Open Ocean Swim

By Ian Emberson

Started five years ago as a challenge to Waikiki Swim Club, the OCC Open Ocean Swim has become a very popular event for both clubs. Only members of the two clubs are eligible to enter.

In the past we have had some very rough conditions for the swim, but this year we decided that we could not afford to risk anyone's life. On the day of the swim, the waves were breaking in the channel and we couldn't get the Boston Whaler out to be used as an escort boat. The swim was then moved to Ala Moana Beach Park where the conditions were beautiful—calm water and plenty of Hawaiian sunshine. The OCC Open Ocean Swim was made up of a short course, approximately 2,000 meters, for those 50 and over, and a long course of 3,500 meters for everyone else.

Jimmy Dean was as strong as ever, finishing first with a time of 42.52.

Look out for Jimmy in this year's Labor Day Roughwater Swim! Second was Ian Emberson and third was Gen Iinuma from the Waikiki Swim Club. Special thanks to Frank Walton, who has been our starter and timer for the past five years.

Swimming is fast becoming the most popular sport in the U.S. and we'd like to encourage all of you to join our ranks!

Coach's Corner

By Brant Ackerman, Head Coach

Don't forget—the most important date in August is Saturday, August 13 at 8:30 a.m. It's the date for the HCRA State Championship regatta to be held at Keehi Lagoon. If you qualified, please be there early; for the rest of you who either did not qualify or don't paddle, we would really appreciate your support at this event. The Hanalei Civic Canoe Club were the champs last year at the Hilo Regatta. So come out and cheer OCC on to victory!

Right after the regatta season ends, we will be going straight into the Distance program. The very first race is our own Dad Center women's race which ends right at the Club. The date to remember is Saturday, August 20, 1983.

The following day, Sunday, the Lanikai Canoe Club sponsors the Duke Kahanamoku race from Magic Island to Lanikai Beach. The OCC men's fiberglass crew was the first to finish last year! It's a fun day in the sun with the women paddling the off-shore race once all the men's crews have finished. So pack your cooler and meet us at Lanikai!

Looking back over this past regatta season, I realize that none of it would have been possible without the help and support of the many members, parents, friends and paddlers. I want to thank everyone who was involved with this year's regatta season.

The Boy's 18 dig in for the start of their 1 mile race at Nanakuli which they won decisively. Pictured from bow to stern are Matt Kresser, John Wade, Jeff Davis, Brian Deer, Rex Haworth and Billy Balding steering.

OCC Team Tackles Maunakea 200

By Steve Quinn

Outrigger took third place at this year's Maunakea 200 Enduro motorcycle race, on the Memorial Day weekend. OCC motorcycle team participants were Walter Guild, Brant Ackerman, Doss Tannehill, John Beaumont, Steve Quinn and Mike Haxton, who travelled

Walter Guild

to Hilo for two days of rugged endurance riding around Mauna Kea and through the Hilo forests. None of the participants knew the trails they were going to be riding, which made the race very exciting and difficult. The overall performance by OCC riders was the best ever and the prospects of future success looks even better with the "Young Lions" on the horizon.

This year's participants began training last October. On almost any Saturday, the Club team would meet at Kenny's Coffee House in Kalihi at 7 a.m. and head for the hills for a day of fun in the dirt and mud. Before Mauna Kea, most had competed in the Mililani "Hare and Hound" and were entered in the Kahuku four-hour enduro. By Memorial Day they were ready for the big one.

The race course took some 70 riders around the back side of Mauna Kea on Saturday morning, then down into the rough lava before a lunch break at the Girl Scout Camp off the Saddle Road at about the 7,000-foot level. Then the course went back around the top, through the clouds, and dropped down into the Hilo outskirts, covering 117

miles in about six hours.

Good equipment preparation and rider condition kept the OCC team in the money most of the first day, with the exception of Beaumont, who got a flat.

On the second day, all riders did pretty well except for a tree section. Quinn found himself having some trouble running into and trying to get his bike over trees in some pretty tight trails before making it to the lunch stop.

"Scrappy" Tannehill led the support group of Steph Ackerman, Kelly Hutchinson, Yvonne Balagtas, Colleen Keane and Nanea Tannehill. They hiked through the rough trails to meet the men at lunch with a cooler full of ice tea. Thank you, girls! Jimmy Pflueger also provided back-up support and experience. Mahalo for all the help.

Walter Guild took second in the Open Class, and Brant Ackerman took second in the 175cc Class.

This year's riders wish to thank the Club members for their support. Anticipating the continuation of the Mauna Kea 200, the Outrigger can expect more and more impressive results from its younger, aggressive riders as they gain experience.

Dana's a Pro

By Kelly Hutchinson

After windsurfing as an amateur for six years, Outrigger's Dana Dawes has embarked on a professional windsurfing career. Already she has completed the Hawaii circuit, which included the OP wave classic in which she placed 4th, and the O'Neil classic on Maui, placing 5th. She also entered the Pan Am World Cup, which was cancelled due to wind conditions.

Dana prefers wave sailing, which involves jumping and surfing the waves, over triangle racing. "The conditions in Hawaii are excellent for wave sailing," Dana says, "while triangle racing on long race boards is extremely boring."

Dana is now seeking sponsors to enable her to enter the many different competitions around the world. There are only about a dozen women who are competitive in wavesailing, all of whom live in Hawaii. Dana has some tough competition, but with a lot of hard work

she feels she can make it to the top on the women's circuit.

Her next competition is the San Francisco Bay Crossing and the Hang Ten wave classic at Cabrillo Beach in San Pedro, California. She recently returned from San Diego, where she competed against men since she was the only woman professional entered in the competition . . . Good luck Dana!!! Go for it!!!

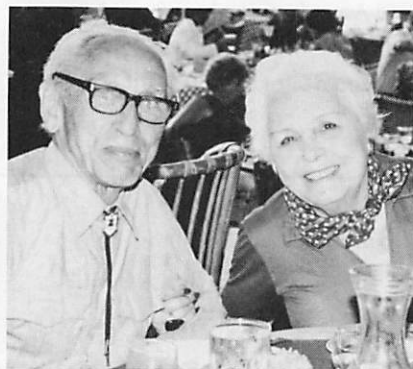

Western Bar-B-Q

300 members gathered on the evening of June 18th and listened to some good old down home country music provided by Ron Tish and the Ramblers. The authentic western bar-b-q menu included: Texas rounds of beef, bar-b-q beef ribs, Texas-style baked beans, corn on the cob, an abundant salad selection and, of course, apple pie. The dance floor was packed with members hoe-downing from the start at 6 p.m. until closing.

OCC's Paddleboard Race

By Joe Teipel

Three dozen men and a handful of women paddled and surfed their way two miles through the Club channel and the waves at Old Man's to compete in the third annual OCC-sponsored paddleboard race on Saturday, June 4.

There were many Club members participating, as well as some outside invitees. The City and County lifeguards were there in force as were pro-surfers Hans Hedemann and Buzzy Kerbox.

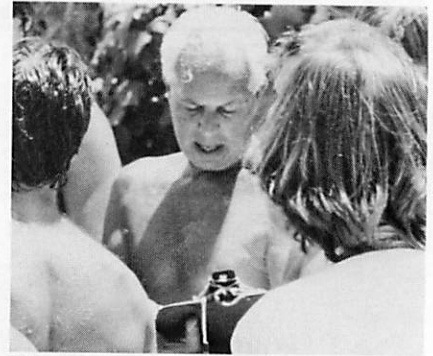

The course was three circular laps

from shore to surf and back, making it a short but sweet sprint for the contestants.

Don't forget to watch the OCC Long-Distance Summer Race (6.2 miles, 10,000 km.) on August 14.

On the Run

By Fred Rainey

Carolyn Corrigan, chairperson of the Running Committee, reports that the group, after meeting in May and June, have come up with several long- and short-term goals to help Club runners.

In the long term, they are planning to encourage member participation in running, stressing the benefits to your health and the joy of competition. Over the short term, they will be providing information on up-coming races, keeping running records and preparing members for the Honolulu Marathon.

For recommended races, the committee will be picking up entry forms and will have them at the front desk; cards will be posted on the committee's bulletin board by the men's locker room listing the races for which forms are provided. The committee is hoping to bring in more speakers and they welcome interested members to both their special events and regular meetings. Contact Carolyn Corrigan for more information.

You'll be interested in the following report from Harry Sealy of San Diego, a non-resident member. "During a month's stay in the Palm Springs area I

utilized my reciprocal privileges at Shadow Mountain Golf Course, Rancho Mirage, and wish to state that it was a most rewarding experience. The staff went out of its way to make me feel right at home. I played there about four times a week, always had interesting pairings, and in fact played in two of their tournaments. I give very high marks to that affiliation." The Golf Committee has assured Harry that we will accommodate Shadow Mountain members at our tournaments given sufficient notice.
