed being part of the Honolulu Marathon for 17 years," he added.

In 1973, the first year of the Honolulu Marathon, about 150 runners participated in the race. The small aid stations along the route were staffed by marathon officials, Boy Scouts and other volunteers.

In 1974, the number of runners doubled and in early 1975, the organizers feared that another doubling would place an impossible burden upon the existing system.

Consequently a new system was proposed whereby each station would be staffed by a different and already established organization. Member Jack Scaff, Marathon Association president, encouraged the OCC to become involved and Club Captain Fred Hemmings Jr. accepted the challenge with Cline Mann taking charge. The OCC is the last of that original group.

"We've gone from 600 runners in 1975 to more than 13,000 in 1991," Cline said. "Fifty-five members helped at the Aid Station the first year, and more than 150 this past year."

"It's very hard, just before the holidays, to ask people to stay at the Aid Station from 5 a.m. until the last runner passes. That used to be about six hours. Now, the last participants, most of whom have walked from the starting line, are still coming through nine hours later. That makes for a very long day."

Another problem has also made the Kahala Avenue Aid Station more difficult to operate. In the early years of OCC's participation, Club members (Kimo Austin, CB Ayau, Dale Hope and Bruce Ames) lived on Kahala Avenue and their homes were used

for water sources.

"Now, with many new homes owned by nonresident foreigners, obtaining water is much more complicated. We have a very hard time contacting owners for permission to use their water. This year was especially difficult.

"I'm very pleased with the way we responded to this year's challenge of 13,000 plus runners, serving them twice--on their way to Hawaii Kai and on their return to the finish line.

"I want to thank everyone who came out this year. At times it was so fast and furious out there that the people filling the water and Gatorade cups never even had a chance to look up for an hour or more.

"The kids and others who ran the used sponges back to the start really got their exercise.

"We have had a loyal group of helpers participating every year, and I'd like to thank them, especially the crew that spent all day Saturday helping get everything ready. I'd also like to thank the people who stayed until the bitter end on Marathon Sunday to make sure

Making Saturday preparations for the Aid Station were Kawika Grant, Buck Schmuck, Cline Mann, Tay Perry and Richard Ferguson.

all the litter was picked up, the streets swept clean and everything brought back to the Marathon headquarters and to the Club," Cline said.

Although it's a lot of work, for most of us, the reward comes from the runners who yell, "Thanks, Outrigger," or "Nice Job Outrigger," as they grab their last cup of water before starting up Diamond Head on the way to the finish line.

Our thanks to all the volunteers who helped this year. If your name is missing, please drop the Editor a note and leave it at the Front Desk. ♡

# OCC Spotlight: Business Office

By Tom B. Sellers

"What Business Office?", I heard someone say. Where is it? What do they do? For those of you who would like to know, there are seven dedicated people whose jobs critically affect our prestigious club.

The Business Office is less than glamorous. Like paddlers in the swells of the Molokai Channel, this group of executives sit, purpose in mind, in the depths of the Club, making sure the internal workings don't huli.

Rarely seen or heard, this group harmoniously works together to achieve a productivity level associated with a winning canoe team. They know their stuff.

It all starts from the top. For the last six years, the Business Office has enjoyed the expertise of Gordon Smith in the position of comptroller. Previously an audit manager for Coopers & Lybrand, as well as comptroller for the Honolulu Club, Smith has brought a wealth of financial and budgetary knowledge to the position.

Gordon is a kamaaina, born in Honolulu and raised all over the world as the son of a military officer. He is the godson of four time past-president Ward Russell. He was named for his grandfather, Gordon Cummings Ross, who was the High Sheriff of the Territory of Hawaii.

Gordon's responsibilities include overseeing all Club financial interactions encompassing yearly budgets, financial planning, payroll, dues and a host of tedious details.

Smith is a welcomed asset and continues to bring OCC to the level of a well run business enterprise. Smith declares he loves his work and adds that "his excellent staff make his job much more pleasurable."

To see the dedication of the staff one only has to begin looking at the time and care put forth by these people.

Ruby Yabiku is case in point. An OCC veteran of 36 years, Ruby has the aura of "OCC Guru" around the Business Office. It's agreed upon unanimously that one would be hard pressed to find someone who knows more about

the Club, members and employees.

A harmonious element to the team, Ruby's knowledge and experience

are an invaluable commodity. When she's not answering questions, Ruby enjoys meeting new members, especially Junior members. She loves watching them grow up and become parents, perpetuating the ohana of the club.

A widow now, much of her free time is spent taking care of her plants and baking desserts for her son Wayne's two boys, Christopher 11, and Jonathan 6.

Another dedicated Club veteran of 25 years, Marie Riede has earned her position in personnel. Born and raised in Hawaii, in 1966 she started at the Club as a hostess in the Dining Room, then moved to cashier in 1970 and reached the Business Office in 1971.

Originally placed in the office as a clerk, Marie took over the personnel position in 1983. A professional at her job, she is dedicated and makes sure every employee in the Club is paid correctly.

Marie's husband works with Federal Express and is also a professional photographer. Her daughter Stacy is a Club member and plans to marry in April. Marie is a Kalani alumna and is in charge of the scholarship fund raising through rummage sales. Both on and off the OCC premises, Marie has a commitment to helping others.

Adding to the abundance of familiar OCC faces, Velma Tanaka, a 27 year member of the Business Office makes work a pleasure. Raised on Maui and a graduate of Honolulu Business College, Velma feels the Club is an extension of her family.

Apart from work, Velma shares in

The Business Office staff includes Gordon Smith, Annie Halliwell, Evelyn Foronda, Marie Riede, Ruby Yabiku, Velma Tanaka, and Sherrill Suzuki.

the enjoyment of meeting Club members and seeing them enjoy the surroundings she helps keep functioning.

Annie Halliwell just couldn't stay away. She first worked for the Club in 1959 for a year and a half. In 1964, she returned to OCC and operated the Beach Shop and then moved into the Business Office in charge of accounts receivable.

A 27-year member of the Business Office, Annie notes some of her best memories have been meeting famous people/members who visit the Club, including Jimmy Carter, Jacqueline Onassis and Tom Selleck.

Annie recently married Herbert Halliwell. She has two daughters and four grandchildren.

Born and raised in the Philippines, Evelyn Foronda is one of the newest recruits to the Business Office—five years. She, too, has returned to OCC. Evelyn came to work at OCC first in 1985 in the Snack Bar. She returned in 1987 to join the Business Office gang as an account clerk and working for the Outrigger Duke Kahanamoku Foundation as their secretary.

At the tender age of 21, Sherrill Suzuki is the newest entrant into the Business Office. After one month, she knows this is the right spot. What better location to stay in touch with her hobbies of dancing, swimming, crafts and tall, handsome, single, athletic men.

As General Manager Ray Ludwig will tell you, "The Business Office is a tightly-knit, smooth running outfit. They remind me of a top flight canoe team, always in sync and the best of friends." ☺

# Golf Chips From the 19th Hole

By Frank E. Walton

Twenty-eight Outrigger golfers who made the 6:45 a.m. check-in time at Hickam AFB on December 6, found the course in top condition, the weather cooperative in spite of a few passing showers, and the golf course staff, as always, most helpful.

Thirteen golfers, including two wahines, scored in the 80s.

Larry Langley and Joie Gopez emerged the Men's and Women's Low Gross winners with workmanlike scores of 79 and 80, respectively. Vic Hawthorne and Terri Lui had the Low Net winning scores of 67 and 72.

Gopez and Langley were well onto their game, each taking one of the Closest to Pin trophies while Jim Hammons and Diane Brinck took the other two.

## Stroke Play Champions

With fine scores over the year, Terry Stoddard (average 80.75 for four outings) and Terri Lui (86 average) earned Outrigger Golfer of the Year Stroke-Play titles for 1991.

Best Low Net scores were achieved by Peter Balding Sr. (69.75 average net) and Cyrena Bryan (72.25 average net).

The Stroke Play winners are determined from the four best scores turned in by each player in the Club's six tournaments of the year.

As may be seen from the complete results below, competition for both titles was keen.

More than 50 paddlers entered the Outrigger Canoe Club's annual Winter Tri-Ocean Race, December 28, at the Club. The 10K Paddleboard race was won by Mark Rigg in 1 hour and 4 minutes, just six seconds ahead of Dale Hope.

The 12K Surfski Race was won by Nalu Kukea is a record time of 55 minutes, 18 seconds.

The 8K One-Person Canoe race was won by Walter Guild in 42 minutes, 30 seconds.

Other OCC winners were David Buck in the Boys 12K Surfski and Bill Bright in the Masters Division.

In the One-Person Canoe, Mary Smolenski won the women's division, and Tom Conner, the masters division.

Following the race, lunch was served on the beach and trophies awarded.

Our thanks to the following who helped with the race: Greg Moss, Paddleboard Committee chairman; Drew Criss, Buddy DeBruyn, Tommy and Diane Damon, Jan and Bruce Gordon, Kawika Grant, Dale Hope, Don Isaacs, Marilyn Kali, Ron Li, Cline Mann, Sylvia Medellin and Marjorie Moore.

## The Ahupuaa of Waikiki

**T**he Historical Committee will present a lecture by Cline Mann on "The Ahupuaa of Waikiki" on Monday, February 10 in the Dining Room at 7:30 p.m.

Mann, a noted surveyor who specializes in ancient Hawaiian land boundaries and land title history, will also show map slides.

A stew and rice dinner, including tossed greens and fruit salad, coffee/tea and chocolate pie dessert will be available at \$9.95 per person.

No host cocktails will be available on the Hau Terrace from 5:30 to 6:30 p.m. together with a historical display of memorabilia from the OCC archives.

Dinner will be served promptly at 6:30 p.m. The lecture will begin at 7:30 p.m.

During the first 15 minutes, Mann will discuss the lands of Hawaii in general, ahupuaas and ilis, eventually focusing on the island of Oahu.

The remaining 45 minutes will cover the 90 smaller land sections (ili kupoas) which totally comprise the ahupuaa of Waikiki.

Specific attention will be devoted to the lands occupied by our present and former Club houses, also to other lands of historic or geographic interest. Lands where members in attendance reside, will also be described.

The talk will close with a question and answer period.

Space will be limited, so please make your reservations for the lecture and dinner early by calling 923-1585. ☎

# R FOR HEALTH

**B**eyond preventing cancer with attention to diet, sun exposure and abstaining from smoking, there are many things which can help to catch these most dreaded of diseases while they are still curable.

It is important to remember that cancer is a family of diseases, some of which are alike, while others vary tremendously in cause, behavior and curability.

Approximately one in three of all people living in the United States today will have cancer at some point in their lifetime and, fortunately, progress is being made on many fronts.

What can be done? If you smoke, stop. The continued prevalence of cigarette smoking is astonishing, and although tobacco use contributes to bad health in many ways, lung cancer is one of the most dreadful.

Breast cancer is the most common form of malignant disease in American women and the second leading cause of cancer death after lung tumors.

A family history on the maternal side (especially when it has affected the mother, aunt or sister, premenopausally) cigarette smoking, a high fat diet in adolescents, and a prior history of cancer in the opposite breast all increase a woman's risk.

Careful self-breast examination, annual checkups and mammograms can detect a disease in its early stages. Curative and non-disfiguring surgery is available. Mammography should be initiated at age 35 unless special risk factors or other conditions warrant an earlier start.

Colon and rectal cancer is the second most common cause of cancer death in the United States. Simple and painless examinations can prevent the disease by catching colon polyps in their premalignant phase or they can detect cancer in its earliest and most curable form.

Any change in bowel habits or bleeding mandate a thorough checkup.

Prostate cancer is common in men after middle age. New methods for its early detection are simple, painless and readily available. Every male over age 40 should be checked annually.

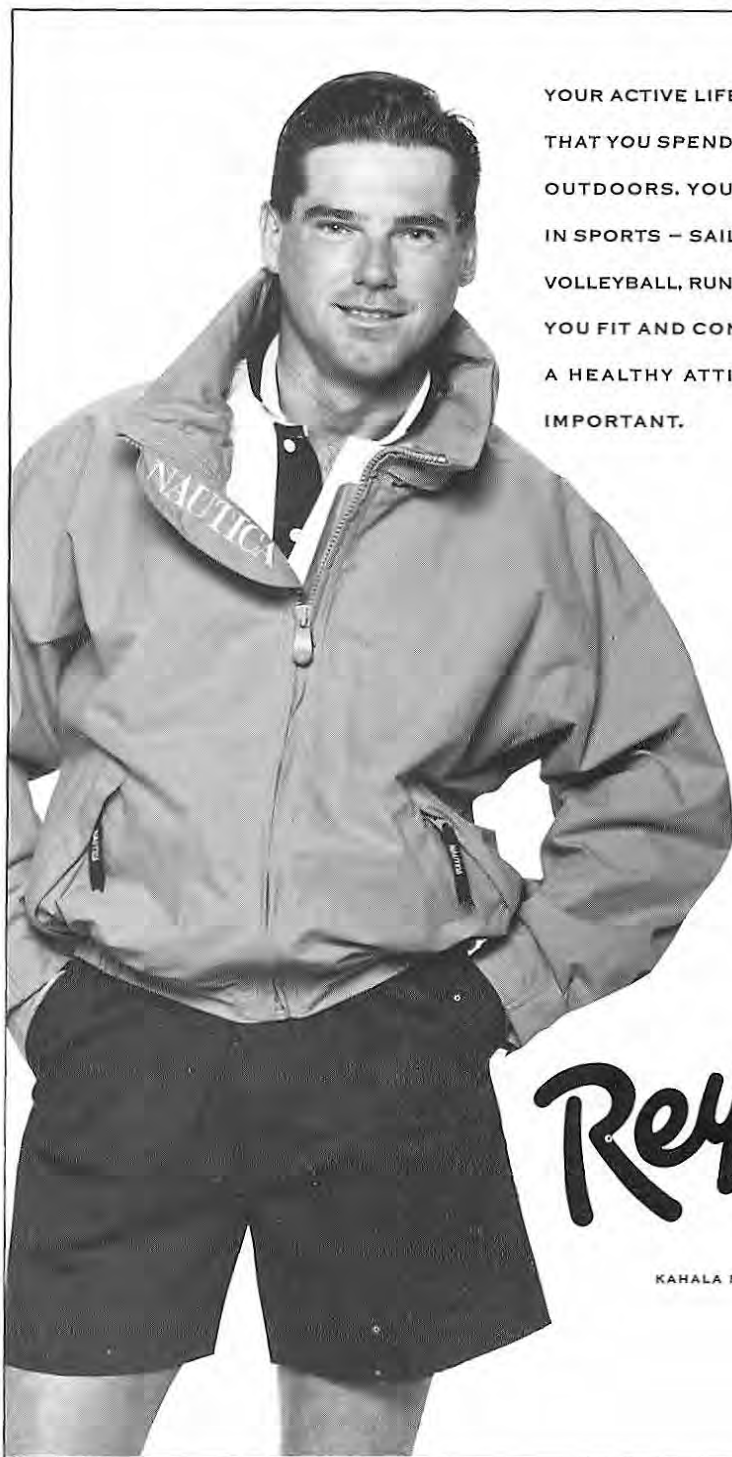

Pap smears are critically important in the early diagnosis of cancer of the cervix. All women who are sexually active or who have reached age 18 should

be checked every year.

Malignant melanoma is a very serious form of skin cancer and is increasing in incidence in both men and women. It is now, like other forms of skin cancer, believed to be related to sun exposure. Protect yourself.

Any of the American Cancer Society's seven warning signals should lead you to your doctor.

- A change in bowel or bladder habits.
- A sore that does not heal.
- Unusual bleeding or discharge.
- A thickening or lump in the breast or elsewhere.
- Indigestion or difficulty in swallowing.
- An obvious change in a wart or mole.
- A nagging cough or hoarseness.

YOUR ACTIVE LIFESTYLE MEANS THAT YOU SPEND A LOT OF TIME OUTDOORS. YOU PARTICIPATE IN SPORTS - SAILING, SURFING, VOLLEYBALL, RUNNING. IT KEEPS YOU FIT AND CONTRIBUTES TO A HEALTHY ATTITUDE. THAT'S IMPORTANT.

# AROUND THE CLUB

By Raymond Ludwig, General Manager

Within the next few days you will be receiving in the mail a Committee Preference Card for 1992 listing the various committees which members may serve on. The choice of committees is wide ranging from athletics to operations. This is an opportunity to get involved and make a contribution to your Club.

I would like to thank those 200 plus members who have served on the Club's various committees this past year. They are all hard-working members who have certainly made a lasting contribution to the Club. We are the club that we are because of the willingness of our membership to step forward and become involved.

## Annual Meeting

Please don't forget our annual membership meeting will be held on Monday, February 24 at 5:30 p.m. in the Club's Main Dining Room. The agenda will include the Judges of Election report, Treasurer's report, reports from our standing committee chairpersons and the President's Report.

We will be offering complimentary refreshments in the Lounge immediately

following the conclusion of the annual meeting.

## Elections

I would ask that when you receive your ballot packets for the 1992 election of directors that you take the time to vote for the nominees of your choice and return the ballot to the Club in the ballot envelope provided no later than Sunday, February 23 at 6 p.m.

This will ensure that your vote is counted. Remember that the requirement of having concerned and informed directors who are experts at guiding organizations through all the complications of today's and tomorrow's club operations, must be the number one priority for club members.

## Dress Code

Our Dining Room dress code specifies aloha wear is acceptable unless otherwise specified for special occasions. T-shirts, tank tops, shorts, athletic clothes and/or swimwear, beach sandals and rubber thongs are not acceptable. Gentlemen's attire must include closed footwear, long trousers and a collared shirt.

Your cooperation and that of your guests in conforming to our Dining Room dress code will be greatly appreciated by both your fellow members and our staff.

## February Specials

A couple of things you might want to put on your calendar for February. Friday the 14th we will hold our first fashion show of the year in the Main Dining Room starting at 12 noon. Fashions are by Casual Corner. If you plan to attend, it is suggested that you make your reservations with the Dining Room as early as possible as our luncheon fashion shows are extremely popular.

The Historical Committee will present another slide show and stew and rice buffet dinner on February 10 in the Club's Main Dining Room. Reservations can be made at the Front Desk.

Our first Karaoke Night of the year is scheduled for Saturday, February 29 on the Hau Terrace in conjunction with the regular Saturday night Steak Fry. No reservations are required.

And lastly, don't forget our Annual Membership Meeting on Monday, February 24 at 5:30 p.m. ☞

## Be Sure to Vote in Club Election

By Gerry DeBenedetti

Nine OCC members have been nominated as candidates to serve on the Club's Board of Directors for 1992-93.

You will be receiving your ballot in the mail in early February. This is time dated, please don't ignore it, throw it in the "read later" pile of mail, or think it's your bill and put it off until the 14th.

Club members will be asked to vote for six Directors to be elected to two-year terms.

The people you vote for will be in charge of guiding this Club, choosing the management, approving the activities we fund and directing the long range policies of the Club.

When your ballot arrives, it will have voting instructions on it, but these will be repeated here for you as a reminder.

The final date to vote is Sunday, February 23 at 6 p.m. But you don't have to wait until then. Vote as soon as you get your ballot, then mail it or drop it off at the Club.

Sign the outside envelope on the ballot, include your number and write legibly. Ballots without the outside envelope are discarded. Your signature tells the election judge that you are a qualified voting member. If you are delinquent in paying your bill, your ballot is invalid.

Vote for no more than six candi-

dates. You may vote for less than six. The candidates with the highest number of votes are those who are elected.

All Senior, Regular, Intermediate and Life members of the Club in good standing are eligible to vote. Your vote counts. Please kokua.

Attend the Annual Meeting on Monday, February 24 at 5:30 p.m. and hear the committee reports and election results. Become involved with the operations of your Club.

Bob Moore served as chairperson of the Nominating Committee. Serving with him on the committee were Peter Balding, Kawika Grant, Gerri Pedesky and Tommy Thomas. ☞
