Macfarlane Win Highlights 4th of July

From the paddler's breakfast on the Hau Terrace to the Masters men's victory in the final event of the Macfarlane Regatta at Waikiki Beach, it was a glorious 4th of July for Outrigger Canoe Club paddlers.

The Girls 12's started the regatta off with a win and Club paddlers dominated the rest of the day, scoring 99 points to runner up Kailua's 49 points. Lanikai was third with 48.

Outrigger won 15 events, was second in five, third in three and fourth in three.

Most of the Macfarlane perpetual trophies came home to the Club, particularly the Matson trophy for the Senior Men's race. Our Senior Men and Women both sipped champagne from silver bowls at the awards ceremony at the end of the regatta.

Outrigger totally swept the upper division women's events, capturing the Freshmen, Sophomore, Junior, Senior and Open 4 events, as well as the Girls 16's and 18's and Senior Masters.

A new trophy was added this year in memory of Bob Fischer. The trophy goes to the winner of the Novice B Women's event.

Three OCC crews remain undefeated--the Girls 16's, Boys 18's and Senior Women. The Freshmen Men and Women, Senior Men and Novice A Men all have 4-1 records.

Outrigger is undefeated this season, with one tie in the opening regatta of the season.

The state championships will be held August 3 in Hilo. Outrigger has won the state championship for the past seven years. 🍷

AS THE TERRACE TURNS

Marjorie and Warren Stone gave a party at the Club to celebrate the 10th anniversary of the founding of their publication, "The Japanese Guide to Hawaii."

Katie McCrary and Blair Thorndike were married on May 25 in Kahala. Katie is the daughter of Chuck and Ann McCrary. . .

Sue, Seymour and Aaron Kazimirski announce the birth of Alana Rose on May 30.

Family reunion time. Enjoying Sunday brunch at the Club recently were Robert Dodge Jr. and Tammy Kiyabu with families. Nuptials in the offing. Tammy's maternal grandfather is Soichi Sakamoto who coached so many famous local swimmers. . .

Graduation time for Honolulu Academy of Arts. Members of the '91 class celebrated over lunch at OCC. Among the graduates was Molly Hustace.

John Bustard sends along a clip from a 1948 Forecast written by his father, George Bustard. In the article, George recalls joining the OCC one month after it was organized, when dues were \$10 a year and no initiation fee.

"There was very little formality about joining in 1908. Alex Hume Ford would approach a likely prospect and ask: 'Want to join the Outrigger

Club?' and getting the affirmative, he would scribble the name on the back of an old envelope and that was that."

"Those were the days when few people had cars and the trip to the club was taken by the old street cars across the duck ponds. My nostrils quiver at the thought of it."

We'll all miss Life Member Bob Fischer who died June 21 in the Seaview Convalescent Home in Eureka, California. Bob joined the OCC in 1935 and devoted much of his time and energy to making outrigger canoe paddling a competitive sport in modern Hawaii. He was a long-time race official and behind-the-scenes man in canoe racing both in the Club and at the Oahu and state levels.

President John Goss has sent a letter to the Department of Transportation asking that the Judges Pavilion in the new Canoe Complex now being constructed in Keehi Lagoon be named in Bob's honor. OHCRA officials will support the recommendation.

Anita Brightman asks that anyone wishing to remember Bob, make a contribution in his name to the Outrigger Duke Kahanamoku Foundation.

Wining, Dining and Sunshining

By Tom Sellers

The setting was perfect—light breezes, soft clouds, pleasant short-sleeved atmosphere and the most outrageous layout of wines and foods imaginable.

As the stylish tasters appeared at the scene, they saw instantly what a treat they were in for. A five-foot tall wine bottle ice carving which centered a 30-foot table resembling a roman feast.

The air was full of the aroma of fine tastes and fun. Everywhere you turned, there was a friendly host pouring their fine wines and offering a full disclosure of their fruits.

The wines were plentiful and diverse. Sparkling wines from California and champagnes from Spain, to Pinot Noir that begged for seconds, it was the ideal venue for total enjoyment. 🍷

WOW! What a summer! First the Boys 12 volleyball team won the National AAU championship in June (see story on opposite page) and then the Boys 18 team won the National Junior Olympics Championship on July 6.

Add two Jr. 'Riggers to the U.S. Junior World Canoe and Kayak Team to compete in Austria in July, and two undefeated (after five regattas) paddling crews -- the Girls 16s and the Boys 18s. Are Jr. 'Riggers terrific or what? Can you think of any other club that has as many outstanding junior athletes as we do?

The boys 18's defeated Rip It Up (Huntington Beach, California) 15-9 in a sudden death game in Tampa, Florida to win the title. Members of the team are Stein Metzger, Mike Lambert, Brant Chillingworth, Charlie Mattson, Sean Scott, Brian Wells, Jon Aharoni, Jon Haraguchi, Daniel Chong and Bill Fannemel.

Our Boys 16's finished seventh in their age division at the Junior Olympics. Members of that team are Brian Kilcoyne, Alike Williams, Stuart Chong, J. J. Riley, Marc Hee, Richard Riecker, Kimo Greenwell, Jesse Hunt, Ivan Gale and Ryan Avery. Hear tell they got to visit Disney World before returning home.

Watch for a story and *David Buck* pictures next month about the Junior Olympics.

Congratulations to **Brian Wells** and **Laya Clark** for being named the top male athletes from their high schools by the Honolulu Advertiser. Brian was the top male athlete from Punahou and Laya from Iolani. . .

Bret Chuckovich is spending the summer in France visiting his mom. . .

Our Boys 16 volleyball team won the men's State BB volleyball regionals over the Memorial Day weekend. They were the youngest team there and went 14-1 over the weekend.

Congratulations to **David Buck** and **Joanna Reinhardt** on their selection to the U.S. Junior World Kayak and Canoe team. They competed in the world championships in Vienna, Austria in July and return to the U.S. to compete in the national championships in Indianapolis beginning August 12.

Boys 12's Win National AAU Title

By Tony Crabb

After losing the first game 4-15 against the Maryland Volleyball team in the semi-finals of the single elimination volleyball tournament, the OCC Boys 12 volleyball team came back to win the second game, 15-6.

They won the third game 15-7, using the fast scoring system, and advanced to the finals of the National AAU Volleyball Tournament held in Lisle, Illinois, June 25.

This championship match was against St. Louis and the OCC boys prevailed, 15-6, 15-12, to win their second national AAU volleyball championship.

The team played great volleyball and hung tough when it got rough. They were behind against Team St. Louis, Maryland, and St. Louis Red, however, the OCC defense kept them alive and their perseverance paid off.

The boys were 9-0 in matches and 18-1 in games. Their team play, ball control and transition attack were far superior to the other teams.

However, it won't be as easy next year when they move into the next division, 14 and under. Thus, practice will start once again in September. (Boy's,

look for the announcement on the OCC Bulletin Board come September!)

All in all, we had a great time in Lisle. Those making the trip were Kaione Crabb, Craig Gamble, Tui McBraun, Kevin Crabb, Dylan Fern, Nai'a Blankenfeld, Chris Johnstone and Jeffrey Lee.

Named to the All-tournament team were Dylan Fern, Nai'a Blankenfeld and Craig Gamble. Honored with the MVP award was Kaione Crabb.

There were 350 teams from 28 states in the tournament. There were eight teams in the 12 year old division.

Congratulations Team! 🏐

OCC Wins 2 USVBA Championships

By Dean Nowack

Four OCC volleyball teams traveled to the land of tornados and thunderstorms to compete in the 1991 U.S. Volleyball Association national championships, May 25-31 in Kansas City, Mo.

The tournament consisted of 268 teams from all over the country. The tournament format for all matches was two out of three games to 15 points, with the third game rally scoring format (that is, a point scored for every serve or side out, just like ping pong). The first two games also are limited by time allotment.

I'll start with the Golden Masters team (50 years of age or older). Well, on second thought, I'll start with the Open team.

This was the first year since 1987 that we could field a strong Open team. It was hard to gauge how good we were since there were no local open tournaments this Spring.

However, we qualified for the Gold Division (top 8 of 48 teams). This was quite a feat for the first tournament in four years and our first of the Spring. Although we went out of the tournament at seventh place, we found that we could definitely compete at this level.

Earlier in the week, we defeated the tournament's second place team (Off-

shore) by scores of 15-12, 8-14, 15-8. And the team that put us out of the tournament, Slide Systems, barely beat us 15-13, 15-13.

All the players contributed to our team effort and Matt Rigg was recognized as a third team All-American.

And how about those Golden Masters? Well, I'll talk about them later.

This year's format in the age group category was such that the age group teams could compete in more than one division. That is, the 40 and older division was held Saturday through Tuesday and the 35 and older division was held Wednesday through Friday.

The only problem is that the number of matches played is crammed into a

short amount of time. If you are to play in two divisions, you must be in top shape.

The nucleus of six players--Jon Stanley, Randy Shaw, Chris Crabb, Tom Madison, Ilmar Tarikas, and Dennis Berg. Not pictured: Coach Kimo Brown.

and Ilmar Tarikas--played in both divisions. In the 40's, they added Jim Bukes and Dennis Berg, for the 35's, they added Ralph Smith and Jon Andersen.

Twenty-two teams competed in the 40's division. And the OCC team found themselves in the finals without even losing a single game, let alone a match. They beat Lucchesi from Colorado, 16-14, 15-5 to win the division.

Something to note is that Chris Crabb had to be at work Wednesday in Honolulu. So Dennis Berg (at 48) stepped in for Chris and had an excellent match.

The players receiving national recognition were Chris Crabb, 2nd team All American; Randy Shaw, Charlie Jenkins, 1st team, and Jon Stanley (at 47 years of age) the tourney MVP.

The 40 division ended at 11:30 p.m. Tuesday night and the OCC 35's began pool play at 8 a.m. Wednesday morning with four matches scheduled throughout the day with a total of 30 teams.

To compound matters, Charlie Jenkins pulled a leg muscle in the 40 finals and was unable to compete in this division. That left Ralph Smith as the setter for the team--a position he hadn't practiced all season because he was needed as an outside hitter.

In addition, Chris Crabb was scheduled to arrive on Thursday after teaching all day Wednesday and flying all

night to get back to the tournament. But the team showed its toughness by going through the tournament again without a match lost, 10-0.

After the winner's bracket finals and 18 matches (38 games) of volleyball in 6 1/2 days, coach Kimo Brown insisted that our dog-tired outside hitter Randy Shaw get a massage.

About 20 minutes later, I went to Randy to tell him the time schedule for the finals. I talked to him for a minute or so before I realized he was completely asleep with his eyes open!

So, refreshed and ready, the team again rose to the occasion and beat B Jammin' for the 35 championship.

To help put this in perspective, the nucleus of this team was the same team that won the 1984 35 year division. No team had won two divisions in one tournament and no team even competed in the same division seven years later.

So, after a total of 19 matches and 41 games in seven days, the OCC brought back two national titles.

Recognized for their achievements were: Jon Stanley, 2nd team All-American; Ralph Smith and Chris Crabb, 1st team All-American and Jon Andersen, tournament MVP.

Well, that's it from Kansas City. Sorry, I almost forgot—the Golden Masters (50 and older). To put it mildly, are there any tall, athletic 49 year old males who want to learn volleyball?

I'm just kidding. These guys have been carrying the torch for the Club for 30 years or more through all the divisions.

The team this year placed ninth out of 15 teams. They did, however, barely lose to the eventual second place team, War Ring, 7-15, 13-8, 17-16.

The team was slowed considerably by an illness to Linzy Hotz, our second setter and one of the best at ball control. Linzy was at our first game and we didn't see him again until it was time board the plane. So at 62, Bill Baird had to run down and set every ball.

The older you get as a player, the more adept you become at making excuses. And this year was simple, they blamed it on the coach!

Members of the Golden Masters team were David Porteus, Bill Baird, Hugh Foster, Tom Haine, Bob Kashare, Fred Hiapo, Mark Lawson and Linzy Hotz. The coach was Dean Nowack.

It was quite a week and we look forward to Reno next year.

The Volleyball Committee and teams would like to extend a special thanks to Club Captain Bill Bright. It is a very thankless, tiresome job but Bill has always made time for our requests and questions. Again, Mahalo. 🍻

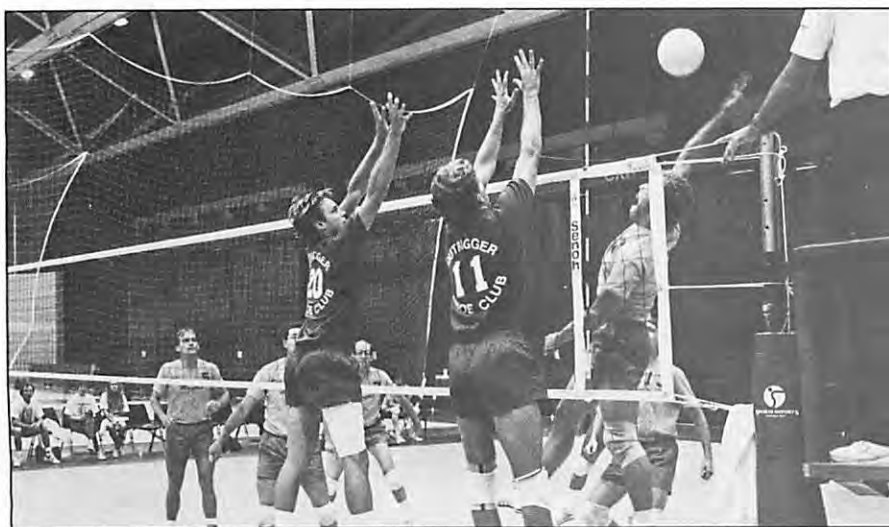

The USVBA 35's champions are Randy Shaw, Tom Madison, Jon Stanley, Jon Andersen, Ilmar Tarikas, Chris Crabb, Charlie Jenkins, Jim Bukes and Coach Kimo Brown.

OCC's Best Chefs

By Tom and Sherri Sellers

Everyone loves a meal you can pick up and make a mess with! We make our tortillas from scratch and it makes your tacos incredible! The tacos found in the deli section will do, if you aren't too picky.

Corn Tortillas

2 cups Masa Corn Flour
1 cup water
1 flat plate
Saran Wrap

Mix 2 cups of Masa flour and 1 cup water. Knead the flour into round balls a little larger than the size of golf balls. Not too wet. Place the balls between two pieces of Saran Wrap and squash them with a flat plate until about 6" round. Heat a teflon pan and cook each side until firm. Flip 'em like flap jacks. Store until it's time to fry them in hot cooking oil. Cook each side until almost crisp. Remember they have to fold.

Note: keep the dough on the dry side for best results.

Makes about 6. More flour and water, more tacos.

We also make our own salsa. The salsa is a big hit and goes well with chips too.

Sherri's Shoutin' Good Salsa

4 medium tomatoes (plum tomatoes if possible), 1 1/2 pounds diced

1/2 cup diced onion
1/2 cup diced celery
1/4 cup diced green bell pepper
1/4 cup olive oil
1 clove crushed and diced garlic (optional)
2 to 3 tablespoons canned crushed green chili peppers, add hot peppers if you like
2 tablespoons red wine vinegar
1 teaspoon mustard seed
1 teaspoon salt
4 sprigs Chinese parsley, diced
Fresh ground pepper to taste

Combine all ingredients into a large bowl. Then let sit for several hours in the refrigerator. Squeeze a wedge of lime at serving time. Serve over tacos.

Meats/Fowls

2-3 pounds (brisket) flank steak or skinless chicken breasts
1-2 cloves crushed garlic
1/8 teaspoon cumin
1/4 teaspoon oregano
1/8 teaspoon celery salt
1/8 teaspoon garlic salt
1/4 teaspoon Lawrey's salt
Ground pepper to taste

I like using brisket or flank steak myself and would highly recommend it because the cut is lean and full of taste. Barbecue over kiawe for the best results. You may broil just as easily.

Prepare the meats by covering them with ground pepper, cumin, oregano, garlic salt, celery salt and Lawrey's salt. Top with crushed garlic, refrigerate and let sit 2 hours in a zip lock bag.

Dad Center Race Scheduled August 25

The 19th Annual Dad Center Long Distance Canoe Race for women will be held on Sunday, August 25. The race starts at Kailua Beach Park and finishes at the Outrigger beach around noon.

Outrigger sponsors the 22-mile race each year for women's crews. Competition is held in both open and masters divisions.

The race honors long-time OCC coach and Winged "O" Dad Center.

The first five years of the race, the course was eight miles from Hawaii Kai to Outrigger. Since then, the course has been 22 miles from Kailua Beach Park to Outrigger.

Outrigger has dominated the race, winning all but three years. Hui Nalu is the only other club to win, with victories in 1979, 1982 and 1989. Results from 1981 and 1983 are unrecorded. If anyone knows who won either of these races, please contact the Editor or leave a note at the Front Desk.

1989--Hui Nalu, 3:03:53*
1990--Outrigger, 3:33:34

*Course record

Cook the brisket to medium rare. Chicken should be cooked well done. Cut the meats along the grain like cutting cabbage for coleslaw.

Toppings

Use grated sharp cheddar for best results. Shredded lettuce and some fresh avocado.

Now get out a big plate and wash it all down with an ice cold beer. Once you eat one of these you may never be the same. Good Luck. ☺

Running Clinics Planned

With the Hana Relays coming up in September, the OCC Running Committee is kicking off a series of training clinics for all interested members. They will be once a month until December's Honolulu Marathon.

The clinics will be held for 15-20 minutes prior to various OCC training and fun runs as posted in the Tunnel and are for all who want to improve their skills or lower their personal best at any distance.

The coach will be Don Mueller, an active member of the running and triathlon community. He is currently coaching with the Island Triathlon Training program and is Hawaii's top masters (40+) triathlete.

"Even if you don't want to run competitively, at these clinics you'll learn how to run better, faster and ideally with fewer injuries," he said.

"Our goal is to help people improve and enjoy the sport, but not at the risk of sidelining injuries which tend to plague most ambitious runners."

Subjects to be covered at the clinics include: The adaptive zone: Getting better without getting hurt; Setting a training calendar for peak performance; Knowing when to train hard; Interval training using tempo running; The five levels of effort; Running technique; Strengthening/stretching exercises and psychology of racing well.

Join Don and the Running Committee

August 14 in Kapiolani Park across from the entrance to the Club at 5:30 p.m. for the first clinic. A training fun run will follow.

The Club held its last fun run on Memorial Day, May 27 from Kualoa Regional Park to Kahana Bay Park and then back. The run was designed for the runners/joggers/walkers so they could select a distance they felt comfortable doing.

As usual, there were a few who breezed through the entire course while others took a more leisurely pace.

Arguably the best part of the morning was the delicious potluck brunch the participants brought along.

See you August 14. ☺

House Report: A House Committee recommendation that a dues increase is in order, was forwarded to the Long

Range Planning Committee. Management was asked to prepare projections and a cash flow report for the next Board meeting.

Public Relations Report: The committee is preparing a strategy for dealing with the news media in a crisis and a strategy for improving the Club's public image.

Historical Report: \$500 was approved to purchase books for the Historical Committee.

Club Security Report: After reviewing the report, the Board recommended that three members from B&G and three members from House Committee, together with the Manager, meet as a subcommittee to analyze and modify the report and forward recommendations to the Board.

Coast Guard Foundation: The Board approved a contribution of \$200 to the Coast Guard Foundation.

Special Membership: The Executive Committee recommended a policy on special memberships be adopted by the Board. Special memberships would be granted subject to 1) application being processed during the duration of the requested special membership time frame and 2) payment of initiation fee for class of membership for which they are applying. A Bylaw change would be necessary.

Boat Decal: The manager will be sending out a letter to all members with a boat/kayak outlining decal requirement that will be in effect in June. There will be a limit of one decal per member. ☺
