Gerri Pedesky stroked the women to victory, with Ululani Davis in two, Marilyn Haine in three, Ruby Ifversen in four, Diane Stowell in five, and Keanuenue Rochlen, steering.

Matt Anderson is now hobknobbing with the heavyweights. These are really heavyweights financially and physically. He is the trainer for the Phoenix Cardinals football team. . .

Colleen Okada flew in from Japan to join her mother, Barbara Okada, for a spa holiday in Napa Valley's Somina Inn. Then on to USC for Colleen to continue her education in law. She hopes to get back to the islands for some fun in the sun and visit her island friends soon.

Mrs. Jack Holbrook visited the Islands from her home in California. She hosted friends and family at the Club, including son, John, and grandson, David. . .

Bill Breeden and son Lindsey spent the first two weeks of June "Down Under" in Brisbane, Australia, visiting family friends and taking in the sights and sounds of World Expo 88. They

also traveled to Queensland's famous beach, Surfer's Paradise, and spent time at both Sea World and Dream World (Australia's answer to Disneyland).

During one of the days spent at Expo, Bill and Lindsey visited the Hawaii exhibit. Bill highly recommends Expo for Club members planning a fall vacation (it'll be spring in Australia).

Corazin and Paul Kendall hosted Jerry Hulse, travel editor/writer of the Los Angeles Times, Hilda Cannon of Kauai, and Peter and Bob Fithian for dinner at the Club recently. . .

Dr. Martin Zais was in Santa Fe, N.M. in July for the Western Conference of Dental School Deans and Dental Examiners.

Lots of OCC people at the Bishop Museum Association meeting, July 21. Incoming Council members for 1988-

The scene was repeated at the Waimanalo Regatta this year when Fred took over babysitting duties for 1-year old Natasha Haine, while dad, Marc, paddled.

Duplanty Named to U.S. Olympic Team

Chris Duplanty became the second Outrigger member to participate in the Olympics in Seoul, Korea this month, with his selection to the U.S. Olympic Water Polo Team.

Duplanty, a goalie, played water polo at Punahou and UC Irvine, and has played on the U.S. National Team in tournaments this summer in Europe and the United States.

Chris is the first player from outside California to be named to the team in more than 30 years.

The Olympic team will be in Hawaii, September 10-12 for exhibition games. Olympic water polo competition begins September 21 against world champion Yugoslavia.

Outrigger's other Olympian is kayaker Traci Phillips. 🍀

I Remember

By Helen Henderson

The year was 1912. I was 14 years old and lived in Santa Monica, California. We, my friends and I, were good swimmers and spent all our time when we were not in school on the beach and in the ocean.

In those days, Southern California water was warm and tropical, our surf was perfect. Our surfboards were large and very heavy.

One day, a big wave upset me, the board flipped over, hit me in the stomach and rolled me up on the sand, out cold. A tall young man carried me onto the beach and, with my friends scared stiff, soon had me breathing again and back to normal.

The young lifeguard gave us a lecture on surfboards (ours were all wrong). He told us to pass the information on to our families. We needed different wood, different sizes and a different shape.

Our fathers took him seriously and when our boards were made, he taught us how to ride them, Hawaii style.

Every afternoon we'd meet on the beach and he would sing in Hawaiian, the songs of the islands, and play the ukulele. Most of us had ukes in those days. I still know some of those songs.

I have played my uke for my great grandchildren (I have 11) and I tell them about that nice young man who was Duke Kahanamoku on his way home from the Olympic Games in Europe where he won a gold medal.

That stop in Santa Monica as a lifeguard was a job to get him home to Hawaii.

Those of us still living, remember him well and love the islands because of him. I've had a home here and have lived here every summer for many years.

That 14-year-old girl is 90 now, a bit rheumatic, but still plays the ukulele and sings the songs. About 25 years ago, we met again over here and reminisced--the Duke and I.

One day, I hope to stay here forever, with the sunsets, the rainbows and the unbelievably beautiful water.

Andersen, Haine Win Club VB Doubles Championship

Top-seeded Jon Andersen and Marc Haine teamed up to win the Club Doubles Championship, July 31 on the OCC sand volleyball courts.

Andersen and Haine defeated second-seeded Scott and Matt Rigg, 15-7, in the championship game of the double elimination tournament.

The two teams played each other earlier in the finals of the winner's bracket, with Andersen and Haine winning, 15-8.

The Riggs dropped down to play fourth-seeded Hugh Foster Jr. and

Leon Devaney in the finals of the losers bracket, defeating them in a very close 15-12 game.

Fourteen teams competed in the two-day tournament.

Our excellent college players, home for the summer, added a lot of competition to the tournament. They included Foster (San Diego State), Devaney (USC), Tony McNerny (San Diego State), Danny McNerny (Loyola-Marymount), David Porteus (San Diego State) and Trevor Schirman (UCLA)

In other summer volleyball tourna-

ments this year, Matt Rigg and Marc Haine defeated Jon Andersen and Todd Harrison, July 9 in an open tournament.

Matt Rigg and Jon Andersen defeated Marc Haine and Chris Crabb in an open tournament on July 16 and Kanoa Ostrem and Wayne Seligson (from the OCC Junior team to the nationals) defeated Tom Haine and Randy Shaw in the A tournament on July 23.

Summer volleyball concludes with the 4-Man Calcutta on September 3 and 4. ☺

Li Brothers Make National Teams

Last May, brothers Kainoa and Stevie Li discovered they would both have the opportunity to compete on a national level in July.

Kainoa traveled to Richmond, Virginia, as a member of the Hawaii team for the National AAU Karate Championships. Since this was only the fifth tournament he had ever entered, and had just resumed interest in the sport last January, his goal was to enjoy the experience and ceremony associated with the 100th anniversary of the AAU.

Three days later, he won gold medals as the national champion in the Colored Belt Division in Kata and Kumite (with 22 successive sparring wins), Grand Champion for the double sweep, All-American honors and automatic member of the National Team.

Upon returning to Harvard University, which he attended on a rowing scholarship for the summer, he discovered he had earned a seat in the Elite boat of the perennial Harvard na-

tional champion team.

That same week, Stevie reported to the USVBA Elite Volleyball Camp at the University of Colorado at Boulder immediately following the Junior Olympics.

Attendees were the top 36 boys and 36 girls selected by tryouts throughout the country.

After two weeks of intensive training which was from 8 in the morning to 10 at night (including a surprise scrimmage of the boy's teams which started at 3 in the morning), Stevie was among the lucky 12 boys to be selected for the Junior National Team.

A full week of training followed, conducted by the National Men's Team coach and the U.S. Olympic Volleyball staff, in preparation for a three-day tournament which was held at the University of Saskatchewan in Canada against all star teams.

Stevie was the starting setter for a tall, talented U.S. team which prevailed.

This was the first year for the Junior National Team which has been estab-

lished as part of the youth development program to identify potential Olympic hopefuls. ☺

Start Clicking for OCC Photo Contest

By Becky Collins

Because of an overall Club interest in pictures showing OCC activities and events, you will now be permitted to enter as many OCC related pictures as you like (in color and black and white) in the 6th Annual OCC Photo Contest.

Extra categories, allowing for more winning pictures, will be added if there are a sufficient number of OCC entries.

Current categories for entries are based on those which received the most entries in past contests. The number of entries per person was originally limited to 10.

Now, however, the number you submit may exceed 10 if the additional ones are OCC related.

So check the OCC calendar of events and spend some time at the Club with your camera looking for interesting or special shots.

Take an underwater camera and get an underwater or surface water shot in front of the Club.

Go to OCC sporting practices or competitions and find that dramatic action shot.

Try for an interesting terrace or dining room shot (but be polite and ask permission of the people before you take a picture of them).

October 31 may seem to be a long time away, but you know how fast the weeks go by. So get out your camera and start some creative "clicking" right now. Then when the deadline rolls around, you'll have your terrific pictures ready to enter.

All rules, complete with an entry blank, were published in last month's Outrigger. They are also available at the Front Desk. Good luck! ☺

Running News

The Running Committee is making plans to take two teams to Maui for the Hana Relays on September 24. They hope to have a masters team and a mixed team.

They are also planning special events in October and November and will sponsor OCC runners in the Honolulu Marathon on December 11. They're also hoping to go to the Big Island for the Volcano Run in January.

If you're interested in joining them, there is a sign-up sheet at the Front Desk and more information on the bulletin board in the Tunnel. If you want more information, contact Chairwoman Andrea Lehman. ☺

Boy's Volleyball Team Ninth at USVBA Junior Olympics

By Ron Li

On July 1, the Junior Boy's Volleyball team and head coach Peter Balding Jr. departed on their long-awaited trip to Fort Collins, Colorado for the USVBA Junior Olympics.

Assistant Coach Bob Riley joined them there, as well as 258 teams and 2,500 players, plus J. J. Riley who was playing for Balboa Bay Club's 14 and under team.

The fireworks kicked off on July 4th with two wins. Enthusiasm was high as the OCC boys were seeded as one of the top six teams out of 38 in the 18 and under division.

The first loss came on Wednesday in a close match with "Surface Sport" and they rebounded on Thursday to beat the Laguna Beach team that eventually went on to place second.

However, two losses for our boys on Friday meant the end and they finished ninth overall.

The experience of playing on the national level was exciting and eight returning players are looking forward to the opportunity of journeying to Toledo, Ohio, next summer.

Since the team was successful in

raising \$3,000 to cover their budget deficit, current work projects will create a volleyball fund for '89.

The highlight of the fundraising effort was selling some 400 T-shirts and tank tops created by Dale Hope that

said "Hawaiian Style Volleyball 1988" at the tournament.

Mahalo to the OCC men's volleyball teams who practiced with the boys every week and helped to make the trip another success.

A reservation made in your name, without a cancellation, will be charged to your account. The Club has a 48-hour cancellation policy. If you make a telephone reservation, but have not picked up your tickets, the reservation still exists as a commitment to purchase the tickets. The Club cannot resell them without your cancellation. You must notify the Front Desk if you are cancelling, or your account will be billed for the event.

Monday Night Football Starts

Calling all football fans. Come on down to the Club on Monday nights beginning, September 12, and cheer for your favorite team at the weekly Monday Night Football Party.

Last year, an average of 40-50 people enjoyed the game at the Club each week.

The action will begin in the Bar and Lanai at 6 p.m. and go until the game is pau.

The only rule is that if you hear the final score before the TV game is pau, you may not tell it.

There will be plenty to eat and drink during the game. Hot carved sandwiches, including roast beef, ham or turkey, and salad, as well as stew and rice, will be available.

In response to requests, the manager will also add soup to the above menu.

Outrigger Wins Burger King OHCRA Championship

By Marilyn Kali

For the fourth straight year, Outrigger Canoe Club won the Burger King Oahu Hawaiian Canoe Racing Association Championships at Keehi Lagoon on July 24.

OCC won eight of the last 10 races to defeat Kailua Canoe Club, 82-74. Altogether, Outrigger crews won 12 of the regatta's 30 races.

The Boy's 18 crew became the only undefeated OHCRA crew for the season by setting a new course record in their one mile race. They led from the start, defeating Hui Nalu by 15 seconds, in 7:54.29.

Head Coach Mike Fox switched some crews around to get the winning combination for the victory. He put together a Masters women's crew from upper division paddlers who were 35 and older that upset previously un-

beaten Kailua by nine seconds.

"Our strategy paid off," Fox said after the race. "We qualified most of our crews for the state championships."

Five Club paddlers won two golds each, after OHCRA changed the rules allowing paddlers to participate in the senior races, as well as one other. The double golds went to Mark Rigg (junior and senior), Tom Conner (junior and senior), Sandra Haine (masters and senior), Katy Bourne (senior and open 4) and Piilani Schneider (senior and open 4).

The Women's Novice A crew included Gay Daily, Anne Hagar and Carolyn Lass, front row; Cindy Pearson, JoJo Watumull, Manon Williamson, Pam Zak, Maureen Kilcoyne and Coach Susan Barron.

Outrigger's women paddlers will tackle the treacherous Molokai Channel in the 10th annual Na Wahine O Ke Kai Molokai to Oahu Canoe Race, Sunday, September 25.

The race is expected to be a battle between two-time defending champion Offshore Canoe Club of Newport Beach, California, and Outrigger.

The race starts at 7 a.m. at Hale O Lono Harbor on Molokai and finishes around 1 p.m. at Ft. DeRussy Beach in Waikiki. The distance is 40.8 miles.

Come on down to Ft. DeRussy and bring a lei to greet our women at the finish. ☺

Winged "O": Dad Center

Winged "O" awarded February, 1970

No history of the Outrigger Canoe Club would be complete without inclusion of the name of George David "Dad" Center. He was one of the men who made the Club what it is today. He was a leader and a teacher. But to many of the boys and girls who later matured into Olympic champions, business leaders and Club stalwarts, he was affectionately, "Dad".

Coach, Club Captain, Director and friend of the youth of our Club, Dad encouraged physical fitness, team effort, sportsmanship and loyalty in all.

Dad Center coached Outrigger swimming teams as early as 1912 when Duke Kahanamoku went to the Olympics to return to Hawaii a world champion. Others like Sam Kahanamoku, Gay Harris, Bill Harris and Mariechen Wehselau Jackson, followed in Duke's footsteps.

Although his interest was primarily

in swimming, outrigger canoeing was his personal love, and many a day he spent taking youngsters, tourists and all who could wield a paddle out to the surf in his koa canoe, "Miss Vedol".

Dad Center was born in Kipahulu, Maui in 1886, one of the children of a sugar plantation manager, and grew up on Maui and in Honolulu. Always active in athletics, he participated in all sports, but was most active in swimming, surfing and canoeing.

Dad rowed for the old Myrtle Boat Club in the early days, but joined the Outrigger Canoe Club in 1908 and from then on served the Club unselfishly and without monetary compensation until he died in 1962.

Dad coached and ran on the Outrigger track team as early as 1919; organized (with Dr. Paul Withington) and played on our football team; coached the U.S. Olympic swimming team in

Dad Center

1920, was coach of the Outrigger swimming team and took a team to Japan in the early 1920's.

As Club Captain for many years, Dad was in complete charge of all athletic activities and was actually the "guiding spirit" that encouraged our young members to participate in the athletic program that has been the purpose of the Club and is perpetuated to this day.

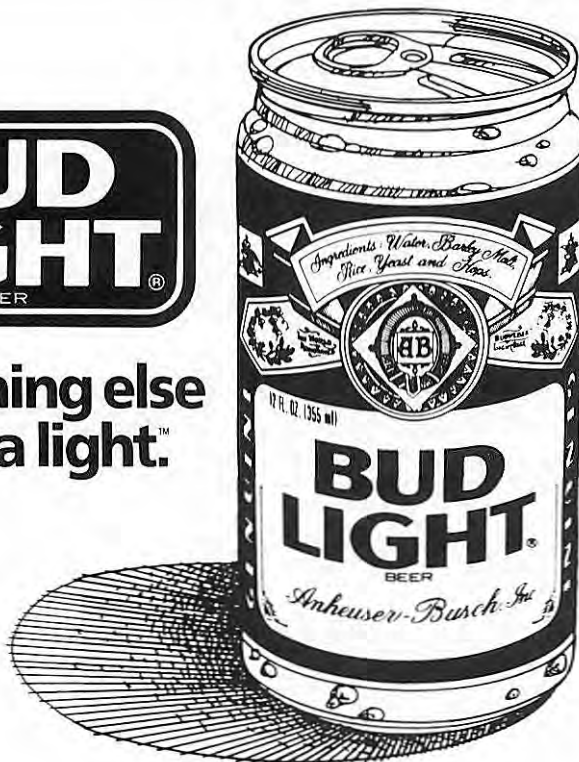

To all who had the honor and pleasure of knowing him, Dad Center is remembered as a shining example of what the Outrigger Canoe Club stands for.

A quiet, modest man, Dad had the leadership that inspired all of his charges to do their utmost, not only for the Club and themselves, but for Dad Center; and for them the greatest reward for winning was a "well done" from him.

The Outrigger Canoe Club didn't just happen. Dedicated men of Dad Center's ilk have played important roles in the success of our Club. ☺

Marathoners Picking Up the Pace

By Emary Lucas

All marathons are the same distance, 26 miles, 385 yards or 42.195 kilometers in length. It's the atmosphere and place of the marathon event itself that makes for a varied, interesting or exciting race.

So whether this is your first, fifth or 25th marathon, there are a lot of marathons this fall for Outrigger members to choose from all across the United States.

A foursome of Outrigger Masters Men marathoners are already deep into 60-mile weekly runs preparing for the upcoming Portland, Oregon Marathon, scheduled for September 25.

The OCC running team will include Russell Allen, Emary Lucas, Steven Dunn and Allen McWayne.

All four have completed previous marathons in the 3:30 or better range and all are looking forward to individual best times on this flat, fast course.

The four are also considering running in the Chicago Marathon and the New York Marathon before the Honolulu Marathon on December 11.

Outrigger always fields 25 or more runners in the Honolulu Marathon each year and, of course, sponsors one of the most popular and enthusiastic aid stations on the course.

For those Club members who are going to be running and cannot resist the urge to "go for it", remember that the time to beat and world record in the marathon has been established by an unknown Ethiopian runner, Belayneh Dinsamo at 2:06.50 or 4 minutes and 49 seconds per mile pace. If you're not quite up to that pace for 26.2 miles come Marathon race day, then forget it and have fun.

Dr. Jack Scaff mentions in his book, "Your First Marathon" some tips: Be humble. Place yourself where you

belong in the starting lineup. Pace yourself. Stick to your game plan, even if your friends are not sticking to theirs. You will pass them in the end.

Stop and drink water at every single aid station. Do not even pass up the early aid stations. Aid stations are set up at various distances for a purpose, so take fluids early in the race to avoid any problems later in the run.

On Marathon day you will find out whether you have trained properly--especially around mile 18 to 20. Build up running mileage over the nine months prior to the race and prepare mentally to finish the run.

Enjoy the camaraderie of the race, even if you have to "jog" up the back of Diamond Head as you head toward the finish line two miles away. You will finish, and believe it or not, when it's over, you will want to do another marathon. 🍷

Club Has Three New Managers

By Gerry DeBenedetti

The Outrigger Canoe Club middle management has been restructured by the Board to provide more management coverage when the General Manager is off duty, to provide for more direct management in the Dining Room and Hau Terrace and to give better service to the membership.

Liz Ventura is the new Hau Terrace and Bar Manager; Ike Furukawa is the new Dining Room Manager; and Ted Miller is the new Assistant Club Manager and Operations Manager.

The Board has approved specialized food and beverage management training for the new management team.

Liz came to OCC in 1982 and married OCC waiter Wayne Ventura in 1983. Liz is so Hawaiian but was born in Tacoma, Washington to Portuguese-Hawaiian military parents, and never saw Hawaii until 1975. She considers California home where her parents and

New Club managers Ike Furukawa, Liz Ventura and Ted Miller.

two sons, 12 and 9, live.

Since her primary task as Hau Terrace Manager will be to improve the service, Liz will muster up all her skills to get the job done. Please report all improvements to the Manager. Liz has 16 Hau Terrace and 5 Bar staff working under her.

Liz meets daily with Manager Ray Ludwig and is enjoying the on-the-job training for her new job. Liz is passing on her new knowledge to the Hau Terrace and Bar staff.

Our new Dining Room Manager Ike Furukawa began working as a waiter while he was a student at the University of Hawaii. After working at the Cannon Club, he came to OCC seven years ago.

Ike was named Employee of the Year in 1986.

Ike says his new job is a challenge and just what he needed to stretch his skills. Like Liz, he loves his training and says it is helping him in everything. He supervises a staff of 25 in the Dining Room.

Ike says his favorite OCC meal is our fresh fish, and his favorite time to work is the regular dinner service. Since he works a three weekday split shift, you might have a hard time finding him every day, but he's here all day on Sunday, and from 5 to 11 p.m. on Saturday.

Ike got married on July 30 to the former Shelby Chinen. So the next

time you see him, give him your congratulations on both his marriage and his new job.

Ted Miller is our new Assistant Club Manager and Operations Manager.

This is a newly created position and Ted will supervise the staff of Operations, including Laundry, Parking, Security and Locker attendants.

You won't have a hard time recognizing him, just look for someone who looks like Ray Ludwig, acts like Ray, sounds like Ray. Our manager is very clever, no doubt thinking we would think management is everywhere.

Well, that is mostly the idea. The Club needs management both day and night, and Ted's day starts when Ray's ends. Now there is supervision until Club closing time every day and all day on Sunday.

Ted has been in Hawaii on and off for 25 years. He once worked as a baker at the Ilikai and has been in all sorts of middle management hotel and restaurant work, including private clubs and consultation, both here and on the neighbor islands.

Ted has high praise for OCC and feels fortunate to work here. He thinks our chef is excellent and says we have the cleanest kitchen he's ever been in. He believes our manager has a fine working club here and enjoys the employee working conditions.

Congratulations to Liz, Ike and Ted on your new jobs. 🍷

Order Your Christmas Tree From ODKF

By Bill Breeden

Wouldn't you like to take the time, effort and guess work out of buying a Christmas tree when the holiday season arrives? Sure you would, and here's a way to do it and make a donation to the Outrigger Duke Kahanamoku Foundation at the same time.

The ODKF is holding a Christmas tree sale as a benefit for the Foundation. In your July statement you received an order form giving you all the details.

Trees range in price from \$18 for tabletop height trees to \$100 for 8-9 foot trees. The trees are beautifully sheared Douglas Fir trees from Oregon.

The deadline for ordering is October 15. If you've misplaced your order form, call the Club to get another one.

Why should you buy your trees from the ODKF?

First, you will not find a better quality Christmas tree anywhere on Oahu. They come directly to us from

Order your Christmas tree before October 15.

a Christmas tree farm in Oregon, which is owned by Sharon Simpson, who is coordinating the shipment and delivery of the trees.

Second, all of the trees will be pre-drilled for easy placement into your tree stand. The Foundation even has superior tree stands available at a very reasonable cost if you want to purchase one.

Finally, you'll be making a donation to a very worthy Foundation. A portion of the donation is tax deductible.

How do you know you're going to like the tree you ordered? Check with

Club members Mark Buck, Kent Giles and Alice Guild who have purchased trees from Sharon before. And of course, there's a money back guarantee.

Trees will be available for pick up on December 3 and 4, from 10 a.m. until 5 p.m. at the Gentry Building, 560 N. Nimitz Highway.

Order your tree now, because late orders will not be accepted. If you've already ordered a tree elsewhere, order one as a gift for someone else.

Have a Merry Christmas. Order your tree today. ☺

OCC Fitness Program

Club members are invited to sign up at the Front Desk for the new OCC fitness program which is being directed by Dr. Dale Adams. The program starts this month.

The program has two parts--fitness testing and 10 one-hour sessions over a two-week period where the primary teaching device will be walking. Emphasis will be placed on using walking as a transition to other more exciting activities.

When the program is finished, each person will be knowledgeable and safe to pursue their own ongoing exercise

regimen. That could take many forms, such as weight lifting, canoe paddling, kayaking, jogging, etc.

Cost for the Fitness Program is \$300, which includes a battery of medical tests including resting electrocardiogram, exercise electrocardiogram, limited physical exam, coronary artery disease history and blood tests (hemoglobin, cholesterol, triglyceride, fasting blood sugar).

If you would like to participate, a sign-up sheet is available at the Front Desk. ☺

Kresser, Mowat Top OCC Tinman Triathlon Finishers

By Bill Danford

Every entrant in the Tinman Triathlon on July 17 fulfilled a personal or private goal. Some helped others to fulfill

Club Tennis Championships

You have until September 3 to sign up for the Club Tennis Championships at the Waialae Iki Ridge Courts.

Competition will be held in both singles and doubles for men, women and mixed teams on September 10-11 and 17-18, beginning at 9 a.m. each day.

For more information contact Susan Rose, 948-0227. ☎

their goals.

Billy Bengston, who has completed many of the Tinman events, stepped aside so that a lady friend of his could participate and complete her first Tinman. Her helmet was disqualified as were many other entrants, that early Sunday morning, and Billy gave his helmet to her.

David Doty had orthoscopic surgery on his knee six weeks before the event and had a personal best during the race. This was David's last Tinman for a while until his lovely support crew Hannah Lowery Doty returns from graduate school.

Some weren't as lucky as David. Albert Lemes trained all year for this one event and just one week before, he severely sprained his ankle.

Brian Deer, in his first race, missed the turn at Hawaii Kai, otherwise his time would have been much better.

While many members set their sights on just finishing, others such as Missy Mowat (15-19 open women), Matt Kresser (20-24 open men) and Keoni Kino (20-24 open men) excelled.

Each one of these fine athletes proved to themselves during the various transitions that you have to dig deep to perform if you want to meet

high standards of competition. It's tough in the pits.

I remember yelling to Quentin Kawanakoa to push to the maximum. His slightly garbled voice replied, "I'm burnt." Not really Quentin, you still had to paddle at Kaneohe.

The race started at 5:45 a.m. at Ala Moana Beach Park and ended at Kapiolani Park with approximately 1,100 participants. It included an 800-meter swim, 25-mile bike ride (to Hawaii Kai and back) and 10-kilometer run (around Diamond Head).

Missy finished the swim in fourth place (11:12) overall, and was the first woman out of the water. She finished the Tinman seventh overall in the women's division.

Nicole Wilcox won the 15-19 age division in 2:19.33 and new Jr. 'Rigger Malia Richmond was third in 2:26.42.

The outstanding performance by a member was Matt Kresser, who finished in 1:52.14. He was 11th overall and second in his age bracket, 20-24.

For those of you who did finish and we did not list your time, congratulations, and next time, please write your time on the finish sheet in the locker room. ☎

What everyone who has a parent aged 50-84 should know.

- One out of every four Americans over the age of 65 will enter a nursing home.
- If your Mom or Dad should be one of those one in four, their medical insurance plan won't pay much of the cost. **Neither will Medicare.**
- An Aetna Long-Term Care Insurance Plan can help protect your Mom's or Dad's savings. They'll receive up to \$120 per day while they're in a nursing home, after their choice of a 20-day or 100-day waiting period. And they can receive that amount each and every day for up to 6 years.

Don't let a one-in-four chance of spending time in a nursing home threaten your parents' financial health. Tell them about Aetna's Long-Term Care Plan. And call us for more information today. **CALL:**
