AS THE TERRACE TURNS

Roy and Miriam Emery celebrated their Golden Wedding Anniversary at the Club on August 8. Some 170 family and friends joined with them for the celebration. They thoroughly enjoyed the warm and friendly gathering and with the excellent food served by the Club chef, it was a delightful occasion to remember. . .

Arlyne Shortt's granddaughter, Robyn McCloud, frequently seen around the Club, just returned from a summer modeling assignment in Tokyo. Robyn is a student at Hawaii School for Girls.

Bob Erskine made a quick trip to Los Angeles in late August to attend the 100th anniversary of USC football. Bob was a member of the great Trojan teams in the '30s. He contributed to SC Rose Bowl victories over Tulane and Pittsburg in 1932 and 1933, respectively.

Congrats to Matt Kresser for qualifying for the Ironman Triathlon after his fine performance in the Windward Triathlon. Also looking good were Brian Deer, Billy Balding and Peter Bourne.

Nice wedding dinner at the Club on August 3. Often visitor and marathoner Alex Quintner from Brisbane, Australia, married Tina Matheson in Kapiolani Park. Gerry De-Benedetti was matron of honor. The wedding dinner was held at OCC.

Nice to see Kisi Haine visiting from Colorado and Denise Devaney home after a tour with the U.S. women's national water polo team. Too bad women's water polo isn't an Olympic sport. . . Also home for a short vacation was Stacy Stackhouse before returning to school in Santa Clara for her junior year.

Following the August 30 program for OCC camera buffs, some members adjourned to the Dining Room for dinner with Steve Kastner and more photography talk and tales. At the din-

ner table were Gerri and Jack Pedesky, Marjorie Moore, D. Brodie Spencer, Becky Collins and, of course, Steve Kastner.

Gerry DeBenedetti reports that our nearest Neighbor Island has a wonderful view of Oahu, Lanai, Kahoolawe, Maui and maybe more all from the same spot, the Pepeopae Bog, 5,000-feet up on the top of Kamakou.

In August, Gerri joined the Nature Conservancy monthly outing to their preserve on Molokai. The manager met the group at the airport and transported them to the Waikolu Valley past three waterfalls and the state park picnic rest stop.

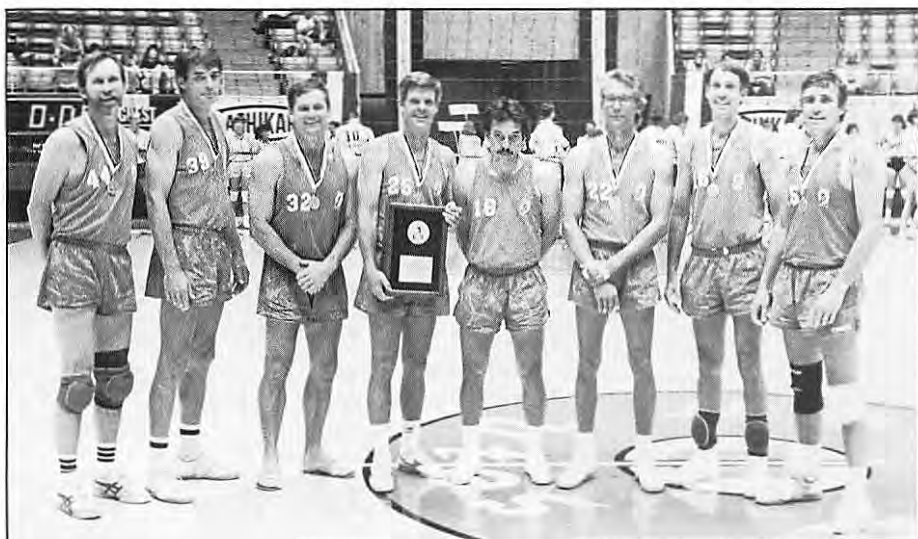

After the hour drive, they walked for 45 minutes on a boardwalk. The boardwalk enabled them to stay out of the mud, using walking sticks and getting a little damp.

"At the top, is the bog with a boardwalk square large enough for our group to sit and have lunch," Gerry reports. "There was only a little rain, lots of sunshine and swirling mists and glorious sights of Molokai and all the other islands."

19th Roughwater Swim Almost Wasn't

By Gerry DeBenedetti

Hurricane Uleki, hovering around Hawaii, brought in some funny waves from two different directions and the water looked bad from the shore for the 19th annual Roughwater Swim on September 5.

One day before the event, race committee member Harry Huffaker was saying, "the question is, will we even have it?"

The morning of the event, the microphone official was saying, "If you have any doubt, any concern, don't do it."

Even with this chilling message, 1,075 brave fools jumped into the water at the four-seeded start, and those who came out the other end were euphoric.

The chief complaint seemed to be that getting out the Outrigger channel was a little tough, but the current propelled them along the 13 flag straight-away to the Hilton Hawaiian Village turn and the surf brought them in.

Twain Newhart was ecstatic, saying, "Gee, wish I'd trained for this!"

Bonnie Eyre was thrilled after surfing with eight dolphins five-feet away from her. It seems all her life she has been waiting for a romp with the dolphins, and when the chance came, she was in competition. The competitive spirit paid off, however. Bonnie was first in her age group and went home with a lovely koa bowl and her dolphin sighting story.

Outrigger Canoe Club is one of the sponsors of this event, and members were everywhere, not just swimming, but working in all areas. OCC beach attendants set up the corner markers. Assistant Club Captain Ron Li, with son, Kainoa, and wife, Patti and friends, took a canoe on patrol.

At the start, ODKF volunteers Colleen Moore, Arden Moore, Paige Vitousek and Gerri Pedesky had the exciting job of writing race numbers on people's thighs!

The Outrigger Aid Station at the start and finish of the race was staffed by Clair Folsome, Pam Zak and Gerry DeBenedetti. Jim Anderson assisted with trophy presentations to winners.

Winged "O": Kimo Austin

Winged "O" awarded 1980

By Mary Machado

In 1980, the Winged "O" was awarded to James W. "Kimo" Austin. If ever there was a prototype of the OCC Member of the Year, it is Kimo.

Born into a pioneer family, Kimo's island roots run deep. His jurist great-grandfather, a Harvard graduate, and native of Dedham, Massachusetts, started the Austin-Hawaii connection by settling in Lahaina, Maui in 1849.

Kimo's interest in water sports manifested itself early as a youth member of the OCC--beginning in 1946. At home in the ocean, as surfer, paddler and swimmer, Kimo distinguished himself at every level of participation.

In 1955, while a student at Punahou, he was designated Swimming champion for the Territory of Hawaii. A sports scholarship to the

University of Iowa led to further aquatic distinctions. In 1958, he returned to the Islands to complete his academic work at the University of Hawaii.

Fortunately, the OCC archives disclose the substance of his bio, since Kimo's persona does not include a discussion of Kimo the man, then and now. An egoist he is not.

Kimo has donated his time on numerous athletic committees and served as Director or Coordinating Director for most major committees, not to mention his involvement or participation in activities at every level of life at the Club.

In particular, his years of escorting of the Club's crews across the Molokai Channel are among his favorite memories. He has won numerous awards in canoe paddling, surfing, paddleboard racing, ocean swimming and marathon running.

A leisurely chat by the sea on the lanai of the OCC further reveals a quintessential sportsman with a strong environmentalist bent and a genuine interest in preserving the special quality of the OCC. For Kimo, the beautiful world of nature surrounding the OCC involves a trust. Kimo respects that responsibility.

A quietly engaging conversationalist, he discusses his interest in travel which has taken him, often with his wife, Gay, and children Siana and

Jim, to the fjords of Finland and Norway, the savannahs of Africa and more recently to the fishing grounds of Alaska.

His dedication to the OCC comes through forcefully as we discuss his young family. To Kimo, there is no more ideal site than the OCC for the extended family. He interjects, "Where can one enjoy what we have here at the OCC? Where can one swim and surf and then relax and dine with family and friends surrounded by the beauty of the sea, the surf, the sky and sunsets?"

A little known fact about Kimo is his prowess in skeet shooting, a hobby he developed while practicing at military bases in the islands. In 1968, he won the world Champion of Champions event in skeet shooting. Previously, in 1964, he narrowly missed inclusion on the Olympic Skeet Squad. He has been elected All-American seven times and currently holds several world skeet shooting records.

The tradition of the OCC rests safe with members such as Kimo. Distinguished for sports ability and a loyalty and generosity of spirit to the Club to include serving as a Director as well as chairman of numerous committees, Kimo epitomizes the prerequisite qualities of the honorees who bear the Winged "O" distinction. ☺

Chip Shots From the 19th Hole

By Frank Walton

Golf Chairman Jim Hammons has already put out the signup sheets for the Fall tournament, scheduled for Hickam Air Force Base on Monday, November 14. He has already confirmed spaces for 64 players but is aiming at 100 in order to obtain a shotgun start at the course.

Hammons says that if there are signed chits covering 64 players by Sunday, October 9, he will negotiate additional spaces up to a maximum of 144 players.

Here is your opportunity to get all your friends onto the beautiful Hickam AFB Golf Course.

Golf Awards Banquet

The 1988 Golf Awards Banquet is scheduled for Thursday, December 15 in Club Dining Rooms A, B, C and D. Club members who participated in at least one of the 1988 Club golf tourna-

ments are eligible to attend. Only 80 seats will be available.

OCC Joins State Golf Association

By the time you read this, the "OCC Golfers" will be a new member of the Hawaii State Golf Association and individual charter members should be receiving their first monthly handicap cards from the U.S. Golf Association via the Golf Handicap and Information Network (GHIN) system. Approval to join

was given by the Board of Directors in late July.

The application fee and the annual renewal for "OCC Golfers" will be paid from the Golf Committee budget. Individual participants must be Outrigger members and pay a minimal fee of \$2.50 for 1988 and \$5 annually commencing January 15, 1989.

If you are not a member of "OCC Golfers" and would like to join, check the "OCC Golfers" folder at the Front Desk for information and application.

Another Great Golf Outing at Kaneohe

By Frank E. Walton

Once again, Kaneohe Klipper Klub Pro Chuck Larsen and his staff combined with perfect weather, to provide another fine outing for the 64 participants in the Club golf tourney, August 12.

And to add frosting to the cake, Staff NCO Club Manager Larry McCulla and his gang produced another ono buffet luncheon.

The 64 players (three no shows were replaced by a standby Club member and two Marines), got off to their simultaneous (shotgun) start only 15 minutes late and all completed their rounds within 15 minutes of each other.

As a result, all players were together for the luncheon and the trophy presentations.

Maui Channel Swim

By Diane Stowell

Five Outrigger members participated in the Maui Channel Swim, September 3. This year, there were 52 teams competing, including ones from Australia, California, Washington, Washington, D.C. and Hawaii.

Each team consists of six swimmers with an escort boat. Each swimmer must swim 30 minutes and is then tagged by the next swimmer in the water. After all six swimmers have completed their 30 minute leg, each

swimmer then swims 10 minutes each until the end of the race.

The swim starts at the island of Lanai and finishes at Lahaina, a distance of approximately 11 miles.

Congratulations to Ian and Coco Emberson for directing such a great race.

OCC swimmers were Roger Cundall, Waikiki Swim Club Makule team and Richard Sylva and Diane Stowell, Senior Makule team; Harry Huffaker,

Crazy Shirts team; and Jim Caldwell, Offenbach Prelude team.

The WSC Makule team finished second in its division in 3:39:01 and the Senior Makule team was second in its division in 3:54:01. ☺

Start Practicing for Castle Swim

Registration is now being taken for the 1 1/4-mile Castle Swim, scheduled for Sunday, November 27, at 8 a.m. This swim is open to members only. You must have your own membership number to

enter this event.

There is no entry fee. Awards will be given for junior and male and female in every age group in five year intervals up to and including the oldest swimmer.

All participants are asked to provide their own escort on a paddleboard, kayak or canoe. Escorts are invited to the breakfast afterwards.

The Castle Swim is the Outrigger's own swim, although the original swim back in the 20s was a public event which began at the Castle home (now the Elks Club) and finished at the old Club in Waikiki. We swim the event in reverse so we end at the Club for breakfast.

Sign up now at the Front Desk. ☺

Water Polo Team Sets Tournament

The Club will host a water polo tournament on Saturday, December 17, and January 7 and 8. The tourney will be open to all high school, college and post college age players. This will give everyone a chance to get together during the Christmas holidays.

Anyone interested in participating should contact John Nielsen or leave a message for him at the Front Desk.

In August, Club members were well represented in the Hawaii International Water Polo Tournament at the University of Hawaii Pool. John Nielsen helped organize the tournament and players Bruce Black, Todd Duplanty, Rob Izumi, Denise Devaney, Chris Woo and Jack Barenburg were on various teams. ☺

Log Those Miles

All you swimmers who log miles either at home or at the Club, get those miles posted in the Club logs by November 1. We will be giving mileage awards on November 27 at the Castle Swim and we need to know what's up with you, in order to guesstimate your mileage award for 1987.

If you are not planning on entering the Castle Swim, but expect to have a mileage award, sign up on the Castle Swim sign-up sheet at the Front Desk and indicate you are coming for a mileage trophy, and we'll be sure to order breakfast for you. Remember, post your miles by November 1 so we can get your award ready.

Mileage trophies are awarded in the following categories: 100, 250, 500, 750, 1,000, 2,000, 2,225 (Transpac Award), 3,000 and 4,000 miles. ☺

Softball Team Off to a Fast Start

On August 16th, after nearly a nine-week delay, the OCC softball team began its season. And wouldn't you know it . . . OCC won by forfeit.

The following week, however, bats came to life as OCC whipped Sparky's 16-6 to go 2-0 in league play.

Bill "Killer" Kilcoyne and Jim Gaddis led Outrigger with four hits apiece. Kilcoyne hit a solo home run in the 7th, while Gaddis contributed four RBIs.

Bill Breeden and Dana Rupey added three hits each and played solid defense. Lefty Danny West started at shortstop, then pitched. Dan's clutch two-out double in the second and two-out triple in the fifth, kept big innings alive for OCC.

Henry Ayau, the starting and winning pitcher, stroked two solid singles before leaving the game in the fourth. Catcher Colin Chock's booming triple to right scored Henry in the second. Colin nearly ran Ayau down near third base on the play, then scored on an overthrow.

Game highlights included a rare double play when Gaddis snared a ground shot hit to third, threw to Kilcoyne at first for one out, who in turn fired a bullet back to Gaddis who tagged out a runner trying to advance from second.

Leftfielder Breeden put the icing on the cake when he threw out a runner at home plate to end the game.

Rod Muller, Mike Rodriguez, Byron Ho, Wes Goodwin and Burt Heilbron all contributed with key hits and fine defense.

Come out and support your team every Tuesday, 5:30 p.m., Kapiolani Park across from the Club.

Di Guild

Kolekole, Oh, Da View

By Gerry DeBenedetti

The 6th annual Kolekole Pass Half Marathon and 10K Racewalk held on August 7, gave a rare glimpse of both sides of the Waianae range to runners/walkers.

What a treat to look over Lualualei gleaming in the sunlight and see the bright blue ocean, and look behind you at the green Schofield plain with the cloud covered Koolau Range in the background.

Since I participated in the 10K Racewalk, which luckily ended at the top, I can only intimately report on the first half, which was like Monsarrat uphill for the first four miles, and Diamond Head uphill for the next two

miles. No breeze, lotza sweat. The smell of guava and eucalyptus was heavy. Canopy trees like monkeypod and koa were blooming. Markers were clearly visible at each mile mark so you could see how much slower each uphill mile was getting.

When I was pau with my 10K, I went back to Schofield. Other Riggers including Arden Moore, Paige Vitousek and Spencer Leineweber journeyed on to the finish at Lualualei where breakfast, t-shirts and bus rides back to Schofield were the order of the day. Our finishing times were classified, so we're not able to report the phenomenal, awesome results. 🍌
