Outrigger Wins 6th Straight HCRA Championship

By Marilyn Kali

Outrigger Canoe Club wrapped up an undefeated regatta season by winning the Hawaiian Canoe Racing Association State Championship, August 4 at Hanalei, Kauai. This was OCC's sixth straight state title, going back to the 1984 championship race at Hanalei.

OCC scored 182 points to runnerup Hui Nalu's 93, Hanalei's 89, Kailua's 75, Hawaiian's (Maui) 66 and Lokahi's 55 to capture the AAA Division.

Our paddlers won 13 of the 31 events, were second in three, third in four, fourth in two, sixth in two, seventh in one and eighth in two. Points are given for eight places in the state race.

When the season started, Coach Tom McTigue challenged the paddlers to "have fun". And fun was had. We won eight regattas and increased our winning streak to 10 in a row.

Since the start of the 1984 season, we've won 46 regattas, including five OHCRA titles and six HCRA championships, and lost only 10 races.

Our Senior Masters Women, Diane Stowell, Gerri Pedesky, Ruby Ifversen,

Marilyn Haine, Carol Wilcox and Keanu-ene Rochlen, won their sixth straight state championship. They have won 17 straight races going back to 1988.

The only other undefeated crew in the state this year is our Girls 16s.

The Wilcox family came home from Kauai with four gold medals. Carol was on the winning Senior Masters crew, Darcie on the Freshmen and Eliza on the Girls 18s. Gaylord was on the winning Hanalei Senior Masters crew.

Several paddlers earned two golds—Missy Mowat, Dione Wilbur, Terri Pynchon, Sarah Reilly and Kaili Chun.

Congratulations to all the paddlers and coaches on a great season. Mahalo also to the Canoe Racing Committee, chaired by Chris Kincaid, for making sure that all the details were attended to, from getting the canoes, tent and sandwiches to each regatta without fail, to attending to all the other details most of us take for granted.

Nearly 250 Club members paddled this season, contributing to the success of the paddling program.

Life Member: Josephine Hopkins Garner

By Mary Machado

Among the women who have distinguished themselves in surfing and swimming competition for the OCC, one name looms prominently—that of Josephine Hopkins Garner.

Josephine was a pioneer in an age when competitive women's sports were virtually nonexistent. Prior to 1917, there was scant competition in the area of women's surfing at the OCC with one exception.

In 1910, Josephine C. Pratt was named winner of a Queen's Surf Surfing event and received a perpetual trophy—the Frank Clark Cup—which was kept at the Club. This competition was repeated for the last time in 1917 and the trophy was awarded to Josephine Hopkins.

Several OCC members, among them Club Captain Dad Center and Judge William T. Rawlins, who was an AAU Director, were working diligently to develop a women's swimming program at the OCC. It was with the encouragement and sponsorship of Judge Rawlins that young Josephine joined the Club.

"I was a frail youngster, tall and skinny.

It was recommended that I take up swimming to build endurance. Each day after classes at Sacred Hearts Academy, I went to the Waikiki home of family friends—the Akana family—who lived near the corner of Ohua and Kalakaua Avenues. There I changed into my swimsuit and swam at Kuhio Beach across the street.

Judge Rawlins, who was scouting for outstanding swimmers, observed her skill and sponsored her for OCC membership in 1917.

Within the year, Josephine had captured several medals, a trophy and the distinction of second place in an AAU meet as an OCC

contender. This was her first major competition. Her main competitor was the then-Pacific Coast Champion Dorothy Burns who won first place.

"I was lucky enough to come in second in the 50, 100 and 200," she says and "became the first woman to swim for the OCC in competition outside of the Club. This became the start of a women's swim team.

"I also competed in the 1 1/2 mile swim from the Elks Club to the former OCC (Castle Swim) with 25 or 30 men and finished ahead of many of them. For this, I received a special medal from the Club.

The OCC Women's Relay Team wearing the royal blue swimsuits designed by Coach Dad Center. From left, Bea Dowsett (Ross), Gerd Hiorth (Blodgett), Ruth Scudder (Gillmar) and Josephine Hopkins (Garner).

"In 1920, the first women's relay team was formed which included Bea Dowsett, Gerd Hiorth and Ruth Scudder, along with myself."

While Dad Center was at the Olympics in Antwerp with Duke Kahanamoku in 1920, Josephine coached the fledgling women's swim team. Several of these aspirants went on to become champions.

She recalls many more happy events, meets held in Honolulu Harbor, in Hilo Harbor, at the YMCA and the opening of the University of Hawaii swimming pool which was marked by a visit of the Yale Swim Team.

She comments, "They had a swim meet. I won the ladies plunge record and came in second in the 50 and the 100."

According to Gerd Hiorth Blodgett, Josephine was "an excellent open water competitor."

Josephine also excelled in surfing, as evidenced by her winning first place in the Queen's Surf competition in 1917.

"I was under Clair Talt's tutelage who was head coach for the Club. Dad Center would accompany us out to Second Surf. At the former Club, the canoes were kept under the seats which ringed the pavilion. I borrowed a board from Dad Center. Whenever I could, I would surf from 8 a.m. to 5 p.m. with time out only for lunch."

Married to the late Gerald Sheldon Garner, who was recruited from the Mainland to become the circulation manager for the Honolulu Advertiser, she is the mother of two sons, Alan and Charles.

The Hopkins' roots run deep in these islands—back to Josephine's great great

granduncle who was a member of "the House of Nobles and Director of the Government Press at Honolulu."

He was a brother of Manley Hopkins, the British Consul of the Sandwich Islands, the author of one of the first histories of Hawaii and the father of the famed English poet, Gerard Manley Hopkins.

She speaks with affection of her grandmother, Angela Kahala Aiwohi Hopkins, and of her grandfather, Charles Louis Hopkins, and of his scholarly pursuits.

The latter was Marshall during King Kalakaua's reign and Territorial Interpreter for the courts for a number of years.

Josephine was hanaied by her maternal grandparents early in life and reared with gentleness as their punahele (favored one).

This distinctively statuesque keiki o ka aina literally glows with a love of her island home, her friends and her associations with the OCC.

Always the engaging conversationalist, she serves on the OCC Historical Committee and is an invaluable resource person because of her familiarity with Hawaii and the OCC.

With an infectious grin, ready wit and sharp precise perception, Josephine is the quintessential OCC Living Treasure. This fact was recognized in 1984 when she was

designated a Life Member because of her contributions to the OCC through the years. Star quality is still evident in her wit, grace, charm and above all, dignity. From the time of her first association with the Club, her dedication and loyalty have been evident. She leaves no doubt about her sentiments regarding the Club:

"My happiest days have been spent at the OCC. I cut my eye teeth at this Club."

Fitness Center Challenge Board Tests All

By Ray Suganuma

If you want to be an OCC Board member, no problem. You won't have to get dressed up to attend monthly meetings in the Board Room. You won't have to write any reports.

You just have to be one of the brave souls willing to pay the ultimate price. There are 189 slots waiting.

What "Board" is this? Why the Challenge Board, of course.

The Fitness Center's Challenge Board is comprised of five men's weight classes, a Senior Master's (40 years+), Boys (under 21) and Women's Open class.

Weight lifting instructor Adam James is the creator of the Challenge Board. This board is intended to promote high level training year around.

Challenge Board participants may select any one of nine exercise areas of competition. The top three competitors in each class will have their names placed on the Challenge Board.

Staff instructors and weight room stalwarts, Keahi Robins (two, first places), Mike Miranda (five, first places) and Byron Ho (eight, first places) can assist you in training for "challenge day".

Typically, the last day of the "Challenge Month" turns the Fitness Center into a powerhouse of activity. The atmosphere is charged with enthusiasm and excitement.

Psyched competitors arrive in an array of outrageous workout gear. Intensely focused, they visualize peak performance.

The path to becoming a Board Member requires complete immersion in the event. Yet no challenger is alone. Competitive camaraderie pumps everyone up. Cheers of "push, push, push, you can do it" are often heard. Ultimately, though, it's your stage. Only you can deal with the steel.

Join the victorious members who've maxed out and made the Challenge Board. Ben Bond holds eight first place titles in the Flyweight (140 pound) Class. The 501 pound bench press belongs to massive strongman John Wade.

Three top bench press competitors in the Women's Division are Pam Zak, Nalani Blaisdell and Mary Lou Holbrook.

Senior Master's leaders include Gus Kirkpatrick, Ken Stehouwer and Hank Lass. Finalists in the three minute ergometer sprint are Katie McCrary, Kym McKenzie and Denise Devaney. The best overall ergometer times were captured by Robby Harrison and Tom Harrer.

Kilipaki Vaughan placed first four times in the Boys (under 21) Division.

It's a challenge! It's fun. Check out the fact sheet posted in the Fitness Center for more information. Just do it!

R FOR HEALTH

By Lewis Williamson, DDS, MS

Broken teeth or teeth that have been knocked loose or completely out of the mouth are common injuries which, if treated quickly and properly, can result in the teeth being saved.

When a tooth is broken, gently clean the injured area of any dirt or debris. Place an ice compress to reduce swelling and bring the broken piece of tooth and the athlete to a dentist immediately.

When a tooth is knocked out, find it. Hold it by the crown only and clean it by rinsing it under tap water. Do not rub it or scrape it.

If the injured person is alert, replace the tooth in its socket, cover it with a clean gauze and have the person gently bite down to keep it in place. If the person is unable to hold the tooth in place, put the tooth between the cheek and gum, or place it in a container of milk or warm salt-water solution. Do not store the tooth in tap water.

An oral and maxillofacial surgeon should be seen immediately to reimplant

and stabilize the tooth. The sooner the tooth is reimplanted and stabilized the better the chance of saving the tooth.

Lower jaw fractures are the most common. The lower jaw's vulnerable position makes it the second most common facial bone fracture following the nasal bone.

Because of its "U" shape, the lower jaw usually experiences multiple fractures. Double fractures occur over 50% of the time. The break will many times occur along the line of the longest tooth, such as the cuspid, which can weaken the jaw in that area because of its length.

Impacted wisdom teeth (third molars) also contribute to weakening the jaw in their location and are frequently the site of a broken jaw. This is one reason impacted wisdom teeth should be removed prior to participation in contact sports.

The person with a broken jaw will most commonly complain that his/her teeth do not come together properly. Another way to determine if a jaw is broken is by gently

placing your thumb on the person's chin and your fingers underneath the jaw bone and feeling for any irregularities.

Upper jaw fractures are less common. Most are limited to the lower portion of the upper jaw, but can involve the nasal area and cheekbones. The most obvious sign of an upper jaw fracture is distortion of normal facial symmetry and bleeding from the nose.

The upper jaw may be visibly mobile and the person will also complain that his teeth do not properly come together. In more severe cases, the face may appear flattened. Gently pressing on the upper teeth or palate may cause movement of the upper jaw, indicating a fracture.

In all cases, immobilize the jaw by making a temporary splint out of a towel or rag. Place the cloth beneath the jaw and tie it on top of the person's head. Request and obtain immediate treatment by an oral and Maxillofacial Surgeon.

Jr. 'Riggers Compete in Junior VB Nationals

By Pat Daily

Outrigger Canoe Club's Boys' 16 and 18 volleyball teams journeyed to Albuquerque, New Mexico, for the week long Junior National Tournament that began June 28.

The 16s were a young team where all but two members were only 15 years old. They competed against a very competitive field of 27 teams from around the country. Each match was decided by the best two out of three games. OCC played nine matches, winning six of them and finished a very respectable 12th, their pre-tourney seeding.

This year's tournament players were Ryan Avery, Daniel Chong, Ivan Gale, Jesse Hunt, Brian Kilcoyne, Mike Lambert, Richard Reicker and Alika Williams. The head coach was Kefa Cummings and assistant coach was Tony Crabb.

"This was a fairly young team who gained a lot of valuable experience and maturity," Cummings said. "This was good preparation for 1991."

Bob Riley, head coach for the Boys 18 team, knew the national tournament was going to be tough. Yet, Bob and assistant coach Kanoa Ostrem, had brought a tough team, too.

This year's 18s were Brant Chillingworth, Laya Clark, Brandon Flores, Josh Helbling, Ricky Humphreys, Charlie Matson, Stein Metzger, Allen Pang, Michael Scott, Brian Wells, Kevin Wong and Mitchell Yap.

They entered the tournament seeded ninth out of 58 teams from around the country. They moved through the first pool play number one and undefeated.

Next was the power pool where OCC again passed undefeated. Finally, in the double elimination power bracket consisting of 16 teams, OCC was seeded sixth.

Our boys lost their first match of the tournament to Tulsa, came back and beat Fresno, and then (in their second match up) lost to a powerful L'Abri California team. L'Abri went on to a fourth place finish with our 18s finishing at their pre-tournament seeding of ninth.

Each match consisted of the best in two out of three games and Outrigger's 18s played nine matches, winning seven of them.

It should be especially noted that three members of this team were honored with the invitation to try out with the U.S. Junior National Team in Colorado Springs. This team is a respected feeder for the U.S. Olympic teams. Josh Helbling, Rick Humphreys and Kevin Wong all tried out and Kevin went on to make the team.

All in all, a good time and a valuable experience for all.

The Boys 16 Volleyball team included Alika Williams, Coach Kefa Cummings, Ryan Avery, Ivan Gale, front. Back, Richard Reicker, Mike Lambert, Daniel Chong, Jesse Hunt, Brian Kilcoyne.

Outrigger Wins OHCRA Championship

By Marilyn Kali

Outrigger Canoe Club won its sixth straight OHCRA Oahu Championship on July 22 at Keehi Lagoon, outscoring second place Hui Nalu by 50 points.

OCC won 17 events and was second in five to score 103 points to runnerup Hui Nalu's 53. Kailua was third with 45. This was the most points ever scored in the 12 year history of the OHCRA Oahu Championships.

Outrigger's Girl's 16s and its Senior Masters Women remained undefeated for the season, while OCC's Senior Men continued their dominance of the premiere race by winning that event for the eighth year in a row.

The Girl's 18s set a new meet record by covering the 1/2-mile course in 4:31.34, shaving four seconds off the previous mark.

Walter Guild added his 11th and 12th gold medals in the 12-year history of the Oahu Championships, edging out Bill Bright, who now has 11. They lead OHCRA in gold medals.

Jr. 'Rigger CeeCee Sheehan brought her total Oahu Championship gold medals to six. She's won as a 13, 14, 16 (twice) and 18 (twice).

OCC Spotlight: Men's Locker Room

By Nalani Blaisdell

"Mr. Lee" is more than the OCC's Locker Room Attendant, "the only difference between me and a psychologist," he says, "is I don't get paid."

Many of the OCC's male members would agree with that statement. He says he'd share some stories with us, but they're not for publication.

What do you expect from a man who's been at the Club for 14 years? Lee is known for his sympathetic ear and cheerful greetings from the tunnel, and for the way he answers the Locker Room phone: "Howdy." (Sometimes he throws in a different salutation to throw people off!)

What most of us don't know, however, is this is Lee's second career. He spent 30 years in the home improvement business and still does some on the side. Young Jay Lee is married and has a son in his 30s. He lives on University Avenue and occasionally has a drink with some of his friends.

"The members are all pretty good fellas," says Lee, "some of them are more outstanding, but they're all OK!"

Trips to Neighbor Islands with paddlers

are among Lee's favorite vacations. He says he enjoys the rest and besides, "liquor tastes better on other islands."

All joking aside, Lee says he likes to cheer the men on before their races, and to help out with little tasks, such as returning rental cars.

For all he does for the Club, Mr. Lee believes nobody appreciates him. He says if they did, they'd bring him Crown Royal (he asked me to write that!).

Fifty-five year old Victor Cadiz has been at the OCC for 20 years. He was born

Philippines and has a wife and two children.

Victor says he likes working at the Outrigger because of "nice people." But his tasks as attendant are often far from easy. Clothes need to be washed and sorted, he says, then put into proper lockers. The floors need to be scrubbed and vacuumed every two days.

But all in all, Victor says the OCC is a great place to be. He says he wouldn't want to work anywhere else.

ODKF Is Unique Among Givers, Focusing on Hawaii Athletes, Scholars

by David Lavender

The Outrigger Canoe Club is headquarters of one of the nation's most unique and special philanthropic institutions: the Outrigger Duke Kahanamoku Foundation.

As the month-long celebration of Duke's 100th birthday winds down, Foundation President Tom Lalakea is spearheading a new effort to make the ODKF more visible throughout Oahu, and to heighten awareness of its programs among members of the OCC.

The ODKF is the successor organization of two other foundations. The Duke Kahanamoku Foundation was founded in 1963, during the latter years of Duke's life. A group of his friends sought to honor his many contributions to the Hawaiian Islands by establishing a vehicle for awarding scholarships to deserving students who demonstrated proficiency in sports of traditional interest to the islands.

And in 1980, the Outrigger Canoe Club Foundation was created to formalize a program of grants for participants in sports. Representatives of the two foundations met in 1986 to explore means by which both could do a more effective job of fulfilling their respective missions. The result was a merger, and the creation of the ODKF.

In 1990, the Foundation has awarded nine scholarships totalling \$10,000 and a total of \$3,000 in grants to enable six athletes to continue their training, to compete nationally, and to prepare for international competition.

As President Tom Lalakea noted, "There is no other organization that supports Hawaii scholar-athletes in the manner we do. We wish to enable them to compete at the highest levels—to provide them the training opportunities and the travel and other resources necessary to enter international competitions.

"Our objective is to help a number of young people in the hope that some of them may someday emulate Duke Kahanamoku's remarkable accomplishments.

ODKF Vice President Elia Long is chair of the Foundation's Development Committee. "Our objective is to increase the ODKF's endowment from its present level or about \$300,000 to \$1 million over the next few years," he reports.

"When we have achieved that level of funding, we will be able to make signifi-

cant annual awards to both scholars and athletes. The conclusion of the celebration of Duke's 100th birthday is a logical time for us to provide more focus to our fund raising and we're looking forward to encouraging many individuals, both within and without the OCC, to help us achieve our objectives."

Foundation activities will increase on many fronts, and as a result, OCC Director Gerry DeBenedetti has been appointed Development Coordinator of the ODKF. This part-time position will involve staffing the Board's fundraising and related programs and helping increase the institution's visibility.

President Lalakea emphasizes that all residents of the State, the community at large, as well as the OCC family, are eligible to apply for financial assistance.

"Our Board and the Athletic Grants

Committee take their responsibilities very seriously," he said. "We encourage any individual to apply for assistance who believes that financial support from the ODKF can enhance his/her athletic/scholarship ability and thus bring increased recognition to all the athletes of Hawaii.

"Applications can be obtained at the OCC offices, and we assure everyone that we will give their requests our most serious consideration."

Rab Guild is Board liaison to the Grants Committee; he is prepared to answer any questions applicants or others may have.

OCC members will receive information regarding the Foundation's programs and aspirations on a regular basis, and later this fall, an even more systematic effort will begin to encourage all members to support the institution.

OCC Wins Kaupiko Regatta

Outrigger survived its closest challenge of the season to date, a protest over its new ama on the Kaoloa, to win the John D. Kaupiko Regatta in Kaneohe Bay on July 15.

OCC scored 83 points to runnerup Kailua's 57 to win its sixth straight OHCRA Regatta.

The protest came in the upper division men's races after Outrigger won every race the Kaoloa was entered in. A quickly called meeting of the OHCRA Rules Committee, and a subsequent drilling of a hole in the ama, upheld Outrigger's contention that the ama was properly constructed using native Hawaiian wood (wiliwili).

The new ama, crafted by Walter Guild, resembles those built for fiberglass canoes, rather than the traditional ama design for koa canoes.

The wood was hard to see because it had been painted over in a red and white design.

Open 4 Men (1/2 mile)—Bruce Black, Chris Kincaid, Tom McTigue, Walt Guild, 3:53.75.

OHCRA official Tilton Morse drilled a hole in the ama to make sure it was made of wood.

Walter Guild crafted the new-design ama for the Kaoloa.

John Finney and Todd Bradley show off their newest family members—Elizabeth Finney and Christian Bradley, both born in April.

Bringing their own wheels to KMCAS were Peter Van Lier Ribbink, Thomas Finney and Samantha Rudin.

Hayride Hoedown September 22

Outrigger is going country, so pull out your 10 gallon hats, jeans and boots and come on down on Saturday, September 22.

A great night of food and entertainment is in store, including a real live hayride. Yup, there will be a haywagon pulled by Clydesdale horses to take guests on a ride around Kapiolani Park. This event will start around 7:30 p.m. and continue until everyone has had a chance to have a ride.

OCC in Distance Canoe Races

Outrigger's men's and women's long distance crews will compete in the 19th annual Steinlager Queen Liliuokalani World Championship Long Distance Canoe Races, September 1 and 2 in Kailua-Kona. On Saturday, the women will race from Kailua to Honaunau, a distance of 18 miles, and the men will race from Honaunau to Kailua.

On Sunday, the racing will be in double hull canoes, with the women racing from Kailua to Keauhou, and the men making the return trip of 5.5 miles.

On Sunday, September 9, the E Lauhoe Na Wahine race from Outrigger to Pokai Bay will get started at 8 a.m.

The following week, September 16, men will compete in the Skippy Kama-kawiwoole Race. The course is new this year, from Hawaii Kai to Paradise Cove.

Competition for the women winds up on September 30 during the 12th annual Bankoh Na Wahine O Ke Kai, Molokai to Oahu long distance race. The race will start at 7 a.m. at Hale O Lono Harbor and finish at Duke Kahanamoku Beach, ewa of the Hilton Hawaiian Village pier. First finishers are expected around 1 p.m.

Outrigger was third last year to four-time winner Offshore Canoe Club from California.

Come on down to the beach to greet our paddlers.

Live western music will be provided by the "Mason-Dixon Line" from 6:30 to 10:30 p.m., plus a demonstration of western dancing will be put on by the KDEO Country Kickers.

Save your appetite because the menu includes such items as Texas Baron of Beef, BBQ ribs, Texas baked beans, corn on the

cob and much more. Dinner will be reserved seating.

The saloon opens at 6 p.m. so be sure to be there to take part in this fantastic night. The price for all of this fun is just \$16.95. This is a reservation-only party, so call the Club today, 923-1585, and have them reserve your table.

AROUND THE CLUB

By Ray Ludwig, General Manager

It's hard to believe it's September. The summer season is over and the holiday season is just around the corner. Thinking ahead to Thanksgiving and Christmas, it's not too early to begin planning the annual office Christmas party.

We have private party rooms available and our banquet staff is eager to offer any assistance you may need from creating a special holiday menu to different and unique decorations; special floral arrangements coordinated with various colored linen appointments; unique entertainment choices, from harpists to jugglers to trios, combos, orchestras, rock and roll, and everything in between.

So if you're thinking of giving a holiday party, give our catering department a call and let them go to work for you.

You'll be amazed at what they can do. And if you book early, we've got a special deal.

Summer Review

Looking back at the summer there's only one word that comes to mind: outstanding. The many activities offered something for everyone—from our Mexican fiesta, our Saturday Night Steak Fry's, the paddlers' Rooftop Roller which kicked off the summer regatta season, our luncheon fashion shows, our surf contest, our summer paddleboard races, our traditional July 4 celebration, the volleyball tournaments, Club Day, and all of those out of this world sunsets.

Congratulations to our paddlers for going undefeated through the regatta season, winning the Oahu championships and then traveling to Kauai to capture their sixth consecutive state title. Well done.

We all share in your pride and applaud your success. So, too, do we acknowledge the efforts of those who in a supportive role contributed to the victories. Those who sat for the many meetings to plan strategy, those who coached and counseled, those who drove, dropped off and picked up, those who waited dinner after long hard training sessions, those who cheered from the beach on regatta Sunday whether it was Nanakuli or Waimanalo and all those places in between.

They too share in your accomplishments and your victories and your pride.

New Telephone System

The installation of our new AT&T System 75

telephone system is scheduled to be fully operational on Monday, September 10. This new system will provide us with many new improvements and conveniences to our staff and members.

Our major advantage will be direct dialing to specific areas of the Club without going through the switchboard. However, the switchboard will also be able to direct your calls. A listing of the direct dialing numbers will be published shortly.

However, some of the tentative direct dialing numbers are:

Club Switchboard	923-1585 or 921-1485
Club Manager	921-1400
Executive Secretary	921-1401
Comptroller	921-1410
Dining Room Reservations	921-1444
Beach Services	921-1460
FAX	921-1429

Watch for new telephone instruments and additional information as we get closer to the installation date.

Cellular Telephones

The use of cellular telephones will be prohibited in the Club Dining Room. This policy was established by our Board of Directors at their July meeting and is effective immediately.

Surfboard Lockers

The Board also adopted at the July meeting a policy pertaining to surf board lockers. The policy is as follows:

No member will be allowed to rent more than one surfboard locker if there is a waiting list. If there is no waiting list, members will be allowed to rent additional lockers until they are needed by other members.

The members who are currently renting more than one surfboard locker have been notified and have complied with the new policy. That by the way parallels our long standing policy in effect on the Club's locker rooms.

New Walkway

The Board also at their July meeting approved installation of a new walkway floor covering for the corridor from the garage to the main entrance to the Club. The material selected will be safer, more aesthetically acceptable and in the long run more cost effective.

Nonresident B & C Memberships

The Board also requested that the House Committee review our policy with respect to usage of the Club by Nonresident B and C members. They thought that we should possibly be less restrictive toward our Nonresident C members (member sponsored) and more restrictive toward our Nonresident B members (reciprocal clubs).

The House Committee will review our current policy and make the appropriate recommendations to the Board as is necessary.

September Happenings

A couple things worth putting on your calendar for September.

September 8 Duke Heatherly and his Orchestra will be back in the Main Dining Room for your listening and dancing pleasure.

On Monday, September 10, we'll kick off our Monday Night Football parties.

We have a September luncheon fashion show on Friday, September 17. Fashions are by Koala Blue.

On Monday the 17th, our Stew and Rice Dinner put on by the Historical Committee will take place. Reservations can be made at the Front Desk.

On the 22nd, we'll have a Hayride Hoedown, a night of western music, food, dancing and ride on the Clydesdale hay wagon around the park for all those who attend. This is guaranteed to be a fun night.

And Sunday, September 30 is the Na Wahine O Ke Kai canoe race. Come on down to the Club for brunch and cheer our wahine paddlers as they pass in front of the Club.

OCC Gift Certificates

One last item during the month of September and October, the Outrigger Gift Certificates which are available at the Front Desk, will be redeemable throughout the Club for \$30.

That's \$5 above the purchase price. So what you get is a 20% savings by using a gift certificate during September and October for purchases in the Dining Room, Hau Terrace, Bar, Snack Shop and our Beach Shop.

The purchase price remains at \$25 and all other restrictions apply, i.e. cannot be applied toward monthly statements, for members' use only, no change given or credited.

There is no limit to the number of certificates you can purchase but remember the 20% value bonus is good only during September and October.

'Do We Have as Much Sense as a Goose?'

OCC's Best Chefs

By Kathy Merrill

This story by Todd H. Fast Sr. in the Seattle Rotary Invocation, January 13, 1988, was told by Head Canoe Racing Coach Tom McTigue to paddlers at the Macfarlane Regatta Breakfast on the 4th of July.

It had a great message and we thought we'd share it with all of our Outrigger readers.

"This spring when you see geese heading back north for the summer flying along in a "V" formation, you might be interested in knowing what scientists have discovered about why they fly that way. It has been learned that as each bird flaps its wings, it creates an uplift for the bird immediately following.

"By flying in a "V" formation, the whole flock adds at least 71% greater flying range than if each bird flew on its own.

BASIC TRUTH #1: PEOPLE WHO SHARE A COMMON DIRECTION AND SENSE OF COMMUNITY CAN GET WHERE THEY ARE GOING QUICKER AND EASIER BECAUSE THEY ARE TRAVELING ON THE THRUST OF ONE ANOTHER.

"Whenever a goose falls out of formation, it suddenly feels the drag and resistance of trying to go it alone and quickly gets back into formation to take advantage

of the lifting power of the bird immediately in front.

BASIC TRUTH #2: IF WE HAVE AS MUCH SENSE AS A GOOSE, WE WILL STAY IN FORMATION WITH THOSE WHO ARE HEADED THE SAME WAY WE ARE GOING.

When the lead goose gets tired, he rotates back in the wing and another goose flies point.

BASIC TRUTH #3: IT PAYS TO TAKE TURNS DOING HARD JOBS WITH PEOPLE OR WITH GEESE FLYING NORTH.

The geese honk from behind to encourage those up front to keep up their speed.

BASIC TRUTH #4: WE NEED TO BE CAREFUL WHAT WE SAY WHEN WE HONK FROM BEHIND.

Finally, when a goose gets sick or is wounded by gun shots and falls out, two geese fall out of formation and follow him down to help and protect him. They stay with him until he is either able to fly or until he is dead, and then they launch out on their own or with another formation to catch up with their group.

FINAL TRUTH: IF WE HAVE THE SENSE OF A GOOSE WE WILL STAND BY EACH OTHER LIKE THAT.

When asked for her favorite recipe, Joan Farrell seriously replied:

"My biggest and best recipe to share, one that has been invaluable to me as a busy hostess is as follows: Tony Romas Delivers!"

Next, I'll pass on a great, easy recipe that I learned from an ex-Honolulu resident and Outrigger member Marie Kelly.

Artichoke Fritata

1. Saute 1 onion, chopped fine in oil from artichoke heart jar. When transparent drain.
2. Add 4 eggs beaten, 20-24 crushed crackers, 1/2 pound sharp grated Cheddar Cheese, 2 jars marinated artichoke hearts, drained and chopped fine, and salt and pepper to taste.
3. Place in 9-inch square pan. Bake at 325 degrees for 30 to 40 minutes. Cut in squares when cool and reheat to serve.

This recipe may be frozen. You may want to add Italian sausage for a different taste.

Order Your ODKF Christmas Tree Now

It's time again for the 3rd annual Outrigger Duke Kahanamoku Foundation Christmas Tree Sale.

Anyone who has ordered in the past will attest to the freshness and beauty of the trees. If you want to see for yourself, look for the tree display in the Lobby.

This year, wreaths will also be available.

Pickup this year will be in the Aina Haina area which will make it more convenient for more people.

Order forms with complete information are available at the Front Desk.

Members may charge their order to their OCC account. Non-members should send their check in with their order.

All proceeds benefit the ODKF.

Sharon Simpson checks out a Christmas tree for ODKF fundraiser.

Board Briefs

By Gerry DeBenedetti

Five projects have received Board approval and funding. They are:

- Beach erosion. Working drawings are nearing completion and will go to bid.
- Telephone system to be installed September 10.
- Koko Terrace flooring tile has been ordered and should arrive in September.
- Computer system implementation and training is scheduled for October and will be in operation by November 1.
- Snack Shop renovation (design phase) conceptual sketch to be presented to B&G Committee.

Total cost for the five projects is \$110,551.

The manager has arranged for an employee management development training program through the Hawaiian Educational Council. The six classes, at two hours each, began in August and continue through November.

A new surfboard locker policy has been adopted. "No member will be allowed to rent more than one surfboard locker if there is a waiting list for surfboard lockers. If

there is no waiting list, members will be allowed to rent additional lockers until they are needed by other members."

Comeback funds were approved to send six paddling crews to the Kona race Labor Day weekend. In addition, one crew was sent to the Catalina Race in Newport Beach, California in August.

Miscellaneous items approved by the Board:

- Duke Kahanamoku Centennial T-shirts will be sold in the Club Beach Shop as a benefit for the Outrigger Duke Kahanamoku Foundation.
- Rubber fiber flooring will be installed in the front entry garage walkway.
- A thank you letter of appreciation for a memorable Macfarlane Regatta was received from Muriel Macfarlane Flanders.
- Eight members were suspended for 15 days due to three times delinquent. Present membership count is 4,073.

Board Briefs was taken from the minutes of the July 26 Board Meeting.
