# A Day in the Life of OCC: Super Bowl Sunday

We started our 12 hours in the life of the Outrigger Canoe Club at 7 a.m. on Sunday, January 28—Super Bowl Sunday. It was overcast, sprinkling lightly and there were 13 cars in the parking lot.

1) Charlie Martin and Larry Stricker enjoyed a cup of coffee after running up Wilhelmina Rise in preparation for Charlie's trip to climb Mt. Kilimanjaro with other OCC members.

2) The TV was on in the Bar but the only people around were Liz Ventura and Paula Grivas who were draping streamers around for the Super Bowl Party. Empty chairs were all in place in front of two TV's—one for 49er fans and the other for the Broncos.

3) Frank Walton took the first swim of the day and then settled in to read his Sunday newspaper.

4) Joe Miccio was the first person to be served breakfast at the Snack Bar. About

this time, kayakers Mike Town and Tom Merrill arrived to pick up their kayaks for a paddle from Hawaii Kai to the Club.

5) The OCC Tennis Team met at the Snack Bar for breakfast before their match in the Honolulu City C League competition out at Barbers Point. From left, Coach Liz Perry-Dugan, Ann Martin, Debbie Atkinson, Nina Fox and Tanya Watumull.

6) The first Jr. 'Riggers to make the scene about 8:30 were Mark Salmon, Cory Witt and Matt Puder.

7) Once the Sunday Buffet opened, Omelet chef John Sugiura made one to order for George Parsons.

8) Jeff Loving and sons Matthew and Mark shop at the Beach Shop.

9) Football fans Henry Romanek, Tom Vesey, Joette Wheelon, Meade Wildrick and Fred Hemmings Sr. enjoy the Super Bowl.

10) Club President Peter Balding, center, joins Wendell and Gloria Brooks for coffee.

11) Peg Danford soaks up the rays on the beach with Lia Mahoney and Melissa Gary.

12) Forget about football, they'd rather go for a canoe ride—Mac Blangiardi (in water), Kimo Greenwell, Candes Gentry and Mike Pietsch. By 5 p.m. Super Bowl fans had gone home, leaving only one member on the Terrace.

13) Appearing later for a drink were Tom McTigue, Krystal Imge, Geoff Graf, Cynthia Hawes and Kala Judd.

14) By 7 p.m. Bronco fans Kristina Sundstrom, Matthew Karowc, Ginny June, Stewart Glassman and Sigrid Sundstrom needed their spirits lifted.

15) Carolyn Corrigan and Jo Cangelosi chat.

16) As our Day in the Life of OCC ends, die-hard football fan Cline Mann watches the Super Bowl recap on TV. Taking the photos for the Day in the Life were Marilyn Kali, Shirleigh Clark and Mike Lilly.

# INSIDE OCC

By Ray Ludwig, General Manager

I was pleased to see so many of our voting members in attendance at our February 26 Annual Meeting. It just proves that our members are concerned, aware and active in the club operations and are willing to take the time and get involved in the decision making process.

For those of you who were not able to attend, I'm happy to report that all of the proposed amendments to the Club Bylaws were approved as recommended. Those sections amended were: 6, 17, 27, 38, 42, 45 and 62. Two new sections were added to the Bylaws, sections 26A and 26b. These two sections deal with the Judges of Election Committee and the Long Range Planning Committee. I think it's important to note that the approval of the amendment to section 45 brought with

it a house rule change which was approved by the board of directors at the January 26 meeting with the provision that it shall not become effective until February 26, 1990 and only if the proposed amendment of said section 45 shall have been approved on that date and provided further that should said amendment fail of passage, said rule shall forthwith be without force and effect and therefore expunged.

The new house rule is as follows:

The Club Bar Room is defined as the carpeted room of the club where are located the bar, hanging canoe and television set. Infants and other minors under 8 years of age shall not be admitted to the Club Bar Room at any time. Minors 8 years of age or older may be admitted to the Club Bar Room at appropriate times to watch sportscasts on television or said special telecasts as may be deemed permissible by the general manager, but in all cases said minors shall be in the company, and under the actual, effective and responsible supervision of an adult member. Under no circumstances shall any minor be permitted to stand or be seated at the bar.

I would at this time like to thank all our dedicated hard working members who served on the various committees during the year just completed.

They gave of their time, knowledge and experience unselfishly in assisting the board and management with the club operations. We are the club that we are because of the willingness of our membership to step forward and get involved.

Again this year the response shown by the membership with respect to the committee preference cards was nothing less than phenomenal. The number of people who care and are interested enough in the club to be willing to give the time that it takes to serve on a committee is uniquely Outrigger and typical of the let's get involved attitude of our members. I doubt if there is another club in the country that can say the same.

On a sad note, one of our past presidents, Don Avery, passed away on January 27. Don was elected to membership on January 19, 1949. During his 40 years of membership he served the club by his active participation with just about every committee we have. Don was elected to serve on the board from 1965-70 and served as our president in 1970. The Club was indeed fortunate to have him as one of ours during the last 40 years. We will all miss him but we will never forget him or the contributions he made not only to the Club but to our community as well. I know you all join with me and the entire staff in expressing to his family our sincere and heartfelt condolences.

Reminder our seafood buffet is now the first Friday of the month which makes our next one March 2. Our Caribbean Night is set for Saturday, March 10. Tickets are available at the Front Desk. Kuhio Day falls on Monday, March 26. We will have a Steak Fry on the Terrace that evening and our first Fashion Show of the year is set for Friday, April 26 with fashions by the Casual Corner. Make your reservations early.

# Keone Downing Rules Waimea Bay

By Joe Teipel

The whole world it seemed, especially the surfing world, waited ... and waited ... and waited ... until finally .... it happened!

After three long, trying years of postponement, January 21 erupted with the cry of "surf's up!" Waimea Bay on Oahu's famed North Shore dawned this day to greet classic 20-30-foot surf for the Quicksilver in memory of the late great Eddie Aikau.

According to meet director, George Downing, himself one of the original, pioneer big-wave greats here at Waimea and elsewhere, it was the best Waimea he had seen in many years.

By day's end, after hours of grueling dangerous competition, it was his eldest son, Keone, who was crowned king for that day with surfing's largest first place cash prize ever—\$55,000. Keone's performance was superlative, deep position-

ing, careful and precise timing, and no wipeouts—a real first class day. He bested an amazingly strong international field of hungry and talented big-wave specialists.

Brock Little had the tube ride of the day for second place and \$10,000, while Californian Richard Schmidt took home \$5,000 for third and the largest wave free-fall of the meet. The 30 other surfers in this prestigious event, commemorating one of Hawaii's all-time great watermen, got \$350.

Catch the Aikau and Keone on ESPN-TV. Check local listings. Coming soon to a TV near you.

(Editor's Note: After sitting all day on the beach and doing commentary on the surfing contest and watching everyone else catch the big ones, Joe could resist no longer. As darkness approached, he paddled out on his bodyboard—described as a sponge by some—and caught and

rode what everyone agreed was a 25-30 foot wave all the way to the beach. Quite a sight, according to long time surfing observers who thought they'd seen it all!)

## RULE OF THE MONTH

---

Any delinquent indebtedness shall automatically cause suspension of credit and all Club privileges of the member owning same until such indebtedness is paid in full.

Further, a one-time penalty of 5% shall be charged each delinquent indebtedness. The Board may establish terms for repayment of any indebtedness upon written request and may limit the credit of any member. (Bylaws, Section 52)

## Calling All Paddlers

Start thinking now about the 1990 paddling season. Signups will begin next month. Watch for the date and place on the Bulletin Board in the Tunnel.

If you're not in training, now's the time to get started. If you're not in shape, start by walking. Visit the Weight Room and ask how you can begin a program to get started.

The Club's strength in the past has been that we've had a large number of paddlers and have entered crews in all events. Your support is crucial to the success of the program.

Be a part of the team. You'll make a lot of friends and have a lot of fun as well.

## Try a Riesling Wine at Sunset

The riesling is one of the oldest, white wine grapes. The Romans know the importance of the riesling, planting it extensively in the river valleys of Germany.

Charlemagne saw a hill where the snow melted first and planted the riesling which is now the famous Schloss Johannesburg Vineyards. This same grape variety is grown in the United States and is called the Johannesburg Riesling. However, only Germany can bring the riesling to perfection.

Germany's far northern climate produces high natural acidity. This is balanced by the richness achieved by South facing slopes receiving reflected warmth from the rivers. The result is a wine of

character, fruit and balance. The question in America, however, is when to drink it.

German wines are best enjoyed by themselves before dinner as an aperitif or after dinner with dessert. German wines are also excellent with light dinners such as fish, salads, veal and pork.

Next time try a bottle of the Graacher Himmelreich Spatlese on the Club's wine list. This wine is made by one of the most famous growers in Germany, Dr. Thanish. He owns a part of the famous Bernkasteler Doctor Vineyard. The Graacher Himmelreich is in the same class as the famous Bernkasteler Doctor.

Enjoy a bottle on the Hau Terrace at sunset or before dinner at your table. You will not be disappointed.

# Geoff Graf Wins OCC Kayak Race

Photos by Marilyn Kali

Geoff Graf won the 5th annual Outrigger Canoe Club Kayak Race on January 27. The race began in Hawaii Kai and ended at the Natatorium.

Graf was only ten seconds off the record for the eight-mile course, with a time of 1:00:52. The record is held by OCC's Marshall Rosa at 1:00:42, set in 1987.

Rosa finished third overall in 1:01:55.

Junior 'Rigger David Buck won the junior men's division.

Other Club members to place were Bill Bright, second in the expert division; Dale Adams, third in masters; Paul Manaut, third in

Novice A; and Lesline Conner, second in expert women.

This year, a one-man outrigger class was added. It was an all-OCC finish, with Walter Guild, finishing first; Kevin Olds, second; and Todd Bradley, third. Noelle D'Enbeau won the women's outrigger.

A total of 83 people entered the event. Following the race, all participants came back to the Club for refreshments and awards. The clock broke after the first six finishers were in, so there are no times for many of the participants.

Kayak Committee chairman Tom McTigue preents awards to top finishers in the OCC Kayak Race — Marshall Rosa, third, and Geoff Graf, first.

The fastest juniors in the race were Ralen Ching, third; David Buck, first; and Chris Ball, second.

All of us are familiar with the Terrace, the Bar, the Dining Room, Locker Rooms, the Beach and Volleyball Courts. But few members ever get in the service areas of the Club where our food and beverages are prepared, where the employees eat, work and lounge and where the Board and various committees meet. Join us for a look at some of these areas.

*Employees eat their meals and take breaks in Employee Lounge.*

*The Board Room is where the Board of Directors and Club committees meet. It's available for Club member use when not being used for a Club activity.*

*Club wines are stored in the Wine Vault.*

*The Maintenance Shop is adjacent to the B level of the parking garage. Everything from chairs to canoes are repaired there.*

*The Laundry Room is located below the kitchen and is busy most of the time washing towels and members' athletic apparel.*

*Men and women employees have their own Locker Rooms off the service tunnel by the Purchasing and Store Room areas.*

*Meals for the Dining Room and Hau Terrace are prepared at these broilers and saute stations.*

Salads, sandwiches and desserts are prepared in the Pantry area.

The Club's canoes, kayaks and surfboards are stored along an alleyway adjacent to the B level of the garage.

The entire Club was reroofed last fall.

This is the purchasing office and receiving office.

Bar supplies are stored in a temperature-controlled beverage store room.

## No Fishing

The Department of Land and Natural Resources has reminded all fishermen that the Waikiki Marine Life Conservation District between the Ewa wall of the Waikiki Natatorium to the Kapahulu Groin is closed to all fishing.

The conservation district is not a part of the Waikiki-Diamond Head Shoreline Fisheries Management Area between the Natatorium and Diamond Head Lighthouse which opened for one-year pole fishing.

# John Beaumont Captures 1st Outrigger CC Match Play Golf Title

By Frank E. Walton

In a competition featured by spirited, close competition, John Beaumont worked his way through four tough matches to win the trophy in Outrigger's 1st Match Play Golf Tournament by defeating Terry Stoddard in a match that went down to the final hole. Congratulations and an appropriate award were presented to "Gung Ho" John at the first annual meeting of the Outrigger Golfers on January 31.

Sixteen players participated in this inaugural event, playing to their full handicaps which ranged from 11 to 36, meaning that an 11 handicapper playing a 36 handicapper would have to give his opponent 25 strokes.

All the matches were close, none was decided before the 14th hole and seven

went to the 16th or beyond. All competitors thoroughly enjoyed this first ever championship and are enthusiastically looking forward to the 1990 event. Details will be announced by Golf Chairman Jim Hammons in early March.

Because of the holidays, schedule conflicts, illness and rainy weather, the 1989 Wahine Match Play Championship was still incomplete at press time. It is expected that we will have a winner by March.

To date, Ellie Dillingham had defeated Terri Lui and Pam Dillingham. Joie Gopez and Barbara Kneisley were all square after 18 holes and still to complete their match. The winner will meet Carol Farrow to

determine who is to play Ellie for the championship.

# Volcano Run in the Rain

By Gerry DeBenedetti

Why do they do it? Every year, those OCC diehards, trekking to the Volcano Run, without being deterred by rain, fog, smog, vog, etc.

This might have been the year to be deterred, and quite a few were. A noticeably small group were present for the start of the three volcano marathon and rim runs on January 20 at the Hawaii Volcano National Park.

It was raining when we left Oahu, when we arrived in Hilo and when we got to the volcano.

At 7 a.m. the Marathon started.

At 8 a.m. and 8:45, still raining, the summit caldera rim run (10 miles) and the Kilauea Iki crater run (5.5 miles) began.

It's a thrill to watch the finish, even in the rain. This year no one suffered heat exhaustion, but the mud and the wet shoes took their measure in legs that were cold and feet that didn't feel.

At least 10 OCC members participated and they'll probably go back next year. Why? Running through steam vents, the sound of crisp lava crunching under your shoes, the mist swirling, the tree ferns towering over you, is awesome.
