## The President's Letter

### THE NEW LOOK

As announced in the last issue of the FORECAST, it has been decided by your Board of Directors to change the format of future issues. This is the first issue of the new FORECAST.

One reason for the change is that we found many of our members evidently did not have time to read all the articles contained in the previous sixteen page issue. For example, in almost every issue this year we have had an article covering progress with respect to the plans for our new club. Yet on numerous occasions your president and other directors have been approached by members who complained that they were not being kept up to date as to "what was going on with the new club." It is hoped that this issue of the FORECAST will be read in its entirety. Let me assure you that your Board of Directors wants to do everything possible to make the FORECAST informative and yet at the same time keep it as brief and readable as possible. We will appreciate your reaction to the new FORECAST and any suggestions you may have as to how it can be improved.

### ON THE NEW CLUB

Speaking of plans for the new club, you should by now have received a comprehensive report prepared by Cline Mann, Chairman of the Planning Committee on what has happened during the past year. As a member of the Steering Committee, I can honestly say that Chairman Cline and the other members of the committee have worked long and diligently with our architects to provide the best club possible for our members at the new site. Schematic drawings of the proposed facility are now on exhibit at the club and it is hoped that as many members as possible will take the opportunity to examine these plans. If you have any suggestions, please don't hesitate to pass them on to Cline or to any member of the Board.

### MEMBERSHIP MEETING

At the last meeting of your Board of Directors on December 21, it was decided to hold a general membership meeting to present the plans for the new club and to obtain comments regarding the development of our new site. In order to accommodate as many members as possible, this meeting will be held at the Princess Kaiulani meeting house. Tentatively, this meeting has been scheduled for Thursday, January 25. An official notice will be sent to you as soon as plans for the meeting are finalized.

## WELCOME, ARTHUR JARL

You have probably read the article which appeared in our local newspapers announcing the change in the club's management to be effective on January 1, 1962. Arthur Jarl will replace genial Jake Tudor who has been with us for over three and a half years. Mr. Jarl, as many of you may know, was manager at the Oahu Country Club from 1950 to 1956. Leaving the Country Club for the hotel business, he took over as manager of the new Waikikian Hotel when it opened in 1957. Deciding he wanted to return to the Mainland, he joined the swank Bel Air Country Club in Los Angeles as manager during 1958-59. Again new fields beckoned and he went to work for the Presbyterian Church developing their retirement housing projects in La Jolla and other sections of California. Early in 1961 local financier Chinn Ho contracted for Mr. Jarl's services to do research on retirement housing projects in Hawaii and also to advise him on management problems in connection with the Ilikai development. Your Board of Directors feels the club is very fortunate to obtain Mr. Jarl's services at this particular time. It is anticipated that his knowledge and experience will be of considerable value to us in the development of our new club facilities.

## ALOHA, JAKE TUDOR

I am sure that all our membership will agree with me that Jake Tudor has been one of the finest managers we have ever had. Jake takes over as manager of the Elks' Club and we wish him much success.

## EMPLOYEES' CHRISTMAS PARTY

Your president had the honor of being invited to the employees' Christmas party which was held on December 11 and had the privilege of distributing the Christmas checks to our employees. Amongst those who received a great deal of ribbing at the party was newly married Harry Robello who recently took member Barbara Kahanamoku as his bride. It was a happy occasion and much fun was had by all present.

## ULUNIU SITE LEASE

Also at the last meeting of your board a lease document covering a lease by the club of the Uluniu club site was approved. This document is now in the hands of Sheraton's officials for their consideration and, we hope, early approval. It is hoped that by the time of the annual meeting we will have consummated a lease for this site.

## ANNUAL MEETING FEBRUARY 23

The annual meeting of the club will be held on February 23. To choose a slate of candidates for next year's Board of Directors, a nominating committee has been appointed consisting of John Parks, chairman; Roy Mongeon, "Kelly" Henshaw, Bill Cooke, Corinne Forde, Genie Pitchford, Bob Fischer, Rocky Allen, Kenneth Pratt, and Bill Baird. If any of you are interested in being a candidate for the Board or have any suggestions for a prospective candidate, please let the committee know. Directors whose terms expire are Herbert Taylor, Wilford Godbold, Vic Kahn, Cline Mann, Mariechen Jackson, Toots Minvielle, Dad Center and yours truly. Because of a change in our by-laws voted at the annual meeting in 1959, no director may serve for more than three consecutive terms. As a result Herbert Taylor and Wilford Godbold are ineligible for nomination for next year's board. As you know, both have served as past presidents of the club and have been on the board for many years. Their service has been outstanding and their work these past two years in connection with our future plans has been invaluable. While they cannot sit on the board next year, it is strongly recommended that whoever the next president may be, he utilize the outstanding abilities and valuable experience of these two members.

### MAHALO

I would like to take this opportunity to thank all of you on behalf of the Board of Directors and the staff of our club for your generosity to the Employees Christmas Fund. Each one of the staff had a happier Christmas because of it. May I close my remarks by extending to all of you my sincere wishes for a very Happy and Prosperous New Year.

### CORRESPONDENCE

A very nice letter was received from Ron McAnnin, Skipper of the Pursuit, the transpacific yacht hosted by the club in the 1962 races. Ron extended his thanks and Christ-

mas greetings to all those who were so hospitable to him and his crew while they were here.

### JUNIOR MEMBERS NOTE

The Board has recently received a number of complaints regarding the behavior of some of our younger members. It is reported that they disregard the instructions given to them by the club manager and members of the staff. Let me remind you that the manager is responsible for the operation of the club and has the right to evict anyone from the premises who violates the club's rules and regulations. He also has the responsibility to report any infractions to the Disciplinary Committee, so please tell your youngsters to behave or else!

### FIBRE GLASS CANOE

In case any of you want to see the latest in fibre glass canoes, you should come down to the club and take a look at the Kawelea. This is the racing canoe which was brought to Honolulu by the Balboa Paddling Club and used by them in the Molokai-Oahu canoe race. It really is a thing of beauty.

— Ward Russell

### NEW MEMBERS

#### REGULAR:

Mrs. Julie Keller  
Sanford T. Allen

#### SERVICE:

Capt. Hoke Sisk

#### JUNIOR:

Emary R. Lucas

#### NON-RESIDENT:

R. ADM. Adrian H. Perry  
J. Morgan Greene  
Anthony Owen  
William A. Riley  
Omer W. Long
